

# **Current Student Survey Spring 1999**

**Southeastern Louisiana University  
Office of Institutional Research and Assessment**

**June 2000**

## Table of Contents

Executive Summary .....	1
Method .....	2
Results .....	5
Office of Technology .....	5
Satisfaction with uses of technology in classroom teaching .....	5
Student satisfaction with computer hardware available on campus for student use .....	6
Student satisfaction with computer software available on campus for student use .....	7
Student satisfaction with availability of classes, sessions, or workshops for learning how to use software .....	8
Student satisfaction with computer lab locations on campus .....	9
Student satisfaction with amount of help available from the Office of Technology to answer questions .....	10
Student satisfaction with use of the Technology fee to improve the technical environment .....	11
Student usage of word processing if available on campus .....	12
Student usage of multimedia (CD-ROM) if available on campus .....	13
Student usage of world wide web if available on campus .....	14
Student usage of e-mail if available on campus .....	15
Student usage of spreadsheets if available on campus .....	16
How often do you use electronic forms of communication like e-mail? .....	17
SLU Retail Bookstore .....	18
How often have you used the shipping services of the Bookstore? .....	18
How often have you used the special order services of the Bookstore? .....	19
How often have you purchased music from the Bookstore? .....	20
How often have you purchased educationally priced software from the Bookstore? .....	21
How often have you sold back textbooks to the Bookstore? .....	22
How often have you sold back a TI-83 (graphing) Calculator to the Bookstore? .....	23
How often have you used the Reserve Books service of the Bookstore? .....	24
How often do you shop at the SLU Retail Bookstore? .....	25
How satisfied are you with the study materials available at the Bookstore? .....	26
How satisfied are you with class materials available at the Bookstore? .....	27
How satisfied are you with the friendliness of Bookstore staff? .....	28
How satisfied are you with the helpfulness of Bookstore staff? .....	29
Has the new location of the Retail Bookstore in the Student Union made it more accessible? .....	30

Do you own Southeastern clothing (hats, t-shirts, sweatshirts, etc.)?	31
How often do you wear Southeastern clothing?	32
<b>Student Government Association</b>	<b>33</b>
I frequently hear about the SGA	33
I know a great deal about what the SGA does	34
The SGA office is easy to find	35
The SGA effectively represents the needs of students and their student rights	36
The SGA effectively represents the needs of students in the area of student service	37
The SGA effectively represents the needs of students in the area of student leadership	38
In my opinion, the SGA Technology fee has been beneficial	39
I know which senators represent my college	40
I know members of the SGA	41
SGA is accessible to the student body	42
<b>Enrollment Services</b>	<b>43</b>
The Summer Orientation Program provided me the information I needed as a new student at Southeastern	43
The Orientation Staff was friendly and helpful	44
The Orientation Staff was knowledgeable	45
Application and immunizations materials were easily available	46
General information about admissions, registration, deadlines, courses, etc. are easily available	47
Admissions staff are friendly and helpful	48
Admissions staff are knowledgeable	49
PC/Terminal-based registration is convenient	50
PC/Terminal-based registration is easy to use	51
Voice access (telephone registration, grade inquiry, etc.) is convenient	52
Voice access (telephone registration, grade inquiry, etc.) is easy to use	53
Course withdrawal/resignation is easy to use	54
Records staff (registration, transcripts, etc.) are friendly and helpful	55
Records staff (registration, transcripts, etc.) are knowledgeable	56
Enrollment Services staff answer my questions and provide the information I need	57
<b>Financial Aid</b>	<b>58</b>
What types of financial aid are you most interested in receiving?	58
Would you be interested in attending a seminar on how to properly fill out an application for financial aid?	59

How satisfied are you with the friendliness and helpfulness of the Financial Aid staff? . . . . .	60
How satisfied are you with the accuracy of the information you receive on the status of your application for financial aid? . . . . .	61
How satisfied are you with the instructions you were given on how to fill out your financial aid application? . . . . .	62
How satisfied are you with the amount of time it took to process your financial aid? . . . . .	63
What services would you like to see the Financial Aid office provide to help finance your education? . . . . .	64
 Student Activities and Student Life . . . . .	 66
Have you ever heard of Southeastern's Pride Day? . . . . .	66
How often have you participated in or attended Pride Day Activities? . . . . .	67
Do you think Pride Day enhances the image and school spirit of Southeastern? . . . . .	68
Importance of Adult, Commuter Student Services . . . . .	69
Importance of the Campus Activities Board . . . . .	70
Importance of Counseling Center Services . . . . .	71
Importance of Career Development Services . . . . .	72
Importance of Campus Dining Services . . . . .	73
Importance of Housing/Residential Life . . . . .	74
Importance of Leadership Development Services . . . . .	75
Importance of Lion's Lagniappe . . . . .	76
Importance of Medical Health Services/Infirmary . . . . .	77
Importance of Multicultural Affairs/International Student Services . . . . .	78
Importance of Recreational Sports and Wellness . . . . .	79
Importance of the Retail Bookstore . . . . .	80
Importance of Services for Students with a Disability . . . . .	81
Importance of the Student Government Association . . . . .	82
Importance of Student Organizations/Greek Affairs . . . . .	83
Importance of Student Publications . . . . .	84
Importance of Veteran Student Affairs . . . . .	85
Satisfaction with Adult, Commuter Student Services . . . . .	86
Satisfaction with the Campus Activities Board . . . . .	87
Satisfaction with Counseling Center Services . . . . .	88
Satisfaction with Career Development Services . . . . .	89
Satisfaction with Campus Dining Services . . . . .	90
Satisfaction with Housing/Residential Life . . . . .	91
Satisfaction with Leadership Development Services . . . . .	92
Satisfaction with the Lion's Lagniappe . . . . .	93

Satisfaction with Medical Health Services/Infirmary . . . . .	94
Satisfaction with Multicultural Affairs/International Student Services . . . . .	95
Satisfaction with Recreational Sports and Wellness . . . . .	96
Satisfaction with the Retail Bookstore . . . . .	97
Satisfaction with Services for Students with a Disability . . . . .	98
Satisfaction with the Student Government Association . . . . .	99
Satisfaction with Student Organizations/Greek Affairs . . . . .	100
Satisfaction with Student Publications . . . . .	101
Satisfaction with Veteran Student Services . . . . .	102
Mean difference between importance of and satisfaction with Student Affairs' services, programs and activities . . . . .	103
What types of activities/programs would you like to see at Southeastern? . . . . .	104
How sure are you that you will graduate in the major you have chosen? . . . . .	106
Do you know what your career plans are after graduation? . . . . .	107
Are you aware that Career Development Services provides:	
Career Counseling and Assessment . . . . .	108
Resume Assistance . . . . .	109
Interview Assistance . . . . .	110
Part-time Job Location Assistance to Current Students . . . . .	111
Full-time Job Placement Assistance for Graduating Seniors . . . . .	112
If you have ever used the Career Development Services, please indicate your satisfaction with:	
Atmosphere . . . . .	113
Friendliness and helpfulness of staff . . . . .	114
Staff's level of knowledge . . . . .	115
Services provided . . . . .	116
Ease of using services . . . . .	117
Overall experience . . . . .	118
During a typical week, how much time do you spend on the following activities:	
Classes/Labs . . . . .	120
Working for Pay . . . . .	121
Studying/Homework . . . . .	122
Commuting . . . . .	123
Volunteer Work . . . . .	124
Socializing with Friends . . . . .	125
Clubs or other groups . . . . .	126
Watching T.V. . . . .	127
Exercising/sports . . . . .	128
Interacting with and caring for family . . . . .	129
In the last two weeks, how many times have you had five or more drinks at a single sitting if you are a male, or four or more drinks at a single sitting if	

you are a female? .....	130
What is the average number of drinks you consume in a week? .....	131
At what age did you first use each of the following:	
Tobacco (smoke, chew, snuff) .....	132
Alcohol (beer, wine, liquor), other than a few sips .....	133
Marijuana (pot, hash, hash oil) .....	134
Cocaine (crack, rock, freebase) .....	135
Amphetamines (diet pills, speed) .....	136
Sedatives (downers, ludes) .....	137
Hallucinogens (LSD, PCP) .....	138
Opiates (heroin, smack, horse) .....	139
Inhalants (glue, solvents, gas) .....	140
Designer drugs (ecstasy, GHB) .....	141
Steroids .....	142
Other illegal drugs .....	143
Within the last year, how often have you used each of the following:	
Tobacco (smoke, chew, snuff) .....	144
Alcohol (beer, wine, liquor), other than a few sips .....	145
Marijuana (pot, hash, hash oil) .....	146
Cocaine (crack, rock, freebase) .....	147
Amphetamines (diet pills, speed) .....	148
Sedatives (downers, ludes) .....	149
Hallucinogens (LSD, PCP) .....	150
Opiates (heroin, smack, horse) .....	151
Inhalants (glue, solvents, gas) .....	152
Designer drugs (ecstasy, GHB) .....	153
Steroids .....	154
Other illegal drugs .....	155
Within the past 30 days, on how many days have you used each of the following:	
Tobacco (smoke, chew, snuff) .....	156
Alcohol (beer, wine, liquor), other than a few sips .....	157
Marijuana (pot, hash, hash oil) .....	158
Cocaine (crack, rock, freebase) .....	159
Amphetamines (diet pills, speed) .....	160
Sedatives (downers, ludes) .....	161
Hallucinogens (LSD, PCP) .....	162
Opiates (heroin, smack, horse) .....	163
Inhalants (glue, solvents, gas) .....	164
Designer drugs (ecstasy, GHB) .....	165
Steroids .....	166
Other illegal drugs .....	167

Please indicate how often you have experienced each of the following due to drinking or drug use during the last year:

Had a hangover . . . . .	168
Performed poorly on a test or project . . . . .	169
Been in trouble with police or university . . . . .	170
Damaged property, pulled fire alarm, etc. . . . .	171
Got into an argument or fight . . . . .	172
Got sick or vomited . . . . .	173
Driven under the influence . . . . .	174
Missed a class . . . . .	175
Been criticized by someone I know . . . . .	176
Thought I might have a drinking or drug problem . . . . .	177
Had a memory loss . . . . .	178
Done something I regretted . . . . .	179
Been arrested . . . . .	180
Have been taken advantage of sexually . . . . .	181
Have taken advantage of another sexually . . . . .	182
Tried unsuccessfully to stop using . . . . .	183
Seriously thought about suicide . . . . .	184
Seriously tried to commit suicide . . . . .	185
Been hurt or injured . . . . .	186
Hurt or injured others . . . . .	187
Student Characteristics . . . . .	188
Miles traveled one way to Southeastern's main campus . . . . .	189
Comments . . . . .	190
References . . . . .	193
Appendix A . . . . .	194

## Executive Summary

In the Spring of 1999, the Office of Institutional Research and Assessment sent a survey to a random sample of currently enrolled Southeastern students. Along with obtaining demographics on the student body not readily found in the Student Record System, the intent of the survey was to gather information on the opinions of students regarding student-centered activities, services, and programs in order to evaluate their visibility and effectiveness. The survey was mailed to 650 randomly selected students who reflected Southeastern's student population as stratified by sex, class (freshman, sophomore, junior, senior, and graduate students), race (white or minority), and whether they live on or off campus. The return rate of the survey after two "reminder" mailings was 27% (n=176).

The survey was developed by representatives from the Student Government Association (SGA), the Division of Student Affairs, and staff from the Office of Institutional Research and Assessment. The survey addressed seven topic areas:

- ! **Office of Technology.** Students indicated that they are most pleased with campus locations of computer labs, and most frequently use the world wide web while on campus. The vast majority of students use electronic forms of communication such as e-mail.
- ! **SLU Retail Bookstore.** Students most often use the textbook buy-back services of the Bookstore, and are most satisfied with the friendliness and helpfulness of the staff. Students also indicate that the new location of the Bookstore is more accessible.
- ! **Student Government Association.** Lack of knowledge appears to be the greatest problem; the overall majority of students do not know which Senators represent their college.
- ! **Enrollment Services.** Students rate the Orientation staff as the friendliest and most helpful. They also rate PC/Terminal based registration as the most convenient and the easiest to use.
- ! **Financial Aid.** Students are most satisfied with the accuracy of the information they receive regarding the status of their financial aid application, and are most interested in receiving grant money.
- ! **Student Activities and Student Life.** While students indicate that Pride Day enhances the image and school spirit of Southeastern, most have not participated in or attended a Pride Day activity. Students rate Medical Health Services/Infirmary as the most important service offered on campus, and the one they are most satisfied with. The majority of students indicate that they have used tobacco and alcohol at some point in their life, while the majority have not ever used drugs.
- ! **Your Family and Job.** The majority of respondents were non-traditional students, who travel more than 30 miles (one way) to school, and hold a job off campus.

## Method

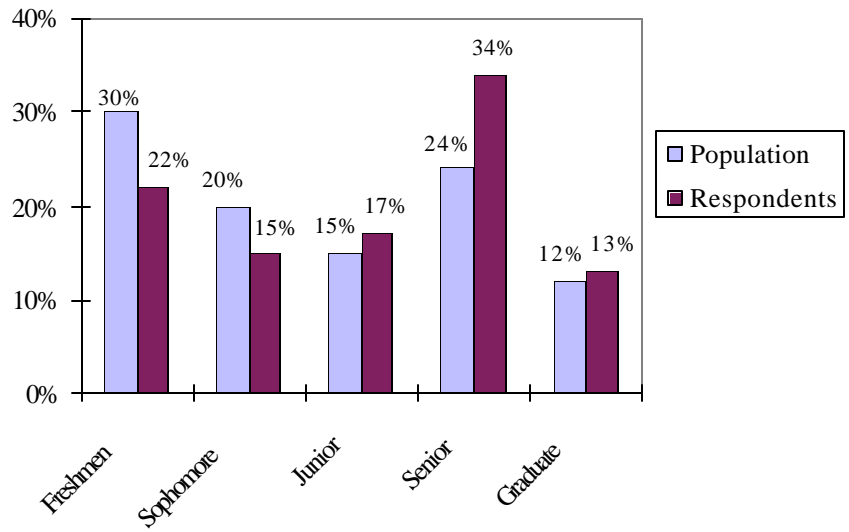

### Participants

A total of 650 surveys were sent to a randomly selected sample of students who were enrolled at Southeastern in the Spring of 1999. The students were stratified by sex, class (freshmen, sophomore, junior, senior and graduate student), race (white or minority), and whether they lived on campus or off campus. The sample mirrored the student body on these characteristics.

Of the 650 surveys distributed, 7 were returned as non-deliverable. Of the 643 remaining surveys, 176 were completed and returned for a response rate of 27%. Analysis of the variables of stratification revealed that there were differences between the returned and non-returned surveys in sex and class. A significantly larger proportion of females returned the survey than did males ( $\chi^2(1)=12.09$   $p<.05$ ). A significantly larger proportion of Seniors returned the survey than expected, and a significantly smaller proportion of Freshmen did not return the survey than expected ( $\chi^2(4)=18.26$   $p<.05$ ).

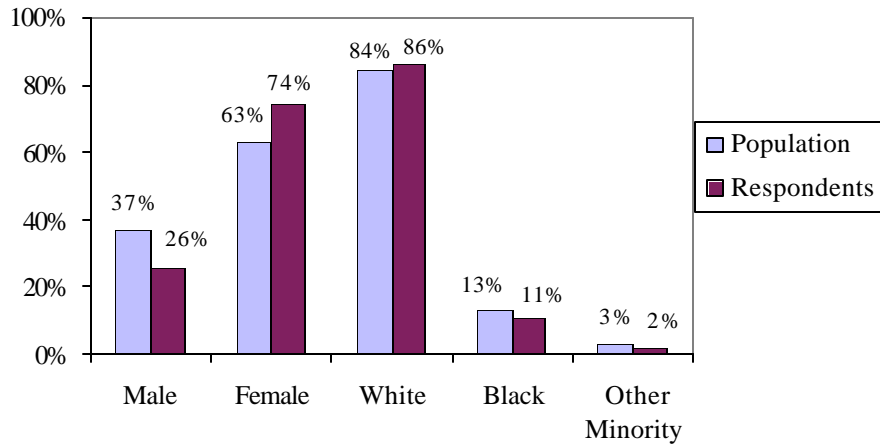

Of the 176 returned surveys, 74% ( $n=130$ ) of the respondents were female and 26% ( $n=46$ ) were male. The vast majority (86%,  $n=152$ ) were White, Non-Hispanic, while 11% ( $n=20$ ) were Black Non-Hispanic, and 2% ( $n=4$ ) were other minorities. The average age of respondents was 25.93. Twenty-two percent ( $n=38$ ) were freshmen, 15% ( $n=27$ ) were sophomores, 17% ( $n=29$ ) were juniors, 34% ( $n=60$ ) were seniors, and 13% ( $n=22$ ) were graduate students. The majority of the respondents were in the College of Basic Studies (36%,  $n=64$ ), while 25% ( $n=44$ ) were in the College of Arts and Sciences, 13% ( $n=22$ ) were in the College of Business, 22% ( $n=38$ ) were in the College of Education, 4% ( $n=7$ ) were in the School of Nursing, and 1 student (.6%) was in Extended Studies. The following figures provide a comparison of the population to the respondents.

**Figure 1**  
**Class Level for Spring 1999 Enrollees and Survey Respondents**

**Gender and Race for Spring 1999 Enrollees and Respondents**

**Figure 2**

## **Procedure**

The survey was mailed to students in March 1999. Included with the survey was a business reply envelope and an incentive for completing the survey. Ten days later, a post card reminder was mailed to students who had not responded. Ten days following the mailing of the post cards, a second survey was mailed to all students who had not yet responded.

## **Instrument**

The survey was developed in conjunction with representatives from the Student Government Association (SGA), the Division of Student Affairs, and staff from the Office of Institutional Research and Assessment. The seven areas addressed in the survey were:

- ! Section 1 - Office of Technology. Questions centered on student satisfaction with student computing and student uses of technology.
- ! Section 2 - SLU Retail Bookstore. Students were asked about their utilization of and satisfaction with bookstore services.
- ! Section 3 - Student Government Association (SGA). This section addressed students' perception of the SGA.
- ! Section 4 - Enrollment Services. Students rated their agreement with statements made regarding the services provided by the department of Enrollment Services.
- ! Section 5 - Financial Aid. Students were asked about the types of financial aid they would be interested in, and their satisfaction with the services provided by the Financial Aid Office.
- ! Section 6 - Student Activities and Student Life. In this section, not only were students asked to rate the effectiveness of Pride Day and other activities and programs offered at Southeastern, but they were also asked about their use of tobacco, alcohol, and drugs.
- ! Section 7 - Your Family and Job. Demographic information that is not readily available through the Student Record System was included in this section.

A complete copy of the survey instrument can be found in Appendix A.

## Results

### Office of Technology

Students were asked to express their satisfaction with the use of technology in classroom teaching, as well as computer hardware, software, and instruction available on campus. They were also asked to express their satisfaction with computer lab locations, help available from the Office of Technology, and the use of the Technology fee to improve the technical environment at Southeastern. Overall, students are most satisfied with computer lab locations on campus (mean=3.87) and are least satisfied with availability of classes, sessions, or workshops for learning how to use software (mean=3.35). Tables 1-7 provide information on all participants' satisfaction with technology at Southeastern, as well as breakdowns by appropriate demographics.

**Table 1**  
**Satisfaction with uses of technology in classroom teaching.**

	<b>1-Very Dissatisfied</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5 - Very Satisfied</b>	<b>Mean</b>
All Students	6.9% (12)	8.6% (15)	31.0% (54)	34.5% (60)	19.0% (33)	3.50
Students who live off campus	6.8% (11)	8.7% (14)	29.2% (47)	36.6% (59)	18.6% (30)	3.52
Students who live on campus	7.7% (1)	7.7% (1)	53.8% (7)	7.7% (1)	23.1% (3)	3.31
White, Non-Hispanic Students	6.7% (10)	9.3% (14)	32.7% (49)	34.7% (52)	16.7% (25)	3.45
Minority Students	8.3% (2)	4.2% (1)	20.8% (5)	33.3% (8)	33.3% (8)	3.79
Female Students	5.5% (7)	8.6% (11)	29.7% (38)	35.2% (45)	21.1% (27)	3.58
Male Students	10.9% (5)	8.7% (4)	34.8% (16)	32.6% (15)	13.0% (6)	3.28

The second question in the Office of Technology section asked respondents to indicate how often they use computing services on campus, including word processing, multimedia (CD-ROM), world wide web, e-mail, and spreadsheets. Overall students indicated they use the world wide web most frequently (mean=3.36) and spreadsheets least frequently (mean=2.02). Tables 8-12 provide information on all participants' level of use on campus, as well as breakdowns by appropriate demographics.

The final question in Section 1 asked students how often they used electronic forms of communication like e-mail. The majority of students indicated that they use electronic communication, with 53.3% using it often and 32.9% using it sometimes. Table 13 provides information on all participants' level of use as well as breakdowns by appropriate demographics.

**Table 13**  
**How often do you use electronic forms of communication like e-mail?**

	<b>Often</b>	<b>Sometimes</b>	<b>Never</b>
All Students	53.3% (89)	32.9% (55)	13.8% (23)
Students who live off campus	50.6% (78)	35.1% (54)	14.3% (22)

## SLU Retail Bookstore

The first question for this section asked students how often they used services offered by the bookstore such as shipping, special ordering, buying music and educationally priced software, selling back textbooks and TI-83 (graphing) calculators, or reserving books. Students use the textbook buy-back services of the bookstore the most (50.0%), and are least aware of the shipping services offered by the bookstore (67.4%). Tables 14-20 provide information on all participants' usage, as well as breakdowns by appropriate demographics.

**Table 14**  
**How often have you used the shipping services of the Bookstore?**

	<b>Unaware I Could</b>	<b>Never</b>	<b>Occasionally</b>	<b>Often</b>	<b>Very Often</b>

The second question in the SLU Retail Bookstore section asked how often participants shop at the bookstore. Overall, the majority of respondents (68.8%) indicated they shop there a few times a semester, with an additional 12.1% shopping once a week. Table 21 provides information on all participants' level of use, as well as breakdowns by appropriate demographics.

**Table 21**  
**How often do you shop at the Southeastern Retail Bookstore?**

	<b>Every Day</b>	<b>Twice a Week</b>	<b>Once a Week</b>	<b>A Few Times a Semester</b>	<b>Never</b>
All Students	1.7% (3)	12.1% (21)	12.1% (21)	68.8% (119)	5.2% (9)

Next in the SLU Retail Bookstore section, participants were asked to rate their satisfaction with the availability of study materials and class materials, as well as the friendliness and helpfulness of bookstore staff. Overall, participants are most satisfied with the friendliness of bookstore staff (mean=4.15) and least satisfied with study materials available at the bookstore (mean=3.76). Tables 22-25 provide information on all participants' satisfaction, as well as breakdowns by appropriate demographics.

**Table 22**

The final questions in the SLU Retail Bookstore section asked participants about the accessibility of the bookstore in its new location, with 72.4% indicating that they believe it to be more accessible. Participants were then asked if they own SLU clothing and how often did they wear it. More than half (51.2%) of the participants indicate that they do not own SLU clothing, and 21.9% of the participants wear SLU clothing once a month. Tables 26-28 provide information on all participants' responses, as well as breakdowns by appropriate demographics.

## Student Government Association

This section asked for the participants’ opinions on the visibility and effectiveness of the Student Government Association (SGA). More than three-quarters (81.6%) of participants indicated that they do not know which senators represented their college, and 73.4% stated that they do not know members of the SGA. Over thirty-five percent (36.5%) of the participants agree with the statement “The SGA office is easy to find,” and 32% indicate that they “frequently hear about the SGA.” In general, minority students indicate a stronger agreement with the statements than do white, non-Hispanic students. Tables 29-38 provide all participants’ agreement with each of the items, as well as demographic breakdowns.

**Table 29**  
**I frequently hear about the SGA.**

	<b>1-Strongly Disagree</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5 -Strongly Agree</b>	<b>Mean</b>
All Students	17.4% (30)	25.0% (43)	25.6% (44)	18.6% (32)	13.4% (23)	2.85
Students who live off campus	18.2% (29)	24.5% (39)	25.2% (40)	19.5% (31)	12.6% (20)	2.84
Students who live on campus	7.7% (1)	30.8% (4)	30.8% (4)	7.7% (1)	23.1% (3)	3.08
White, Non-Hispanic Students	18.2% (27)	25.0% (37)	24.3% (36)	20.3% (30)	12.2% (18)	2.83

## Enrollment Services

This section asked students to indicate their level of agreement with statements made about the Office of Enrollment Services, including orientation, admissions, registration, and the friendliness and helpfulness of staff. In general, students find the Enrollment Services staff friendly, helpful and knowledgeable, rating the Orientation staff slightly friendlier and more knowledgeable than the Admissions and Records staff. Respondents also indicate that PC/Terminal-based registration is slightly more convenient and easier to use than Voice Access. Tables 39-53 provide the participants' overall agreement with each of the items, as well as demographic breakdowns.

## Financial Aid

This section asked students about their level of satisfaction with the services provided by the Financial Aid Office, as well as the types of services that they are most interested in receiving. Overall, the type of financial aid that the participants' are most interested in receiving are grants (79.5%), and are least interested in receiving work-study (25.0%). Only one-quarter (25.4%) showed interest in attending a seminar on how to properly fill out an application for financial aid. Students indicate they are most satisfied with the accuracy of the information they receive on the status of their applications (mean = 4.20), and are least satisfied with the amount of time it took to process their financial aid (mean = 3.95). Tables 54-59 provide overall results for each item, as well as demographic breakdowns.

**Table 54**  
**What types of financial aid are you most interested in receiving?**

\* Mean does not include those who indicated “Does Not Apply”.

The next question asked students what services they would like to see the Financial Aid office provide to help finance their education. Below are the responses given by the participants:

- ! What scholarships might apply to me?
- ! I understand that this office has a difficult job, however I would like to see this department be more knowledgeable (especially the student workers) and not have to accept an answer of “I don't know” so often. I really appreciate not having to deal with this anymore.
- ! Someone to sit down and fill out the application with you and not tell you to fill it out and bring it in when completed.
- ! Master level scholarships, etc. Aid for single parents.
- ! Programs during registration times, to help fill out financial aid packets. Help with finding work-study, especially for new students.
- ! More work-study, more scholarships based on more than just grades.
- ! Additional Staffing!
- ! One-on-one counseling
- ! Having student workers who know what they are doing.
- ! Better evaluation of possible financial avenues.
- ! Better grant and loan refund rate - less red tape!
- ! Show a video (make it plain and simple). Clarify.
- ! A 1-800 number. Unaware if you have one already!!
- ! I would like them to speed the application process up. It is a hassle to have to go back and forth with paper work. By the time I've received a response, the semester is half over. The people in there are also not very friendly.
- ! Public and private sector search for scholarships.
- ! I really don't know yet.
- ! A way to be able to tell whether your money will arrive on time.
- ! More information on scholarships for non-freshmen students i.e. Seniors and Juniors.
- ! Online information about available grants and scholarships.
- ! Job referrals after graduation.
- ! More knowledge about grants, scholarships.
- ! Financial Aid staff needs to be more knowledgeable on the exact steps to go through to receive aid.
- ! Make known other means of financial aid other than loans.
- ! Tell me what kind of financial aid I am able to receive.
- ! Grants for students who still live at home, but pay for their own tuition. The money I work for I have to save for my tuition.
- ! A current list of scholarships and help applying for them.
- ! More scholarships and grants not based on parent's income.
- ! I think they should notify us of additional scholarship applications available.
- ! The Financial Aid Office was very hard to deal with because they never gave me the right answers about my problem.

- ! To be able to answer questions without making the person asking feel dumb! It is very confusing and the Financial Aid Office is NO HELP!
- ! More info on scholarships.
- ! Online registrations and help.
- ! More aid to people who are coming back to college after years off.
- ! Few more people to help students.
- ! None as I can think of at this moment.

## Student Activities and Student Life

The first part of Section 6 asked students about Pride Day and the importance of, as well as their satisfaction with, various student services offered at Southeastern. While more than seventy percent (70.9%) of the participants marked that they have heard of Pride Day, this is a drop in comparison to the Fall 1997 survey of 79%. Although 80.7% of the students expressed that Pride Day enhances the image and school spirit of Southeastern, 37.1% have never participated in or attended Pride Day activities. Not only did students indicate that Medical Health Services/Infirmary is the most important (mean = 4.65) service offered at Southeastern, but also the one they are most satisfied with (mean = 4.17). Tables 60-96 provide overall results for each item, as well as demographic breakdowns.

**Table 60**  
**Have you ever heard of Southeastern's Pride Day?**

	No	Yes
All Students	29.1% (51)	70.9% (124)
Students who live off campus	31.5% (51)	68.5% (111)
Students who live on campus	0%	100% (13)
White, Non-Hispanic Students	31.8% (48)	68.2% (103)
Minority Students	12.5% (3)	87.5% (21)
Female Students	26.4% (34)	73.6% (95)
Male Students	37.0% (17)	63.0% (29)

In this part of Section 6, those students who were unaware of a service offered at Southeastern were asked to indicate this rather than rating their satisfaction with the services offered. Likewise, if they were aware of a service, but had not used it, they were asked to indicate this. Therefore, only the students who had actually used a service rated their satisfaction with the service. In general, students are least aware of Adult, Commuter Student Services and Leadership Development Services offered by Southeastern. Counseling Center Services and the Retail Bookstore, each with a mean of 4.15, follow Medical Health Services/Infirmary as the services students are most satisfied with.

\* Mean does not include those who indicated “Haven’t Used” or “Unaware”.

It is also important to look at the discrepancy between the importance of a service and the satisfaction with the service. If a service is rated as very important, but satisfaction is very low, this indicates an area which needs to be addressed. Table 97 provides the mean difference between ratings of importance and ratings of satisfaction with each service, program, or activity. Students who responded “Haven’t Used” or “Unaware” for a service were not included in this analysis. The possible range is -4 to +4, with a negative number indicating a higher perceived importance than satisfaction. A positive number indicates that satisfaction is higher than importance. For example, if a student rated a service as Very Important (5) and rated satisfaction as Very Dissatisfied (1) than the difference rating would be -4.

**Table 97**  
**Mean difference between importance of and satisfaction with Student Affairs’ services, programs and activities.**

When asked about other forms of entertainment, seven individuals specified football, two individuals specified events for students with disabilities, and two individuals specified well-known bands, but not country bands. Other forms of entertainment specified include: interaction with students in the community; fairs, evening pep-rallies in SU Mall parking lot (for basketball team); game room, pool league; wrestling club; professional wrestling; family and friends day; high level education speakers - Department of Education - federal and state levels; dances (formal); Christian activities; politicians, musicians; carnival.

In the next part of Section 6, students were asked about their career plans after graduation. Almost eighty-two percent (81.6%) of the participants marked that they were Very Sure that they would graduate in the major they had chosen, and 81.4% know what their career plans are after graduation. Tables 99-100 provide overall results for each item, as well as demographic breakdowns.

**Table 99**  
**How sure are you that you will graduate in the major you have chosen?**

	Not at all sure	Somewhat Sure	Very Sure	Haven't Chosen a Major
All Students	3.4% (6)	12.6% (22)	81.6% (142)	2.3% (4)

Next, students were asked to indicate their level of satisfaction with the services offered by Career Development Services if they had ever used them. The participants indicate that they are most satisfied with the friendliness and helpfulness of the Career Development Services staff (mean = 4.06). Tables 106 - 111 provide overall results for each item and their demographic breakdowns.

Students were then asked to indicate how much time they spend in various activities during the week. Most students spend the most time (over 31 hours a week) either at work or caring for and interacting with their families. Figure 3 illustrates a “typical student week”.

**Figure 3**  
**“Typical Student Week”**

Leisure activities include socializing with friends, watching TV and exercising/sports. This “typical student week” accounts for 102.5 out of 168 hours in a week. Tables 112-121 provide overall results for each item, as well as demographic breakdowns.

In the following section, participants were asked questions regarding their use of tobacco, alcohol or drugs. For these questions, a drink was defined as a bottle of beer, a glass of wine, a wine cooler, a shot glass of liquor, or a mixed drink. Overall, only 18.2% of the participants have not ever used alcohol and 48.8% have not ever used tobacco, as compared to 97.5% who have not ever used opiates. Tables 122 - 179 provide results on each of the items with demographic breakdowns.

**Table 122**

**In the last two weeks, how many times have you had five or more drinks at a single sitting if you are a male, or four or more drinks at a single sitting if you are a female?**

	None	Once	Twice	3 to 5 times	6 to 9 times	10 or more times
All Students	73.0% (127)	12.6% (22)	5.2% (9)	6.3% (11)	1.7% (3)	1.1% (2)

## Student Characteristics

The majority of respondents were single (n=105, 60%), while 30% (n=53) were married, and 9% (n=16) were previously married. Also, the majority of students had no children (n=128, 73%), while 13% (n=22) had one child, 9% (n=15) had two children, 3% (n=5) had three children and 2% (n=4) had four or more children.

Traditional college students are often considered to be single undergraduate students with no children between the ages of 18 and 22. However, due to changing societal and economic conditions, more non-traditional students are entering into universities. Defining non-traditional undergraduate students as those students who are over the age of 22 or married or have children, 57% (n=87) of the undergraduate respondents were non-traditional students, while 44% (n=67) were traditional students.

The survey results support the notion that Southeastern has a large commuter population. The majority of respondents (44%, n=77) travel more than 30 miles (one way) to Southeastern’s main campus. The breakdown for travel to campus can be found in Table 180.

**Table 180**  
**Miles traveled one way to Southeastern’s main campus**

Miles Traveled	Percent	Number of Respondents
Live on Campus	5%	9
Less than 5 miles	16%	28
Between 5 and 10 miles	11%	20
Between 11 and 20 miles	10%	18
Between 21 and 30 miles	13%	22
More than 30 miles	44%	77

The majority of students (63%, n=111) work off campus, while 11% (n=19) work on campus, 3% (n=5) work both on and off campus, and 22% (n=39) do not work at all. Of those students who indicated they worked, 4% (n=6) work no more than 10 hours per week, 30% (n=41) work 11-20 hours per week, 23% (n=31) work 21-30 hours per week, and 42% (n=57) work more than 30 hours per week.

According to Terenzini et. al (1996), a first generation student is one who has no parent with any college or university experience. Using this definition, 33% (n=56) of our students are first generation college students. An additional 21% (n=36) have at least one parent with some college, but no degree. Four percent (4%, n=7) have at least one parent with an Associate degree, 15% (n=25) have at least

one parent with a Bachelor's degree, and 20% (n=34) have at least one parent with a graduate or professional degree.

## Comments

The last page of the survey was reserved for respondents to make any other comments they wished to share. Only 27 respondents made comments. There was no major theme which ran through the comments, 15% of those who made comments are dissatisfied with the SLU Bookstore, and 11% are dissatisfied with the parking situation. The rest of the comments were made by only one or two individuals.
