Congratulations, Upward Bound or Math Science Upward Bound Senior! You have earned the privilege to be considered for the 2021 Summer Bridge Program. The Bridge Program can be very rewarding. If successful, the credit earned is **Pass** only (no letter grades). These credits will either satisfy admission requirements or general education requirements as noted below to schools within the University of Louisiana system*, but **only when a student successfully matriculates into (i.e., is accepted into) Southeastern Louisiana University** and enrolls either during the Summer Bridge Program or in the fall semester after high school graduation.
