

The background of the slide is a golden-yellow color with a dense, repeating pattern of embossed currency symbols. These symbols include the dollar sign (\$), the euro (€), the pound sterling (£), and the yen (¥). The symbols are arranged in a way that they appear to be overlapping and three-dimensional, creating a textured effect.

Upward Bound Math Science Upward Bound 2020-2021

“The Covid Experience Continues”

Changes to Stipends for 2020-2021 Program Year

- Increased Upward Bound/Math Science Upward Bound stipend amounts are for COVID Year 2020-2021 only.
- To be eligible for a stipend at all, the student needs to have a "C" or better in all High School classes
- It is expected that students will use the increased COVID year stipends to further their education. This includes purchasing internet services and other types of technology to be successful with online educational practices.
