

Confidential Advisors

Recipient has designated trained individuals who shall serve as Confidential Advisors. They shall, to the extent authorized under law, provide confidential services to students.

Confidential Advisors may, as appropriate, serve as a liaison between an alleged victim and Recipient or local law enforcement when directed to do so in writing by an alleged victim who has been fully and accurately informed about what procedures shall occur if information is shared, and assist an alleged victim in contacting and reporting to a responsible employee or local law enforcement.

The Confidential Advisor shall be authorized to liaise with appropriate staff and Recipient to arrange supportive measures, as defined hereinabove. Requests to a Confidential Advisor for supportive measures shall not trigger an investigation by Recipient.

The Confidential Advisor shall be authorized to accompany the alleged victim, when requested to do so by the alleged victim, to interviews and other proceedings of a campus investigation and institutional disciplinary proceeding.

The Confidential Advisor is authorized to advise the alleged victim of, and provide written information regarding, both the alleged victim's rights and the Recipient's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a court of competent jurisdiction or by Recipient. The Confidential Advisor is not obligated to report crimes to Recipient or law enforcement in a way that identifies an alleged victim or an accused individual, unless otherwise required to do so by law.

Confidential Advisors shall complete online training developed by the Attorney General in collaboration with the Board of Regents.
