

# Does your child need health insurance?

**Working families may be able to get full health coverage at No Cost through LaCHIP if...**

- ✓ Your children are under age 19
- ✓ Your children are uninsured
- ✓ Your family income is at or below the figures in the chart

*Step-parent, Grandparent, and Non-parent Caregiver income is **NOT** counted in determining the eligibility of the child living in your home!*

Number in family (include just parents and children)	Income Amounts Thru 3/31/2005	
	Monthly Income	Yearly Income
1	1,552	18,620
2	2,082	24,980
3	2,612	31,340
4	3,142	37,700
5	3,672	44,060
6	4,202	50,420
7	4,732	56,780
8	5,262	63,140
More than 8	For each extra person, add \$530 to the monthly amount for 8 people	

In some cases, your family may be eligible for LaCHIP even if your income is a little higher than this level – it's worth it to apply even if you are close!
