Full-time Equivalent (FTE) Students Taught

The number of full-time equivalent (FTE) students taught increased 5.6% from the Spring 2002 semester to the Spring 2003 semester. (Note: These FTE calculations are based on the undergraduate and graduate hours taught by departments. These calculations will differ from FTE calculations based on the student classification of undergraduate and graduate.) The number of full-time equivalent undergraduate students equals the total undergraduate student credit hour (SCH) production divided by 12, and the number of full-time equivalent graduate equals the total graduate SCH production divided by 9.

On-Campus and Off-Campus Enrollment

On-Campus and Off-Campus is based on where a student is taking courses each semester. If a student is only taking courses on either the Hammond or Baton Rouge campus, they are classified as on-campus students. If a student is only taking courses at other sites, such as at the St. Tammany Center, then they are classified as off-campus. Also included in off-campus are those students who are taking only distance education courses, and do not need to be on the campus. In some cases students take courses both on-campus and off-campus.
