Audit Control # 80220089

Introduction

As a part of our audit of the University of Louisiana System (System) and our work related to the Single Audit of the State of Louisiana (Single Audit) for the fiscal year ended June 30, 2022, we performed procedures at Southeastern Louisiana University (Southeastern) to provide assurances on financial information that is significant to the System's financial statements; evaluate the effectiveness of Southeastern's internal controls over financial reporting and compliance; and determine whether Southeastern complied with applicable laws and regulations. In addition, we determined whether management has taken actions to correct the finding reported in the prior year.

Results of Our Procedures

Follow-up on Prior-year Finding

Our auditors reviewed the status of the prior-year finding reported in the Southeastern management letter dated April 6, 2022. We determined that management has resolved the prior-year finding related to Noncompliance with Borrower Data Reconciliation Requirements.

Financial Statements - University of Louisiana System

As a part of our audit of the System's financial statements for the year ended June 30, 2022, we considered Southeastern's internal control over financial reporting and examined evidence supporting certain account balances and classes of transactions, as follows:

Statement of Net Position

Assets – Cash and Cash Equivalents, Investments, Due From State Treasury, and Capital Assets

Liabilities – Bonds Payable

Net Position – Net Investment in Capital Assets, Restricted – Nonexpendable, Restricted – Expendable, and Unrestricted

Statement of Revenues, Expenses, and Changes in Net Position

Revenues – Student Tuition and Fees Net of Scholarship Allowances, Net Auxiliary, State Appropriations, and Federal Nonoperating

Expenses – Educational and General, and Auxiliary Enterprise

Based on the results of these procedures, we did not report any findings. In addition, the account balances and classes of transactions tested, as adjusted, are materially correct.

Federal Compliance - Single Audit of the State of Louisiana

As a part of the Single Audit for the year ended June 30, 2022, we performed procedures as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) on information submitted by Southeastern to the Division of Administration's Office of Statewide Reporting and Accounting Policy for the preparation of the state's Schedule of Expenditures of Federal Awards (SEFA) and on the status of the prior-year findings for the preparation of the state's Summary Schedule of Prior Audit Findings.

Based on the results of these procedures, we did not report any findings. In addition, Southeastern's information submitted for the preparation of the state's SEFA and the state's Summary Schedule of Prior Audit Findings is materially correct.

Under Louisiana Revised Statute 24:513, this letter is a public document, and it has been distributed to appropriate public officials.

Respectfully submitted,

Michael J. "Mike" Waguespack, CPA

APPENDIX A: SCOPE AND METHODOLOGY

We performed certain procedures at Southeastern Louisiana University (Southeastern) for the period from July 1, 2021, through June 30, 2022, to provide assurances on financial information significant to the University of Louisiana System (System), and to evaluate relevant systems of internal control in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Our procedures, summarized below, are a part of the audit of the System's financial statements and our work related to the Single Audit of the State of Louisiana (Single Audit) for the year ended June 30, 2022.

- We evaluated Southeastern's operations and system of internal controls through inquiry, observation, and review of its policies and procedures, including a review of the laws and regulations applicable to Southeastern.
- Based on the documentation of Southeastern's controls and our understanding of related laws and regulations, we performed procedures to provide assurances on certain account balances and classes of transactions to support our opinions on the System's financial statements.
- We performed procedures on information for the preparation of the state's Schedule of Expenditures of Federal Awards and on the status of prior-year findings for the preparation of the state's Summary Schedule of Prior Audit Findings for the year ended June 30, 2022, as a part of the 2022 Single Audit.
- We compared the most current and prior-year financial activity using Southeastern's Annual Fiscal Reports and/or system-generated reports to identify trends and obtained explanations from Southeastern's management for significant variances.

The purpose of this report is solely to describe the scope of our work at Southeastern, and not to provide an opinion on the effectiveness of Southeastern's internal control over financial reporting or on compliance. Accordingly, this report is not intended to be, and should not be, used for any other purposes.

We did not audit or review Southeastern's Annual Fiscal Report, and accordingly, we do not express an opinion on that report. Southeastern's accounts are an integral part of the System's financial statements, upon which the Louisiana Legislative Auditor expresses opinions.
