Southeastern By-Lion Newsletter

A newsletter is issued electronically through University Marketing and Communications periodically to inform faculty and staff of action of the University of Louisiana System and Board of Regents, to report academic accomplishments and honors of the faculty and staff, to announce major changes in policies, and, generally, to establish lines of communication between the administration and the faculty/staff. To be included in a particular issue, an announcement must be submitted to University Marketing and Communications (umc@southeastern.edu) by the end of business on Thursday. Southeastern's By-Lion is located online at: http://www.selu.edu/news_media/bylion/.
