Length of Time to Complete the Degree

Currently, the Southeastern Louisiana University (Southeastern) CSD program offers **fulltime** curriculum plans for students who have earned a CSD undergraduate degree and students who are accepted into the CSD graduate program without a CSD undergraduate degree. The Southeastern CSD graduate program does not offer a distance education or satellite programs. The time in which the curriculum is designed for CSD graduate students to complete their degree at Southeastern is:

With CSD undergraduate major	7 semester
Without CSD undergraduate major	9 semesters

Program Completion Rates

Students who attend all advising sessions and recommendations from their CSD advisor can complete the CSD graduate program in the time indicated above. The average program completion rates for the graduation cohorts within the program’s published expectation for length of time for students to complete the degree is below.

Period	# completed program within expected time frame	# completed later than expected time frame	# not completing	Percentage completing
Year (22-23)	29	0	0	
Year (21-22)	21	0	0	
Year (20-21)	29	0	3	
3 Year Average				96.34%

Praxis Examination

Beginning with the most recently completed academic year, provide Praxis Examination pass rate data for graduates of the program.

Period	Number of Students Taking Exam	Number of Students Passed	Pass Rate (%)*
	Re	Re	Re
Year (22-23)	28	25	89%
Year (21-22)	20	20	100%
Year (19-20)	29	29	100%
3 Year Average			96%
