ARTICLE I

DEFINITIONS AND RULES OF CONSTRUCTION

Section 1.1 **Definitions.** All capitalized terms not otherwise defined herein shall have the meanings assigned thereto in the preamble hereto or in the Agreement. In addition to words and terms elsewhere defined in this Indenture, the following words and terms as used in this Indenture shall have the following meanings, unless some other meaning is plainly intended:

"Act" means Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended, (La. R.S. 33:4548.1 to 4548.16, inclusive), and all future acts supplemental thereto and amendatory thereof.

"Additional Bonds" means bonds, if any, issued in one or more series on a parity with the Series 2004 Bonds pursuant to Article V of this Indenture.

"Additional Facilities" means any additional student housing facilities owned or leased by the Board or the Corporation that have been incorporated with the Facilities into a single housing system pursuant to Section 3(i) of the Facilities Lease.

"Additional Rental" means the amounts specified as such in the Facilities Lease.

"Agreement" means the Loan Agreement dated as of August 1, 2004, between the Corporation and the Issuer, including any amendments and supplements thereof and thereto as permitted thereunder.

"All-Hold Rate" on any date of determination, means eighty-five percent (85%) of The Bond Market Association Municipal Swap Index, provided, however, that in no event shall such All-Hold Rate exceed the Maximum Auction Rate.

"Annual Debt Service" means the amount required to pay all principal of and interest on a series of Bonds and any Additional Debt (as defined in the Facilities Lease), as applicable, in any Fiscal Year. For purposes of calculating the Annual Debt Service on a series of Bonds or Additional Debt the interest rate borne by which is not fixed to the maturity thereof on any date, for any period during which an interest swap or similar agreement shall be in effect whereunder the Corporation or the Board pays a fixed rate and the swap provider pays a floating rate that, in the judgment of the Authorized Corporation Representative (as evidenced by a certificate delivered to the Trustee) approximates the variable rate payable on such series of Bonds or Additional Debt, the interest rate on such series of Bonds or Additional Debt shall be deemed to be equal to the fixed rate payable by the Corporation or the Board under such interest swap or similar agreement and for any period during which such an agreement shall not be in effect the interest rate on such Bonds or Additional Debt shall be deemed to be the average interest rate borne by such series of Bonds or Additional Debt during the immediately preceding twelve (12) month period or, if such series of Bonds or Additional Debt has borne a floating rate for less than twelve (12) months, such series of Bonds or Additional Debt shall be treated as if it bears interest at the 25-year Revenue Bond Index as published by *The Bond Buyer* on the date of determination.

"Applicable Percentage" means, on any date of determination, the percentage determined based on the Rating Agencies' rating of the Bonds in effect at the close of business on the Business Day immediately preceding such date, as set forth below:

<u>S&P and Fitch Credit Rating</u>	<u>Moody's Credit Rating</u>	<u>Applicable Percentage</u>
"AAA"	"Aaa"	175%
"AA"	"Aa"	175%
"A"	"A"	175%
"BBB"	"Baa"	200%
Below "BBB"	Below "Baa"	265%

provided, that if the Bonds are not then rated by a Rating Agency, the Applicable Percentage shall be 265%. For purposes of this definition, the rating categories shown above refer to and include the respective rating categories correlative thereto if a Rating Agency shall have changed or modified its generic rating categories or does not rate or no longer rates the Bonds or has been replaced. If two or more Rating Agencies are then rating the Bonds, the lowest of the correlative rating categories of the Rating Agencies shall apply.

"Assignment of Agreements and Documents" means the Assignment of Agreements and Documents dated as of August 1, 2004, by the Corporation in favor of the Trustee.

"Auction" means each periodic implementation of the Auction Procedures.

"Auction Agency Agreement" means the Initial Auction Agency Agreement and any agreement substantially in the form of **Exhibit D** attached hereto entered into between the Issuer and a successor Auction Agent.

(i) In case part, but not all, of an outstanding Bond shall be selected for redemption, the registered owner thereof or his legal representative shall present and surrender such Bond to the Trustee for payment of the principal amount thereof so called for redemption, and the Trustee shall authenticate and deliver to or upon the order of such registered owner or his legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a new Bond.

(j) Bonds and portions of Bonds which have been duly called for redemption under the provisions of this Article, or with respect to which irrevocable instructions to call for redemption have been given to the Trustee in form satisfactory to it, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account in trust for the owners of the Bonds or portions thereof to be redeemed, shall not thereafter be deemed to be outstanding under the provisions of this Indenture and shall cease to be entitled to any security or benefit under this Indenture other than the right to receive payment from such moneys.

Section 3.5 **Execution; Limitation of Liability.** The Bonds shall be executed on behalf of the Issuer with the manual or facsimile signatures of the Chairman or Vice Chairman and the Secretary/Treasurer of the Issuer, and shall have impressed or imprinted thereon the official seal of the Issuer or a facsimile thereof. The Bonds, together with interest and premium, if any, thereon, shall not constitute a debt of the State or any political subdivision thereof. The Bonds, together with interest thereon, shall be limited obligations of the Issuer and shall be secured by and payable solely out of revenues derived from the Payments made pursuant to the Agreement and Trust Estate pledged hereunder. The Issuer shall not be obligated to pay the principal of the Bonds or the interest or premium, if any, thereon or other costs incidental thereto except from payments made pursuant to the Agreement. In case any officer of the Issuer whose signature or whose facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. **THE BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THIS INDENTURE. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY**

OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

Section 3.6 **Authentication.** No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Indenture unless and until a certificate of authentication substantially in the form set forth in **Exhibit A** attached hereto and made a part hereof shall have been duly executed by a duly authorized representative of the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized representative of the Trustee, but it shall not be necessary that the same representative sign the certificate of authentication on all of the Bonds issued hereunder.

Section 3.7 **Mutilated, Lost, Stolen or Destroyed Bonds.** In the event any outstanding Bond, whether temporary or definitive, is mutilated, lost, stolen or destroyed, the Issuer may execute and, upon its request, the Trustee may authenticate a new Bond of the same principal amount and of like tenor as the mutilated, lost or stolen or destroyed Bond; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer and the Trustee evidence of such loss, theft or destruction in form satisfactory to the Issuer and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the Issuer may authorize the payment of the same. The Issuer and the Trustee may charge the owner of such Bond with their reasonable fees and expenses in this connection. Any Bond issued under the provisions of this Section 3.7 in lieu of any Bond alleged to be destroyed, lost or stolen shall constitute an original additional contractual obligation on the part of the Issuer, whether or not the Bond so alleged to be destroyed, lost or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture together with all other Bonds in substitution for which such Bonds were issued.

Section 3.8 **Registration of Bonds.** The Trustee shall be the bond registrar for the Bonds. So long as any of the Bonds shall remain outstanding, there shall be maintained and kept for the Issuer, at the principal corporate trust office of the Trustee, the Bond Register for the registration and transfer of the Bonds and, upon presentation thereof for such purpose at said office, the Trustee shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it may prescribe, any Bond.

Each Bond shall be transferable only upon the Bond Register at the principal corporate trust office of the Trustee at the written request of the registered owner thereof or his legal representative duly authorized in writing upon surrender thereof, together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his legal representative duly authorized in writing. Upon the transfer of any such Bond, the Trustee shall issue in the name of the transferee, in authorized denominations, one or more Bonds of the same aggregate principal amount as the surrendered Bonds.

Section 3.9 **Persons Treated as Owners.** The Issuer and the Trustee may, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on any Bond and for all other purposes, deem and treat the person in whose name such Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether or not such Bond is overdue, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

Payment made to the person deemed to be the owner of any Bond for the purpose of such payment in accordance with the provisions of this Section 3.9 shall be valid and effectual, to the extent of the sum or sums so paid, to satisfy and discharge the liability upon such Bond in respect of which such payment was made.

Section 3.10 **Exchange and Transfer of Bonds.** As long as any of the Bonds remain outstanding, there shall be permitted the exchange of Bonds at the principal corporate trust office of the Trustee. Any Bond or Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Bonds, the Issuer or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The Trustee shall not be required to register the transfer or exchange of (a) any Bonds during the fifteen (15) day period next preceding the selection of Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Bonds selected for redemption, or (b) any Bonds selected, called or being called for redemption in whole or in part, except in the case of any Bond to be redeemed in part, the portion thereof not so to be redeemed.

Section 3.11 **Cancellation and Destruction of Surrendered Bonds.** Upon the surrender to the Trustee of any temporary or mutilated Bonds, or Bonds transferred or exchanged for other Bonds, or Bonds paid at maturity by the Issuer, the same shall forthwith be canceled and destroyed by the Trustee, and the Trustee, upon the request of the Issuer, shall deliver its certificate of such destruction to the Issuer.

Section 3.12 **Delivery of the Series 2004 Bonds.** Upon the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee, and the Trustee shall authenticate the Series 2004 Bonds and deliver them to the purchasers thereof as shall be directed by the Issuer as hereinafter in this Section provided.

Prior to or simultaneously with the delivery by the Trustee of the Series 2004 Bonds, there shall be filed with the Trustee:

(a) A copy, duly certified by the Secretary/Treasurer of the Issuer, of the resolution or resolutions adopted by the Issuer authorizing the execution and delivery of this Indenture and the Agreement, and all other instruments contemplated thereby and the authorization, issuance, sale and delivery of the Series 2004 Bonds;

(b) A copy, duly certified by an Authorized Corporation Representative, of the resolution or resolutions of the Corporation authorizing the execution and delivery of the Agreement, and all other instruments contemplated thereby and approving this Indenture and the authorization, issuance, sale and delivery of the Series 2004 Bonds;

(c) Original executed counterparts of this Indenture, the Agreement, the Bond Insurance Policies, the Reimbursement Agreement, the Ground Lease, the Facilities Lease, Tax Regulatory Agreement and the Mortgage (the "Bond Documents");

(d) Copies of the Plans and Specifications (as defined in the Ground Lease) and all land surveys and other documents relating to the construction of the Facilities;

(e) Signed copies of all opinions of counsel required in connection with the issuance of the Series 2004 Bonds and the transactions contemplated thereby;

(f) A request and authorization to the Trustee on behalf of the Issuer and signed by its Chairman, Vice Chairman or Secretary/Treasurer to authenticate and deliver the Series 2004 Bonds to the purchasers thereof and specifying the amounts to be deposited in the Bond Proceeds Fund and the Cost of Issuance Account, and then to be transferred to the Project Fund, the Debt Service Reserve Fund, the Capitalized Interest Fund, the Refunding Fund, the Replacement Fund and the Debt Service Fund and setting forth the Initial Auction Rate; and

(g) A signed copy of the legal opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., Bond Counsel, addressed to the Trustee, to the effect that (i) the Series 2004 Bonds are exempt from the registration requirements of the Securities Act of 1933, as amended, and the Indenture is exempt from qualification under the Trust Indenture Act of 1939, as amended; and (ii) authorizing the Trustee to rely upon Bond Counsel's approving opinion as if it were addressed to the Trustee.

The Issuer hereby authorizes and directs the Trustee to execute and deliver the Tax Regulatory Agreement.

Section 3.13 **Book-Entry Registration of Bonds**. The Bonds shall be initially issued in the name of Cede & Co., as nominee for DTC, as registered owner of the Bonds, and held in the custody of DTC. The Issuer and the Trustee acknowledge that the Issuer has executed and delivered a Blanket Letter of Representations with DTC and that the terms and provisions of said Letter of Representations shall govern in the event of any inconsistency between the provisions of this Indenture and said Letter of Representations. A single bond certificate for each maturity of Bonds will be issued and delivered to DTC. The Beneficial Owners will not receive physical delivery of Bond certificates except as provided herein. Beneficial Owners are expected to

receive a written confirmation of their purchase providing details of each Bond acquired. For so long as DTC shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interest will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Bonds is to receive, hold or deliver any Bond certificate.

For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover such Beneficial Owner's allocable share of any tax, fee or other governmental charge that may be imposed in relation thereto.

The Issuer, the Corporation and the Trustee will recognize DTC or its nominee as the Bondholder for all purposes, including notices and voting.

Neither the Issuer, the Trustee nor the Corporation are responsible for the performance by DTC of any of its obligations, including, without limitation, the payment of moneys received by DTC, the forwarding of notices received by DTC or the giving of any consent or proxy in lieu of consent.

Whenever during the term of the Bonds the beneficial ownership thereof is determined by a book entry at DTC, the requirements of this Indenture of holding, delivering or transferring Bonds shall be deemed modified to require the appropriate person to meet the requirements of DTC as to registering or transferring the book entry to produce the same effect.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Trustee and discharging its responsibilities with respect thereto under applicable law.

The Issuer, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the Bonds if the Issuer determines that (a) DTC is unable to discharge its responsibilities with respect to the Bonds, or (b) a continuation of the requirement that all of the outstanding Bonds be registered on the registration books kept by the Trustee in the name of Cede & Co., or any other nominee of DTC, is not in the best interest of the beneficial owners of the Bonds.

Upon the termination of the services of DTC with respect to the Bonds pursuant to the above two paragraphs, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Issuer is willing and able to undertake such functions upon reasonable and customary terms, the Issuer is obligated to deliver Bonds to the owner, at the expense of the said owner as described in this Indenture, and the Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders transferring or exchanging Bonds shall designate in accordance with the provisions of this Indenture.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bond and all notices with respect to such

Bond shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations of the Issuer dated November 17, 1998 and delivered to DTC.

If at any time DTC ceases to hold the Bonds, all references herein to DTC shall be of no further force or effect.

If the Issuer is unable to retain a qualified successor to the Securities Depository or the Issuer has determined that it is in the best interest of the Issuer not to continue a book-entry system of transfer or that the interest of the Beneficial Owners of the Bonds might be adversely affected if a book-entry system of transfer is continued (the Issuer undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify Beneficial Owners of the Bonds by mailing an appropriate notice to the Securities Depository, upon receipt by the Issuer of the Bonds together with an assignment duly executed by the Securities Depository, the Issuer, shall, subject to the limitations of Article III hereof, execute, and cause to be authenticated and delivered pursuant to the instructions of the Securities Depository, Bonds in fully registered form, in substantially the form set forth in this Indenture, in Authorized Denominations. In such event, payment of principal at maturity shall be made upon surrender of such Bonds to the Trustee. In such case, the Interest Rate on the Auction Rate Bonds for any Interest Accrual Period commencing after the delivery of Auction Rate Bonds in fully registered form shall equal the Maximum Auction Rate and conversion to Fixed Rate shall occur. To the extent the Auction Rate Bonds are restored to a book-entry system authorized by this Section 3.13, the Interest Rate on the Auction Rate Bonds shall be determined by the Auction Procedures prescribed by Section 3.14 through 3.19 hereof.

Section 3.14 **Auction Rate: Auction Period-General.** (a) Unless converted to another interest rate methodology following a mandatory tender for purchase, the Series 2004B Bonds shall, subsequent to the Initial Period, bear interest at the Auction Rate. The Initial Auction Rate shall be set forth in the Certificate of the Issuer described in Section 3.12(f) hereof. During each Auction Period, the Auction Rate shall be equal to the rate of interest per annum that results from implementation of the Auction Procedures subject to the Maximum Auction Rate; provided that, if on any scheduled Auction Date, an Auction shall not be held for any reason (with the determination that an Auction was not held to be made by the Auction Agent and if the Auction Agent shall not be capable of or shall not make such determination, then such determination shall be made by the Market Agent), then the following shall apply:

(i) With respect to an Auction Period of greater than one hundred eighty (180) days, the Standard Auction Period shall automatically convert to an Auction Period of seven (7) days;

(ii) An Auction shall be deemed to have occurred on the scheduled Auction Date;

(iii) The Auction Rate for such deemed Auction to be in effect for the next succeeding Auction Period shall be equal to the Auction Rate for the preceding Auction Period; and

(iv) The succeeding Auction Period shall begin on the calendar day following the scheduled Auction Date.

(b) Such procedures set forth above shall be applicable for one Auction Period. In the event that the next Auction shall not be held for any reason (with the determination to be made by the Auction Agent that an Auction was not held and if the Auction Agent shall not be capable of or does not make such determination, then such determination shall be made by the Market Agent) then the Maximum Auction Rate shall apply with respect to succeeding Auction Periods until an Auction can be held.

(c) By purchasing Auction Rate Bonds, whether in an Auction or otherwise, each such purchaser or its Broker-Dealer, must agree and shall be deemed by such purchase to have agreed (i) to participate in Auctions on the terms described herein, (ii) to have its beneficial ownership of the Auction Rate Bonds maintained at all times in book-entry form for the account of its Participant, which in turn will maintain records of such beneficial ownership, and (iii) to authorize such Participant to disclose to the Auction Agent such information with respect to such beneficial ownership as the Auction Agent may request.

(d) So long as the beneficial ownership of the Auction Rate Bonds is maintained in a book entry system, an Existing Holder of Auction Rate Bonds may sell, transfer, or otherwise dispose thereof only pursuant to a Bid or Sell Order placed in an Auction or otherwise sell, transfer, or dispose thereof through a Broker-Dealer, provided that, in the case of all transfers other than pursuant to Auctions, such Existing Holder, its Broker-Dealer or its Participant advises the Auction Agent of such transfer.

(e) Notwithstanding the foregoing, if:

(i) the beneficial ownership of the Auction Rate Bonds is no longer maintained in a book entry system, the Interest Rate on the Auction Rate Bonds for any Interest Accrual Period commencing after the delivery of certificates representing Auction Rate Bonds pursuant to this Indenture shall equal the Maximum Auction Rate;

(ii) a Payment Default shall have occurred, then the rate of interest for each subsequent Auction Period commencing after such occurrence and during the continuance thereof to and including the subsequent Auction Period, if any, during which, or commencing less than two (2) Business Days after, such Payment Default shall have been waived in accordance with the terms hereof, shall equal the Nonpayment Rate on the Auction Date for each such subsequent Auction Period; or

(iii) a proposed Fixed Rate Conversion shall have failed, then the rate of interest for the Auction Rate Bonds shall be the Maximum Auction Rate as of the failed Fixed Rate Conversion Date for the Interest Accrual Period commencing on such date.

(f) Interest on the Auction Rate Bonds shall accrue for each Auction Period and shall be payable in arrears, on each Interest Payment Date.

(g) Auction Periods may be established pursuant to Section 3.18 hereof at any time unless an Event of Default shall have occurred. Each Auction Period shall be a Standard Auction Period unless a different Auction Period shall be established pursuant to Section 3.18 hereof and each

Auction Period that immediately succeeds a non-Standard Auction Period shall be a Standard Auction Period unless a different Auction Period shall be established pursuant to Section 3.18 hereof.

Section 3.15 **Auction Procedure**. Subject to the provisions of subsection (a) of Section 3.1 hereof, Auctions shall be conducted on each Auction Date in the following manner:

(a) (i) Prior to 1:00 p.m. (New York City time) on each Auction Date:

(A) each Existing Holder of Auction Rate Bonds may submit to a Broker-Dealer information as to:

(1) the principal amount of Outstanding Auction Rate Bonds, if any, held by such Existing Holder that such Existing Holder desires to continue to hold without regard to the Auction Rate for the next succeeding Auction Period;

(2) the principal amount of Outstanding Auction Rate Bonds, if any, that such Existing Holder offers to sell if the Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Existing Holder; and/or

(3) the principal amount of Outstanding Auction Rate Bonds, if any, held by such Existing Holder that such Existing Holder offers to sell without regard to the Auction Rate for the next succeeding Auction Period; and

(B) one or more Broker-Dealers may contact Potential Holders to determine the principal amount of Auction Rate Bonds which that such Potential Holder offers to purchase if the Auction Rate for the next succeeding Auction Period shall not be less than the rate per annum specified by such Potential Holder.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (A)(1), (A)(2), (A)(3), or (B) of this paragraph (i) is hereinafter referred to as an "**Order**" and collectively as "**Orders**," and each Existing Holder and each Potential Holder placing an Order is hereinafter referred to as a "**Bidder**" and collectively as "**Bidders**;" an Order containing the information referred to in (x) clause (A)(1) of this paragraph (i) is hereinafter referred to as a "**Hold Order**" and collectively as "**Hold Orders**," (y) clause (A)(2) or (B) of this paragraph (i) is hereinafter referred to as a "**Bid**" and collectively as "**Bids**" and (z) clause (A)(3) of this paragraph (i) is hereinafter referred to as a "**Sell Order**" and collectively as "**Sell Orders**."

(ii) (A) Subject to the provisions of subsection (b) of this Section, a Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the principal amount of Outstanding Auction Rate Bonds specified in such Bid if the Auction Rate determined as provided in this Section shall be less than the rate specified therein; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds to be determined as set forth in clause (D) of paragraph (i) of subsection (d) of this Section if the Auction Rate determined as provided in this Section shall be equal to the rate specified therein; or

(3) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds to be determined as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section if the rate specified therein shall be higher than the Maximum Auction Rate and Sufficient Clearing Bids do not exist.

(B) Subject to the provisions of subsection (b) of this Section, a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the principal amount of Outstanding Auction Rate Bonds specified in such Sell Order; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section if Sufficient Clearing Bids do not exist.

(C) Subject to the provisions of subsection (b) of this Section, a Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(1) the principal amount of Outstanding Auction Rate Bonds specified in such Bid if the Auction Rate determined as provided in this Section shall be higher than the rate specified therein; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds as set forth in clause (E) of paragraph (i) of subsection (d) of this Section if the Auction Rate determined as provided in this Section shall be equal to the rate specified therein.

(b) (i) Each Broker-Dealer shall submit in writing to the Auction Agent by the Submission Deadline on each Auction Date all Orders obtained by such Broker-Dealer and shall specify with respect to each Order:

(A) the name of the Bidder placing such Order;

(B) the aggregate principal amount of Auction Rate Bonds that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(1) the principal amount of Auction Rate Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(2) the principal amount of Auction Rate Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(3) the principal amount of Auction Rate Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate specified in such Potential Holder's Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of one percent (1%).

(iii) If an Order or Orders covering all Outstanding Auction Rate Bonds held by any Existing Holder shall not be submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder and not subject to an Order submitted to the Auction Agent.

(iv) Neither the Authority, the Trustee, nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder.

(v) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including in the aggregate the principal amount of Auction Rate Bonds held by such Existing Holder, and, if the aggregate principal amount of Auction Rate Bonds subject to such Hold Orders exceeds the aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder, the aggregate principal amount of Auction Rate Bonds subject to each such Hold Order shall be reduced pro rata to cover the

aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder;

(B) (1) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to any Hold Orders referred to in clause (A) of this paragraph (v);

(2) subject to subclause (1) of this clause (B), if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Auction Rate Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the principal amount of Auction Rate Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Auction Rate Bonds equal to such excess;

(3) subject to subclauses (1) and (2) of this clause (B), if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid first in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(4) in any such event, the aggregate principal amount of Outstanding Auction Rate Bonds, if any, subject to Bids not valid under this clause (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to Hold Orders referred to in clause (A) of this paragraph (v) and valid Bids referred to in clause (B) of this paragraph (v).

(vi) If more than one Bid for Auction Rate Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate and principal amount therein specified.

(vii) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Auction Rate Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Auction Rate Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof shall be rejected.

(c) (i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "**Submitted Hold Order**," a "**Submitted Bid**" or a "**Submitted Sell Order**," as the case may be, or as a "**Submitted Order**" and collectively as "**Submitted Hold Orders**," "**Submitted Bids**" or "**Submitted Sell Orders**," as the case may be, or as "Submitted Orders") and shall determine:

(A) the excess of the total principal amount of Outstanding Auction Rate Bonds over the sum of the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "**Available Auction Rate Bonds**"); and

(B) from the Submitted Orders whether the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Auction Rate; exceeds or is equal to the sum of:

(1) the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Auction Rate; and

(2) the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Sell Orders. In the event such excess or such equality exists (other than because the sum of the principal amounts of Auction Rate Bonds in subclauses (A) and (B) above is zero because all of the Outstanding Auction Rate Bonds are the subject of Submitted Hold Orders), such Submitted Bids in this subclause (B) are hereinafter referred to collectively, as "**Sufficient Clearing Bids**"; and

(C) Sufficient Clearing Bids exist, the lowest rate specified in such Submitted Bids (the "**Winning Bid Rate**") which if:

(1) (aa) each such Submitted Bid from Existing Holders specifying such lowest rate and (bb) all other Submitted Bids from Existing Holders specifying lower rates were rejected, would entitle such Existing Holders to continue to hold the principal amount of Auction Rate Bonds subject to such Submitted Bids; and

(2) (aa) each such Submitted Bid from Potential Holders specifying such lowest rate and (bb) all other Submitted Bids from Potential Holders specifying lower rates were accepted, would result in such Existing Holders described in subclause (1) above continuing to hold an aggregate principal amount of Outstanding Auction Rate Bonds which, when added to the aggregate principal amount of Outstanding Auction Rate Bonds to be

purchased by such Potential Holders described in this subclause (2), would equal not less than the Available Auction Rate Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph (i) of this subsection (c), the Auction Agent shall, by telecopy confirmed in writing, advise the Authority and the Trustee of the Maximum Auction Rate and the All-Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Auction Period as follows:

(A) if Sufficient Clearing Bids exist, that the Auction Rate for the next succeeding Auction Period shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding Auction Rate Bonds are subject to Submitted Hold Orders), that the Auction Rate for the next succeeding Auction Period shall be equal to the Maximum Auction Rate; or

(C) if all Outstanding Auction Rate Bonds are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Auction Period shall be equal to the All-Hold Rate.

(d) Existing Holders shall continue to hold the principal amount of Auction Rate Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (i) of subsection (c) of this Section 3.15, Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (iv) and (v) of this subsection (d), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring such Potential Holder to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid;

(D) Each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Auction Rate Bonds subject to all such Submitted Bids shall be greater than the principal amount of Auction Rate Bonds (the "*remaining principal amount*") equal to the excess of the Available Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clauses (B) and (C) of this paragraph (i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Auction Rate Bonds subject to such Submitted Bid, but only in an amount equal to the aggregate principal amount of Auction Rate Bonds obtained by multiplying the remaining principal amount by a fraction the numerator of which shall be the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Auction Rate Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) Each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Auction Rate Bonds obtained by multiplying the excess of the aggregate principal amount of Available Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clauses (B), (C), and (D) of this paragraph (i) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amounts of Outstanding Auction Rate Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding Auction Rate Bonds are subject to Submitted Hold Orders), subject to the provisions of paragraph (iv) of this subsection (d), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be rejected, thus entitling such Existing Holders to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be accepted, thus requiring such Potential Holders to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid; and

(C) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Auction Rate Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Auction Rate Bonds obtained by multiplying the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clause (B) of this paragraph (ii) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Outstanding Auction Rate Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in paragraphs (i) or (ii) of this subsection (d), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Auction Rate Bonds that is not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of Auction Rate Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount of Auction Rate Bonds purchased or sold by each Existing Holder or Potential Holder shall be equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof.

(v) If, as a result of the procedures described in paragraph (ii) of this subsection (d), any Potential Holder would be entitled or required to purchase less than Twenty-Five Thousand Dollars (\$25,000) principal amount of Auction Rate Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Auction Rate Bonds for purchase among Potential Holders so that only Auction Rate Bonds in principal amounts of Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more such Potential Holders not purchasing any Auction Rate Bonds.

(e) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amount of Auction Rate Bonds to be purchased by Potential Holders and the aggregate principal amount of Auction Rate Bonds to be purchased or sold by Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Auction Rate Bonds to be sold differs from such aggregate principal amount of Auction Rate Bonds to be purchased, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Auction Rate Bonds.

Section 3.16 **Application of Interest Payments for Auction Rate Bonds.** (a) The Trustee shall determine not later than 12:00 noon (New York City time) on the day prior to each Interest Payment Date therefor whether there is on deposit in (or available for transfer to) the Interest Account of the Debt Service Fund an aggregate amount of funds equal to the aggregate amount of interest due and payable on the Auction Rate Bonds on such Interest Payment Date. The amount of such interest shall be determined by (i) multiplying the principal amount of Auction Rate Bonds Outstanding during such Interest Accrual Period by the Auction Rate established in the Auction for such Interest Accrual Period; (ii) dividing by three hundred sixty (360); (iii) multiplying by the number of days in such Interest Accrual Period; and (iv) adding the resultant figures for each Interest Accrual Period.

(b) So long as no Payment Default has previously occurred and is continuing (i) if a Payment Default exists on an Interest Payment Date the Trustee shall, not later than 12:15 p.m. (New York City time) on such Business Day, send a notice thereof in substantially the form of **Exhibit H** attached hereto to the Auction Agent by telecopy or similar means, and (ii) if such Payment Default is cured on such Interest Payment Date, the Trustee shall immediately send a notice thereof in substantially the form of **Exhibit I** attached hereto to the Auction Agent by telecopy or similar means.

(c) If the interest rate on the Auction Rate Bonds or the Variable Rate Bonds is subject to adjustment pursuant to the Indenture after the date of such required payment deposit and prior to such Interest Payment Date, interest accruing on such bonds from such adjustment date shall be assumed to accrue at the rate in effect on such bonds as of the date of such required deposit plus 100 basis points or at such other rate as the Bond Insurer may from time to time direct in writing to the Trustee, the Corporation and the Issuer. Trustee shall make this determination at least two (2) Business Days before each Interest Payment Date.

Section 3.17 **Calculation of Maximum Auction Rate,** All Hold Rate and Non-Payment Rate. The Auction Agent shall calculate the Maximum Auction Rate and the All Hold Rate on each Auction Date and shall give notice thereof to the Broker-Dealers, the Issuer and the Trustee. Upon receipt of notice from the Trustee of a failed Fixed Rate Conversion as described in Section 3.21 hereof or a failed Variable Rate Conversion as described in Section 3.22 hereof under the circumstances described in Section 4(A)(iii) – (v) of the Notice of Variable Rate Conversion attached as Exhibit L hereto, the Auction Agent shall calculate the Maximum Auction Rate as of such failed Fixed Rate Conversion Date or Variable Rate Conversion Date and give notice thereof as provided in the Auction Agency Agreement. If a Payment Default shall have occurred and is continuing, the Trustee shall calculate the Non-Payment Rate on the Auction Date for (i) each subsequent Auction Period commencing after the occurrence and during the continuance of such a Payment Default, and (ii) any subsequent Auction Period commencing less than two (2) Business Days after the cure or waiver of any Payment Default in accordance with this Indenture. If the beneficial ownership of the Auction Rate Bonds is no longer maintained in a book entry system, then the Trustee shall determine the Maximum Auction Rate for each Interest Accrual Period on the Business Day immediately preceding the first day of each Interest Accrual Period after the delivery of Auction Rate Bonds in fully registered form pursuant to this Indenture.

Section 3.18 **Change of Auction Period by Issuer.** (a) The Issuer at the direction of the University Representative, may change the length of a single Auction Period or the Standard Auction Period by means of a written notice delivered at least ten (10) days, but no more than fifteen (15) days, prior to the Auction Date for such Auction Period to the Trustee, the Market Agent, the Auction Agent and the Securities Depository in substantially the form attached hereto as, or containing substantially the information contained in **Exhibit J** attached hereto. If such Auction Period will be of less than twenty-one (21) days, such notice shall be effective only if it is accompanied by a written statement of the Trustee, the Market Agent, the Auction Agent, and the Securities Depository to the effect that they are capable of performing their duties hereunder and under the Market Agent Agreement and the Auction Agency Agreement with respect to such Auction Period and by the written consent of the Bond Insurer. If such notice specifies a change in the length of the Standard Auction Period, such notice shall be effective only if it is accompanied by the written consent of the Market Agent to such change. The length of an Auction Period or the Standard Auction Period may not be changed pursuant to this Section unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period.

(b) The change in length of an Auction Period or the Standard Auction Period shall take effect only if (i) the Trustee and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a certificate from the Issuer, by telecopy or similar means in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit J** attached hereto authorizing the change in the Auction Period or the Standard Auction Period, which shall be specified in such certificate, and confirming that bond counsel expects to be able to give a Bond Counsel Opinion on the first day of such Auction Period to the effect that the change in the Auction Period is authorized by this Indenture and will not have an adverse effect on the exclusion of interest on such Auction Rate Bonds from gross income for federal income tax purposes, (ii) the Trustee shall not have delivered to the Auction Agent by 12:00 noon (New York City time) on the Auction Date for such Auction Period notice that an Insufficient Funds Event has occurred, (iii) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period, and (iv) the Trustee, the Bond Insurer and the Auction Agent receive by 9:30 a.m. (New York City time) on the first day of such Auction Period, a Bond Counsel Opinion to the effect that the change in the Auction Period is authorized by this Indenture and will not have an adverse effect on the exclusion of interest on such Auction Rate Bonds from gross income for federal income tax purposes. If the condition referred to in (i) above shall not be met, the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures and the length of the next succeeding Auction Period shall remain unchanged. If any of the conditions referred to in (ii), (iii) or (iv) above shall not be met, the interest rate for the next succeeding Auction Period shall equal the Maximum Auction Rate as determined as of such Auction Date and the length of the next succeeding Auction Period shall remain unchanged.

Section 3.19 **Change of Auction Date by Market Agent.** During an Auction Period, the Market Agent, at the direction of the Issuer, acting at the direction of the University Representative, may change, in order to conform with then-current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date, the Auction Date for all future

Auction Periods to a different day, so long as the first such Auction Date will be a Business Day in the calendar week in which the next succeeding Auction Date is then scheduled to occur. If a change in an Auction Date is undertaken in conjunction with a change in an Auction Period and the conditions for the establishment of such change in Auction Period are not met, the Auction Date may be, and the next succeeding Auction Period may be adjusted to end, on a Business Day in the calendar week in which such Auction Date was scheduled to occur and such Auction Period was scheduled to end to accommodate the change in the Auction Date. The Market Agent shall communicate its determination to change an Auction Date by means of a written notice delivered at least ten (10) days prior to the Auction Date immediately preceding such Auction Date to the Issuer, the Trustee, the Auction Agent, the Broker-Dealer and the Securities Depository which shall state (a) the determination of the Market Agent to change the Auction Date, (b) the new Auction Date and (c) the date on which such Auction Date shall be changed. Notice of a change in the Auction Date may be in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit K** attached hereto.

Section 3.20 **Auction Agent**. (a) The Bank of New York is hereby appointed as Initial Auction Agent to serve as agent for the Issuer in connection with Auctions. The Trustee and the Issuer will, and the Trustee is hereby directed to, enter into the Initial Auction Agency Agreement with The Bank of New York, as the Initial Auction Agent. Any Substitute Auction Agent shall be (i) a bank, national banking association or trust company duly organized under the laws of the United States of America or any state or territory thereof and having a combined capital stock or surplus of at least Fifty Million Dollars (\$50,000,000), or (ii) a member of the National Association of Securities Dealers, Inc., having a capitalization of at least Fifty Million Dollars (\$50,000,000), and, in either case, authorized by law to perform all the duties imposed upon it hereunder and under the Auction Agency Agreement and acceptable to the Bond Insurer. The Auction Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least ninety (90) days' notice to the Trustee and the Issuer. The Auction Agent may be removed at any time by the Trustee upon the written direction of the University Representative or the Bond Insurer and the Bondowners of sixty-six and two thirds percent (66 2/3%) of the aggregate principal amount of the Auction Rate Bonds then Outstanding, and if by such Bondowners, by an instrument signed by such Bondowners or their attorneys and filed with the Auction Agent, the Issuer and the Trustee upon at least ninety (90) days' notice. Neither resignation nor removal of the Auction Agent pursuant to the preceding two sentences shall be effective until and unless a Substitute Auction Agent has been appointed and has accepted such appointment. If required by the Issuer or the University Representative, a Substitute Auction Agency Agreement acceptable to the Bond Insurer shall be entered into with a Substitute Auction Agent. Notwithstanding the foregoing, the Auction Agent may resign if, within forty-five (45) days after notifying the Trustee, the Bond Insurer and the Issuer in writing that it has not received payment of any Auction Agent Fee due it in accordance with the terms of the Auction Agency Agreement, the Auction Agent does not receive such payment.

(b) If the Auction Agent shall resign or be removed or be dissolved, or if the property or affairs of the Auction Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, the Issuer at the direction of the University Representative, shall appoint a Substitute Auction Agent.

(c) The Auction Agent is acting as agent for the Issuer in connection with Auctions. In the absence of bad faith, negligent failure to act or negligence on its part, the Auction Agent shall not be liable for any action taken, suffered or omitted or any error of judgment made by it in the performance of its duties under the Auction Agency Agreement and shall not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts.

Section 3.21 **Conversion to Fixed Rate.** (a) With the written consent of the Bond Insurer or, in lieu thereof, a firm underwriting commitment, the Issuer, acting at the direction of the University Representative, hereby reserves the right to fix the rate of interest per annum that the Auction Rate Bonds shall bear for the balance of the term thereof. Such Auction Rate Bonds shall cease to bear interest at the Auction Rate then borne thereby and shall bear interest at a Fixed Rate until maturity upon the election by the Issuer to exercise its option to convert as herein provided, subject to the terms and conditions hereof (the date on which such Fixed Rate Conversion shall take effect being herein called the "***Fixed Rate Conversion Date***"). The option to convert may be exercised at any time through a written notice given by the Issuer not less than thirty-five (35) nor more than forty-five (45) days prior to the proposed Fixed Rate Conversion Date to (i) the Trustee, (ii) the Bond Insurer and the Remarketing Agent, (iii) the Auction Agent, the Market Agent, and the Securities Depository, in substantially the form attached hereto as, or containing substantially the information contained in, **Exhibit G**, and such Fixed Rate Conversion shall be subject to the conditions set forth in such notice. The Fixed Rate Conversion Date may only be the last Interest Payment Date of an Auction Period. A notice of a Fixed Rate Conversion shall be effective only if it shall be accompanied by (i) the form of opinion Bond Counsel expects to give on the Fixed Rate Conversion Date addressed to the Issuer, the Trustee and the Bond Insurer to the effect that the establishment of the Fixed Rate is authorized by this Indenture and will not have an adverse effect on the exclusion of interest on such Auction Rate Bonds from gross income for federal income tax purposes, and (ii) written confirmation from the Rating Agencies of the ratings on the Series 2004 Bonds after the implementation of such Fixed Rate Conversion.

Section 3.22 **Conversion to Variable Rate.** (a) In the event that the Issuer, upon the written request of the University Representative and with the written consent of the Bond Insurer, shall elect to change the interest rate on all or any portion of the Series 2004B Bonds from an Auction Rate to a Variable Rate, the Issuer and the Trustee shall execute and deliver a supplemental Indenture setting forth procedures to be applicable during a Variable Rate Period for (i) purchase of Series 2004B Bonds on demand of the owners thereof, (ii) mandatory tender for the purchase of Series 2004B Bonds, (iii) remarketing of the Series 2004B Bonds, (iv) effective conversion to a Fixed Rate or an Auction Rate, and (v) the issuance and delivery of one or more notices of change in interest rate.

(b) Following the delivery of a Notice of Variable Rate Conversion, all or any specified principal amount of the Series 2004B Bonds will bear interest beginning on the Interest Payment Date or Dates identified in the Notice of Variable Rate Conversion at a Variable Rate.

(c) In the event that the Issuer shall elect to change the Interest Rate on all or a portion of the Series 2004B Bonds from an Auction Rate to a Variable Rate, the Issuer shall give written notice not less than thirty-five (35) nor more than forty-five (45) days prior to the proposed

Variable Rate Conversion Date to the Trustee, the Bond Insurer, the Remarketing Agent, the Auction Agent, the Market Agent and the Securities Depository, in substantially the form attached hereto as **Exhibit L**, and such Variable Rate Conversion shall be subject to the conditions set forth in such notice. The Series 2004B Bonds being converted to a Variable Rate are subject to mandatory tender for purchase on the Variable Rate Conversion Date. In the event that some Series 2004B Bonds shall be converted to a Variable Rate and others will remain at an Auction Rate, then (but in no event less than fifteen (15) days prior to such Variable Rate Conversion Date) the Trustee shall select by lot from among the Series 2004B Bonds the principal amounts of Series 2004B Bonds to be converted to a Variable Rate. The Trustee shall give notice not less than fifteen (15) days prior to the Variable Rate Conversion Date by first class mail to the owners of the Series 2004B Bonds so selected (or to all of the owners of Series 2004B Bonds if all of such Series 2004B Bonds are to be converted to a Variable Rate) which notice shall be in substantially the form of **Exhibit L** hereto and shall state, that (i) the Series 2004B Bonds in the principal amount designated shall be in a Variable Rate Period and shall bear interest during the initial Variable Rate Determination Period at the lowest rate necessary, in the sole judgment of the Remarketing Agent, to remarket Series 2004B Bonds in a Variable Rate Determination Period at par; and (ii) that Series 2004B Bonds in a Variable Rate Period shall bear interest, after the initial Variable Rate Determination Period, determined in the manner set forth in Section 3.22(d) hereof.

(d) Following notification of the Initial Variable Rate as referenced in subsection (c) above, Series 2004B Bonds in a Variable Rate Period will bear interest at a Variable Rate determined in the following manner. On the Variable Rate Announcement Date, the Remarketing Agent will determine the lowest rate necessary, in the sole judgment of the Remarketing Agent, to remarket the Variable Rate Bonds at par on the first day of the Variable Rate Determination Period to which the determination pertains (or if such day is not a Business Day, on the next succeeding day in such Variable Rate Determination Period which is a Business Day) and shall promptly advise the Trustee in writing of the Variable Rate to be borne by such Series 2004B Bonds during such Variable Rate Determination Period.

Any amounts remaining in the Costs of Issuance Account one hundred-eighty (180) days after delivery of the Series 2004 Bonds (and not specifically committed to pay additional Costs of Issuance) shall be deposited into the Project Fund.

Section 4.3 **Debt Service Fund**. The Trustee shall deposit into the applicable account of the Debt Service Fund the amounts required by Section 4.8 of this Indenture.

(a) Moneys on deposit in the Interest Account of the Debt Service Fund shall be used solely to pay the interest on the Series 2004 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of interest on the Series 2004 Bonds.

(b) Moneys on deposit in the Principal Account of the Debt Service Fund shall be used solely to pay the principal of the Series 2004 Bonds as it becomes due and payable whether at maturity, upon scheduled sinking fund redemption or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of principal of the Series 2004 Bonds; and, if funds are available for such purpose and at the written direction of the Issuer, as directed by the Board, to effect the redemption of the Series 2004 Bonds prior to their maturity in accordance with the redemption provisions thereof or with Bond Insurer consent the purchase of Series 2004 Bonds prior to their maturity in the open market at a price not in excess of the principal amount thereof, premium, if any, plus accrued interest on the Series 2004 Bonds.

(c) Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption

requirements therefor) the Series 2004A Bonds, Series 2004B Bonds and Series 2004C Bonds, the Trustee shall transfer money from the Surplus Fund, the Replacement Fund and the Debt Service Reserve Fund, in that order, and shall give immediate notice to the Bond Insurer.

Section 4.4 **Project Fund**. The Project Fund shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the balance of the proceeds of the Series 2004 Bonds as provided in Section 4.2(g) hereof. Moneys in the Project Fund shall be applied to the payment of the Costs of the Facilities pursuant to the procedure established in Section 4.17 hereof and, pending such application, shall be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as herein provided.

Section 4.5 **Debt Service Reserve Fund**. Moneys on deposit in the Debt Service Reserve Fund shall be maintained in an amount equal to the Debt Service Reserve Fund Requirement, and shall be transferred, in accordance with the priority set out in Section 4.3(c) above, to the Interest Account or the Principal Account of the Debt Service Fund in such amount as shall be necessary to remedy any deficiency therein (taking into account any amounts available therefor in the Surplus Fund and the Replacement Fund) with respect to the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds. Whenever the amount in the Debt Service Reserve Fund, together with the amount in the Debt Service Fund, is sufficient to pay in full all outstanding Bonds in accordance with their terms, the funds on deposit in the Debt Service Reserve Fund shall be transferred to the Debt Service Fund and shall be available to pay all outstanding Bonds in accordance with their terms. If the balance of the Debt Service Reserve Fund is greater than the Debt Service Reserve Fund Requirement, all amounts in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement shall be transferred to the Interest Account. **Notwithstanding the foregoing, amounts in the Debt Service Reserve Fund will not be available to pay the principal of, or the interest on, the Series 2004C Bonds or any Additional Bonds that are not Tax-Exempt Bonds.**

Section 4.6 **Replacement Fund**. The Replacement Fund shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment placed upon or used in connection with the Facilities or as required by Section 4.3(c) hereof. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Section 4.7 **Rebate Fund**. Moneys deposited and held in the Rebate Fund shall be used to make all rebate payments owed to the United States under the Code, and shall not be subject to the pledge of this Indenture. The Corporation shall make the calculation(s) required by the Code and the Tax Regulatory Agreement shall direct the Trustee to make deposits to and make disbursements from the Rebate Fund which the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Indenture governing

deposits to the Rebate Fund may be superseded or amended (except the requirement of annual calculations and deposits to the Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation, the Board, the Issuer and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2004A Bonds or the Series 2004B Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Section 4.8 **Receipts Fund**. There shall be deposited into the Receipts Fund all funds received from or paid on behalf of the Board under the Facilities Lease, including (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant to Section 3.2(b) of the Management Agreement and any corresponding account held under any subsequent Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. The University shall make an initial deposit into the Receipts Fund from revenues recognized by the University as of July 1, 2004. Other than transfers pursuant to Section 4.8(e), which will be applied on each Interest Payment Date from funds on hand in the Receipts Fund on such date, Moneys on deposit in the Receipts Fund will be applied by the Trustee on the dates indicated below in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement but not less often than annually, to the Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, beginning August 25, 2004, to the Operating Fund (as defined in the Management Agreement) maintained by the Management Company an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget (as defined in the Management Agreement) for such month, as certified by the Management Company;

(c) With respect to the Series 2004A Bonds, the Series 2004B Bonds that bear interest at a Fixed Rate, and the Series 2004C Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2004, into the Interest Account of the Debt Service Fund an amount equal to one-sixth (1/6th) of the interest due and payable on such Series 2004 Bonds on the next February 1 and August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date for the Auction Rate Bonds, commencing August 18, 2004, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund, will be sufficient to pay interest on such Series 2004B Bonds on such Interest Payment Date;

(f) On the twenty-fifth (25th) day of each month, commencing August 25, 2005, into the Principal Account of the Debt Service Fund an amount equal to one-twelfth (1/12th) the principal of the Series 2004 Bonds payable on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund in accordance with Section 4.21 hereof, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement over the amount on deposit in the Debt Service Reserve Fund;

(i) Annually, beginning August 1, 2007, an amount equal to \$100,000 into the Replacement Fund, with such amount increased each year, beginning August 1, 2008 at a rate of 3% annually; or such lesser annual amount as is permitted by the Board of Regents and approved by the Bond Insurer and, in the event that any funds shall have been withdrawn from the Replacement Fund to cure any deficiency in the Interest Account or the Principal Account pursuant to Section 4.3(c) hereof, the amount of such withdrawal;

(j) On the twenty-fifth (25th) day of each month, commencing with the month the Facilities are open for occupancy, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid; and

(k) Annually on August 1 of each year beginning August 1, 2005 any amounts remaining in the Receipts Fund after making all transfers required to be made on such date under Section 4.8(a) through (j) hereof shall be transferred to the Surplus Fund and applied as set forth in Section 4.25 hereof.

After a Variable Rate Conversion of the Series 2004B Bonds, payments will be made from the Receipts Fund to the Debt Service Fund in accordance with the supplemental indenture executed in connection with such Variable Rate Conversion.

Section 4.9 **Capitalized Interest Fund**. The Capitalized Interest Fund shall be maintained with the Trustee. The Capitalized Interest Fund shall be funded on the date of delivery of the Series 2004 Bonds from the proceeds thereof in the amount of \$2,757,568.27. On each date on which the Trustee is required to transfer moneys in the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to subsections (c), (d), or (e) of Section 4.8 hereof, prior to making any such transfer the Trustee shall transfer amounts on deposit in the Capitalized Interest Fund to the Interest Account of the Debt Service Fund in the amounts required by such subsections or such lesser amount as shall then remain in the Capitalized Interest Fund in accordance with **Exhibit N**, attached hereto. The Trustee shall reduce the amount required to be transferred from the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to subsections (c), (d), or (e) of Section 4.8 hereof by any amounts transferred to the Interest Account of the Debt Service Fund pursuant to the provisions of this Section. Earnings on amounts in the Capitalized Interest Fund shall be retained therein.

Section 4.10 **Surplus Fund**. The Surplus Fund will be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Section 4.11 **Refunding Fund**. The Refunding Fund shall be maintained with the Trustee and used to receive a portion of the proceeds of the Bonds. Pursuant to instructions set forth in Section 3.12(f) hereof, the Trustee shall disburse \$14,590,000 to the Prior Trustee to pay all of the outstanding principal and accrued interest on the Prior Debt and redeem the Prior Debt on September 15, 2004. Any balance of moneys deposited to the Refunding Fund after payment of the Prior Debt shall be transferred to the Project Fund.

Section 4.12 **Investments**. Moneys contained in the funds and accounts held by the Trustee shall be continuously invested and reinvested by the Trustee at the direction of the Corporation, as advised by the Board, in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Trustee, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

(a) No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;

(b) The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;

(c) Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case

may be, to the respective fund or account in which earned except that if the balance of the Debt Service Reserve Fund is equal to or greater than the Debt Service Reserve Fund Requirement, earnings in the Debt Service Reserve Fund shall be transferred to the Interest Account;

(d) No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation except as otherwise permitted in writing by the Bond Insurer;

(e) Moneys in the Debt Service Reserve Fund may be invested only in Permitted Investments maturing or redeemable at the option of the holder not later than two (2) years from the date of purchase thereof; provided, however, if moneys in the Debt Service Reserve Fund shall be invested in a guaranteed investment contract the Value of which is equal to the amount available to be withdrawn therefrom, such guaranteed investment contract may have a term of up to ten (10) years; and

(f) No float forward or forward purchase agreement or other arrangement, agreement or financial product may be utilized in connection with the Debt Service Fund the Debt Service Reserve Fund or the Replacement Fund unless the Bond Insurer so permits and the terms thereof (including, without limitation, the parties thereto) are satisfactory to the Bond Insurer and, if satisfactory to the Bond Insurer, such agreements will constitute Permitted Investments.

An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article and Article V of the Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Issuer annually with a written copy and the Corporation with a written copy for the Board, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

Investments shall be valued by the Trustee as frequently as deemed necessary by the Bond Insurer, but not less often than annually, at the Value thereof. Deficiencies in the amount on deposit in any fund or account resulting from a decline in Value shall be restored no later than the succeeding valuation date.

Section 4.13 **Depository of Moneys and Security for Deposits.** All of the funds and accounts established hereunder shall be special trust accounts held by the Trustee in trust for the benefit of the owners of the Series 2004 Bonds and shall not be subject to lien or attachment by any creditors of the Trustee, the Issuer, the Corporation, or the Board. Uninvested sums in these funds and accounts shall be continually secured as are deposits of uninvested sinking funds of

political subdivisions of the State or in the manner prescribed by federal law for securing any federal trust funds as may be prescribed from time to time by the Comptroller of the Currency.

Section 4.14 **Arbitrage**. Notwithstanding all the provisions hereof, the Issuer shall not direct the investment of moneys in the various funds and accounts created hereunder in a manner which would result in the loss of exclusion from gross income of interest on the Series 2004A Bonds and Series 2004B Bonds for federal income tax purposes or in such manner which would result in the Series 2004A Bonds, Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds becoming "arbitrage bonds" within the meaning of Section 148 of the Code.

Section 4.15 **Payments From Project Fund**. Payment of the Costs of the Facilities shall be made from the Project Fund. All payments from the Project Fund shall be subject to the provisions and restrictions set forth in this Article, and the Issuer covenants that it will not cause or permit to be paid from the Project Fund any sums except in accordance with such provisions and restrictions.

Moneys in the Project Fund shall be used to pay the Costs of the Facilities described in Exhibit A to the Agreement; provided that if an Event of Default under the Agreement or Indenture has occurred and is continuing, the Trustee shall transfer moneys in the Project Fund to the Debt Service Fund for the purpose of paying the principal of, premium, if any, and interest on the Bonds.

Section 4.16 **Costs of the Facilities**. For the purpose of this Indenture, the Costs of the Facilities shall embrace such costs as are eligible costs within the purview of the Act and the Code and, without intending thereby to limit or restrict any proper definition of such Costs, shall include the following:

(a) obligations incurred by the Corporation for the benefit of the Board with respect to the lease of the property and the demolition of certain existing facilities and the renovation, development and construction of the Facilities, for labor, materials and services provided by contractors, builders and others in connection with the construction and equipping of the Facilities, machinery and equipment, necessary water and sewer lines and connections, utilities and landscaping, the restoration or relocation of any property damaged or destroyed in connection with such construction, the removal, demolition or relocation of any structures, and the clearing of lands and the reasonably allocable expenses of the Corporation with respect to the Facilities;

(b) the cost of acquiring by purchase, if deemed expedient, or leasing such lands, property, rights, rights-of-way, servitudes, easements, franchises and other interests as may be deemed necessary or convenient by the Authorized Corporation Representative for the construction and equipping of the Facilities, the cost of options and partial payments thereon, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved and the amount of any damages incident to or consequent upon the construction of the Facilities;

(c) interest on the Bonds prior to the establishment of the completion date of the Facilities pursuant to Section 3.7 of the Agreement, and the reasonable fees and expenses, including counsel fees, of the Trustee for its services prior to and during construction, and premiums on insurance, if any, in connection with the Facilities;

(d) the cost of borings and other preliminary investigations, if any, to determine foundation or other conditions, expenses necessary or incident to determining the feasibility or practicability of constructing the Facilities and fees and expenses of engineers, architects, management consultants for making studies, surveys and estimates of cost and of revenues and other estimates, costs of environmental surveys, reports and remediation, and fees and expenses of engineers and architects for preparing plans and specifications and supervising construction as well as for the performance of all other duties of engineers and architects set forth herein in relation to the acquisition and construction of the Facilities and the issuance of the Bonds therefor;

(e) all other items of expense not elsewhere in this Section specified incident to the lease of the property and the construction and equipping of the Facilities and the financing thereof, including professional fees, moving expenses, the acquisition of lands, property, rights, rights-of-way, easements, franchises and interest in or relating to lands, including title insurance, cost of demand surveys, other surveys and other expenses in connection with such acquisition, legal fees and expenses, and expenses of administration and overhead, all properly chargeable, in the opinion of the Authorized Corporation Representative, to the acquisition, construction and equipping of the Facilities; and

(f) any obligation or expense heretofore or hereafter incurred or paid by the Corporation for or in connection with any of the foregoing purposes.

Section 4.17 **Requisitions from the Project Fund**. Payments from the Project Fund shall be made in accordance with the provisions of this Section. In connection with a payment from the Project Fund, there shall be filed with the Trustee a requisition, substantially in the form of **Exhibit B** attached hereto and made a part hereof, signed by an Authorized Corporation Representative, stating:

(a) the item number of each such payment,

(b) the name of the person, firm or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment,

(c) the respective amounts to be paid,

(d) the purpose by general classification for which each obligation to be paid was incurred,

(e) that obligations in the stated amounts have been incurred by the Corporation and are either (i) presently due and payable or (ii) have been paid by the

Corporation and that each item thereof is a proper charge against the Project Fund and has not been the subject of any prior requisition,

(f) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition, and

(g) a certification that all work, materials, supplies and equipment which are the subject of such requisition have been performed or delivered and are in accordance with the description of the Facilities referred to above.

Upon receipt of each requisition and accompanying certificate and information, the Trustee shall pay the obligations set forth in such requisition out of the money in the Project Fund, and each such obligation shall be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment.

Section 4.18 **Reliance upon Requisitions.** All requisitions and opinions received by the Trustee as conditions of payment from the Project Fund may be relied upon by the Trustee and shall be retained by the Trustee, subject at all reasonable times to examination by the Issuer, the Board and the Corporation.

Section 4.19 **Completion of the Facilities and Disposition of Project Fund Balance.** When the construction of the Facilities shall have been completed, which fact shall be evidenced to the Trustee by a certificate of an Authorized Corporation Representative delivered to the Trustee pursuant to Section 3.7 of the Agreement, the balance in the Project Fund shall be transferred by the Trustee to the Interest Account and/or the Principal Account of the Debt Service Fund (subject to the provisions of Section 4.3 hereof) and applied first to any payments owed pursuant to Section 4.8(c), (d), (e) or (f) hereof, within one (1) year of the completion date, such amounts to be paid at the times set forth in Section 4.8 thereof, and then, on such one (1) year anniversary, if any funds remain, to redeem the Bonds in accordance with the provisions of Section 3.4 hereof. In the event that Additional Bonds for any subsequent phase of the Facilities are issued after the completion of all previous phases of the Facilities, but prior to such one (1) year anniversary, any amounts transferred from the Project Fund and still in the Debt Service Fund shall be transferred back to the Project Fund and shall be used to fund such subsequent phase of the Facilities.

Section 4.20 **Amounts Remaining in Funds; Releases.** It is agreed by the parties hereto that any amounts remaining in the Funds and Accounts existing pursuant to this Indenture upon the expiration or sooner cancellation or termination of the Agreement, as provided therein, after payment in full of all Outstanding Bonds (or provisions for the payment thereof having been made in accordance with Article XII of this Indenture), and the fees, charges and expenses of the Issuer and the Trustee and all other amounts required to be paid under the Agreement and

under this Indenture, and under the Reimbursement Agreement other than amounts payable as arbitrage rebate under Section 148(f) of the Code, shall belong to and be paid to the University.

Section 4.21 **Application of Money in the Debt Service Reserve Fund.** (a) The Debt Service Reserve Fund shall be funded on the date of delivery of the Series 2004 Bonds in an amount equal to the Debt Service Reserve Fund Requirement. If any Additional Bonds that are Tax-Exempt Bonds are issued, the Issuer shall cause to be deposited in the Debt Service Reserve Fund, an amount necessary to make the amount on deposit in the Debt Service Reserve Fund equal to the Debt Service Reserve Fund Requirement.

(b) The Trustee shall transfer money from the Debt Service Reserve Fund to the Interest Account and the Principal Account of the Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004A Bonds, the Series 2004B Bonds, and any Additional Bonds that are Tax-Exempt Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund) is insufficient for such purposes. Amounts in the Debt Service Reserve Fund shall not be used to pay interest on or principal of (whether at maturity, by acceleration, or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004C Bonds or any Additional Bonds that are not Tax-Exempt Bonds. If the Trustee applies any moneys in the Debt Service Reserve Fund to the payment of principal of and interest on the Bonds, the Trustee shall give immediate notice to the Bond Insurer.

(c) If the money held in the Debt Service Reserve Fund, including interest earnings, exceeds the Debt Service Reserve Fund Requirement an amount equal to such excess shall be transferred by the Trustee to the Interest Account of the Debt Service Fund unless Additional Bonds have been issued, in which case, at the direction of the Issuer, the excess moneys in the Debt Service Reserve Fund shall, at any time prior to completion of construction of the Facilities, as certified pursuant to Section 4.19 of this Indenture, be transferred to the Project Fund. The Trustee shall not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Fund Requirement, the Trustee shall notify the Issuer, the Bond Insurer and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in Section 4.8(h) hereof. Upon notification the Corporation shall deliver to the Trustee an amount sufficient to cure the deficiency in accordance herewith and the Agreement.

(d) The Issuer may, at the direction of the Corporation, as advised by the Board, and with the prior written consent of the Bond Insurer, at any time, deposit with the Trustee, to replace cash in the Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements herein that it deposit additional amounts in the Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its letters of credit and which ratings are based solely on the bank's letter of credit, of "AA-" or better by S&P and "Aa3" or better by Moody's. Any insurance company issuing a surety bond must have a claims-paying ability rating of "AAA" by S&P and "Aaa" by Moody's. If such Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2004 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in

an amount equal to the undrawn amount thereof (other than because of a reduction in the Debt Service Reserve Fund Requirement or the deposit of cash in the Debt Service Reserve Fund to replace it), the Trustee may draw the full amount of such Debt Service Reserve Fund Investment. The Trustee shall draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board, the Issuer and the Bond Insurer must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by this Indenture and will not adversely affect the exclusion of interest on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds from gross income for purposes of federal income taxation. If a Debt Service Reserve Fund Investment is deposited in the Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Debt Service Reserve Fund shall be transferred to the Replacement Fund.

If a disbursement is made under a surety bond deposited in the Debt Service Reserve Fund, the Corporation shall be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the Issuer of the Debt Service Reserve Fund Investment in an amount equal to the Debt Service Reserve Fund Requirement or deposit into the Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Debt Service Reserve Fund Requirement.

Section 4.22 **Application of Insurance Proceeds; Condemnation Award.** (a) If all or any portion of the Facilities is damaged or destroyed by a Casualty (as defined in the Facilities Lease), or is taken by Expropriation (as defined in the Facilities Lease) proceedings, the Corporation shall, upon receipt of notice from the University and/or the Board instructing the Corporation to do so, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust or in the case of self insurance through ORM, as set forth in paragraph (b) below; and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation as advised by the Board stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such

written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee to the Board.

In the event the University decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation and including any portion of such payments attributable to the Board's interest) shall be paid to the Trustee and applied to the prepayment of the Series 2004 Bonds in accordance with the terms of this Indenture.

(b) In the event ORM insures the Facilities, the Board shall cause the Corporation to use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 4.23 **Application of Money in Replacement Fund.** (a) The Trustee shall, in accordance with Section 4.2 hereof, deposit an amount equal to the Replacement Fund Requirement into the Replacement Fund on the Closing Date.

All moneys in the Replacement Fund shall be held for the benefit of the Board through the Corporation, are not pledged under this Indenture and may be drawn on and used by the Corporation or the Board to (i) replace any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, equipment, fixtures and other property owned by the Board or the Corporation and located on the Facilities and (ii) maintain the Facilities and to make all alterations, repairs, restorations and replacements to the Facilities as and when needed to preserve the Facilities in good working order, condition and repair, each as required by the Facilities Lease. Withdrawals from the Replacement Fund for the purposes set forth above shall be made by the Trustee upon its receipt of a requisition from the University or the Corporation substantially in the form attached hereto as **Exhibit C**. Moneys in the Replacement Fund may also be drawn by the Trustee and transferred to the Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Bonds on any Interest Payment Date or Principal Payment Date.

(b) Any moneys remaining in the Replacement Fund immediately prior to the time all of the Bonds are paid, or provision for their payment is made in accordance with Article XII hereof shall, at the option of the University, be used, together with amounts held in the Debt Service Reserve Fund, to pay in full all outstanding Bonds in accordance with their terms or shall be paid to the University.

Section 4.24 **Application of Moneys in the Rebate Fund.** Moneys in the Rebate Fund shall be used to make any rebate payments required to be made to the United States under the

Code. The Rebate Fund shall be held for the sole benefit of the United States of America and is not pledged under this Indenture. Moneys required to be paid to the United States shall be deposited in the Rebate Fund by the Board as Base Rental under the Facilities Lease as required thereby and by this Indenture.

Section 4.25 Application of Money in the Surplus Fund.

(a) Amounts deposited into the Surplus Fund shall be retained in the Surplus Fund until an amount equal to ten percent (10%) of the Outstanding principal amount of the Series 2004C Bonds has been accumulated therein. Funds on deposit in the Surplus Fund at the end of any Fiscal Year may be transferred to the University on the date described below if (i) the Debt Service Coverage Ratio for the Facilities was 1.10:1.00 or greater for such Fiscal Year as evidenced by the audited financial statements for such Fiscal Year and (ii) neither the Corporation or the Board are in default under the financing documents on the date of transfer to the University. Upon receipt of the audited financial statements for such Fiscal Year, provided that the above described conditions have been met, then at the written instruction of the University Representative, the Trustee shall transfer all of the amounts in the Surplus Fund on the last day of the immediately preceding Fiscal Year to the University, but only to the extent of funds in the Surplus Fund that exceed ten percent (10%) of the Outstanding principal amount of the Series 2004C Bonds on the date of such transfer to the University.

(b) To the extent that there are insufficient funds in the Receipts Fund to make any of the transfers to the various funds and accounts required under Section 4.8(a) through (j) hereof on the dates such transfers are required to be made, any amounts contained in the Surplus Fund shall be transferred to such funds and accounts, in the priority set forth in Section 4.8 hereof, to make up for such deficiency.

Section 4.26 Payments on Bond Insurance Policies.

A. In the event that, on the second Business Day, and again on the Business Day, prior to the payment date on the Bonds (a "Bond Payment Date"), the Trustee has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second following or following, as the case may be, Business Day, the Trustee shall immediately notify the Bond Insurer or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

B. If the deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify the Bond Insurer or its designee.

C. In addition, if the Trustee has actual knowledge that any Bond Owner has been required to disgorge payments of principal or interest on the Bonds to a trustee in Bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes a voidable preference to such Bondholder within the meaning of any applicable bankruptcy laws, then the Trustee shall notify the Bond Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

D. The Trustee is hereby irrevocably designed, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

1. If and to the extent there is a deficiency in amounts required to pay interest on the Bonds, the Trustee shall (a) execute and deliver the U.S. Bank Trust National Association, or its successors under the Bond Insurance Policies (the "Insurance Trustee"), in form satisfactory to the Insurance Trustee, an instrument appointing the Bond Insurer as agent for such Bondholders in any legal proceeding related to the payment of such interest and an assignment to the Bond Insurer of the claims for interest to which such deficiency relates and which are paid by the Bond Insurer, (b) receive as designee of the respective Bondholders (and not as Trustee) in accordance with the tenor of the Bond Insurance Policies payment from the Insurance Trustee with respect to the claims for interest so assigned, and (c) disburse the same to such respective Bondholders; and

2. If and to the extent of a deficiency in amounts required to pay principal of the Bonds, the Trustee shall (a) execute and deliver to the Insurance Trustee in form satisfactory to the Insurance Trustee an instrument appointing the Bond Insurer as agent for such Bondholder in any legal proceeding relating to the payment of such principal and an assignment to the Bond Insurer of any of the Bonds surrendered to the Insurance Trustee of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such assignment shall be delivered only if payment from the Insurance Trustee is received), (b) receive as designee of the respective Bondholders (and not as Trustee) in accordance with the tenor of the Bond Insurance Policies payment therefor from the Insurance Trustee, and (c) disburse the same to such Bondholders.

E. Notwithstanding anything herein to the contrary, in the event that principal and/or interest on the Bonds or a series of Bonds is paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds or series of Bonds shall remain Outstanding for all purposes and the Bond Insurer shall be subrogated to the rights of the owners of such Bonds.

F. The Bond Insurer shall have the right to consent in lieu of the owners of Bonds to all amendments to this Indenture, as long as the Bond Insurer is not in default on its obligations under the Bond Insurance Policies. Copies of any such amendments which have been consented to by the Bond Insurer shall be sent to Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies, Inc.

G. (i) The Bond Insurer shall receive copies of all notices required to be delivered to Bondholders and, on an annual basis, copies of the University's audited financial statements.

(ii) Any notice that is required to be given to a holder a Bond or to the Trustee pursuant to the Indenture shall also be provided to the Bond Insurer.

H. The Issuer agrees to reimburse the Bond Insurer, but solely from the Trust Estate, immediately and unconditionally upon demand, to the extent permitted by law, for all reasonable expenses, including attorneys' fees and expenses, incurred by the Bond Insurer in connection with (i) the enforcement by the Bond Insurer of the Bonds, or the preservation or defense of any rights of the Bond Insurer, under this Indenture, the Agreement and any other document executed in connection with the issuance of the Bonds, and (ii) any consent, amendment, waiver or other action with respect to this Indenture, the Agreement or any related document, whether or not granted or approved, together with interest on all such expenses from and including the date incurred to the date of payment at Citibank's Prime Rate plus 3% or the maximum interest rate permitted by law, whichever is less. In addition, the Bond Insurer reserves the right to charge a fee in connection with its review of any such consent, amendment or waiver, whether or not granted or approved.

I. The Issuer agrees not to use the Bond Insurer's name in any public document including, without limitation, a press release or presentation, announcement or forum without the Bond Insurer's prior consent. In the event that the Issuer is advised by counsel that it has a legal obligation to disclose the Bond Insurer's name in any press release, public announcement or other public document, the Issuer shall provide the Bond Insurer with at least three (3) business days' prior written notice of its intent to use the Bond Insurer's name together with a copy of the proposed use of the Bond Insurer's name and of any description of a transaction with the Bond Insurer and shall obtain the Bond Insurer's prior consent as to the form and substance of the proposed use of the Bond Insurer's name and any such description.

J. The Issuer shall not enter into any agreement nor shall it consent to or participate in any arrangement pursuant to which Bonds are tendered or purchased for any purpose other than the redemption and cancellation or legal defeasance of such Bonds without the prior written consent of the Bond Insurer.

ARTICLE V

ADDITIONAL BONDS

Section 5.1 **Additional Bonds**. (a) Additional Bonds may be issued in one or more series by the Issuer at the request of the Corporation as advised by the Board under a supplement to this Indenture to pay all or part of the additional cost of the Facilities, including, but not limited to, the costs of Phase Three of the Facilities, so long as:

(i) No Event of Default under this Indenture has occurred and is then continuing and the Issuer shall have approved the issuance of such additional bonds; and

(ii) There shall have been filed with the Trustee an opinion of an attorney or firm of attorneys generally recognized as having expertise in matters relating to municipal bonds to the effect that the exclusion from "gross income" for federal income tax purposes of the interest on the Bonds then outstanding under this Indenture shall not be adversely affected.

Such series of Additional Bonds shall be appropriately designated, shall be dated, shall bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall be numbered, shall have such paying agents and shall have such maturities and redemption provisions, all as may be provided in the supplement to this Indenture or the separate indenture authorizing the issuance of such series of Additional Bonds. It is anticipated that Additional Bonds will be issued hereunder to finance phase three of the Facilities.

The written consent of the Bond Insurer shall not be required in connection with the issuance of such Additional Bonds, but the Bond Insurer shall have the right to review and approve the documentation prepared in connection with the issuance of such Additional Bonds to ensure that such documentation is as contemplated by this Indenture and does not adversely affect the rights of the Bond Insurer under this Indenture in a manner not contemplated hereby.

(b) Additional Bonds may be issued under this Indenture for any other purpose with the prior written consent of the Bond Insurer.

Section 5.2 **Refunding**. Refunding Bonds may be issued under and secured by a supplement to this Indenture for the purpose of providing funds for the refunding of the Bonds and Additional Bonds; provided that if Refunding Bonds are issued other than for the purpose of realizing interest savings, the Bond Insurer's consent in writing must be obtained prior to the issuance of such Additional Bonds and the execution of a Supplemental Indenture in accordance with Section 10.1(d) hereof.

Section 5.3 **Additional Bonds and Refunding Bonds**. The Bond Insurer shall receive copies of any disclosure documents circulated with respect to such Additional Bonds and Refunding Bonds.

ARTICLE VII

ENFORCEMENT OF AGREEMENT AND FACILITIES LEASE

Section 7.1 **Assignment of Agreement and Facilities Lease.** The Issuer has assigned all of its right, title and interest in, to and under the Agreement (except for rights relating to exculpation, indemnification and payment of expenses thereunder), including the interest of the Issuer in and to the Facilities Lease assigned by the Corporation to the Issuer thereunder (except for payments of Additional Rentals made thereunder), to the Trustee as security for the Bonds and hereby agrees that the Agreement and the Facilities Lease may be enforced by the Trustee and/or the owners of the Bonds issued hereunder in accordance with the terms hereof and thereof. Notwithstanding such assignment, the Issuer agrees to cause the Corporation to comply with the terms contained in the Agreement and the Facilities Lease and the rights of the Bondholders and the Trustee shall be governed by the provisions of this Indenture, the Agreement and the Facilities Lease.

Section 7.2 **Trustee or Bondholders to Enforce Agreement and Facilities Lease.** The Trustee may, and upon request of the Bond Insurer or the owners of a majority in aggregate principal amount of the Bonds then outstanding shall, subject to the provisions of Section 8.11 and Article IX hereof, strictly and promptly enforce the provisions of the Agreement and the Facilities Lease so long as any of the Bonds remain outstanding under this Indenture. All rights of action (including the right to file proof of claims) to enforce the Agreement and the Facilities Lease under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee for the Bondholders without the necessity of joining as plaintiffs or defendants any of the Bondholders.

ARTICLE VIII

EVENTS OF DEFAULT; REMEDIES

Section 8.1 **No Extension of Time for Payment of Principal, Premium or Interest.** The Trustee shall not be authorized to extend the time for any payment of principal, premium or interest without the prior written consent of or authorization by the owner of the Bonds so affected.

Section 8.2 **Events of Default.** Each of the following events is hereby declared to be an "Event of Default":

(a) The payment of any installment of interest on any of the Bonds shall not be made when the same shall become due and payable;

(b) The payment of the principal of or premium, if any, on any of the Bonds shall not be made when the same shall become due and payable, whether at maturity or by proceedings for redemption or by acceleration or otherwise;

(c) An "Event of Default" under Article IX of the Agreement shall have occurred;

(d) A default shall occur under Section 21 of the Facilities Lease;

(e) Default by the Issuer in the due and punctual performance of any other of the covenants, conditions, agreements or provisions contained in the Bonds or in this Indenture on the part of the Issuer to be performed, if such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer, the Board, the Bond Insurer and the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding. Such default shall not become an Event of Default if said default be of the nature that (i) it cannot be corrected within the thirty (30) day period after receipt of notice, but the Issuer (or the Corporation pursuant to the provisions of Section 8.14 of this Indenture) promptly shall institute and diligently pursue corrective action until such default is cured, or (ii) the Trustee shall determine that such default is not curable but such default does not affect the validity or enforceability of the Bonds, this Indenture or the Agreement, an event of nonperformance shall not have occurred under the Agreement (other than as a result of the cross-default provisions), and such default does not impair the security or the obligations provided for or under the Bonds, this Indenture or the Agreement, and (iii) the Bond Insurer shall have consented to such event not being an Event of Default.

The word "default" as used herein means failure of performance when due, exclusive of any period of grace, if any, allowed to correct any such failure. In addition, in determining whether a default in the payment of the principal of, premium, if any, or interest on the Bonds

has occurred or whether a payment of Bonds has been made hereunder, no effect shall be given to the payments made under the Bond Insurance Policies.

For all purposes of this Article VIII (other than Section 8.13 hereof), the Bond Insurer shall be deemed to be the sole owner of the Bonds it has insured for so long as it has not failed to comply with its payment obligations under the Bond Insurance Policies, and the Bond Insurer shall be entitled to (i) notify the Trustee of the occurrence of an Event of Default hereunder, (ii) request that the Trustee intervene in judicial proceedings that affect the Bonds or the security therefor, (iii) direct all remedies in the Event of Default, (iv) be recognized as the owner of each Bond which it insures for the purposes of exercising all rights and privileges available to Bondholders, (v) have the right to institute any suit, action, or proceeding at law or in equity under the same terms as a Bondholder in accordance with the provisions of the Indenture or each Bond for which it insures.

Notwithstanding anything to the contrary, any acceleration of principal payments must be subject to the Bond Insurer's prior written consent.

Section 8.3 **Remedies.** Upon the occurrence of an Event of Default, the Issuer, the Trustee and, subject to Sections 8.10 and 8.11 and all rights granted to the Bond Insurer under this Article VIII, the Bondholders shall have all the rights and remedies as may be allowed by law, this Indenture, the Mortgage, the Assignment of Agreements and Documents, or pursuant to the provisions of the Agreement and/or the Facilities Lease by virtue of their assignment hereunder, including but not limited to, acceleration of the maturity of all Bonds, or suit at law or in equity to enforce or enjoin the action or inaction of parties under the provisions of this Indenture, the Mortgage, the Agreement or the Facilities Lease.

Section 8.4 **Acceleration; Annulment of Acceleration.** (a) Upon the occurrence of an Event of Default described in Section 8.2 of this Indenture, the Trustee may, with the prior written consent of the Bond Insurer, and upon the written request of the Bond Insurer shall, by notice in writing to the Issuer, the Board and the Corporation, declare the Bonds then outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in such Bonds or in the Agreement or this Indenture to the contrary notwithstanding, and, subject to Article IX, the Trustee may exercise any remedies granted to it herein. In such event, there shall be due and payable on the Bonds an amount equal to the principal amount of all the Bonds then outstanding plus all interest accrued thereon and which will accrue thereon to the date of payment. If the Bond Insurer shall be in default of its payment obligations under the Bond Insurance Policies, the owners of not less than a majority of the aggregate principal amount of Bonds outstanding, may direct the Trustee to declare the Bonds then outstanding immediately due and payable; and

(b) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Indenture, the Agreement, the Mortgage, the Assignment of Agreements and Documents, or the Facilities Lease, the Trustee may annul such declaration and its consequences with respect to the Bonds if (i) moneys shall have been deposited in the Debt Service Fund sufficient to pay all matured installments of principal (other than principal due solely because of

acceleration) and interest; (ii) moneys shall be available sufficient to pay the charges, compensation, expenses, disbursements, advances and liabilities of the Issuer and the Trustee; (iii) all other amounts then payable by the Issuer or the Corporation under this Indenture or the Agreement shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and (iv) every Event of Default known to the Issuer or the Trustee (other than a default in the payment of the principal of the Bonds due only because of such declaration) shall have been remedied to the satisfaction of the Issuer and the Trustee. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

No waiver of any Event of Default shall be effective without the written consent of the Bond Insurer.

Section 8.5 Insufficiency in the Debt Service Fund and the Debt Service Reserve Fund; Application of Moneys. Anything in this Indenture to the contrary notwithstanding, if at any time the moneys in the Debt Service Fund and the Debt Service Reserve Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, including, without limitation, moneys paid by the Corporation to the Trustee pursuant to the Mortgage, shall, subject to the provisions of Sections 9.2 and 9.4 hereof, be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture) in the order of their due dates, with interest on the principal amount of such Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds and the interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next, to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds and to the redemption of Bonds, all in accordance with the provisions of this Indenture.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

(c) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of Section 8.5(b) above, in the event that the principal of all the Bonds shall later become or be declared due and payable, then all such moneys shall be applied in accordance with the provisions of Section 8.5(a) above.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Issuer, to any Bondholder or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date, interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to the owner of any Bond until such Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 8.6 **Discontinuance of Proceedings.** In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

Section 8.7 **Appointment of Receiver.** Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under this Indenture, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer.

Section 8.8 **Remedies Not Exclusive.** No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any

other remedy, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity on or after the date of execution and delivery of this Indenture.

Section 8.9 **Remedies Vested in Trustee.** All rights of action under this Indenture, the Agreement, the Mortgage, the Assignment of Agreements and Documents, or under any of the Bonds may be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Section 8.10 **Majority of Bondholders Control Proceedings.** If an Event of Default shall have occurred and be continuing, notwithstanding anything in this Indenture to the contrary, but subject to all rights granted to the Bond Insurer in this Article VIII, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding shall have the right after written notice delivered to the Trustee, at any time by an instrument or instruments in writing executed and delivered to the Trustee together with security or indemnity satisfactory to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Indenture, provided the direction is in accordance with law and the provisions of this Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of Bondholders not joining in such direction, and provided further, that nothing in this Section shall impair the right of the Trustee in its discretion to take any other action under this Indenture which it may deem proper and which is not inconsistent with the direction by Bondholders.

Section 8.11 **Individual Bondholder Action Restricted.** (a) No owner of any Bond shall have any right to institute any suit, action or proceeding for the enforcement of this Indenture or for the execution of any trust hereunder or for any remedy under this Indenture unless:

(i) An Event of Default has occurred (other than under Sections 8.2(a) or 8.2(b)) as to which the Trustee has actual notice, or as to which the Trustee has been notified in writing; and

(ii) The owners of at least a majority of the aggregate outstanding principal amount of Bonds shall have made written request to the Trustee to proceed to exercise the powers granted in this Indenture or to institute an action, suit or proceeding in its own name; and these Bondholders shall have offered the Trustee such indemnity as may be satisfactory to the Trustee, and the Trustee shall have failed or refused to exercise the powers granted in this Indenture or to institute an action, suit or proceeding in its own name for a period of sixty (60) days after receipt of the request and offer of indemnity.

(b) No one or more owners of Bonds shall have any right in any manner whatsoever to disturb or prejudice the security of this Indenture or to enforce any right hereunder except in the manner herein provided and then only for the equal benefit of the owners of all outstanding Bonds.

Section 8.12 **Waiver and Non-Waiver of Event of Default.** (a) No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by this Article to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(b) The Trustee with Bond Insurer consent may waive any Event of Default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Indenture or before the completion of the enforcement of any other remedy under this Indenture.

(c) Notwithstanding anything contained in this Indenture to the contrary, the Trustee, upon written request of the Bond Insurer or the Bond Insurer and the owners of at least a majority of the aggregate principal amount of the Bonds then outstanding shall waive any Event of Default and its consequences; provided, however, that a default in the payment of the principal of, premium, if any, or interest on any Bond, when due and payable or upon call for redemption, may not be waived after the date the same becomes due and payable without the written consent of the owners of all the Bonds at the time outstanding.

(d) In case of a waiver by the Trustee of any Event of Default, the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights under this Indenture but no waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with this Section.

Section 8.13 **Notice of Defaults.** (a) Within thirty (30) days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee is deemed to have notice, the Trustee shall (unless the Event of Default has already been cured) give written notice of the Event of Default to the owners of all Bonds then outstanding in the manner provided in Section 13.8 of this Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Bonds, the Trustee may withhold the notice to the Bondholders if, in its sole judgment, it determines that the withholding of notice is not detrimental to the best interest of the Bondholders.

(b) The Trustee shall immediately notify, in writing, the Issuer, the Board, the Bond Insurer and the Corporation of any Event of Default known to the Trustee.

(c) The Trustee shall provide the Bond Insurer immediate notice of any default in the payment of principal of, premium, if any, or interest on the Bonds.

Section 8.14 **Opportunity of Corporation to Cure Certain Defaults.** The Issuer and the Trustee hereby grant the Corporation full authority on the account of the Board and/or the Issuer to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which is or is alleged to be an Event of Default under Section 8.2(f) of this Indenture, and the Trustee agrees that performance by the Corporation shall be deemed to be performance by the Board and/or the Issuer.

ARTICLE IX

CONCERNING THE TRUSTEE

Section 9.1 **Acceptance of Trusts.** The Trustee hereby represents and warrants to the Issuer (for the benefit of the Board, the Corporation and the Bondholders as well as the Issuer) that it is a bank and trust company duly organized and existing under the laws of the United States of America and that it is duly authorized under such laws to accept and execute trusts of the character herein set out. The Trustee accepts and agrees to execute the trusts imposed upon it by this Indenture, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Indenture including the following express terms and conditions, to all of which the parties hereto and the respective Owners of the Bonds agree:

(a) Except during the continuance of an Event of Default within the purview of Section 8.2, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and the Trustee shall not be responsible for (x) the legality or enforceability of this Indenture (except with respect to performance of its obligations hereunder), the Agreement (except with respect to performance of its obligations hereunder), the Facilities Lease (except with respect to performance of its obligations hereunder), the Tax Regulatory Agreement (except with respect to performance of its obligations thereunder), the Mortgage (except with respect to performance of its obligations thereunder), the Assignment of Agreements and Documents (except with respect to performance of its obligation thereunder) and any supplement thereto, the Bonds (except as to the authentication of the Bonds), or any instruments or documents related thereto (collectively, the "Bond Documents") or (y) the legality, perfection, sufficiency or priority of the Trust Estate or any lien purported to be granted thereon under any of the aforesaid documents or otherwise. No implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) No provision of this Indenture shall be construed to relieve the Trustee from liability for its negligence or willful misconduct, except that:

(i) in the absence of bad faith on the part of the Trustee, the Trustee may rely upon the authenticity of, and the truth of the statements and the correctness of the opinions expressed in, and shall be protected fully from liability in relying or acting upon, any resolution, opinion of counsel, certificate, request, notice, consent, waiver, order, signature guaranty, notarial seal, stamp, acknowledgment, verification, appraisal, report or other paper or document believed by the Trustee to be genuine and to have been signed, affixed or presented by the proper party or parties; but in the case of any such certificates or opinions that by any provision hereby are specifically required to be furnished to the Trustee, as the case may be, the Trustee shall be under a duty to examine the same to determine whether or not they conform to requirements of this Indenture; and

(ii) in the absence of bad faith on the part of the Trustee, whenever the Trustee, or any of its agents, representatives, experts or counsel, shall consider it

necessary or desirable that any matter be proved or established, such matter shall be deemed to be conclusively proved and established by a certificate executed by an Authorized Issuer Representative; provided, however, that the Trustee, or such agent, representative, expert or counsel may require, but is not obligated to require, such further and additional evidence and make such further investigation as it or they may consider reasonable; and

(iii) the Trustee may consult with counsel and the advice or opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered hereunder in good faith and in accordance with such advice or opinion of counsel; and

(iv) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and in accordance with any direction or request of the Bondholders; and

(v) the Trustee shall not be liable for any error of judgment made in good faith by an officer or employee of the Trustee unless the Trustee is negligent in ascertaining the pertinent facts; and

(vi) the Trustee shall not be deemed to have knowledge of any Event of Default, except for the failure of the Corporation to make or cause to be made scheduled payments to the Trustee provided for in the Agreement, unless and until the Bond Insurer shall have given written notice to the Trustee of said default or until an officer of the Trustee who customarily handles corporate trusts and is assigned to supervise this Indenture shall have actual knowledge thereof or the Trustee shall have received written advice thereof from any Bondholder; and

(vii) anything in any of the Bond Documents to the contrary notwithstanding, whether or not an Event of Default shall have occurred, the Trustee shall not be under any obligation to take any action under this Indenture that may involve it in any expense or liability, the payment of which within a reasonable time is not, in its opinion, assured to it by the security afforded to it by the terms of this Indenture, unless it is requested in writing to do so by one or more owners of the Bonds outstanding hereunder and furnished, from time to time as it may require, with security and indemnity satisfactory to it; and

(viii) the Trustee need not take any action or follow any direction from any one or more Bondholders if the Trustee shall be advised by counsel that the action or proceedings so directed may not lawfully be taken or would be prejudicial to Bondholders not parties to such direction, or the Trustee in good faith believes following such direction would involve the Trustee in personal liability; and

(ix) in no event shall the Trustee be liable to any person for special, indirect or consequential damages, lost profits or loss of business arising under or

in connection with this Indenture, even if previously informed of the possibility of such damages and regardless of the form of action; and

(x) anything to the contrary in the Bond Documents notwithstanding, the permissive right of the Trustee to do anything enumerated or set forth in any of the Bond Documents shall not be construed as a duty, and the Trustee shall not be held responsible or liable for other than its negligence or willful misconduct.

(c) In case an Event of Default within the purview of Section 8.2 hereof has occurred and is continuing and the Trustee has actual knowledge of such Event of Default or is deemed to have knowledge pursuant to (b)(vi) above, subject to the provisions of this Article IX, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the degree of care and skill in their exercise as a prudent man would exercise under the circumstances.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee, including without limitation Sections 9.3 and 9.4 hereof, shall be subject to the provisions of this Section 9.1. The Trustee also accepts, and agrees to do and perform, the duties and obligations imposed upon it by and under the Agreement, the Facilities Lease and the Mortgage, but only upon the terms and conditions set forth in the Agreement, the Facilities Lease, the Mortgage and this Indenture. The rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 9.2 **Trustee Entitled to Indemnity.** The Trustee shall be under no obligation to institute any suit, or to take any remedial proceeding under this Indenture or under the Agreement, or to enter any appearance in or in any way defend against any suit, in which it may be made a defendant (except in the case of the Trustee's own negligence), or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder or under the Agreement or the Facilities Lease, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability; the Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Issuer shall reimburse the Trustee from funds available therefor under the Agreement for all costs and expenses, outlays and counsel fees and other reasonable disbursements properly incurred in connection therewith. If the Issuer shall fail to make reimbursement, the Trustee may reimburse itself from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference over any of the Bonds.

Section 9.3 **Trustee Not Responsible for Insurance, Taxes, Execution of Indenture, Acts of the Issuer or Application of Moneys Applied in Accordance with this Indenture.** The Trustee shall not be under any obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Corporation for the benefit of the Board or to report, or make or file claims or proof of loss for, any loss or damage insured against or which may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. The Trustee shall have no responsibility in respect of the validity,

sufficiency, due execution or acknowledgment of this Indenture or the validity or sufficiency of the security provided hereunder or in respect of the validity of the Bonds or the due execution or issuance thereof, except as to the authentication thereof.

The Trustee shall not be under any obligation to see that any duties herein imposed upon any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

The Trustee shall not be liable or responsible because of the failure of the Issuer or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Issuer or because of the loss of any moneys arising through the insolvency or the act or default or omission of any other depository in which such moneys shall have been deposited under the provisions of this Indenture. The Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Indenture.

The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

Section 9.4 **Compensation**. The Trustee shall be entitled to reasonable compensation for its ordinary services hereunder consistent with the results of the process by which the Trustee was selected and any extraordinary services rendered hereunder and to reimbursement for all expenses incurred in good faith hereunder, including the compensation, expenses and disbursements of such agents, representatives, experts and counsel as the Trustee may employ in connection with the exercise and performance of its powers and duties hereunder. Subject to the provisions of any contract relating to the compensation of the Trustee, the Issuer shall cause the Board to pay to the Trustee as administrative expenses its reasonable fees and charges as Additional Rent in accordance with the Facilities Lease upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. If the Board shall fail to make any payment required by this Section, the Trustee may, but shall be under no obligation to, make such payment from any moneys in its possession under the provisions of this Indenture, and the Trustee shall be entitled to a preference therefor over any of the Bonds Outstanding hereunder.

Section 9.5 **Trustee to Preserve Records**. All records and files pertaining to the Corporation in the custody of the Trustee shall be open at all reasonable times to the inspection of the Issuer, the Board, the Corporation, the Bond Insurer and their agents and representatives.

Section 9.6 **Trustee May be Bondholder**. The Trustee and its directors, officers, employees or agents may in good faith buy, sell, own, hold and deal in any of the Bonds issued under and secured by this Indenture, and may join in the capacity of a Bondholder in any action which any Bondholder may be entitled to take with like effect as if such institution were not the Trustee under this Indenture.

Section 9.7 **Trustee Not Responsible for Recitals.** The recitals, statements and representations contained herein and in the Bonds shall be taken and construed as made by and on the part of the Issuer and not by the Trustee, and the Trustee shall not be under any responsibility for the correctness of the same.

Section 9.8 **Trustee Responsible for Reinscription and Continuation Statements.** The Trustee, as mortgagee under the Mortgage, is required under the terms of the Mortgage to reinscribe the Mortgage at such times as shall be necessary to preserve the lien thereof. Under the Agreement, the Corporation has covenanted to cooperate with the Trustee with regard to the foregoing. In the event that any continuation statement shall be required to keep current any financing statement or other filings with respect to security interests or other security devices securing the Bonds, the Trustee shall be obligated to file any such continuation statements and shall provide written notice to the Issuer of such filing, if any.

Section 9.9 **Trustee May Rely on Certificates.** Subject to the provisions of Section 9.1(b), the Trustee shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of this Indenture, upon any resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or person or to have been prepared and furnished pursuant to any of the provisions of the Agreement or this Indenture, or upon the written opinion of any attorney, engineer, accountant or other expert believed by it to be qualified in relation to the subject matter, and the Trustee shall not be under any duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument.

Section 9.10 **Qualification of the Trustee.** There shall at all times be a Trustee hereunder. Any successor Trustee hereunder shall be a trust company or commercial bank (having trust powers) organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, having unimpaired capital and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. If such trust company or bank publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the unimpaired capital and surplus of such association or corporation shall be deemed to be its unimpaired capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect specified in Section 9.11 hereof.

Section 9.11 **Resignation and Removal of Trustee.** (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 9.12 hereof and until notice of resignation or removal and appointment, as the case may be, shall have been provided to the Bond Insurer.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer, the Bond Insurer, the Board, the Corporation and the Bondholders. If an instrument of

acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the retiring Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed with or without cause at any time by an instrument or instruments in writing to the Trustee, with copies to the Issuer, the Bond Insurer, the Board and the Corporation, signed by the Bond Insurer or by the Bond Insurer and the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding or by their attorneys, legal representatives or agents and delivered to the Trustee, the Issuer, the Bond Insurer, the Board and the Corporation (such instruments to be effective only when received by the Trustee).

(d) If at any time

(i) the Trustee shall cease to be eligible under Section 9.10 hereof and shall fail to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (1) the Issuer, in its discretion and without obligation, may or the Corporation, on behalf of the Board, may remove the Trustee, or (2) any Bondholder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor but only, in each case, with the prior written approval of the Bond Insurer.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may occur as a result of resignation since the Trustee may not resign unless a successor has been appointed) or if the Trustee tenders its resignation, the Issuer with the approval of the Bond Insurer (so long as the Bond Insurer is not in default under the Bond Insurance Policies) shall promptly appoint a successor provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. If, within one (1) year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Bondholders and accepted appointment in the manner hereinafter provided, any Bondholder who has been a bona fide owner of a Bond for at

least six (6) months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorney's fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. Each notice shall include the name and address of the principal corporate trust office of the successor Trustee.

Section 9.12 **Successor Trustee**. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Bond Insurer and the Corporation, on behalf of the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities, powers and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor shall, nevertheless, on the written request of its successor or of the Issuer and upon payment of the expenses, charges and other disbursements of such predecessor which are payable pursuant to the provisions of Section 9.4 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all property and moneys held by it hereunder to its successor, subject, nevertheless, to its preference, if any, provided for in Sections 9.2 and 9.4 hereof. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee any such instrument in writing shall and will be executed, acknowledged and delivered by the Issuer upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue.

Notwithstanding any of the foregoing provisions of this Article, any bank or trust company having power to perform the duties and execute the trusts of this Indenture and otherwise qualified to act as Trustee hereunder with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, shall be deemed the successor of the Trustee.

Section 9.13 **Co-Trustee**. It is the purpose hereof that there shall be no violation of any law of any jurisdiction (including particularly the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustee in such jurisdiction. It is recognized that in case of litigation hereunder and in particular in case of the enforcement of this Indenture upon the occurrence of an Event of Default, it may be necessary that the Trustee appoint an additional individual or institution as a separate Trustee or Co-Trustee. The following provisions of this Section are adapted to these ends.

Upon the incapacity or lack of authority of the Trustee, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers and trusts herein granted to the Trustee or to hold title to the trust estate or to take any other action which may be necessary or desirable in connection therewith, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in a separate Trustee or Co-Trustee appointed by the Trustee but only to the extent necessary to enable the separate Trustee or Co-Trustee to exercise such rights, powers and trusts, and every agreement and obligation necessary to the exercise thereof by such separate Trustee or Co-Trustee shall run to and be enforceable by either of them.

Should any deed, conveyance or instrument in writing from the Issuer be required by the separate Trustee or Co-Trustee so appointed by the Trustee in order to more fully and certainly vest in and confirm to him or it such properties, rights, powers, trusts, duties and obligations, any and all such deeds, conveyances and instruments shall, on request, be executed, acknowledged and delivered by the Issuer upon the written request of the Trustee and provided the Issuer shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Issuer in connection therewith as such costs and expenses accrue. In case any separate Trustee or Co-Trustee, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate Trustee or Co-Trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new Trustee or successor to such separate Trustee or Co-Trustee.

Section 9.14 **Disclosure Documents**. The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Bonds.

ARTICLE X

SUPPLEMENTAL INDENTURES

Section 10.1 **Supplemental Indentures Not Requiring Consent of Bondholders.** The Issuer and the Trustee may, with the consent of the Bond Insurer but without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture as shall not be inconsistent with the terms and provisions hereof and in the opinion of the Trustee shall not materially and adversely affect the interest of the Bondholders for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may be lawfully granted to or conferred upon the Bondholders or the Trustee or either of them;
- (c) To subject to the lien and pledge of this Indenture additional revenues, properties or collateral;
- (d) To provide for the issuance of Additional Bonds in conformity with the provisions of Article V of this Indenture and to fix all details with respect thereto or to provide further conditions, limitations or restrictions on the issuance of Additional Bonds;
- (e) To add to the provisions hereof in connection with a Variable Rate Conversion;
- (f) To modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification hereof or thereof under any federal statute hereafter in effect or under any state Blue Sky Law, and, in connection therewith, if they so determine, to add to this Indenture or any indenture supplemental hereto such other terms, conditions and provisions as may be permitted or required by any said federal statute or Blue Sky Law; provided, that any such indenture supplemental hereto referred to in this Section 10.1(e) shall not, in the judgment of the Trustee, which may rely on an opinion of counsel, be to the prejudice of the owners of the Bonds; or
- (g) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders.

Section 10.2 **Supplemental Indentures Requiring Consent of Bondholders.** Anything contained in this Indenture to the contrary notwithstanding, except for indentures supplemental hereto authorized by Section 10.1 of this Indenture and subject to the terms and provisions contained in this Section 10.2, and not otherwise, the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding shall have the right from time to time, with the consent of the Bond Insurer, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be

deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any indenture supplemental hereto; provided, however, that nothing contained in this Section 10.2 shall permit, or be construed as permitting, without the consent of the Bond Insurer and the owners of all the Bonds then outstanding (a) an extension of the stated maturity or scheduled sinking fund redemption or reduction in the principal amount or premium of, or reduction in the rate or extension of the time of payment of interest on, any Bonds, or (b) the creation of any lien on the Trust Estate or any part thereof pledged under this Indenture prior to or on a parity with the lien of this Indenture, or (c) a reduction in the aforesaid aggregate outstanding principal amount of Bonds the owners of which are required to consent to any such indenture supplemental hereto. No such amendment shall modify the rights, duties or immunities of the Trustee without the written consent of the Trustee.

If at any time the Issuer shall request the Trustee to enter into any such supplemental indenture for any of the purposes of this Section 10.2, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such supplemental indenture to be given to the Bondholders in the manner provided in Section 13.8 of this Indenture. Such notice shall briefly set forth the nature of the proposed supplemental indenture and shall state that copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within ninety (90) days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental indenture shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such supplemental indenture as in this Section 10.2 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

Section 10.3 **Filing.** Copies of any supplemental indenture shall be filed with the Trustee and delivered to the Issuer and the Corporation for the Board.

Section 10.4 **Reliance on Counsel.** The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel satisfactory to the Trustee, who may be counsel for the Issuer, as conclusive evidence that any such proposed supplemental indenture complies with the provisions of this Article prior to joining in the execution of such supplemental indenture.

Section 10.5 **Supplement Binding.** Upon the execution of any supplemental indenture pursuant to the provisions of this Article, this Indenture shall be deemed to be supplemented, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Trustee, the Issuer, the Corporation, the Board and the owners of

Bonds then outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modification and amendment.

Section 10.6 **Supplemental Agreement.** The Issuer and the Corporation, with the approval of the Board, the Bond Insurer and the Trustee in certain events, may consent to supplemental loan agreements for the purposes and in the manner provided in Article VIII of the Agreement and the Trustee agrees that it shall take the actions required of it as provided thereunder.

Section 10.7 **Notice to Rating Agencies and Bond Insurer.** No supplemental indenture shall be executed and delivered pursuant to Sections 10.1 or 10.2 hereof without prior written notice having been given by the Trustee, to the Bond Insurer and Standard & Poor's Ratings Group (Attention: Bond Insurance Administration) of the Trustee's intention to execute such supplemental indenture not less than fifteen (15) days in advance of the execution of said supplemental indenture. The Issuer shall also furnish to the Bond Insurer a full transcript of all proceedings relative to the supplemental indenture.

ARTICLE XI

COVENANTS OF ISSUER

Section 11.1 **Payment of Principal, Premium and Interest.** The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, premium, if any, and the interest on every Bond at the places, on the dates and in the manner provided herein and in said Bonds according to the true intent and meaning thereof but solely from the revenues of the Trust Estate and not from any other fund or source. The Issuer further covenants that it will faithfully perform at all times all of its covenants, undertakings and agreements contained in this Indenture, the Agreement or in any Bond executed, authenticated and delivered hereunder or in any proceedings of the Issuer pertaining thereto.

Section 11.2 **Additional Security.** The Issuer covenants, whenever and so often as reasonably required to do so by the Trustee, promptly to execute and deliver or cause to be delivered all such other and further instruments, documents or assurances, and to promptly do or cause to be done all such other further things, as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the owners of the Bonds all rights, interest, powers, benefits, privileges and advantages conferred or intended to be conferred upon them by this Indenture.

Section 11.3 **Cure Title Defects.** The Issuer covenants to promptly, upon the request of the Trustee, from time to time, take or cause to be taken such action as may be necessary or proper to remedy or cure any material defect in or cloud upon the title to the Trust Estate or any part thereof, whether now existing or hereafter developing, and to prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and to indemnify and save the Trustee and every owner of Bonds, solely from the Trust Estate, harmless from all loss, cost, damage and expense, including attorneys' fees, which they or either of them may ever incur by reason of any such defect, cloud, suit, action or proceedings.

Section 11.4 **Defend Against Actions.** The Issuer covenants to defend or cause to be defended every suit, action or proceeding at any time brought against the Trustee or any owner of Bonds upon any claim arising out of the receipt, application or disbursement of any of the revenues of the Trust Estate or involving the Issuer's, the Trustee's or such Bondholders' rights under this Indenture or the Agreement and to indemnify and save harmless, solely from the Trust Estate, the Trustee and Bondholders against any and all liability claimed or asserted by any person whomsoever, arising out of such receipt, application or disbursement of any such revenues; provided, however, that the Trustee or any owner of Bonds at its or his election may appear in and defend against any such suit, action or proceeding; and notwithstanding any contrary provision hereof, this covenant shall continue and remain in full force and effect until all indebtedness, liabilities, obligations and other sums secured hereby have been fully paid and satisfied, and this Indenture has been released of record and the lien hereof discharged.

Section 11.5 **Non-Impairment of Security.** The Issuer covenants that so long as any of the Bonds issued pursuant to this Indenture are outstanding and unpaid, the Issuer will not voluntarily consent to any amendment to the Agreement or otherwise take any action which will reduce the amount of moneys made available thereunder to the Trustee, or which will in any

manner impair or adversely affect the rights of the Issuer or the Trustee or the security provided by this Indenture to the owners from time to time of the Bonds.

Section 11.6 **Issuer's Obligation Limited**. Nothing in the Agreement or this Indenture is intended to require or obligate nor shall anything therein be interpreted to require or obligate the Issuer for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Issuer other than from the Trust Estate.

Any other term or provision in this Indenture or in the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere to the contrary notwithstanding:

(a) Any and all obligations (including without limitation, fees, claims, demands, payments, damages, liabilities, penalties, assessments and the like) of or imposed upon the Issuer or its members, officers, agents, employees, representatives, advisors or assigns, whether under this Indenture or any of the Agreement, the Mortgage, the Tax Regulatory Agreement, the Bond Purchase Agreement, the Bonds or elsewhere and whether arising out of or based upon a claim or claims of tort, contract, misrepresentation, or any other or additional legal theory or theories whatsoever (collectively, the "Obligations"), shall in all events be absolutely limited obligations and liabilities, payable solely out of the following, if any, available at the time the Obligation in question is asserted:

(i) Bond Proceeds and investments therefrom; and

(ii) Payments derived from the Bonds, this Indenture (including the Trust Estate to the extent provided in this Indenture), the Mortgage and the Agreement (except the fees and expenses of the Issuer and the Issuer's right to indemnification under the Agreement as set forth therein);

(the above provisions (i) and (ii) being collectively referred to as the "Exclusive Sources of the Obligations").

(b) The Obligations shall not be deemed to constitute a debt or liability of the State of Louisiana or of any political subdivision thereof within the meaning of any State of Louisiana constitutional provision or statutory limitation and shall not constitute a pledge of the faith and credit of the State of Louisiana or of any political subdivision thereof, including the Issuer, but shall be payable solely from and out of the Exclusive Sources of the Obligations and shall otherwise impose no liability whatsoever, primary or otherwise, upon the State of Louisiana or any political subdivision thereof, including the Issuer, or any charge upon their general credit or taxing power.

(c) In no event shall any member, officer, agent, employee, representative or advisor of the Issuer, or any successor or assign of any such person or entity, be liable, personally or otherwise, for any Obligation.

(d) In no event shall this Indenture be construed as:

- (1) depriving the Issuer of any right or privilege; or
- (2) requiring the Issuer or any member, officer, agent, employee, representative or advisor of the Issuer to take or omit to take, or to permit of suffer the taking of, any action by itself or anyone else; which deprivation or requirement would violate or result in the Issuer's being in violation of the Act or any other applicable state or federal law.

Section 11.7 **Immunity of Officers, Employees and Members of Issuer.** No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Indenture against any past, present or future officer, director, member, employee or agent of the Issuer, and all such liability of any such officers, directors, members, employees, or agents except for criminal or intentional acts as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of such Bonds. No covenant or agreement contained in the Bonds or in this Indenture shall be deemed to be the covenant or agreement of any incorporator, director, or officer of the Issuer past, present or future in his or her individual capacity, and neither members of the Issuer nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability be reason of the issuance thereof. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Indenture against any past, present or future officer, director, member, employee or agent of the Issuer, and all such liability of any such officers, directors, members, employees, or agents as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of such Bonds.

Section 11.8 **Role of Issuer.** The Issuer shall not be required to take any action not expressly provided for herein. The Issuer shall have no obligation to review, control or oversee the activities of Trustee in collecting any amounts payable pursuant to the Agreement, the Indenture or the Mortgage, or in making any payments on the Bonds. Furthermore, the Issuer shall not be obligated to take any action or execute any documents which might in its reasonable judgment involve it in any expense or liability unless it shall have been furnished with assurance of payment or reimbursement for any expense and with reasonable indemnity for liability of the Issuer, its incorporators, directors, officers and counsel.

Section 11.9 **No Additional Pledge.** The Issuer shall grant no security interest or lien of any type in the Payments other than the pledge set forth in Article II hereof and shall issue no debt or obligation that is to be paid from the Payments other than the payment of principal of and interest on the Bonds and the other payments required hereunder. The Issuer shall grant no security interest or lien or encumbrance of any type on the Payments other than the pledge made by Article II hereof.

ARTICLE XII

DEFEASANCE

Section 12.1 **Payment.** When all of the Bonds shall have been paid and discharged, and there shall have been paid all fees and charges of the Trustee due or to become due through the date on which the last of the Bonds is retired, then this Indenture shall cease, terminate and become null and void, and thereupon the Trustee shall release this Indenture including the cancellation and discharge of the lien hereof, and execute and deliver to the Issuer such instruments in writing as shall be requisite to satisfy the lien hereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Issuer any property or interest therein or other rights hereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Issuer, and the Trustee shall assign and deliver to the Issuer any property at the time subject to the lien of this Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by this Indenture and except such cash and investments as are held by the Trustee for the payment of interest and premium, if any, on and retirement of the Bonds.

Notwithstanding the foregoing, the obligation of the Board to pay the fees and expenses of the Trustee in accordance with the terms of this Indenture shall survive the defeasance of the Bonds, the discharge of this Indenture and the termination of the Agreement.

Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policies, or amounts are due to the Bond Insurer under the Reimbursement Agreement, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, and the assignment and pledge of the Trust Estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners.

Section 12.2 **Provision for Payment.** Any Bonds shall be deemed to have been paid and discharged within the meaning of Section 12.1, if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Bonds, at their maturity or redemption date, of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice. Any moneys held in accordance with the provisions of this Section shall be invested only in Defeasance Obligations the maturities or redemption dates and interest payment dates of which, at the option of the owner, shall coincide as nearly as practicable with, but not later than, the time or times at which said moneys will be required for the aforesaid purposes. Any income or

interest earned by the Defeasance Obligations held under this Section shall, as determined by the Trustee or the escrow trustee, to the extent not required for the purposes of this Section, be paid to the Board as overpayment of Payments. No forward supply contract may be entered into in connection with a defeasance without the prior written consent of the Bond Insurer.

Section 12.3 **Certifications**. The Issuer and the Corporation, for the Board, covenant and agree that they will furnish to the Trustee and the Bond Insurer:

Certificates or opinions made by officers of the Issuer and the Corporation required by this Indenture stating that provisions of this Article relating to the satisfaction and discharge of this Indenture have been fulfilled; and

An opinion of Bond Counsel in form and substance satisfactory to the Bond Insurer to the effect that the payment of the Bonds has been provided for in the manner set forth in the Indenture and the Agreement and that all obligations of the Issuer and the Corporation with respect to the Bonds have been discharged and satisfied; and

In the case of an advance refunding, a mathematical verification prepared by a nationally recognized firm of independent certified public accountants (or other verification agent satisfactory to the Bond Insurer) that the Defeasance Obligations are sufficient to pay the principal of, premium, if any, and interest on the Bonds which are defeased.

The proceeds of the Series 2004B Bonds have been loaned to the Corporation pursuant to a Loan Agreement dated as of August 1, 2004, between the Authority and the Corporation (together with all amendments and supplements thereto the "Agreement") for the foregoing purposes. The Series 2004B Bonds are on a parity with the Series 2004A Bonds and the Series 2004C Bonds under the Indenture. All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Insurance Policy

Simultaneously with the delivery of the Series 2004B Bonds, in order to provide the registered Owners of the Series 2004B Bonds additional security, MBIA Insurance Corporation (the "Insurer") will issue and deliver on the date of delivery of the Series 2004B Bonds its unconditional and irrevocable municipal bond insurance policy pursuant to which the Insurer will agree to pay the principal of and interest on the Series 2004B Bonds when due if such principal and interest are not paid from funds available under the Indenture, all as more particularly set forth in the Statement of Insurance attached hereto.

The Series 2004B Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2004B Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority's rights to exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the "Trust Estate." The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2004B Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2004B BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2004B BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2004B BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2004B Bonds remain outstanding, there shall be permitted the exchange of Series 2004B Bonds at the principal corporate trust office of the Trustee. Any Series 2004B Bond or Series 2004B Bonds upon surrender thereof at the principal corporate trust office of the Trustee

{B0292735.1}

with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Series 2004B Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2004B Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2004B Bonds during the fifteen (15) day period next preceding the selection of Series 2004B Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2004B Bonds selected for redemption, or (b) any Series 2004B Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2004B Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Optional Redemption

The Series 2004B Bonds shall be subject to redemption at the option of the Issuer upon the written direction of the Board, as a whole or in part on the first day of any Auction Period if there are sufficient moneys to make such redemption on such date, at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

The Series 2004B Bonds are subject to redemption in part at the option of the Issuer, upon written direction from the Board, on any Interest Payment Date from amounts transferred by the Trustee from the Project Fund to the Principal Account of the Debt Service Fund upon completion of construction of the Facilities in accordance with the Indenture hereof, the Series 2004B Bonds to be redeemed shall be selected by the Trustee in such manner as the Trustee may determine, at a price equal to the principal of the Series 2004B Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

Mandatory Redemption

(i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2004B Bonds shall be redeemed as a whole on the first Interest Payment Date after such purchase, at a price equal to the principal amount of the Series B Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2004B Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2004B Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2004B Bonds is not an Authorized Denomination, the principal amount of Series 2004B Bonds to be

The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2004A Bonds.

2032	\$4,500,000
2033	\$4,675,000
2034	\$4,875,000

If on any occasion less than all of the Series 2004B Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described in the Indenture, then the principal amount of the Series 2004B Bonds so redeemed shall be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above shall be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Unless otherwise specified above, if less than all of the Series 2004B Bonds shall be called for redemption, the maturity of the Series 2004B Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2004B Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2004B Bond shall be called for redemption, a new Series 2004B Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2004B Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2004B Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2004B Bonds then outstanding shall be called for redemption, the numbers of such Series 2004B Bonds to be redeemed and, in the case of Series 2004B Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2004B Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2004B Bond, a new Series 2004B Bond in principal amount equal to the unredeemed portion of such Series 2004B Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance {B0292735.1}

under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to and in the execution and delivery of the Indenture and the issuance of this Series 2004B Bond, do exist, have happened and have been performed in regular and due form as required by law.

The Board of Supervisors for the University of Louisiana System (the "Board"), acting on behalf of the University, has leased the land upon which the Facilities are and will be located on the campus of the University (the "Land") to the Corporation pursuant to a Ground Lease, and will lease the Facilities from the Corporation pursuant to a Facilities Lease.

The Series 2004C Bonds are issued pursuant to the laws of the State, particularly Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 4548.16, inclusive) (the "Act"), and pursuant to a Trust Indenture dated August 1, 2004, between the Authority and the Trustee (together with all amendments and supplements thereto called the "Indenture"), a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, and to which Indenture reference is hereby made for a more complete description of the assigned revenues constituting the Trust Estate, the nature and extent of the security, the terms and conditions under which the Series 2004C Bonds are issued and secured, the terms and conditions under which Additional Bonds may be issued and secured, the rights, duties and immunities of the Trustee and the rights of the registered owners of the Series 2004C Bonds. The registered owner of this Series 2004C Bond shall have no rights to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture, and by acceptance of this Series 2004C Bond, the owner hereof assents to all of the provisions of the Indenture and the Assignment (hereinafter defined). All terms not defined herein shall have the meanings assigned thereto in the Indenture.

The Series 2004C Bonds are on a parity with the Series 2004A Bonds and the Series 2004B Bonds under the indenture.

The Insurance Policy

Simultaneously with the delivery of the Series 2004C Bonds, in order to provide the registered Owners of the Series 2004C Bonds additional security, MBIA Insurance Corporation (the "Insurer") will issue and deliver on the date of delivery of the Series 2004C Bonds its unconditional and irrevocable municipal bond insurance policy pursuant to which the Insurer will agree to pay the principal of and interest on the Series 2004C Bonds when due if such principal and interest are not paid from funds available under the Indenture, all as more particularly set forth in the Statement of Insurance attached hereto.

The Series 2004C Bonds are issuable as fully registered bonds without coupons, in Authorized Denominations, and shall be numbered from No. R-1 upwards. The Series 2004C Bonds are limited and special revenue obligations of the Authority and are payable solely from (i) payments received by the Authority from the Corporation pursuant to the Agreement (except however, the Authority's rights to

{B0292735.1}

exculpation, indemnification and payment of expenses by the Corporation under the Agreement) and (ii) all funds held by the Trustee under the Indenture and available for such payment, said payments and funds being herein referred to as the "Trust Estate." The Agreement, a fully executed counterpart of which is on file in the principal corporate trust office of the Trustee, provides that the Corporation is unconditionally obligated to make payments, but solely from the Payments (as defined in the Agreement) in an aggregate amount sufficient, for the payment in full of the principal and interest of all Series 2004C Bonds issued and outstanding under the Indenture, to the date of payment thereof, and certain costs, expenses and charges of the Authority and the Trustee. The Agreement imposes upon the Corporation certain obligations respecting the use and operation of its Facilities and the maintenance and repair of said Facilities.

THE SERIES 2004C BONDS AND THE INTEREST THEREON ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE. THE SERIES 2004C BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OF LOUISIANA OR OF ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE FUNDS PROVIDED FOR IN THE LOAN AGREEMENT AND THE INDENTURE. THE ISSUANCE OF THE SERIES 2004C BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OF LOUISIANA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION OF THEIR PAYMENT. THE ISSUER HAS NO POWER TO TAX.

As long as any of the Series 2004C Bonds remain outstanding, there shall be permitted the exchange of Series 2004C Bonds at the principal corporate trust office of the Trustee. Any Series 2004C Bond or Series 2004C Bonds upon surrender thereof at the principal corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his legal representative duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of other Bonds in Authorized Denominations.

For every such exchange or transfer of Series 2004C Bonds, the Authority or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be required to register the transfer or exchange of (a) any Series 2004C Bonds during the fifteen (15) day period next preceding the selection of Series 2004C Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2004C Bonds selected for redemption, or (b) any Series 2004C Bonds selected, called or being called for redemption in whole or in part, except in the case of any Series 2004C Bond to be redeemed in part, the portion thereof not so to be redeemed.

REDEMPTION PROVISIONS

Mandatory Redemption

- (i) If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the Facilities Lease, the Series 2004C Bonds shall be redeemed as a whole and shall

{B0292735.1}

be redeemed on the later of (a) August 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2004C Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

(ii) The Series 2004C Bonds shall be redeemed as a whole or in part (in Authorized Denominations) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that any insurance proceeds or proceeds received as a result of Expropriation proceedings with respect to the Facilities will not be applied to the restoration, repair or reconstruction of the Facilities at a price equal to the principal amount of the Series 2004C Bonds so redeemed plus accrued and unpaid interest thereon to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds, or Expropriation proceeds not used for restoration, repair or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2004C Bonds is not an Authorized Denomination, the principal amount of Series 2004C Bonds to be redeemed pursuant to this subsection (b) shall be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, the Series 2004A Bonds.

Unless otherwise specified above, if less than all of the Series 2004C Bonds shall be called for redemption, the maturity of the Series 2004C Bonds to be redeemed shall be designated by the Corporation, on behalf of the Board, and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, however, that the portion of any Series 2004C Bond to be redeemed shall be in the principal amount of an Authorized Denomination. If a portion of any Series 2004C Bond shall be called for redemption, a new Series 2004C Bond in principal amount equal to the unredeemed portion thereof shall be issued to the registered owner upon the surrender thereof.

At least thirty (30) days before the redemption date of any Series 2004C Bonds redeemed other than by mandatory sinking fund redemption, the Trustee shall cause a notice of any such redemption, signed by an authorized officer of the Trustee to be mailed, postage prepaid, to all Bondholders of record owning Series 2004C Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register, but any defect in such mailing of any such notice shall not affect the validity of the proceedings for such redemption. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2004C Bonds then outstanding shall be called for redemption, the numbers of such Series 2004C Bonds to be redeemed and, in the case of Series 2004C Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case any Series 2004C Bond is to be redeemed in part only, the notice of redemption shall state also that on or after the redemption date, upon surrender of such Series 2004C Bond, a new Series 2004C Bond in principal amount equal to the unredeemed portion of such Series 2004C Bond will be issued.

Modifications or alterations of the Indenture or any agreement supplemental thereto or of the Agreement or any agreement supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture and the Agreement. So long as no event of nonperformance under the Agreement has occurred and is continuing, no such supplement shall become effective unless the Corporation, on behalf of the Board, shall have given its prior written approval.

It is hereby certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed, precedent to

and in the execution and delivery of the Indenture and the issuance of this Series 2004C Bond, do exist, have happened and have been performed in regular and due form as required by law.

ARTICLE III

THE AUCTION AGENT; REPRESENTATIONS AND WARRANTIES

Section 3.1. Duties and Responsibilities.

(a) The Auction Agent is acting solely as agent of the Issuer hereunder and owes no duties, fiduciary or otherwise, to any other Person by reason of this Agreement or the Auction Agency Agreement and no implied duties, fiduciary or otherwise, shall be read into this Agreement or the Auction Agency Agreement against the Auction Agent.

(b) The Auction Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Auction Agent.

(c) In the absence of bad faith or negligence on its part, the Auction Agent, whether acting directly or through agents, attorneys, nominees or custodians as provided in Section 3.15(d), shall not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under this Agreement. The Auction Agent shall not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts necessary to make such judgment. In no event shall the Auction Agent be liable for special, indirect or consequential loss or damage of any kind whatsoever.

(d) The Auction Agent shall not be: (i) required to, and does not, make any representations or have any responsibilities as to the validity, accuracy, value or genuineness of any signatures or endorsements, other than its own; (ii) obligated to take any legal action hereunder that might, in its judgment, involve any expense or liability, unless it has been furnished with indemnity satisfactory to the Auction Agent; and (iii) responsible for or liable in any respect on account of the identity, authority or rights of any Person executing or delivering or purporting to execute or deliver any document under this Agreement, the Auction Agency Agreement or any other instrument or agreement executed in connection with the transactions contemplated herein.

Section 3.2. Rights of the Auction Agent.

(a) The Auction Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any communication authorized by this Agreement and upon any written instruction, notice, request, direction, consent, report, certificate, or other instrument, paper or document believed by it to be genuine. The Auction Agent shall not be liable for acting upon any such communication authorized hereby (including but not limited to, any telephone communication or other electronic communication acceptable to the parties) authorized by this Agreement which the Auction Agent believes in good faith to have been given by the Trustee or by a Broker-Dealer or any agent thereof. The Auction Agent may record telephone communications with BD.

(b) The Auction Agent may consult with counsel of its choice, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Auction Agent shall not be required to advance, expend or risk its own funds or otherwise incur or become exposed to financial liability in the performance of its duties hereunder.

(d) The Auction Agent may perform its duties and exercise its rights hereunder either directly or by or through agents, attorneys, nominees or custodians and shall not be responsible for any misconduct or negligence on the part of, or for the supervision of, any agent, attorney, nominee or custodian appointed by it with due care hereunder.

(e) The Auction Agent shall not be responsible or liable for any failure or delay in the performance of its obligations under this Agreement arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; acts of terrorism; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; and acts of civil or military authority or governmental actions; it being understood that the Auction Agent shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(f) The Auction Agent shall have no obligation to monitor or liability in respect of the registration or exemption therefrom of the Series 2004B (or any beneficial ownership interest

therein) under any federal or state securities laws or in respect of any transfer of the Series 2004B (or any beneficial ownership interest therein) pursuant to the terms of this Agreement, any Broker-Dealer Agreement or any other document contemplated by any thereof, including, but not limited to, compliance with any such laws in regards to any such registration, exemption or transfer or in respect of any of the DTC's procedures applicable to transactions between itself and its agent members or others.

Section 3.3. The Auction Agent's Disclaimer.

The Auction Agent makes no representation as to and assumes no responsibility for the correctness of the recitals in, or the validity, accuracy or adequacy of, this Agreement, the Auction Agency Agreement, the Series 2004B, any offering document used to make offers or sales thereof or any other agreement or instrument executed in connection with the transactions contemplated herein with respect to the other parties hereto or thereto.

Section 3.4. Representations and Warranties of BD.

BD represents and warrants to the Auction Agent that:

(a) This Agreement has been duly and validly authorized, executed and delivered by BD and, assuming due authorization, execution and delivery by the Auction Agent, constitutes the legal, valid and binding obligation of BD, enforceable in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other laws relating to or affecting creditors' rights generally and by general equity principles;

(b) The execution, delivery and performance of this Agreement by BD do not and will not conflict with, or result in a violation of, the terms, conditions or provisions of, or constitute a default under any law, decree, order, rule or regulation of any court or governmental agency having jurisdiction over the Trustee, or any agreement, indenture, instrument, mortgage or undertaking to which BD is a party or by which it is bound; and

(c) All approvals, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction over BD which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by BD of its obligations under this Agreement have been obtained.

Pursuant to the Broker-Dealer Agreements, the Broker-Dealers have agreed to provide to the Auction Agent prior to the execution of this Agreement the names and addresses of the Persons who are to be initially listed on the Existing Owner Registry as constituting the initial Existing Owners of the Series 2004B for purposes of dealing with the Auction Agent in connection with an Auction. The Auction Agent may rely conclusively upon, as evidence of the identities of the Existing Owners, such list, the results of each Auction and notices from any Existing Owner, Participant of any Existing Owner or Broker-Dealer of any Existing Owner as described in Section 2.2(c)(iii) hereof.

(ii) The Trustee shall notify the Auction Agent in writing when any notice of redemption or Conversion of the Series 2004B is sent to the Securities Depository as the owner of

the Series 2004B not later than 11:00 a.m. on the date such notice is sent. Such notice with respect to a redemption shall be substantially in the form of Notice of Bonds Outstanding. In the event the Auction Agent receives from the Trustee written notice of any partial redemption of Series 2004B, the Auction Agent shall, at least two Business Days prior to the next Auction, request each Participant to disclose to the Auction Agent (upon selection by such Participant of the Existing Owners whose Series 2004B are to be redeemed) the aggregate principal amount of such Series 2004B of each such Existing Owner, if any, which are to be redeemed; provided the Auction Agent has been furnished with the name and telephone number of a person or department at such Participant from which it is to request such information. Upon any refusal of an agent member of a Participant to release such information, the Auction Agent may continue to treat such Existing Owner as the beneficial owner of the principal amount of Series 2004B shown on the Existing Owner Registry.

(iii) The Auction Agent shall be required to register in the Existing Owner Registry a transfer of Series 2004B from an Existing Owner to another Person only if (A) such transfer is made to a Person through a Broker-Dealer and if (B)(i) such transfer is pursuant to an Auction or (ii) the Auction Agent has been notified in writing (1) in a notice substantially in the form of a Notice of Transfer by such Existing Owner, the Participant of such Existing Owner or the Broker-Dealer of such Existing Owner of such transfer or (2) in a notice substantially in the form of a Notice of Failure to Deliver or Make Payment by the Broker-Dealer of any Person that purchased or sold Series 2004B in an Auction of the failure of such Series 2004B to be transferred as a result of the Auction. The Auction Agent is not required to accept any Notice of Transfer or Notice of Failure to Deliver or Make Payment delivered prior to an Auction unless it is received by the Auction Agent by 3:00 p.m. on the Business Day next preceding the applicable Auction Date.

(d) The Auction Agent may request that the Broker-Dealers, as set forth in the Broker-Dealer Agreements, provide the Auction Agent the aggregate principal amount of Series 2004B held by such Broker-Dealers for purposes of the Existing Owner Registry. Except as permitted by Section 2.10 hereof, the Auction Agent shall keep confidential any such information and shall not disclose any such information so provided to any Person other than the relevant Broker-Dealer, the Issuer and the Trustee, provided that the Auction Agent reserves the right to disclose any such information if (i) it is ordered to do so by a court of competent jurisdiction or a regulatory body, judicial or quasi judicial agency or authority having the authority to compel such disclosure, (ii) it is advised by counsel that its failure to do so would be unlawful or (iii) failure to do so would expose the Auction Agent to liability, loss, claim or damage for which the Auction Agent has not received indemnity satisfactory to it.

(e) The Auction Agent shall send by telecopy or other means a copy of any Notice of Bonds Outstanding received from the Trustee to each Broker-Dealer in accordance with Section 4.3 of the applicable Broker-Dealer Agreement.

Section 2.3 All-Hold Rate and Maximum Auction Rate.

- (C) the Auction Rate for the deemed Auction to be in effect for the next succeeding Auction Period shall be equal to the Auction Rate for the preceding Auction Period; and
- (D) the succeeding Auction Period shall begin on the calendar day following the scheduled Auction Date; provided, however, in the event that any succeeding Auction is not held for any reason, then the rate of interest on the Series 2004B for the succeeding Auction Periods shall be the Maximum Auction Rate until an Auction can be held.

(ii) If the ownership of the Series 2004B is no longer maintained in book-entry form by the Securities Depository, the Auction Rate on the Series 2004B shall be the Maximum Auction Rate commencing on the date that the book entry-only system for the Series 2004B is discontinued.

(iii) If a Payment Default shall have occurred, the Trustee shall forthwith notify the Auction Agent in writing and upon receipt of such notice by the Auction Agent, the Auction Procedures shall be suspended. The rate of interest on the Series 2004B shall be the Non-Payment Rate on the Auction Date for (A) each subsequent Auction Period commencing after such occurrence and during the continuance of such a Payment Default, and (B) any subsequent Auction Period commencing less than two Business Days after the cure or waiver of any Payment Default in accordance with the Indenture. The Auction Rate on the Series 2004B for each Interest Accrual Period commencing at least two Business Days after any waiver or cure of a Payment Default shall be determined through implementation of the Auction Procedures.

(iv) If a proposed Fixed Rate Conversion under Section 3.21 of the Indenture or a proposed Variable Rate Conversion under Section 3.22 of the Indenture under the circumstances described in Section 4(A) (iii) – (v) of the Notice of Variable Rate Conversion attached as Exhibit L to the Indenture shall have failed, then the rate of interest for the Series 2004B shall be the Maximum Auction Rate as of the failed Conversion Date for the Interest Accrual Period commencing on such date, and the Auction Agent shall provide written notice thereof, by delivery or telecopy or similar means, to the Trustee no later than 12:00 noon on the Business Day immediately following such failed Fixed Rate Conversion Date or Variable Rate Conversion Date.

(v) If a Conversion of the Series 2004B has been effected, as provided in the Indenture, no further Auctions for such Series 2004B shall be held.

REQUIREMENTS FOR LIQUIDITY FACILITY AND LIQUIDITY FACILITY PROVIDER

(a) Bank Approval; Rating. The issuer of the Liquidity Facility (the "Bank ") must be approved by the Bond Insurer and must qualify for the highest short-term credit rating from S&P and Moody's.

(b) Term and Termination. The Liquidity Facility must be unconditional and irrevocable for its stated term. Termination of the Liquidity Facility prior to its stated expiration date, without notice to bondholders and provision for final tender, is acceptable only for the following reasons:

(i) Failure by the Bond Insurer to pay amounts due under the insurance policy related to the Series 2004 Variable Rate Bonds (the "Policy")

(ii) Insolvency of the Bond Insurer.

(iii) Final non-appealable decision of a court of competent jurisdiction that the Policy is invalid.

(c) Termination of the Liquidity Facility with 30 day's notice is only permitted for non-payment of regularly scheduled commitment fees. The Bond Insurer requires immediate telephonic notice with subsequent written confirmation to its Insured Portfolio Department Manager of any non-payment of regularly scheduled commitment fees.

(d) Bond Insurer Downgrading. The Liquidity Facility may not terminate or suspend for a downgrading of the Bond Insurer's claims paying rating by S&P or Moody's. However, the Indenture may provide that the Bond Insurer may be replaced upon its downgrading below the second highest rating by S&P and Moody's.

(e) Replacement of Liquidity. Replacement of the Bank must be allowed upon any short-term downgrading of the Bank below the top two highest short term ratings by either S&P or Moody ' s or upon any request by the Bank for the payment of increased costs to the Bank to compensate the Bank for increased costs of providing the Liquidity Facility (discussed below).

(f) Liquidity Obligation. The Liquidity Facility must provide for a Commitment Period of at least 364 days. The Commitment Period must be renewable at least 6 months prior to its scheduled expiration date. At the end of such period, there must be a Holding Period during which bonds owned by the Bank will be subject to amortization on an insured basis. The Holding Period must be for a minimum of five years after the expiration of the Commitment

Period. The Liquidity Facility must provide for (i) the purchase of unremarketed bonds on any optional tender date and (ii) the purchase of bonds on any mandatory tender date, including mandatory tenders precipitated by expiration of the Liquidity Facility, conversion to a fixed interest rate or interest rate mode change. The Liquidity Facility commitment must be in an amount equal to the outstanding principal amount of the applicable bonds, plus interest at the fixed maximum bond rate for a specified number of days determined by the structure of the specific financing, unless tenders may only be made on interest payment date.

(g) **Conversion of Bonds To A Fixed Rate or Auction Rate.** Bonds may only be converted to a fixed interest rate mode or auction rate mode upon prior written consent of the Bond Insurer. Such fixed rate Bonds or auction rate bonds, as the case may be, shall bear an interest rate or have an interest rate cap not to exceed the cap rate on the variable rate bonds prior to the conversion.

(h) **Liquidity Rate.** The Bank must negotiate its rate of interest charged for funds provided by it under its Liquidity Facility with the bond obligor; provided, however, that such interest rate must be approved by the Bonds Insurer and should not exceed such Bank's prime rate of interest and, provided further, that the negotiated Bank interest rate must be subject to a fixed rate interest cap (the " Bank Cap"), to be approved by the Bond Insurer.

(i) **Bond Insurer's Obligation.** The Bond Insurer guarantees to the Bank payment of principal and interest on the bonds, while bonds are held by the Bank, at a rate of interest not to exceed the Bank Cap. The Bond Insurer may also provide a program fee surety bond insuring payment of annual commitment fees under the Liquidity Facility. The Bond Insurer requires immediate telephonic notice with subsequent written confirmation to its Insured Portfolio Department Manager of any non-payment of regularly scheduled commitment fees.

(j) **Interest Recapture.** As noted above, a Liquidity Facility should be priced to reflect the rate risk created by the fixed interest maximum rate cap over the term of the facility with no recapture alternatives. However, where a Bank Cap is so low as to generate unacceptable rate risk, limited interest recapture can be provided only as follows:

With regard to bonds held by a Bank, excess interest accrued above the Bank Cap on the bonds may be recaptured for future interest rate periods, but only to the extent the Bank is the owner of the bonds during such future interest rate periods. If the negotiated interest rate charged by the Bank drops below the Bank Cap, the Bank may recapture the difference between the negotiated liquidity rate (the " Bank Rate ") and the Bank Cap, to the extent such rate differential is applied to bonds then held by the Bank. Accrued recapture interest amounts must be extinguished upon: (i) the termination of the Liquidity Facility; (ii) conversion

of the bonds to a fixed interest rate; (iii) payment or prepayment of the obligor's loan in total; or (iv) payment or defeasance of the bonds.

(k) Acceleration. Under no circumstances will MBIA permit acceleration of any of its insured obligations.

(l) Remarketing. The Liquidity Facility must provide that bonds purchased under it will be tendered to the Remarketing Agent upon demand, subject to payment to the Bank of principal and accrued interest at the Bank Rate. If the Bank desires the right to retain bonds, adequate notice to the Remarketing Agent must be provided and bonds so retained would no longer bear interest at the Bank Rate. The Remarketing Agent must have trust powers if they are responsible for holding monies or receiving bonds. Alternately, the documents may provide that if the Remarketing Agent is removed, resigns or is unable to perform its duties, the trustee must assume the responsibilities of remarketing agent until a substitute acceptable to the Bond Insurer is found. The trustee must be a commercial bank with trust powers and be approved by the Bond Insurer.

(m) Enforceability Opinion. The Bank must deliver an opinion of outside counsel that the Liquidity Facility is the legally valid, binding and enforceable obligation of such Bank, subject only to standard bankruptcy exceptions. If the Bank is a U. S. branch of a foreign bank, an opinion of foreign counsel must be delivered.

(n) Yield Equivalency Provisions. In limited circumstances, Liquidity Facilities may include a provision for an additional fee to provide a yield equivalency to the Bank. Such provisions must be limited to a change in law, regulation or interpretation; Banks must price their facilities on the basis of all costs or potential costs that may arise under existing laws and regulations. No yield equivalency increase will be permitted for loss of tax deductible interest on the bonds or the interest carrying deduction for tax-exempt obligations. As noted above, the Liquidity Facility must allow for replacement upon imposition of any such yield equivalency fee.

(o) Beneficiary. The Bond Insurer must be made an explicit third-party beneficiary of the Liquidity Facility; or, at the option of the Bank, be a party to the Liquidity Facility.

(p) Amendments. The Liquidity Facility should provide that no amendments may be made thereto without the prior written consent of the Bond Insurer.

(q) No Set-Off. No set-off allowed as long as the Bond Insurer is not in default under the Policy.

(r) Reimbursement Agreement. The Bond Insurer will require a Reimbursement Agreement with the borrower to reimburse the Bond Insurer for any amounts expended due to a default in payment of the Bonds.

(b) That the Issuer, the Bond Insurer, the Trustee and their agents shall have the right to inspect the Facilities at any reasonable time in a manner which will not interfere unreasonably with the Corporation's use thereof; however, any right of access to any portion of the Facilities leased to the students, faculty, staff and Permitted

Sublessees, as defined in the Facilities Lease, shall be subject to their rights pursuant to their rental agreements and University policy;

(c) That no construction undertakings, including the demolition of certain existing facilities and the renovation, development and construction of the Facilities, shall be commenced until the Corporation shall have first procured, so far as the same may be required from time to time, all necessary approvals and authorizations from municipal departments and governmental subdivisions having jurisdiction, and all construction undertakings shall be made and effected promptly and in a good and workmanlike manner and in full compliance with the Ground Lease, all applicable permits, authorizations and laws and in accordance with all such requirements as insurers of the Properties, and all components thereof, may reasonably establish;

(d) That it shall cause the Board to pay, as Additional Rental under the Facilities Leases, as the same respectively become due, all taxes and assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Facilities. The Corporation shall not allow any part of the Facilities to become and remain subjected to any mechanics', laborer's or materialmen's liens of record. Notwithstanding the foregoing, the Corporation may, at its own expense and in its own name, contest any such item of tax, assessment, liens or other governmental charge and, in the event of such contest, may permit the item so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Issuer or the Trustee shall notify the Corporation that, in the opinion of nationally recognized bond counsel by nonpayment of any such items the security afforded the Bonds pursuant to the terms of the Indenture or this Agreement will be materially endangered, in which event such taxes, assessments or charges shall be paid forthwith. The Issuer will cooperate to the extent reasonably necessary with the Corporation in any such claim, defense or contest. In the event the Corporation fails to do so, the Issuer or the Trustee may, but shall be under no obligation to, pay any such item and any amounts so advanced therefor by the Issuer or the Trustee shall become an additional obligation of the Corporation to the one making the advancement, which amount the Corporation agrees to pay together with interest thereon at the rate of the Trustee's prime lending rate, but solely from Base Rental;

(e) That it shall comply promptly with all material provisions of present and future laws, ordinances, orders, rules, regulations and requirements of every duly constituted governmental authority or agency and all material orders, rules and regulations of any regulatory, licensing, insurance underwriting or rating organization or other body exercising similar functions. The Corporation shall likewise perform and comply with all duties and obligations of any kind imposed by law, covenant, condition, agreement or easement and the requirements of all policies of insurance at any time in force with respect to the Facilities;

(f) That it shall not use or allow the Facilities to be used or occupied for any unlawful purpose or in violation of any private covenant, restriction, condition, easement or agreement covering or affecting the use of the Facilities. The Corporation likewise

shall not suffer any act to be done or any condition to exist in the Facilities or any article to be brought therein or thereon which may be dangerous, unless safeguarded as required by law, or which, under law, constitutes a nuisance, public or private, or which may make void or voidable any insurance then in force with respect thereto;

(g) That it shall provide or cause to be provided all equipment, furnishings, supplies, facilities, services and personnel required for the proper demolition of certain existing facilities and the renovation, development and construction of the Facilities in an economical and efficient manner, consistent with standards of operation and administration generally acceptable for facilities of comparable size and scope of operations; and

(h) That it shall take all action, if any, that may be required to obtain such consents, exceptions, exemptions or approvals of governmental authorities as may be necessary to permit it to comply fully with all covenants, stipulations, obligations and agreements of the Corporation contained in this Agreement.

(i) The Corporation agrees that, if Capstone On-Campus Management, L.L.C. shall cease to serve as Manager, the Corporation, with the consent of the Bond Insurer (which consent shall not be unreasonably withheld), will promptly employ and at all times thereafter employ as the Manager either the University or a recognized manager of student housing facilities that then manages, and shall have for the past five (5) years managed, at least five thousand (5,000) beds of student housing. If the Corporation requests the Bond Insurer's consent to employ the University as Manager, the Corporation and/or the University shall provide the Bond Insurer with information detailing the University's plan for managing the Facilities. The Corporation agrees that the Manager shall be replaced at the Bond Insurer's request if the Debt Service Coverage Ratio for the Facilities is less than 1:10:1.0 for two consecutive Fiscal Years. Prior to the entering into a contract with any successor Manager, the Corporation shall first deliver to the Trustee and the Bond Insurer an opinion of Bond Counsel to the effect that the terms of the proposed Management Agreement will not cause interest on the Series 2004A Bonds, the Series 2004B Bonds or any Additional Bonds that are Tax Exempt Bonds to be includable in gross income of the beneficial owners thereof for Federal income tax purposes.

Section 6.03 **Covenant as to Encumbrances.** The Corporation covenants that, so long as any of the Bonds remain outstanding, it shall not hereafter create or suffer to be created any assignment, pledge, mortgage, hypothecation or lien on the Facilities, its interest in the Facilities Lease or any Base Rental under any circumstances, except for Permitted Encumbrances.

Section 6.04 **Covenants, Representations and Warranties Relating to Federal Income Taxation.** The Corporation covenants that it shall make such use of the proceeds of the Bonds, regulate investment of proceeds thereof and take such other and further actions as may be required by the Code and applicable temporary, proposed and final regulations and procedures, necessary to assure that interest on the Series 2004A Bonds and Series 2004B Bonds is excludable from gross income for federal income tax purposes. Without limiting the generality

of the foregoing covenant, the Corporation hereby covenants, represents and warrants, as follows:

(a) The Corporation will not take, fail to take or permit the commission of any action within its control necessary to be taken in order that interest on the Series 2004A Bonds and Series 2004B Bonds will continue to be excludable from gross income for federal income tax purposes;

(b) The Corporation will preserve its status as an organization described in Section 501(c)(3) of the Code or corresponding provisions of prior law and to not be determined to be a private foundation as defined in Section 509 of said Code; the Corporation shall not perform any act or enter into any agreement which shall adversely affect its ability to obtain such federal income tax status; the Corporation shall not perform any act, enter into any agreement or use or permit any property of the Corporation to be used in any manner (including any unrelated trade or business) which could adversely affect the exclusion from gross income of interest on the Series 2004A Bonds or Series 2004B Bonds for federal income tax purposes pursuant to Section 103 of the Code; the Corporation shall not carry on or permit to be carried on in any property of the Corporation or permit any property of the Corporation to be used in or for any trade or business to the extent that such use of such property would adversely affect the exclusion from gross income of interest on the Series 2004A Bonds and Series 2004B Bonds for federal income tax purposes; and the Corporation is duly organized and existing as a nonprofit corporation under the laws of the State of Louisiana and it will maintain, extend and renew its corporate existence under the laws of the State of Louisiana and will not do, suffer or permit any act or thing to be done whereby its right to transact its functions might or could be terminated or its activities restricted;

(c) The Corporation will assist the Issuer in preparing Form 8038G to be filed pursuant to Section 149(e) of the Code.

(d) The average term of the Series 2004A Bonds and Series 2004B Bonds, calculated in proportion to the "issue price" (as defined in Section 1273 of the Code) of the bonds of each stated maturity of such Series 2004A Bonds and Series 2004B Bonds, will not exceed 120% of the average reasonably expected economic life of the Facilities financed with the proceeds of the Series 2004A Bonds and Series 2004B Bonds or the investment earnings thereon, weighted in proportion to the respective cost of each item comprising the Facilities financed with the proceeds of such Series 2004A Bonds and Series 2004B Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the date on which the Series 2004A Bonds and Series 2004B Bonds are issued or (ii) the date on which such property is placed in service (or expected to be placed in service);

(e) The Corporation will not cause the Series 2004A Bonds or Series 2004B Bonds to be treated as "federally guaranteed" obligations within the

meaning of Section 149(b) of the Code (as may be modified in any applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service with respect to "federally guaranteed" obligations described in Section 149(b) of the Code);

(f) Based upon all facts and estimates now known or reasonably expected to be in existence on the date the Series 2004A Bonds and Series 2004B Bonds are delivered, the Corporation reasonably expects that the proceeds of the Bonds will not be used in a manner that would cause the Series 2004A Bonds or Series 2004B Bonds or any portion thereof to be an "arbitrage bond" within the meaning of Section 148 of the Code;

(g) As provided in Article V hereof, the Corporation will monitor the yield on the investment of the proceeds of the Series 2004A Bonds and Series 2004B Bonds and moneys pledged to the repayment of the Series 2004A Bonds or Series 2004B Bonds, other than amounts not subject to yield restriction and will restrict the yield on such investments to the extent required by the Code;

(h) The Corporation (or any "related person," within the meaning of the Code) shall not, pursuant to an arrangement, formal or informal, purchase the Bonds in an amount related to the principal amounts advanced to the Corporation pursuant to this Agreement; and

(i) The Corporation agrees to comply with all the terms and provisions of the Tax Regulatory Agreement executed in connection with the issuance and sale of the Series 2004A Bonds and Series 2004B Bonds, and to perform the covenants and duties imposed on it contained therein.

All officers, employees and agents of the Corporation are authorized and directed to provide certifications of facts and estimates that are material to the reasonable expectations of the Corporation as of the date the Series 2004A Bonds and Series 2004B Bonds are delivered. In complying with the foregoing covenants, the Corporation may rely from time to time upon an opinion issued by Bond Counsel to the effect that any action by the Corporation or reliance upon any interpretation of the Code contained in such opinion will not cause interest on the Series 2004A Bonds and Series 2004B Bonds to be includable in gross income for federal income tax purposes under existing law.

Section 6.05 **Information.** The Corporation agrees, whenever reasonably requested by the Issuer, the Bond Insurer or the Trustee, to provide and certify or cause to be provided and certified such information concerning the Properties, the Facilities, the Corporation, its finances, and other topics as the Issuer, the Bond Insurer or Trustee, as the case may be, considers necessary to enable counsel to the Issuer, the Bond Insurer or the Trustee, as the case may be, to issue its opinions and otherwise advise the Issuer, the Bond Insurer or the Trustee, as the case may be, as to the transaction or the legal capacity of the parties to enter into the same, or to enable it to make any reports required by law, governmental regulation or the Indenture. When

any such information is provided by the Corporation pursuant to this Section 6.05 the Corporation shall provide such information to the Issuer, the Bond Insurer and the Trustee. The Bond Insurer shall have the right to inspect and make copies of all books and records of the Corporation, the Trustee and the Issuer.

Section 6.06 **Source of Payments**. The Corporation agrees to pay or cause to be paid the payments required by this Agreement solely from the Base Rental in the manner and at the times provided by this Agreement.

Section 6.07 **Insurance**. The Corporation shall or it shall cause the Board to maintain insurance covering such risks and in such amounts as is required by Section 9 of the Facilities Lease, the provisions of which are incorporated herein by reference.

Insurance proceeds and condemnation awards shall be applied in accordance with the Indenture and the Corporation shall be obligated to repair or restore the Facilities upon a casualty or an Expropriation to the extent provided therein.

Section 6.08 **Annual Reports**. Annually, within one hundred eighty (180) days from the end of each Fiscal Year, the Corporation will have made a complete audit of its records and accounts by an independent certified public accountant. A signed counterpart of its audited financial statements shall be furnished to the Issuer, the Bond Insurer and the Trustee, and a copy thereof shall be furnished by the Corporation to any Bondholder who requests the same in writing.

Any independent accountant which audits and reports on the Corporation's financial statements or provides any certificate, report or opinion under the Indenture, this Agreement or the Mortgage shall be (i) a nationally recognized firm of independent certified public accountants or (ii) shall otherwise be acceptable to the Bond Insurer.

Section 6.09 **Merger or Consolidation**. The Corporation shall not merge into, or consolidate with, one or more corporations, or allow one or more of such corporations to merge into it, or sell or convey all or substantially all of its assets to any person or entity or acquire all or substantially all of the assets of any person or entity (any such merger, consolidation, sale, conveyance or acquisition being referred to as a "Merger"), unless it has obtained the prior written consent of the Bond Insurer and:

(a) Any successor corporation to the Corporation (including, without limitation, any purchaser of all or substantially all the Properties of the Corporation (the "Successor Corporation") is a 501(c)(3) corporation organized and existing under the laws of the United States of America or a state thereof and shall execute and deliver to the Trustee an appropriate instrument, satisfactory to the Bond Insurer, the Issuer and the Trustee, containing the agreement of such successor corporation to assume, jointly and severally and in solido, the due and punctual payment of the principal of, premium, if any, and interest on all obligations of the Corporation (including, without limitation, the Bonds) according to their tenor and the due and punctual performance and observance of all the covenants and conditions of the Indenture, this Agreement and the

Mortgage to be kept and performed by the Corporation, accompanied by an opinion of counsel as to the validity and enforceability of such assumption (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Bond Insurer, the Issuer and the Trustee);

(b) Immediately after such Merger, there would not be a default in the performance or observance of any covenant or condition of the Indenture, this Agreement, the Ground Lease, the Facilities Lease and the Mortgage; and

(c) There shall be delivered to the Bond Insurer, the Issuer and the Trustee an opinion of Bond Counsel (which counsel and opinion, including without limitation the scope, form, substance and other aspects thereof, are acceptable to the Bond Insurer and the Trustee) to the effect that under existing laws the consummation of such Merger, whether or not contemplated on the original date of delivery of the Series 2004A Bonds and Series 2004B Bonds, would not adversely affect the validity of the Series 2004 Bonds or the exclusion otherwise available from gross income of interest on the Series 2004A Bonds and Series 2004B Bonds for federal or state income tax purposes.

In case of any such Merger and upon any such assumption by the Successor Corporation, the Successor Corporation shall succeed to and be substituted for its predecessor, with the same effect as if it had been named in the Indenture, this Agreement or the Mortgage as the Corporation.

Section 6.10 **Disposition of Assets.** The Corporation covenants that, so long as any of the Bonds remain outstanding, it shall not hereafter alienate its interest in the Facilities, the Ground Lease or the Facilities Lease or enter into any termination of, or amendment to, the Facilities Lease or the Ground Lease without the prior written consent of the Bond Insurer.

Section 6.11 **Debt Service Coverage Ratios.** The Corporation shall or it shall cause the Board to maintain a Debt Service Coverage Ratio for the Facilities as provided in Section 3 (h) of the Facilities Lease, the provisions of which, including the applicable cure and default provisions, are incorporated herein by reference.

Section 6.12 **Bond Hedges.** Other than the Auction Rate Bonds, the Bonds shall bear interest at a fixed rate and neither the Issuer nor the Corporation shall enter into any swap agreements, payment exchange agreements, forward purchase agreements or any other agreement providing for payments between parties based on levels of or changes in interest rates including, without limitation, interest rate floors or caps, options, puts or calls, which allow the Corporation to manage or hedge payment, rate, spread or similar risk with respect to any Bonds without the prior written consent of the Bond Insurer.

ARTICLE VII ASSIGNMENT

Section 7.01 **Assignment of this Agreement.** With the consent of the Bond Insurer, the rights of the Corporation under this Agreement may be assigned as a whole or in part but no such assignment shall constitute a release of the Corporation from its obligations hereunder.

Each transferee of the Corporation's interest in this Agreement shall assume the obligations of the Corporation hereunder to the extent of the interest assigned, sold or leased, and the Corporation shall, not more than sixty (60) nor less than thirty (30) days prior to the effective date of any such assignment or lease, furnish or cause to be furnished to the Issuer, the Bond Insurer and the Trustee a true and complete copy of each such assignment or lease.

Section 7.02 **Restrictions on Transfer of Issuer's Rights.** The Issuer agrees that, except for the assignment of certain of its rights, title and interest under this Agreement (including its rights to receive payments to be made hereunder) to the Trustee pursuant to the Indenture, it will not during the term of this Agreement sell, assign, transfer or convey its interests in this Agreement except pursuant to the Indenture and as hereinafter in Section 7.03 provided.

Section 7.03 **Assignment by the Issuer.** It is understood, agreed and acknowledged that the Issuer will assign to the Trustee pursuant to the Indenture certain of its rights, title and interests in and to this Agreement (reserving its rights, however, pursuant to sections of this Agreement providing that notices, reports and other statements be given to the Issuer and also reserving its rights to reimbursement and payment of costs and expenses under Sections 4.02 and 9.05 hereof, its rights to indemnification under Section 6.01(g) hereof and its individual and corporate rights to exemption from liability under Section 10.12 hereof), and the Corporation hereby assents to such assignment and pledge.

**ARTICLE VIII
SUPPLEMENTS AND AMENDMENTS**

Section 8.01 **Amendment to Agreement Without Consent**. The Issuer and the Corporation, with the consent of the Bond Insurer but without the consent of the owners of any of the Bonds outstanding under the Indenture, may enter into supplements to this Agreement which shall not be inconsistent with the terms and provisions hereof for any of the purposes heretofore specifically authorized in this Agreement or the Indenture, and in addition thereto for the following purposes:

- (a) To cure any ambiguity or formal defect, inconsistency or omission in this Agreement or to clarify matters or questions arising hereunder;
- (b) To add covenants and agreements for the purpose of further securing the obligations of the Corporation hereunder;
- (c) To confirm as further assurance any mortgage or pledge of additional property, revenues, securities or funds;
- (d) To conform the provisions of this Agreement in connection with the provisions of any supplements or amendments to the Indenture entered into pursuant to the provisions of Section 10.1 thereof;
- (e) To provide any other modifications which, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or
- (f) to conform the covenants and provisions of the Corporation contained herein to any different financial statement presentation required by the Financial Accounting Standard Board which is different than the presentation required as of the date of issuance of the Bonds, so long as the effect of such conformed covenants and provisions is substantially identical to the effect of the covenants and provisions as in effect on the date of issuance of the Bonds.

Section 8.02 **Amendment to Agreement Upon Approval of a Majority of Bondholders**. The provisions of this Agreement may be amended in any particular with the written consent of the Bond Insurer and the owners of not less than a majority of the aggregate principal amount of Bonds then Outstanding; provided, however, that no such amendment may be adopted which decreases the percentage of owners of Bonds required to approve an amendment, or which permits a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

If at any time the Issuer and the Corporation shall request the Trustee to consent to a proposed amendment for any of the purposes of this Section 8.02, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such proposed amendment to be given in the manner required by the Indenture to redeem Bonds. Such notice shall briefly set forth the nature of the proposed amendment and shall state that

copies thereof are on file at the principal corporate trust office of the Trustee for inspection by all Bondholders. If, within ninety (90) days or such longer period as shall be prescribed by the Issuer, as advised by the Corporation, following such notice, the owners of not less than a majority in aggregate principal amount of the Bonds outstanding at the time of the execution of any such proposed amendment shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee, the Corporation or the Issuer from executing or approving the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such proposed amendment as in this Section permitted and provided, this Agreement shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03 Amendments to Facilities Lease or the Ground Lease Not Requiring Owner Consent. Subject to the terms and provisions of Section 8.05 and 8.07 of this Agreement, with the written consent of the Bond Insurer, the Facilities Lease or the Ground Lease may be amended or modified in any manner not inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes: (1) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease which does not have an adverse effect upon the interest of the Owners; (2) to grant to or confer upon the Issuer or the Trustee, for the benefit of the Owners, any additional rights, remedies, powers or authorities that lawfully may be granted to or conferred upon the Issuer or the Trustee; (3) to more clearly identify the Facilities or to add to or subtract from the Facilities any property; (4) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Bonds for federal income tax purposes; (5) to make any amendment or modification required as a condition to obtaining any rating by Moody's or S&P with respect to the Bonds; (6) to make any amendment or modification required as a condition to the issuance of the Bond Insurance Policy; and (7) to amend or modify the Facilities Lease or the Ground Lease in any other manner that, in the judgment of the Trustee, is not materially adverse to the interests of the owners of the Bonds, the Bond Insurer or the Trustee and which does not involve a change described in Section 8.05 hereof.

Section 8.04 Amendments to the Facilities Lease or the Ground Lease Requiring Owner Consent. Exclusive of amendments and modifications covered by Section 8.03 hereof, the Facilities Lease or the Ground Lease may be amended or modified only as provided in Section 8.04 and 8.05 of this Agreement. Subject to the terms and provisions contained in Section 8.05 of this Agreement, the Bond Insurer, the Issuer and the owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Agreement to the contrary notwithstanding, to consent to and approve the amendment or modification of the Facilities Lease or the Ground Lease. If at any time there is a proposed amendment or modification to the Facilities Lease or the Ground Lease, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of the proposed execution of such modification or amendment to be mailed to the Bond Insurer and to each of the owners of the Bonds at the address indicated on the registration books of the Trustee. Such notice shall briefly set forth the nature of the proposed amendment or modification and shall state that copies thereof are on file at the principal office of the Trustee for inspection by all Bond owners. If, within sixty (60) days, or such longer period as shall be

prescribed by the Issuer, as advised by the Corporation, following the mailing of such notice, the owners of the requisite percentage in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such amendment or modification shall have consented to and approved the execution thereof as herein provided, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof; or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions hereof.

Section 8.05 **Consent Required Under Certain Circumstances for Amendment of Facilities Lease or Ground Lease.** Nothing contained in Sections 8.03 and 8.04 of this Agreement shall permit, or be construed as permitting, without the approval and consent of the Bond Insurer and all of the owners of the Bonds, (1) a reduction in the amount of, or the extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policy; or (2) the termination of the Facilities Lease or the Ground Lease prior to the expiration of their stated term.

Section 8.06 **Opinion Required for Amendment of Facilities Lease or Ground Lease.** Anything to the contrary herein notwithstanding, no amendment or modification of the Facilities Lease or the Ground Lease shall become effective unless and until the Trustee has been provided with an opinion of Bond Counsel to the effect that such amendment or modification will not have an adverse effect upon the validity of the Bonds and to the effect that such amendment or modification will maintain the exclusion from gross income of interest on the Series 2004A Bonds and Series 2004B Bonds for federal income tax purposes.

Section 8.07 **Consent of the Board.** Anything herein to the contrary notwithstanding, an amendment to the Facilities Lease or the Ground Lease under this Article VIII shall not become effective unless and until the Board shall have consented to the execution and delivery of such amendment to the Facilities Lease or the Ground Lease, unless an Event of Default has occurred and is continuing, and no amendment to the Facilities Lease or the Ground Lease shall not be effective without the prior written consent of the Board that would affect the date or amounts of payments required on the Bonds or required under the Facilities Lease.

Section 8.08 **Filing.** Copies of any such supplement or amendment to this Agreement, the Ground Lease or the Facilities Lease shall be filed with the Trustee and delivered to the Issuer and the Corporation before such supplement or amendment may become effective.

Section 8.09 **Reliance on Counsel.** The Issuer and the Trustee shall be entitled to receive, and shall be fully protected in relying upon the opinion of counsel satisfactory to the Trustee, who may be counsel for the Issuer, as conclusive evidence that any such proposed supplement or amendment to this Agreement, the Ground Lease or the Facilities Lease complies with the provisions of this Agreement and the Indenture and that it is proper for the Issuer and the Trustee under the provisions of this Article to execute or approve such supplement or amendment.

Section 8.10 **Notice to Rating Agencies and Bond Insurer.** No supplemental agreement or amendment to this Agreement, the Ground Lease or the Facilities Lease shall be executed and delivered pursuant hereto without prior written notice having been given by the

Corporation to the Bond Insurer and Standard & Poor's Ratings Group (Attention: Bond Insurance Administration) of the Corporation's intention to execute such supplemental agreement or amendment thereof not less than fifteen (15) days in advance of the execution of said supplemental agreement or amendment. The Corporation shall provide the Bond Insurer a full transcript of all proceedings relative to said supplemental agreement or amendment.

**ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES**

Section 9.01 **Events of Default Defined.** The terms "Event of Default" and "Default" shall mean any one or more of the following events:

(a) The Corporation shall default in the timely payment of any Payment pursuant to Article IV of this Agreement.

(b) An Event of Default shall exist under the Indenture, the Mortgage, the Facilities Lease or the Tax Regulatory Agreement.

(c) The termination of the Facilities Lease.

(d) The Corporation shall fail duly to perform, observe or comply with any other covenant, condition or agreement on its part under this Agreement (other than a failure to make any payment required under this Agreement), and such failure continues for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observation or compliance requires work to be done, action to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observation or compliance within such period and shall diligently and continuously prosecute the same to completion.

(e) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Corporation a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Corporation under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.

(f) The institution by the Corporation of proceedings to be adjudicated bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Corporation or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

Section 9.02 **Remedies**. Whenever any Event of Default under Section 9.01 hereof shall have happened and be continuing, any one or more of the following remedial steps may be taken with the consent of the Bond Insurer and shall be taken at the direction of the Bond Insurer:

(a) The Issuer or the Trustee may declare all installments of Payments under Section 4.02 hereof to be immediately due and payable, whereupon the same shall become immediately due and payable;

(b) The Issuer or the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the Payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Corporation under this Agreement;

(c) The Issuer or the Trustee may have access to and inspect, examine and make copies of any and all books, accounts and records of the Corporation;

(d) The Issuer or the Trustee (or the owners of the Bonds in the circumstances permitted by the Indenture) may exercise any option and pursue any remedy provided by the Indenture; and/or

(e) The Trustee may foreclose the lien of the Mortgage.

Section 9.03 **No Remedy Exclusive; Selective Enforcement**. No remedy conferred upon or reserved to the Issuer or the Trustee by this Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement and as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. In the event the Issuer or the Trustee shall elect to selectively and successively enforce its rights under this Agreement, such action shall not be deemed a waiver or discharge of any other lien, encumbrance or security interest securing payment of the indebtedness secured hereby or thereby until such time that it shall have been paid in full all sums secured hereunder and thereunder. The foreclosure of any lien provided pursuant to this Agreement without the simultaneous foreclosure of all such liens shall not merge the liens granted which are not foreclosed with any interest which the Issuer or the Trustee might obtain as a result of such selective and successive foreclosure.

Section 9.04 **Indenture Overriding**. All of the provisions of this Article are subject to and subordinate to the rights and remedies of the Bond Insurer, the Bondholders and the Trustee pursuant to the Indenture. The Issuer shall have no power to waive any event of default hereunder, except with respect to indemnification and its administrative payments, without the consent of the Trustee and the Bond Insurer to such waiver.

Section 9.05 **Agreement to Pay Attorneys' Fees and Expenses.** In any Event of Default, if the Issuer or the Trustee employs attorneys or incurs other expenses for the collection of amounts payable hereunder or the enforcement of the performance or observance of any covenants or agreements on the part of the Corporation herein contained, whether or not such suit is commenced, the Corporation agrees that it will on demand therefor pay to the Issuer or the Trustee the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Issuer or the Trustee.

Section 9.06 **Issuer and Corporation to Give Notice of Default.** The Issuer and the Corporation severally covenant that they will, at the expense of the Corporation, promptly give to the Trustee written notice of any Event of Default under this Agreement of which they shall have actual knowledge or written notice, but the Issuer shall not be liable (except as provided in Section 6.01(c) hereof) for failing to give such notice.

**ARTICLE FIVE
CONSTRUCTION OF THE FACILITIES**

Section 5.01 The Corporation's Construction Obligations. The Corporation will demolish certain existing facilities and renovate, develop and construct the Facilities on the Land at its own cost and expense. The Corporation shall lease the Facilities to the Board pursuant to the Facilities Lease. The Board shall not have any financial obligation or other obligation of any kind under this Ground Lease except to review and approve the Corporation's activities and as specifically set forth herein.

- A. The Corporation shall furnish or cause to be furnished all supervision, tools, implements, machinery, labor, materials and accessories such as are necessary and proper for the demolition of certain existing facilities and the construction of the Facilities, shall pay all applicable permit and license fees, and shall demolish certain existing facilities and construct, build, and complete the Facilities in a good, substantial and workmanlike manner all in accordance with this Ground Lease, and generally in compliance with the Plans and Specifications and all documents executed pursuant hereto and thereto. The Corporation and the Board agree to cooperate fully to the end that fee and permit exemptions available with respect to the Facilities under applicable law are obtained by the party or parties entitled thereto.
- B. Subject to the provisions of this Section 5.01, all decisions regarding construction matters shall be made by the Corporation, working with the Developer. The Developer has been selected as developer to demolish certain existing facilities and design and construct the Facilities in accordance with the RFP. The parties hereto acknowledge that the Board Representative and any other party whose consent is necessary to the Board's authority have previously reviewed and approved the Plans and Specifications and the form of the Construction Contract

for phase one of the Facilities. Prior to the application of Bond proceeds or the issuance of any Additional Bonds (as defined in the Indenture) to finance any subsequent phase of the Facilities, the Board Representative and any other party whose consent is necessary to the Board's authority shall review and approve the Plans and Specifications and the form of the Construction Contract relating to such subsequent phase of the Facilities.

- C. Changes in work and materials are subject to review and approval of the Board Representative; however minor changes in work or materials, not affecting the general character of the Facilities or increasing the cost of construction may be made in the Plans and Specifications at any time by the Corporation without the approval of the Board Representative, but a copy of the altered Plans and Specifications shall promptly be furnished to the Board Representative. The Corporation shall notify the Board Representative of any changes in work or materials that require the Board Representative's approval and the Board Representative shall either approve or disapprove any such changes within ten (10) business days after receipt of such notice from the Corporation. Notification shall include sufficient information for the Board Representative to make a determination and to approve or disapprove any changes in work or materials.
- D. After completion of the Facilities, at least sixty (60) days prior to undertaking any structural alteration, renovation, or remodeling of the Facilities during the Term, the Corporation shall submit plans for such renovation or remodeling to the Board Representative for approval which approval must be obtained prior to the Corporation making or causing to be made any such structural alteration, renovation, or remodeling of the Facilities. The Board Representative shall either approve or disapprove any such alteration within thirty (30) days after receipt of such plans from the Corporation. All alterations, renovations or additions to the Facilities undertaken by the Corporation shall be in conformance with all applicable laws, codes, rules and regulations, and amendments thereto, including 1988 Standard Building Code with 1989 and 1990 revisions, ANSIA 1117.1 1986 edition, and NFPA 101 Life Safety Code and all local and state building codes. The Corporation shall have the right to contest any such codes for reasonable grounds by ordinary and proper procedures.
- E. Subject to Force Majeure, the Corporation covenants that the Corporation shall substantially complete construction of the Facilities, subject to punch list items, on or before January 1, 2005 for Phase One, July 29, 2005 for all of Phase Two other than the renovation of Cardinal Newman Hall and August 1, 2006 for Cardinal Newman Hall with all units ready for occupancy. Notwithstanding anything to the contrary contained herein, a breach by the Corporation of the covenant set forth in this Section 5.01. E. shall not be an Event of Default hereunder. The Board shall be entitled to institute an action seeking specific performance of this covenant by the Corporation.

- F. Prior to the commencement of construction of any phase of the Facilities, the Corporation and the Developer shall meet with the Board Representative to coordinate construction activity under the Construction Contract. Upon commencement of construction of such phase of the Facilities, the Corporation shall deliver to the Board Representative, (1) a copy of the signed Construction Contract between the Corporation and the Developer for the design and construction of such phase of the Facilities, and (2) a copy of the labor and materials payment and performance bonds in an amount equal to the contract price set forth in the Construction Contract for such phase of the Facilities issued by a company qualified, permitted or admitted to do business of the State of Louisiana and approved by the Board. The Corporation shall take the action specified by La. R.S. 9:4802(C) to be taken by an owner to protect the premises from any liens related to the design or construction of the Facilities.
- G. Prior to the Commencement of Construction of any phase of the Facilities, any architect whose services have been retained shall provide a standard errors and omissions policy, with such additional provisions as may be approved by counsel to the Corporation.
- H. Any performance bond, labor and material payment bond, or completion bond provided by a contractor hired by the Corporation shall be for 100% of the amount of the contract with such contractor, and shall contain a dual obligee rider in favor of the Board; subject, however, to the reasonable underwriting guidelines of the surety issuing the bond and rules of the Governmental Authorities regulating the surety.
- I. The Corporation shall, upon written request of the Board, make, in such detail as may reasonably be required, and forward to the Board Representative, reports in writing as to the actual progress of the construction of the Facilities. During such period, the construction work shall be subject to inspection by the Independent Architect and by authorized personnel of the Board in order to verify reports of construction, determine compliance with safety, fire, and building codes, determine compliance with approved construction plans, or such other inspections as may be necessary in the reasonable opinion of the Board Representative.
- J. The Corporation shall inspect the Land and arrange for boundary surveys, topographical surveys, soil borings and other site investigations at its expense to the extent these things have not been done by the Board. The Board does not guarantee that the Land is suitable for construction of the Facilities. Subject to the matters shown on **Exhibit B** attached to this Ground Lease, the Corporation accepts the Land in its present condition. However, the Board represents that to the best of its knowledge and belief there are no Hazardous Materials or other materials on or under the Land that would materially impact the construction of the Facilities.

- K. Except as provided in Section 4.03 hereof, part of the cost of construction of the Facilities shall include all costs necessary for the contractor or applicable utility company to bring lines for all such utilities to the Facilities so that such utilities will be available when required for construction and operation of the Facilities.

ARTICLE SIX ENCUMBRANCES

Section 6.01 Mortgage of Leasehold or the Facilities. Except for the Mortgage, the Corporation shall not mortgage, lien or grant a security interest in the Corporation's leasehold interest in the Land or the Facilities or any other right of the Corporation hereunder without the prior written consent of the Board.

ARTICLE SEVEN MAINTENANCE AND REPAIR

Section 7.01 Maintenance, Repairs and Renovations. (a) For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall be responsible for maintaining and repairing the Facilities in accordance with Section 7 of the Facilities Lease. The Corporation, acting as agent for the Board, will initially contract with Capstone On-Campus Management, LLC to provide these services.

(b) In the event that the Facilities Lease has been terminated, the Corporation will: (1) maintain or cause to be maintained the Facilities, and will keep the Facilities in good repair and in good operating condition and make from time to time all necessary repairs thereto and renewals and replacements thereof; and (2) make from time to time any additions, modifications or improvements to the Facilities the Corporation may deem desirable for its business purposes that do not materially impair the effective use of the Facilities, provided that all such additions, modifications and improvements will become a part of the Facilities.

ARTICLE EIGHT CERTAIN LIENS PROHIBITED

Section 8.01 No Mechanics' Liens. Except as permitted in Section 8.02 hereof the Corporation shall not suffer or permit any mechanics' liens or other liens to be enforced against the Board's ownership interest in the Land or the Facilities nor against the Corporation's leasehold interest in the Land or the Facilities by reason of a failure to pay for any work, labor, services, or materials supplied or claimed to have been supplied to the Corporation or to anyone holding the Land or Facilities or any part thereof through or under the Corporation.

Section 8.02 Release of Recorded Liens. If any such mechanics' liens or materialmen's liens shall be recorded against the Land or Facilities, the Corporation shall cause the same to be released of record or, in the alternative, if the Corporation in good faith desires to contest the same, the Corporation shall be privileged to do so, but in such case the Corporation hereby agrees to indemnify and save the Board harmless from all liability for damages occasioned

thereby and shall in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and released prior to the execution of such judgment. In the event the Board reasonably should consider the Board's interest in the Land or the Facilities endangered by any such liens and should so notify the Corporation and the Corporation should fail to provide adequate security for the payment of such liens, in the form of a surety bond, cash deposit or cash equivalent, or indemnity agreement reasonably satisfactory to the Board within thirty (30) days after such notice, then the Board, at the Board's sole discretion, may discharge such liens and recover from the Corporation immediately as additional Rent under this Ground Lease the amounts paid, with interest thereon from the date paid by the Board until repaid by the Corporation at the rate of ten percent (10%) per annum.

Section 8.03 Memorandum of Recitals. The memorandum of lease to be filed pursuant to Section 18.04 of this Ground Lease shall state that any third party entering into a contract with the Corporation for improvements to be located on the Land, or any other party claiming under said third party, shall be on notice that neither the Board nor the Board's property shall have any liability for satisfaction of any claims of any nature in any way arising out of a contract with the Corporation.

ARTICLE NINE OPERATION AND MANAGEMENT OF FACILITIES

Section 9.01 Management of Facilities. For as long as the Facilities Lease is in effect, the University, at the direction of the Board, shall operate and manage the Facilities or cause the Facilities to be operated and managed in accordance with the Section 7 of the Facilities Lease. The Corporation, as approved by the Board, will initially contract with Capstone On-Campus Management, LLC to provide operations and management services for the Facilities. In the event the Facilities Lease is terminated, the Corporation will be responsible for the operations and management of the Facilities and the Board will no longer have the right to operate or manage the Facilities.

Section 9.02 Books and Records. The Corporation shall keep, or cause to be kept, accurate, full and complete books, including bank statements, and accounts showing exclusively its assets and liabilities, operations, transactions and the financial condition of the Corporation.

Section 9.03 Audits. The Board may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Corporation. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Board, by the Louisiana Legislative Auditor or by independent auditors retained by the Board desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of business affairs by the Corporation.

ARTICLE TEN INDEMNIFICATION

Section 10.01 Indemnification by the Corporation. Excluding the acts or omissions of the Board, its employees, agents or contractors, the Corporation shall and will indemnify and save harmless the Board, its agents, officers, and employees, from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions, and causes of action of any and every kind and nature arising or growing out of or in any way connected with the Corporation's construction of the Facilities. This obligation to indemnify shall include reasonable fees of legal counsel and third-party investigation costs and all other reasonable costs, expenses, and liabilities from the first notice that any claim or demand has been made; however, the Corporation and the Board shall use the same counsel if such counsel is approved by the Board, which approval shall not be unreasonably withheld or delayed. If the Board does not approve such counsel then the Board may retain independent counsel at the Board's sole cost and expense. It is expressly understood and agreed that the Corporation is and shall be deemed to be an independent contractor and operator responsible to all parties for its respective acts or omissions and that the Board shall in no way be responsible therefor.

Section 10.02 Contributory Acts. Whenever in this Ground Lease any party is obligated to pay an amount or perform an act because of its negligence or misconduct (or that of its agents, employees, contractors, guests, or invitees), such obligations shall be mitigated to the extent of any comparative fault or misconduct of the other party (or that of its agents, employees, contractors, guests, or invitees) as determined by a court of law, and in any disputes damages shall be apportioned based on the relative amounts of such negligence or willful misconduct as determined by a court of law.

ARTICLE ELEVEN TERMINATION, DEFAULT AND REMEDIES

Section 11.01 Events Of Default. Any one of the following events shall be deemed to be an "Event of Default" by the Corporation under this Ground Lease.

- A. The Corporation shall fail to pay any sum required to be paid to the Board under the terms and provisions of this Ground Lease and such failure shall not be cured within thirty (30) days after the Corporation's receipt of written notice from the Board of such failure.
- B. The taking by execution of the Corporation's leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person.
- C. The Corporation shall fail to perform any other covenant or agreement, other than the payment of money, to be performed by the Corporation under the terms and provisions of this Ground Lease, other than the covenant set forth in Section 5.01. E. hereof, and such failure shall not be cured within ninety (90) days after receipt of written notice from the Board of such failure; provided that if during such ninety (90) day period, the Corporation takes action to cure such failure but is unable, by reason of the nature of the

work involved, to cure such failure within such period and continues such work thereafter diligently and without unnecessary delays, such failure shall not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure.

- D. A court of competent jurisdiction shall enter an order for relief in any involuntary case commenced against the Corporation, as debtor, under the Federal Bankruptcy Code, as now or hereafter constituted, or the entry of a decree or order by a court having jurisdiction over the Facilities appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation or ordering the winding up or liquidation of the affairs of the Corporation, and the continuance of any such decree or order unstayed and in effect for a period of ninety (90) consecutive days.
- E. The commencement by the Corporation of a voluntary case under the Federal Bankruptcy Code, as now or hereafter constituted, or the consent or acquiescence by the Corporation to the commencement of a case under such Code or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator, or other similar official of or for the Corporation or any substantial part of the properties of the Corporation.
- F. The Corporation, after Commencement of Construction but prior to substantially completing construction of the Facilities, abandons (with no intent to continue) demolition, renovation or construction for a period of forty-five (45) consecutive days.

Section 11.02 The Board's Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, the Board may at its option seek any and all damages occasioned by the Event of Default or may seek any other remedies available at law or in equity, including specific performance.

Section 11.03 Termination of Right of Occupancy. Notwithstanding any provision of law or of this Ground Lease to the contrary, except as set forth in Section 1.03 hereof, the Board shall not have the right to terminate this lease prior to the Expiration Date hereof. However, in the event there is an Event of Default by the Corporation hereunder, the Board shall have the right to terminate the Corporation's right to occupancy of the Land and the Facilities, except that the Facilities, at the option of the Board, shall remain thereon. The Board shall have the right upon ninety (90) days' written notice and opportunity to cure provided to the Bond Insurer and the Trustee, to take possession of the Land and the Facilities and to re-let the Land and the Facilities or take possession in its own right for the remaining Term of the Ground Lease upon such terms and conditions as the Board is able to obtain. Upon such re-letting, the Corporation hereby agrees to release its leasehold interest and all of its rights under this Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, as applicable) agreeing to assume all of the Corporation's obligations under the Ground Lease, the Facilities Lease and under any debt incurred by the Corporation in connection with the construction of the Facilities.

Section 11.04. Rights of The Board Cumulative. All rights and remedies of the Board provided for and permitted in this Ground Lease shall be construed and held to be cumulative, and no single right or remedy shall be exclusive of any other which is consistent with the former. The Board shall have the right to pursue any or all of the rights or remedies set forth herein, as well as any other consistent remedy or relief which may be available at law or in equity, but which is not set forth herein. No waiver by the Board of a breach of any of the covenants, conditions or restrictions of this Ground Lease shall be construed or held to be a waiver of any succeeding or preceding breach of the same or of any other covenant, condition or restriction herein contained. The failure of the Board to insist in any one or more cases upon the strict performance of any of the covenants of this Ground Lease, or to exercise any option herein contained, shall not be construed as a waiver or relinquishment of future breaches of such covenant or option.

ARTICLE TWELVE TITLE TO THE FACILITIES

Section 12.01 Title to Facilities. Title to the existing Facilities and any new Facilities as they are constructed or placed in service upon completion thereof shall be vested in the Board. The Board's right to obtain title to the Facilities unencumbered by the leasehold interest of the Corporation granted hereunder shall be as set forth in the Facilities Lease. All furniture, fixtures, equipment and furnishings permanently affixed to the Facilities shall be the property of the Board upon termination of this Ground Lease whether such termination be by expiration of the Term or an earlier termination under any provision of this Ground Lease.

Section 12.02 The Board's Option to Require Demolition. Upon the Expiration Date of the Term or earlier termination hereof, in the event the Facilities are no longer suitable for the Board's purposes, the Board in its sole discretion may require the Corporation to demolish the Facilities and remove the Facilities from the Land, and restore the Land to substantially the same condition as it existed on the date of this Ground Lease, to be accomplished within one hundred eighty (180) days of such Expiration Date or earlier termination hereof. However, such demolition and removal of the Facilities shall be at the Board's sole cost and expense. In the event of such election upon the expiration of the Term, the Board shall notify the Corporation no later than six (6) months prior to the expiration of the Term. If this Ground Lease is terminated earlier, the Board shall notify the Corporation within thirty (30) days after the termination.

Section 12.03 Termination of Facilities Lease. Upon the termination of the Facilities Lease as a result of the Board's exercise of its option to purchase the Facilities granted under the Facilities Lease, all right and interest of the Corporation in and to this Ground Lease, the Facilities Lease and the Facilities shall be transferred to the Board, and the Corporation hereby agrees to execute any documents necessary to effectuate such transfer, or the Board may require the demolition of the Facilities as set forth in Section 12.02 above.

Section 12.04 Insurance Proceeds. Notwithstanding the fact that title to the Facilities is vested in the Board, if the Facilities Lease is no longer in force and effect, and all or any portion of the Facilities is damaged or destroyed by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise

(collectively "Casualty"), the proceeds of any insurance received on account of any such Casualty shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation as though the Corporation were the owner of the Facilities.

Section 12.05 Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casualty") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

ARTICLE THIRTEEN CONDEMNATION

Section 13.01 Condemnation. If the Facilities Lease has been terminated, upon the permanent Taking of all the Land and the Facilities, this Ground Lease shall terminate and expire as of the date of such Taking, and both the Corporation and the Board shall thereupon be released from any liability thereafter accruing hereunder except for Rent and all other amounts secured by this Ground Lease owed to the Board apportioned as of the date of the Taking or the last date of occupancy, whichever is later. The Corporation shall receive notice of any proceedings relating to a Taking and shall have the right to participate therein.

Section 13.02 Partial Condemnation if Facilities Lease is No Longer in Effect. Upon a temporary Taking or a Taking of less than all of the Land and the Facilities and if the Facilities Lease is no longer in effect, the Corporation, at its election, may terminate this Ground Lease by giving the Board notice of its election to terminate at least sixty (60) days prior to the date of such termination. Upon any such termination, the Rent accrued and unpaid hereunder shall be apportioned to the date of termination. In the event there is a partial condemnation of the Land and the Corporation decides not to terminate this Ground Lease, the Board and the Corporation shall either amend this Ground Lease or enter into a new lease so as to cover an adjacent portion of property, if necessary to restore or replace any portion of the Land and/or Facilities.

Section 13.03 Partial or Total Condemnation if Facilities Lease is in Effect. If this Ground Lease is terminated under Section 13.01 or in the event of a Taking of less than all of the Land and the Facilities while the Facilities Lease is in force and effect, and the Board decides to restore or replace the Facilities in accordance with the Facilities Lease, the Board and the Corporation agree to enter into a new lease (in form and substance substantially the same as this Ground Lease) of a portion of property necessary to place thereon the Facilities and to enter into a new Facilities Lease (in form and substance substantially the same as the Facilities Lease) covering such replacement Facilities.

Section 13.04 Payment of Awards - If Facilities Lease is in Effect. Upon the Taking of all or any portion of the Land or the Facilities while the Facilities Lease remains in full force and effect (a) the proceeds of the Award allocable to the value of the Facilities shall be disbursed in accordance with the provisions of the Facilities Lease and the Bond Documents, and (b) the Board shall be entitled (free of any claim by the Corporation) to the Award for the value of the Board's Interest (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest); and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.05 Payment of Awards - If Facilities Lease is not in Effect. Upon the Taking of all or any portion of the Land or the Facilities at any time after the Facilities Lease is no longer in force and effect, (a) the proceeds of the Award allocable to the value of the Facilities shall be disbursed in accordance with the provisions of the Bond Documents, or if the Bond Documents are no longer in effect shall be disbursed to the Corporation, (b) the Board shall be entitled (free of any claim of the Corporation) to the Award for the value of the Board's Interest in the Land (such value to be determined as if this Ground Lease were in effect and continuing to encumber the Board's Interest) and (c) the Corporation shall be entitled to the Award for the value of the Corporation's interest in the Land under this Ground Lease that is the subject of the Taking.

Section 13.06 Bond Documents Control. Notwithstanding anything in this Ground Lease to the contrary, in the event of a Casualty or a Taking of all or any portion of the Facilities, the provisions in the Bond Documents shall control the division, application and disbursement of any insurance proceeds or Award paid as a result thereof for so long as the Bond Documents remain in effect.

ARTICLE FOURTEEN ASSIGNMENT, SUBLETTING, AND TRANSFERS OF THE CORPORATION'S INTEREST

Section 14.01 Assignment of Leasehold Interest. Except as expressly provided for in Article Six and in this Article Fourteen, the Corporation shall not have the right to sell or assign the leasehold estate created by this Ground Lease, or the other rights of the Corporation hereunder to any Person without the prior written consent of the Board.

Section 14.02 Subletting. The Corporation is not authorized to sublet the leasehold estate to any entity other than the Board; provided, however, that if the Facilities Lease terminates, the Corporation shall have the right to sublease the Facilities to University students, faculty and staff and Permitted Sublessees.

Section 14.03 Transfers of the Corporation's Interest. Except as otherwise expressly provided herein, any Person succeeding to the Corporation's interest as a consequence of any permitted conveyance, transfer or assignment shall succeed to all of the obligations of the Corporation hereunder and shall be subject to the terms and provisions of this Ground Lease.

**ARTICLE FIFTEEN
COMPLIANCE CERTIFICATES**

Section 15.01 The Corporation Compliance. The Corporation agrees, at any time and from time to time upon not less than thirty (30) days prior written notice by the Board, to execute, acknowledge and deliver to the Board or to such other party as the Board shall request, a statement in writing certifying (a) that this Ground Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) to the best of its knowledge, whether or not there are then existing any offsets or defenses against the enforcement of any of the terms, covenants or conditions hereof upon the part of the Corporation to be performed (and if so specifying the same), (c) the dates to which the Rent and other charges have been paid, and (d) the dates of commencement and expiration of the Term, it being intended that any such statement delivered pursuant to this Section may be relied upon by any prospective purchaser of the Board's Interest or by any other Person.

Section 15.02 The Board's Compliance. A written demand by the Trustee on each such person for such performance and/or payment shall be sufficient to warrant such person's rendering all future performance and/or make all future payments of such amounts directly to the Trustee without the necessity for further consent by the Corporation. Each such person shall be entitled to rely upon a written demand by the Trustee for such performance and/or payment and shall be fully protected from any claims by the Corporation for all performance rendered and/or payments made to the Trustee after receipt of such written demand. Section 5. Representations and Warranties. The Corporation hereby represents and warrants to the Trustee that (a) the Corporation is the sole owner of the "Owner's" interest under the Agreements and Documents (other than the Construction Agreement and the Architect's Agreement) and has the full and complete right, title, and authority to sell, assign, transfer, and set over the same and to grant and confer upon the Trustee the rights, interests, liens, power, and authorities herein granted and conferred; (b) the Corporation has not executed any prior assignment of the Agreements and Documents; (c) the Corporation has not performed any act or executed any other instrument which might prevent the Trustee, or the Trustee as the assignee of the Trustee, from enjoying and exercising any of its rights and privileges evidenced hereby; (d) the Corporation has not executed or granted any modifications to any existing Agreements and Documents except as previously disclosed to the Trustee; (e) all existing Agreements and Documents are valid and in full force and effect; (f) there are no defaults or events of default now existing under any of the Agreements and Documents and no event has occurred which with the passage of time or the giving of notice, or both, would constitute such a default or event of default.

Section 6. No Additional Encumbrances, Amendments, etc. Except as may be permitted by the Loan Agreements, the Corporation agrees that, so long as any of the Secured Obligations shall remain unpaid, the Corporation will make no further assignment, pledge, or disposition any of the Agreements and Documents or any part of either thereof; nor will the Corporation modify, alter, or amend any of the Agreements and Documents that would have the effect of increasing the remaining costs of acquiring, constructing, furnishing, and/or equipping the Facilities to an amount greater than the amount then available to pay such costs in the Project Fund created under the Indenture (the "*Project Fund*") or give any consent, concession, or waiver or exercise any option required or permitted by the terms of any of the Agreements and Documents; nor will the Corporation cancel or terminate any of the Agreements and Documents so as to effect directly or indirectly, proximately or remotely, a termination or diminution of the obligations of the other party or parties thereunder; nor will the Corporation, except to the extent required by the terms of any of the Agreements and Documents, consent to an assignment of the interest and estate of the other party or parties under any of the Agreements and Documents; and any such acts, if done or permitted to be done without the prior written consent of the Trustee and the Bond Insurer, shall be null and void and shall constitute an Event of Default. Nothing contained in the Section shall be deemed to prevent or impair the Corporation's making day-to-day decisions during the construction process, including, but not limited to, permitting minor deviations from the plans, specifications, or construction schedule relating to the Facilities; approving, rejecting, or modifying applications for progress payments; agreeing to substitutions of materials; or approving change orders if such decisions shall not individually or collectively delay the final completion of the Facilities or increase the remaining costs of acquiring, constructing, furnishing, and/or equipping the Facilities to an amount greater than the amount available to pay such costs in the Project Fund.

The Corporation covenants with the Trustee to observe and perform all the obligations imposed upon it under the Agreements and Documents and not to do or permit to be done anything to impair the security thereof; at the Trustee's request, to assign and transfer to the Trustee by specific assignment of rights and documents, in the form of this Assignment any and all subsequent Agreements and Documents (it being understood and agreed that no such specific assignment shall be required for such subsequent Agreements and Documents to be covered by and included within this Assignment as provided herein); and to execute and deliver at the request of the Trustee all such further assurances and assignments in the rights and documents covered by the Agreements and Documents as the Trustee shall from time to time require.

Section 8. Events of Default. The term "*Event of Default*," wherever used in this Assignment, shall mean any one or more of the following events:

(a) failure by the Corporation to perform in a punctual manner any other of the covenants, conditions, agreements, or provisions contained in this Assignment and the continuation of such failure for thirty (30) days after receipt by the Corporation of a written notice from the Trustee specifying such default and requiring the same to be remedied, provided, however, that if such performance requires work to be done, action to be taken, or conditions to be remedied, that by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty (30) day period or other period, no Event of Default shall be deemed to have occurred or to exist if, and so long as, the Corporation shall begin such performance within such period and shall diligently and continuously prosecute the same to completion; or

(b) the occurrence of an Event of Default under any of the Loan Agreements, any of the Secured Obligations, the Mortgage, or any other Security Document.

Section 9. Trustee Not Liable for Losses; Indemnification. The Trustee shall not be liable for any loss sustained by the Corporation resulting from any act or omission of the Trustee in exercising its rights and remedies under this Assignment unless such loss is caused by the willful misconduct or bad faith of the Trustee, nor shall the Trustee be obligated to perform or discharge any obligation, duty, or liability under the Agreements and Documents or under or by reason of this Assignment or the exercise of rights or remedies hereunder. The Corporation shall and does hereby agree to indemnify the Trustee for, and to hold the Trustee harmless from, any and all liability, loss, or damage which may or might be incurred under any of the Agreements and Documents or under or by reason of this Assignment or the exercise of rights or remedies hereunder and from any and all claims and demands whatsoever which may be asserted against the Trustee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants, or agreements contained in any of the Agreements and Documents unless such liability, loss, damage, or claim is caused by the willful misconduct or bad faith of the Trustee. Should the Trustee incur any such liability under any of the Agreements and Documents or under or by reason of this Assignment or the exercise of rights or remedies hereunder or in defense of any such claims or demands, the amount thereof, including costs, expenses, and reasonable attorneys' fees, shall be secured hereby, and the Corporation shall reimburse the Trustee therefor immediately upon demand. This Assignment shall not operate to

place responsibility upon the Trustee for the carrying out of any of the terms and conditions of any of the Agreements and Documents.

Section 10. No Waiver. Nothing contained herein and no act done or omitted by the Trustee pursuant to the powers and rights granted it hereunder shall be deemed to be a waiver by the Trustee of its rights and remedies under any of the Secured Obligations, any of the Loan Agreements, the Mortgage, or any other Security Document or a waiver or curing of any Event of Default, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by the Trustee under the terms of the Secured Obligations, the Loan Agreements, the Mortgage, or any other Security Document. The right of the Trustee to enforce any other security (collectively, the "*Security*") for the Secured Obligations held by it may be exercised by the Trustee either prior to, simultaneously with, or subsequent to any action taken by it hereunder.

Section 11. Trustee Deemed a Creditor of Other Parties to the Agreements and Documents. The Trustee shall be and is deemed to be the creditor of the other party or parties under the Agreements and Documents in respect of any and all claims for damages, assignments for the benefit of creditors, and bankruptcy, reorganization, insolvency, dissolution, or receivership proceedings affecting such party or parties (without obligation on the part of the Trustee, however, to file or make timely filings in such proceeding or otherwise to pursue creditor's rights therein). The Corporation hereby assigns to the Trustee any and all damages and any and all money received in connection with such assignment for the benefit of creditors or in any such bankruptcy, reorganization, insolvency, dissolution, or receivership proceeding. Prior to the completion of the acquisition, construction, furnishing, and equipping of the Facilities, any such damages or any money received by the Trustee as such creditor shall be deposited in the Project Fund. After such completion, any such damages or money shall be applied to the reduction of the Secured Obligations in accordance with the provisions of the Indenture and in such order as the Trustee, in its sole and absolute discretion, may determine. The Corporation hereby appoints the Trustee, as the assignee of the Trustee under the Indenture, its attorney-in-fact to appear in any action and/or to collect any such money or payment.

Section 12. Effect of Releases, Waivers, and Consents by the Trustee. The Trustee may take or release other security for any of the Secured Obligations, may release any party primarily or secondarily liable therefor, and may apply any other security held by it to the satisfaction of any portion of the Secured Obligations without prejudice to any of its rights under this Assignment. The Trustee may at any time and from time to time in writing (a) waive compliance by the Corporation with any covenant herein made by the Corporation to the extent and in the manner specified in such writing; (b) consent to the Corporation's doing any act which hereunder the Corporation is prohibited from doing, or consent to the Corporation's failing to do any act which hereunder the Corporation is required to do, to the extent and in the manner specified in such writing; or (c) release any part of the Agreements and Documents, or any interest therein from this Assignment. Section 17. Section 2. Agreement to Lease; Term of Lease. The Corporation hereby leases the Facilities to the Board, and the Board hereby leases the Facilities from the Corporation effective as of the Commencement Date of this Facilities Lease and agrees upon completion of construction of the Facilities to accept possession of the Facilities and agrees to pay the Base Rental and the Additional Rental as provided herein for the use and occupancy of the Facilities, all on the terms and conditions set forth herein. The Board agrees that it will take immediate possession of the Facilities under the terms and provisions of this Facilities Lease upon the Date of Opening (as defined in the Ground Lease) of the Facilities. The Board understands and agrees that Rental shall accrue from the Commencement Date hereof notwithstanding the fact that the Facilities have yet to be constructed. No delay in the Date of Opening of the Facilities beyond the time set forth in the Ground Lease will extend the Term. The Term of this Facilities Lease begins on the Commencement Date and ends on the Expiration Date; provided, however, this Facilities Lease shall terminate prior to the Expiration Date upon the happening of any of the following events:

(a) repayment of the Bonds in full, including principal, premium, if any, interest and all Administrative Expenses with respect to the Bonds or the defeasance of the Bonds, all as set forth in the Indenture;

(b) the exercise by the Board of the Option to Purchase and the purchase of the Corporation's interest in the Facilities pursuant to the Option; or

(c) any other event described in this Facilities Lease which is specifically stated to cause a termination of this Facilities Lease, including without limitation a Default by the Board, and the failure of the Board to appropriate or cause to be appropriated an amount necessary to pay the Base Rental, all as set forth in Sections 21 and 29 hereof.

Upon the termination of the Facilities Lease under the circumstances set forth in Section 2(a) above, at the Board's option, the Board may require the demolition of the Facilities as set forth in Section 12.02 of the Ground Lease.

Section 3. Acknowledgments, Representations and Covenants of the Board. The Board represents, covenants and agrees as follows:

(a) The Board has full power and authority to enter into this Facilities Lease, the Ground Lease, and the transactions contemplated thereby and agrees to perform all of its obligations hereunder and under the Ground Lease;

(b) The Board has been duly authorized to execute and deliver this Facilities Lease and the Ground Lease and further represents and covenants that this Facilities Lease and the Ground Lease constitute the valid and binding obligations of the Board and that all requirements have been met and procedures have occurred in order to ensure the enforceability of this Facilities Lease and the Ground Lease and the Board has complied with all constitutional and other statutory requirements as may be applicable to the Board in the authorization, execution, delivery and performance of this Facilities Lease and the Ground Lease;

(c) The execution and delivery of this Facilities Lease and the Ground Lease, and compliance with the provisions hereof, will not conflict with or constitute on the part of the Board a violation of, breach of, or default under any constitutional provision, statute, law, resolution, bond indenture or other financing agreement or any other agreement or instrument to which the Board is a party or by which the Board is bound, or any order, rule or regulation of any court or Governmental Authority or body having jurisdiction over the Board or any of its activities or properties with respect to the Facilities; and all consents, approvals or authorizations required of the Board for the consummation of the transactions contemplated hereby have been obtained or timely will be obtained;

(d) Other than that which was previously disclosed, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Board, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Facilities Lease and the Ground Lease;

(e) The Board will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2004A Bonds and the Series 2004B Bonds to be included in gross income for federal income tax purposes;

(f) The Board agrees to cause the Facilities to be used for the Permitted Use and shall not allow the Facilities to be used for any other use. No more than five percent (5%) of the gross area of the Facilities will be subleased by the Board or by any sublessees or assigns of the Board to, or otherwise used by, private business and the Board agrees to take all action, to the extent it is legally authorized and able to do so, necessary to prevent the Bonds from being deemed "private activity bonds" within the meaning of Section 141 of the Code; and

(g) The use of the Facilities is essential to the operation of the University by providing modern housing and related facilities for students, faculty and staff of the University. The Board presently intends to make all payments from Lawfully Available Funds for use of the Facilities. There are no alternative facilities available for use as contemplated for the Facilities since there is currently a shortage of available, modern on-campus housing at the University.

(h) The Board covenants that, as long as any bonds, notes or lease obligations remain outstanding that are payable from Lawfully Available Funds, if the Debt Service Coverage Ratio for the Facilities falls below 1.10:1.00 or the Debt Service Coverage Ratio for the University falls below 1.25:1.0, the Board shall use its best efforts to raise its fees, rentals, rates and charges relating to the Facilities so that within two (2) full semesters after either of the Debt Service Coverage Ratios becomes deficient, the Debt Service Coverage Ratio for the Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Facilities is still below 1.10:1.00 or the Debt Service Coverage Ratio for the University is still below 1.25:1.0, the Board shall hire an outside consultant, approved by the Bond Insurer, and the Board shall follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Facilities, including raising fees and rents, reducing expenses and, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board is working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio, there shall not be an Event of Default hereunder unless (i) the Debt Service Coverage Ratio for the Facilities is less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio for the Facilities is less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates and charges and calculating each Debt Service Coverage Ratio for this Section, the Board shall take into account payments required to be made into the Debt Service Reserve Fund pursuant to Section 4.8(h) of the Indenture. The Board further covenants that it will seek any required approval necessary in order to comply with this covenant.

(i) Without the prior written consent of the Bond Insurer, the University will not build, acquire or renovate any similar student housing facilities, whether such facilities are

owned by the University or a private entity, unless (i) the Facilities have met the Debt Service Coverage Ratio for the Facilities for the prior Fiscal Year, (ii) the Facilities are projected to meet the Debt Service Coverage Ratio for the Facilities for the two Fiscal Years following the projected completion of the proposed facility and (iii) based on a market analysis prepared by a market research company with experience in student or multi-family housing, which is independent from the University, the University's proposed project is not expected to have a material adverse affect on the Facilities. Notwithstanding the foregoing, it is understood that with respect to Phase Three of the Facilities anticipated to be financed with Additional Bonds issued under the Indenture, the foregoing tests do not have to be met, provided that the construction of Phase Three of the Facilities does not increase the total number of on-campus housing beds available to the University. Such additional student housing facilities owned or leased by the Board or the Corporation shall be incorporated with the Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom shall secure the Bonds, and the Facilities and the revenues derived therefrom, including all revenues derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities. In addition, the Mortgage (as defined in the Indenture) shall be amended to encumber any such Additional Facilities and any revenues derived therefrom to secure the Bonds and any debt incurred to finance such Additional Facilities.

(j) The University shall maintain its policy of requiring all unmarried, full-time undergraduate students with less than 60 credit hours to live in on-campus residence halls. It is understood that the University currently permits certain exceptions to that policy and, except as set forth in Section 4(h) above, the University may continue to permit those exceptions but it shall make no voluntary revisions to such policy that would reduce the number of students required to live in on-campus residence halls (including, without limitation, reducing the number of credit hours to less than 60, increasing the course-load required for status as a "full-time" student or modifying any existing exemptions from the policy), until the Bonds have been paid in full or the Bond Insurer consents in writing to a change in such policy.

(k) The University shall actively promote the Facilities as a housing alternative and an integral part of the housing system of the University. The University shall, among other things, provide housing brochures to prospective students and allow signs to be posted to promote the Facilities.

Section 4. Representations and Covenants of the Corporation.The Corporation makes the following representations and covenants:

(a) The Corporation has been validly created under the Louisiana Nonprofit Corporation Law, is currently in good standing under the laws of the State, has the power to enter into the transactions contemplated by, and to carry out its obligations under this Facilities Lease, the Ground Lease and the Agreement. The Corporation is not in breach of or in default under any of the provisions contained in any contract, instrument or agreement to which it is a party or in any other instrument by which it is bound. By proper action, the Corporation has been duly authorized to execute and deliver this Facilities Lease, the Ground Lease and the Agreement;

(b) The execution and delivery of this Facilities Lease, the Ground Lease and the Agreement, and compliance with the provisions thereof and hereof, will not conflict with or constitute on the part of the Corporation a violation of, breach of, or default under any statute, indenture, mortgage, declaration or deed of trust, loan agreement or other agreement or instrument to which the Corporation is a party or by which the Corporation is bound or any order, rule or regulation of any court or Governmental Agency or body having jurisdiction over the Corporation or any of its activities or properties; and all consents, approvals and authorizations which are required of the Corporation for the consummation of the transactions contemplated thereby and hereby have been or timely will be obtained;

(c) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Corporation, wherein an unfavorable decision, ruling or finding would materially and adversely affect the transactions contemplated hereunder or which in any way would adversely affect the validity or enforceability of this Facilities Lease, the Ground Lease or any agreement or instrument to which the Corporation is a party;

(d) The Corporation will not take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Series 2004A Bonds and the Series 2004B Bonds to be included in gross income for federal income tax purposes.

Section 5. Waiver and Disclaimer of Warranties. The Board acknowledges that the Corporation has not made any representations or warranties as to the suitability or fitness of the Facilities for the needs and purposes of the Board or for any other purpose.

The Board further declares and acknowledges that the Corporation in connection with this Facilities Lease, does not warrant that the Facilities will be upon completion of construction free from redhibitory or latent defects or vices and releases the Corporation of any liability for redhibitory or latent defects or vices under Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695. The Board declares and acknowledges that it does hereby waive the warranty of fitness for intended purposes and guarantee against hidden or latent redhibitory defects and vices under Louisiana law, including Louisiana Civil Code Articles 2520 through 2548 and Louisiana Civil Code Article 2695, and the warranty imposed by Louisiana Civil Code Articles 2476 and 2695, and waives all rights in redhibition pursuant to Louisiana Civil Code Articles 2520, et seq. The Board further declares and acknowledges that this waiver has been brought to the attention of the Board and explained in detail and that the Board has voluntarily and knowingly consented to this waiver of warranty of fitness and/or warranty against redhibitory defects and vices for the Facilities. Notwithstanding the foregoing, the Board hereby retains all of its rights to proceed against any third parties with respect to such defects.

The Corporation disclaims and the Board waives any warranties and representations with respect to compliance with Governmental Regulations, including Environmental Requirements, or the disposal of, or existence in, on, under, or about the Facilities of any Hazardous Substance. The Board acknowledges that the Corporation reserves in this Facilities Lease all rights to recover from the Board all costs and expenses imposed on the Corporation to bring the Facilities into compliance with any Environmental Requirement, and all costs of Remediation or cleanup

of such Hazardous Substance imposed on the Corporation or the Board, which shall be payable by the Board as Additional Rental hereunder to the extent imposed upon the Corporation.

Section 6. Rental

(a) The Board, for and in consideration of the Corporation entering into the Ground Lease, renovating and/or constructing the Facilities in accordance with the Ground Lease and leasing the Facilities to the Board pursuant to the terms hereof, hereby covenants and agrees to pay the Base Rental and Additional Rental in the amounts, subject to amounts for which the Board is entitled to a credit as described in Section 6(d) hereof, at the times and in the manner set forth herein, such amounts constituting in the aggregate the total of the rental payable under this Facilities Lease. (c) In addition to the Base Rental set forth herein, the Board agrees to pay as Additional Rental any and all expenses, of every nature, character, and kind whatsoever, incurred by the Corporation on behalf of the Board and/or by the Board or the University in the management, operation, ownership, and/or maintenance of the Facilities, to the extent such expenses are not paid by the Management Company under any Management Contract, including but not limited to the following costs and expenses:

(i) all taxes, assessments and impositions against the Facilities, including without limitation ad valorem taxes attributed to the Corporation on behalf of the Board (and any tax levied in whole or in part in lieu of or in addition to ad valorem taxes);

(ii) any costs incurred by the Corporation in maintaining the Facilities for the Board and making any alterations, restorations and replacements to the Facilities;

Management Company, or the Trustee to the Board stating the amount of the Additional Rental then due and the purpose thereof.

(d) The Board shall be entitled to a credit against and reduction of each Base Rental payment in an amount equal to any amounts derived from the following sources:

(i) Accrued interest derived from the sale of the Bonds;

(ii) Any capitalization of interest from the proceeds of the Bonds contained in the Capitalized Interest Fund under the Indenture;

(iii) the Rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement.

(iv) Surplus moneys (including investment earnings) contained in the funds and accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund and the Replacement Fund;

(e) Notwithstanding any other provision of the Facilities Lease, the obligation of the Board to make payments under this Facilities Lease, including payments of Base Rental and Additional Rental, shall be subject to, and dependent upon, appropriation of Legally Available Funds necessary to make the payments required under this Facilities Lease. The Vice President for Finance and Administration of the Board shall cause the University to include in the Budget and, if necessary, any amendments to the Budget, an amount of Lawfully Available Funds sufficient to make the payments of Base Rental and Additional Rental described herein which amounts may or may not ultimately be appropriated by the Board for such purpose. Subject to the foregoing and Section 29 hereof, the obligations of the Board to make payments pursuant to this Facilities Lease, and to perform and observe the other agreements and covenants on its part contained herein, shall be absolute and unconditional and shall not be subject to any diminution, abatement, set-off, or counterclaim. Subject to the foregoing and Section 29 hereof, until such time as the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with this Facilities Lease, the Board shall not suspend or discontinue payment of Rental or any other payments pursuant to this Facilities Lease for any cause, and shall continue to perform and observe all of its agreements contained in this Facilities Lease. The Corporation and the Board acknowledge and agree that the obligation of the Board to pay Rental shall constitute a current expense of the Board payable by the Board from funds budgeted and appropriated in accordance with law for and in consideration of the right to use the Facilities during the Term and that such obligation shall not in any manner be construed to be a debt of the Board in contravention of any constitutional or statutory limitations or requirements concerning indebtedness of the Board and nothing contained herein shall constitute a pledge, lien or encumbrance upon any specific tax or other revenues of the Board.

(f) The payments of Base Rental and Additional Rental under this Facilities Lease for each Fiscal Year or portion thereof during the Term shall constitute the total Rental for such Fiscal Year or portion thereof and shall be paid by the Board for and in consideration of the

construction by the Corporation of the Facilities and the right to the use and occupancy of the Facilities by the Board for and during such Fiscal Year or portion thereof.

(g) Amounts necessary to pay each Base Rental payment shall be deposited by the Board on the dates set forth in Section 6(b) hereof in lawful money of the United States of America at the office of the Trustee or at such other place or places as may be established by the Corporation and/or Trustee in accordance with the Indenture. Any amount necessary to pay any Base Rental payment or portion thereof which is not so deposited shall remain due and payable until received by the Trustee. Notwithstanding any dispute between the Board and the Corporation hereunder, the Board shall make all Rental payments when due and shall not withhold payment of any Rental pending the final resolution of such dispute or for any other reason whatsoever.

(h) This Facilities Lease is intended to be a triple net lease. The Board agrees that the Rental provided for herein shall be an absolute net return to the Corporation free and clear of any expenses, charges, taxes, abatements, counterclaims, reductions or set-offs whatsoever of any kind, character or nature; it being understood and agreed to by the Board that the Board shall bear responsibility for the payment of all costs and expenses associated with the ownership, management, operation, and maintenance of the Facilities. Under no circumstances will the Corporation be required to make any payment on the Board's behalf or for the Board's benefit under this Facilities Lease, or assume any monetary obligation of the Board under this Facilities Lease, or with respect to the Facilities.

Section 7. Operation, Alterations, Maintenance, Repair, Replacement and Security Service.

(a) The University, at the direction of the Board, shall be responsible for ensuring that all services necessary or required in order to adequately operate the Facilities in accordance with the Permitted Use are provided and maintained. The University shall continuously operate or cause to be operated the Facilities from the Date of Opening and continuing for the remainder of the Term for the Permitted Use, and in accordance with all Governmental Regulations. Pursuant to the Management Agreement, the Corporation as approved by the Board, will initially contract with the Management Company to provide operations and management services for the Facilities. The University and the Board consent to the Corporation's initial acquisition of operations and management services from the Management Company. All Rents collected by the Management Company under the Management Agreement shall be deposited in an operating account and transferred daily to the Trustee in accordance with the Indenture.

(b) The University, at the direction of the Board, shall be responsible for maintaining the Facilities and shall make or contract or cause to be made or contracted with a suitable contractor for the making of all alterations, repairs, restorations, and replacements to the Facilities, including without limitation the heating, ventilating, air conditioning, mechanical, electrical, elevators, plumbing, fire, sprinkler and theft systems, air and water pollution control and waste disposal facilities, structural roof, walls, and foundations, fixtures, equipment, and appurtenances to the Facilities as and when needed to preserve them in good working order, condition and repair (ordinary wear and tear excepted), regardless of whether such repairs, alterations, restorations or replacements are ordinary or extraordinary, foreseeable or unforeseeable, or are at

the fault of the Board, the Corporation or some Other Party. All alterations, repairs, restoration, or replacements shall be of a quality and class equal to or better than the quality and class presently located in the Facilities.

(c) The University, at the direction of the Board, shall have the right during the Term to cause the Corporation or some other Party to make or construct any additions or improvements to the Facilities, alter the Facilities, attach fixtures, structures, or signs to or on the Facilities, and affix personal property to the Facilities without the Corporation's prior written consent to the extent allowed under the terms of any insurance covering the Facilities. All such alterations, improvements, additions, attachments, repairs, restorations, and replacements of all or any portion of the Facilities shall (i) be at the sole cost and expense of the University; (ii) not reduce the then fair market value of the Facilities; (iii) be constructed in a good and workmanlike manner; and (iv) be in compliance with all Governmental Regulations.

(d) The University, at the direction of the Board, shall provide or cause to be provided all security service, custodial service, janitorial service, trash disposal, and all other services necessary for the proper upkeep and maintenance of the Facilities as required herein. The Board acknowledges that the Corporation has made no representation or warranty with respect to systems and/or procedures for the security of the Facilities, any persons occupying, using or entering the Facilities, or any equipment, furnishings, or contents of the Facilities. It is the sole responsibility of the Board, through the University to cause to be provided or to provide for the security of persons on or entering the Facilities and/or property located at the Facilities, in accordance with reasonable and prudent business practices.

Section 8. Utilities. All utilities which are used or consumed in or upon or in connection with the Facilities during the Term, including, without limitation water, gas, electricity, sewerage, garbage, or trash removal, light, cable, heat, telephone, power, computer data and other utilities necessary for the operation of the Facilities ("Utility Service") shall be the responsibility of the Board and/or the students, faculty, staff or Permitted Sublessees residing in the Facilities. Payments for Utility Services provided to the entire Facilities or to the common areas of the Facilities under such contract or contracts therefor as the Board may make shall be made by the Board directly to the respective utility companies furnishing such Utility Services.

The Corporation shall have no responsibility to the Board for the quality or availability of Utility Service to the Facilities, or for the cost to procure Utility Service. The Corporation shall not be in Default under this Facilities Lease or be liable to the Board or any other Person for direct or consequential damage, or otherwise, for any failure in supply of any Utility Service, heat, air conditioning, elevator service, cleaning service, lighting, security, or for surges or interruptions of electricity.

Section 9. Insurance.

(a) The University, at the direction of the Board, shall cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies of insurance covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood

and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance shall be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities are not repaired or replaced, insurance proceeds shall be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy shall be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other facilities leased by the Board. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one (1) year's rental in the event of loss of or damage to the Facilities.

(b) The Corporation shall:

(i) cause to be secured and maintained a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Bonds; and

(ii) cause all of the construction professionals to secure and maintain:

(A) Comprehensive or Commercial General Liability insurance;

(B) Errors and Omissions insurance;

- (C) Automobile Liability insurance;
- (D) Worker's Compensation insurance;
- (E) an all Risk Builder's Policy upon the construction on the Property;
and
- (F) boiler and machinery or additional property insurance;

all as required by the terms of any construction contracts entered into with regards to the demolition of certain existing facilities and the renovation, development and construction of the Facilities.

All insurance required in this Section and all renewals of such insurance (excepting self insurance or commercial insurance, through ORM) shall be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property/liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation shall expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the Corporation or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University is obligated to maintain according to this Facilities Lease (other than any policy of worker's compensation insurance) will name the Corporation, the Trustee and such other Persons or firms as the University may be required to name from time to time as additional insureds and shall expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee; and shall, to the extent obtainable, provide that no act or omission of the University or other provider of the insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University shall be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured with respect to destruction of or damage to any portion of the Facilities by fire, earthquake or other casualty or event shall be paid to the Trustee (or, in the case of ORM insurance, to the Board for delivery in full to the Trustee) for application in accordance with the provisions of Section 11 of this Facilities Lease and the Indenture.

The Corporation shall certify annually to the Bond Insurer that all insurance policies required by this Section 9 are as of the date of such certification in place and in effect.

Section 10. Condemnation, Casualty and Other Damage. The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any damage or destruction thereof by acts of God, fire, flood, natural disaster, the elements, casualties, thefts, riots, civil strife, lockout, war, nuclear explosion or otherwise (collectively "Casualty") or in consequence of any foreclosures, attachments, levies or executions; or the taking of all or any portion of the Facilities by condemnation, expropriation, or eminent domain proceedings (collectively "Expropriation") is expressly assumed by the Board. The Corporation and the Trustee shall in no event be answerable, accountable or liable therefor, nor shall any of the foregoing events entitle the Board to any abatements, set-offs or counter claims with respect to its Base Rental, Additional Rental or any other obligation hereunder.

Section 11. Application of Insurance Proceeds; Condemnation Award. (a) If during construction, all or any portion of the Facilities is damaged or destroyed by a Casualty, or is taken by Expropriation proceedings, the Board shall instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation shall in no way be liable for any costs of the repair, restoration or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance fund, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction or taking of all or any portion of the Facilities shall be delivered to the Trustee and held by the Trustee in trust (or in the case of self insurance through ORM, as set forth in paragraph (b) below), and shall be made available for, and to the extent necessary be applied to, such restoration, repair and replacement. Any amounts so held by the Trustee shall be disbursed to pay the costs of restoration, replacement and repair of the Facilities with respect to which they are held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing or repairing or restoring the Facilities and that no amount previously has been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee may conclusively rely upon such written requests and shall have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event shall the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under this Section. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration or replacement of the Facilities shall be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore or replace the Facilities, the proceeds shall be paid to the Board for immediate delivery to Trustee and used to redeem the Outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings is dependent on the Board entering into a lease with a

different portion of the Campus as provided in Section 13.03 of the Ground Lease. In the event it is necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with Sections 13.03 of the Ground Lease. In the event the Board, pursuant to the Ground Lease, decides not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) shall be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and this Facilities Lease and the Ground Lease shall terminate on the date that the events described in Section 2 (a) or 2 (b) hereof have occurred.

(b) In the event that ORM insures the Facilities, the Board shall use the insurance proceeds received from ORM in accordance with Policy and Procedure Memorandum Number 10 (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration or replacement of the Facilities.

Section 12. Encumbrances.

(a) **Payment by the Board.** The Board shall pay or cause to be paid all costs and charges for alterations, improvements, additions, repairs and maintenance ("Work") (i) done by the Board or caused to be done by the Board in or to the Facilities, and (ii) for all materials furnished for or in connection with such Work. The Corporation reserves all rights to collect for any loss or damage sustained or incurred by the Corporation resulting from any and all Encumbrances, demands or liabilities arising on account of the Work, which shall be payable by the Board as Additional Rent hereunder.

(b) **Failure to Discharge.** If the Board fails to pay any charge for which an Encumbrance has been filed, and the Facilities or any portion thereof is placed in imminent danger of being seized, the Corporation may, but shall not be obligated to, pay such charge and related costs and interest, and the amount so paid, together with reasonable Legal Expenses incurred in connection with such Encumbrance, will be immediately due from the Board to the Corporation as Additional Rental. Nothing contained in this Facilities Lease will be deemed the consent or agreement of the Corporation to subject the Corporation's interest in the Facilities to liability under any Encumbrance, or any mechanics', materialman's or other lien law. If the Board receives written notice that an Encumbrance has been or is about to be filed against the Facilities, or that any action affecting title to the Facilities has been commenced on account of Work done by or for the Board or for materials furnished to or for the Board, it shall immediately give the Corporation Notice of such notice.

(c) **Notice of Work.** At least fifteen (15) days prior to the commencement of any Work in or to the Facilities, by or for the University, the University shall give the Corporation Notice of the proposed Work and the names and addresses of the Persons supplying labor and materials for the proposed Work. The Corporation will have the right to post notices of

nonresponsibility or similar written notices on the Facilities in order to protect the Facilities against any such claimants.

Section 13. Assignment and Sublease. (a) Neither this Facilities Lease nor any interest of the Board in the Facilities shall be mortgaged, pledged, assigned or transferred by the Board by voluntary act or by operation of law, or otherwise; provided, however, the Board may sublease all or any portion of the Facilities, or grant concessions involving the use of all or any portion of the Facilities, whether such concessions purport to convey a leasehold interest or a license to use all or a portion of the Facilities to any University student, faculty, staff or Permitted Sublessee. No such concession, leasehold interest or license to use the Facilities shall be granted to any University students, faculty or staff for a term of more than one (1) year, or to any Permitted Sublessee for a term of more than one (1) month. The Board shall, however, at all times remain liable for the performance of the covenants and conditions on its part to be performed under this Facilities Lease (including, without limitation, the payment of Base Rental and Additional Rental), notwithstanding any subletting or granting of concessions which may be made. Nothing herein contained shall be construed to relieve the Board from its obligations to pay Base Rental and Additional Rental as provided in this Facilities Lease or to relieve the Board from any other obligations contained herein. Other than subleases to University students, faculty, staff and Permitted Sublessees, in no event will the Board sublease or permit the use of all or any part of the Facilities to any person without an opinion of Bond Counsel that such will not cause interest on the Bonds to be included in the gross income of the owners of the Series 2004A Bonds and the Series 2004B Bonds for federal income tax purposes.

(b) The Corporation shall, concurrently with the execution hereof, assign all of its right, title and interest in and to this Facilities Lease, including without limitation its right to receive Base Rental payable hereunder, to the Issuer pursuant to the Agreement, and the Issuer will in turn assign its rights under this Facilities Lease to the Trustee pursuant to the Indenture. The parties hereto further agree to execute any and all documents necessary and proper in connection therewith. Anything required or permitted to be done by the Corporation under this Facilities Lease may be done by the Trustee under the Indenture.

(c) Except as set forth in Section 13(b) hereof, the Corporation shall not sell or assign its interest in the Facility or this Facilities Lease without the prior written consent of the Board.

Section 14. Additions and Improvements Removal. At the expiration of the Term, or termination of this Facilities Lease, all alterations, fixtures, improvements and additions made by the Board or the University and all equipment placed upon the Facilities that are incorporated into or made into component parts of the Facilities, as well as, title to all property, furniture, equipment, fixtures, and other property installed at or placed upon the Facilities by the Board which is not incorporated into or made a component part of the Facilities remain the property of the Board.

The Board hereby agrees to replace such property from time to time as such property becomes worn out, obsolete, inadequate, unsuitable or undesirable. The Board may add to or remove such property from time to time, and upon expiration of the Term, provided that the Board repairs any damage to the Facilities caused by such removal.

Section 15. Right of Entry. Representatives of the Corporation and the Bond Insurer shall, subject to reasonable security precautions, and upon giving the Board not less than twenty-four (24) hours advance Notice, have the right to enter upon the Facilities during reasonable business hours (and in emergencies without notice and at all times) accompanied by a Board Representative (i) to inspect the same, (ii) for any purpose connected with the rights or obligations of the Corporation under this Facilities Lease, or (iii) for all other lawful purposes. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Sublessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 16. Mortgage Prohibition. Except as set forth in the Indenture, the Ground Lease and the Agreement, the Corporation shall not be entitled to mortgage or grant a security interest in the Facilities.

Section 17. Sale of Facilities; Attornment; and Conveyance and Transfer of the Corporation's Interest. If a person other than the Corporation shall succeed to the rights of the Corporation hereunder (in any case with the prior written consent of the Board as required hereby), upon the declaration of the successor to the Corporation's interest in this Facilities Lease, the Board agrees to fully attorn to and recognize any such successor as the Board's landlord under this Facilities Lease upon the then existing terms of this Facilities Lease, provided that such successor shall agree in writing to accept the Board's attornment and not to disturb the Board's possession so long as the Board shall observe the provisions and all covenants of this Facilities Lease. This attornment provision shall inure to the benefit of any such successor and shall be self-operative upon the election and declaration by such successor, and no further instrument shall be required to give effect to the provisions. However, the Board agrees to evidence and confirm the foregoing attornment provisions by the execution and delivery of instruments in recordable form satisfactory to such successor.

If the Facilities, or any part thereof, shall be sold or otherwise transferred by sale, assignment, transfer or other contract, or by operation of law or otherwise (with the prior written consent of the Board as required hereby and with an opinion of Bond Counsel that such action will not cause interest on the Series 2004A Bonds or the Series 2004B Bonds to be included in the gross income of the owner of the Series 2004A Bonds and the Series 2004B Bonds for federal tax purposes), and if such written consent specifically so provides, the Corporation shall be automatically and entirely released and discharged to the extent of the interest in or the portion of the Facilities sold, assigned or transferred from and after the effective date of such sale, assignment or transfer of all liability for the performance of any of the covenants of this Facilities Lease on the part of the Corporation thereafter to be performed. The purchaser or other transferee of the Facilities shall be deemed to have agreed to perform such covenants of the Corporation from and after the date of such assignment or sale during such transferee's period of ownership of the Corporation's interest under this Facilities Lease, all without further agreement between the Corporation, its successor and the Board. The Corporation's transferee shall not be held responsible for the performance of any of the covenants of this Facilities Lease on the part of the Corporation required to be performed prior to such sale and transfer, the Board reserving its rights against the Corporation for any unperformed covenants prior to such sale or transfer.

Section 18. Quiet Enjoyment. The Corporation covenants that the Board, on paying the Rental and performing and observing all of the covenants and agreements herein contained and provided to be performed by the Board or the University, shall and may peaceably and quietly have, hold, occupy, use, and enjoy the Facilities during the Term and may exercise all of its rights hereunder; and the Corporation agrees to warrant and forever defend the Board's right to such occupancy, use, and enjoyment and the title to the Facilities against the claims of any and all persons whomsoever lawfully claiming the same, or any part thereof subject only to the provisions of this Facilities Lease.

Section 19. Environmental Compliance and Indemnity.

(a) **Environmental Compliance.** The Board or the University shall operate or cause to be operated the Facilities in compliance with all Environmental Requirements continuously during the Term, and for such periods of time prior to the Commencement Date and after the Expiration Date, as long as the Board is in possession of the Facilities, in whole or in part. The Board shall not cause or permit any Hazardous Substance to be brought upon, kept, or used in or about the Facilities or the Land, except for such Hazardous Substance as is necessary or useful to the operation of the Facilities.

(b) **The Board's Liability.** If the Board fails to comply with any of the foregoing warranties, representations, and covenants, and removal or Remediation of any Hazardous Substance found on the Facilities is required by Environmental Requirements or Governmental Authority, the Board shall promptly undertake the removal or Remediation of such Hazardous Substance, at the Board's sole cost and expense. In the event the Board fails or refuses to undertake such removal or Remedial actions, the Corporation may cause the removal or Remediation (or other cleanup reasonable acceptable to the Corporation) of any such Hazardous Substance from the Land or the Facilities. The reasonable costs of removal, Remediation, or any other cleanup (including transportation and storage costs) will be considered as Additional Rental under this Facilities Lease, whether or not a court has ordered the cleanup, and those costs will become due and payable within ninety (90) days of written demand by the Corporation. In connection therewith, the Board will give the Corporation, its agents, and employees access to the Facilities to remove, remediate, or otherwise clean up any Hazardous Substance. The Corporation, however, has no affirmative obligation to remove, remediate, or otherwise clean up any Hazardous Substance, and this Facilities Lease will not be construed as creating any such obligation. The Board hereby agrees that it shall be fully liable for all costs and expenses related to the use, storage, and disposal of any Hazardous Substance located in or about the Facilities by the Board.

Section 20. The Corporation's Reservation of Rights.

(a) The Corporation hereby reserves all of its rights to recover from the Board for any and all Claims asserted against the Corporation, including Litigation Expenses arising out of or by reason of:

(i) any injury to or death of any person or damage to property occurring on or about the Facilities occasioned by or growing out of or arising or resulting from any tortious or

negligent act on the part of the Board in connection with the operation and management of the Facilities; or

(ii) any failure, breach, or default on the part of the Board in the performance of or compliance with any of the obligations of the Board under the terms of this Facilities Lease.

(b) Notwithstanding the fact that it is the intention of the parties that the Corporation shall not incur any pecuniary liability by reason of the terms of this Facilities Lease or the undertakings required of the Corporation hereunder, nevertheless, if the Corporation should incur any such pecuniary liability, then in that event, the Corporation shall be entitled to assert all rights and remedies granted in law or in equity to recover from the Board the amount of any pecuniary liability incurred by the Corporation, plus all Litigation Expenses incurred in defense of such liability to the extent subject to indemnification pursuant to Subsection (a) above.

(c) No recourse shall be had for the enforcement of any obligation, covenant, or agreement of the Corporation contained in this Facilities Lease or any Claim based thereon against the Corporation or of any successor thereto or member thereof, either directly or through the Corporation whether by virtue of any constitutional provision, statute, or rule of law. This Facilities Lease and the obligations of the Corporation hereunder, and any Claim asserted against the Corporation are solely corporate obligations, and the enforcement of any obligation or Claim shall be limited solely to the Corporation's interest in the Facilities. No personal liability shall attach to, or be incurred by, any officer, director, agent, employee or member of the Corporation and the Board acknowledges that all personal liability of any character against every such officer, director, agent, employee or member by the execution of this Facilities Lease, is expressly waived and released. The immunity of any officer, director, agent, employee or member of the Corporation under the provisions contained in this Section 20 shall survive any acquisition of the Facilities by the Board and the expiration or other termination of this Facilities Lease.

Section 21. Default by the Board. If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to Section 6 hereof by the close of business on the day such deposit is required pursuant to Section 6 hereof, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under this Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants or conditions herein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board shall be deemed to be in default hereunder, and the Corporation shall have the right, at its option, without any further demand or notice to terminate this Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board, in which case the Board's right to possession of the Facilities will cease and this Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing

for the period up to the time the Corporation regains possession (which have been approved for payment under this Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board which survive termination of this Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the rights of students, faculty, staff and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry shall be allowed by the Board without hindrance, and the Corporation shall not be liable in damages for any such re-entry or be guilty of trespass. The Corporation understands and agrees that upon its termination of the Board's right to possession of the Facilities or termination of this Facilities Lease, the Corporation upon its re-entry of the Facilities shall only be allowed to use the Facilities for the Permitted Use and shall be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of this Facilities Lease, (i) in no event shall the Corporation have the right to accelerate the payment of any Base Rental payment hereunder and (ii) the Bond Insurer shall have ninety (90) days to cure an Event of Default hereunder.

Notwithstanding anything contained in this Section 21 to the contrary, a failure by the Board to pay when due any payment required to be made under this Facilities Lease or a failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Facilities Lease, resulting from a failure by the Board to appropriate moneys shall not constitute an Event of Default under this Section 21 and the Corporation shall not have any of the remedial rights set forth in this Section 21. Notwithstanding the foregoing, in such event the Board acknowledges that the Facilities Lease shall terminate and the Board shall immediately vacate the Facilities, and deliver the Facilities to the Corporation.

Section 22. Cumulative Remedies. Each right and remedy provided for in this Facilities Lease is cumulative and is in addition to every other right or remedy provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in this Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of this Facilities Lease or to enforce any provision of this Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

Section 23. Option to Purchase. For and in consideration of the obligations of the Board under the Facilities Lease, the mutual undertakings of the parties, the receipt and adequacy

of which is hereby acknowledged, the Corporation grants to the Board an exclusive and irrevocable option to purchase for the price and on the terms, provisions, stipulations and conditions hereinafter set forth, all but not less than all of the Corporation's leasehold interest in the Facilities.

(a) **Effective Date.** The effective date of this Option agreement shall be the Commencement Date.

(b) **Term of Option.** The Option shall expire at midnight Central Standard Time, on the Expiration Date, or upon the termination of this Facilities Lease, whichever occurs first.

(c) **Limitation on Exercise of Option.** The Board may not exercise the Option, and the Option shall be voidable, at the sole election of the Corporation, if a Default by the Board has occurred and is continuing under the Facilities Lease, and the applicable time period in which the Board may cure such default has expired. Notwithstanding any provision of this Option to the contrary, the Board shall be entitled to exercise the Option as long as the Board is legally obligated to make payments of Base Rental under the Facilities Lease.

(d) **Exercise of Option.** The Board may exercise the Option herein granted at any time on or before expiration of the Term, on any Interest Payment Date on or after August 1, 2014 or on the date the Bonds are defeased pursuant to Article XII of the Indenture, by Notice to the Corporation of its election to exercise the Option and purchase the Corporation's interest in and to the Facilities given not less than sixty (60) days prior to the date on which the Board desires to purchase the Facilities.

(e) **Purchase Price.** The Purchase Price shall be equal to the principal of all Bonds then Outstanding plus the interest to accrue on such Bonds until the purchase date plus any prepayment penalties, charges or costs for early prepayment or defeasance of the Bonds and any Administrative Expenses owed prior to the purchase date which payments are necessary to discharge the Indenture pursuant to Article XII thereof (collectively, the "Purchase Price").

(f) **Effect on Facilities Lease and Ground Lease.** Upon the purchase of the Corporation's leasehold interest in the Facilities by the Board pursuant to this Option, the Facilities Lease and the Ground Lease shall terminate and all of the Corporation's leasehold interest in the Land and the Facilities shall terminate.

(g) **Payment of Purchase Price.** The Board, on the purchase date, shall deposit an amount equal to the Purchase Price with the Trustee.

(i) **Conveyance.** In the event of and upon the payment of the Purchase Price and any other sums due under this Facilities Lease by the Board, the Corporation will on the purchase date execute and deliver to the Board a written cancellation of the Ground Lease and this Facilities Lease.

(ii) **Assignment of Contract Rights and Obligations.** The conveyance of the Corporation's leasehold interest in the Facilities shall also effect a transfer and

assignment of all rights, warranties and liabilities of the Corporation under then existing contracts of any nature with respect to the Facilities.

(h) **Closing.** In the event the Option is timely exercised, notice of the Board's election to the Corporation shall constitute an irrevocable conversion of the Option into a binding obligation of the Corporation to sell its leasehold interest in the Facilities and the Board to buy the same under the terms and conditions set forth in this Section 23, and in such event, the Corporation and the Board shall have the right to demand specific performance of this agreement by the other. The closing shall occur at the offices of the Board or its counsel, or at such other time, place, and date as agreed upon by the Corporation and the Board.

(i) **Closing Costs.** The Board shall pay all closing costs and charges incident to the conveyance of the Corporation's interest in the Land and the Facilities.

(j) **No Warranty.** The Corporation shall convey its leasehold interest in the Facilities without any warranty whatsoever of any nature. The conveyance of the leasehold interest in the Facilities shall be without any warranty as to fitness and condition, as set forth in Section 5 of this Facilities Lease. Language substantially similar to the language contained in Section 5 of this Facilities Lease shall be incorporated into and made a part of such conveyance. In no event shall the Corporation be responsible for any defects in title.

(k) **Default under the Option:**

(i) In the event the Option is exercised, and the Corporation fails to consummate the transactions contemplated herein for any reason, except default by the Board or the failure of the Board to satisfy any of the conditions set forth herein, the Board may, in addition to any other rights and remedies which may otherwise be available to the Board, enforce this agreement by specific performance. The Board's remedies under this Section are expressly subject to the provisions of Section 30 of this Facilities Lease.

(ii) In the event the Option is exercised, and the Board fails to consummate the transactions contemplated herein for any reason, except default by the Corporation or the failure of the Corporation to satisfy any of the conditions set forth herein, the Corporation (a) may enforce this agreement by specific performance and in such action shall have the right to recover damages suffered by reason of the Board's delay; or (b) may bring suit for damages for breach of this agreement.

(iii) No delay or omission in the exercise of any right or remedy accruing to either party upon any breach by the other party under this Section 23 shall impair such right or remedy or be construed as a waiver of any such breach theretofore or thereafter occurring. The waiver by either party of any condition or any subsequent breach of the same or any other term, covenant or condition contained in this Section 23 shall not be deemed to be a waiver of any other condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.

(l) **Attorney's Fees.** Should either party employ an attorney or attorneys to enforce any of the provisions hereof, or to protect its interest in any matter arising under this agreement, or to recover damages for the breach of this agreement, the party prevailing in any final judgment shall have the right to collect from the losing party all Litigation Expenses incurred in enforcing such rights.

(m) **Notices.** Any notices required or permitted under this Section 23 shall be in writing and delivered either in person to the other party, or the other party's authorized agent, or by United States Certified Mail, return receipt requested, postage prepaid, to the address set forth in Section 50 of this Facilities Lease, or to such other address as either party may designate in writing and delivered as herein provided.

(n) **Assignability.** Except as set forth in the Indenture, the Mortgage or the Ground Lease, the Option may not be assigned by the Corporation or its interest in the Facilities sold (subject to the Option or otherwise) to any person or entity without the Board's prior written consent, which consent may be withheld by the Board in its sole discretion.

(o) **Time of Essence:** Time is of the essence of this Option.

(p) **Binding Effect:** This Option shall be binding upon and shall inure to the benefit of the parties hereto and their heirs, successors and assigns.

Section 24. Severability. If any provisions of this Facilities Lease shall be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative or unenforceable, to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections contained in this Facilities Lease shall not affect the remaining portions of this Facilities Lease, or any part thereof.

Section 25. Redemption of Bonds. The Corporation agrees that it will not exercise its option to redeem any Bonds pursuant to the Indenture unless the Board consents to such redemption or such redemption is to be effected with moneys derived from a source other than payments made by the Board under this Facilities Lease, however, in no event shall the mandatory redemption of any Bonds pursuant to the Indenture require the consent of the Board. The Corporation further agrees that if requested by the Board it will take all actions necessary to redeem all or any portion of the Bonds designated by the Board on the first date that it may do so under the terms of the Indenture so long as the Board agrees to provide funds in an amount, and at the time, required to effect such redemption.

Section 26. Additional Bonds. Upon the request and at the expense of the Board, the Corporation shall take action as may be required to effect the issuance of Additional Bonds in such amount as the Board may request as permitted by and in accordance with the provisions of the Indenture for any purpose permitted thereby.

Section 27. Execution. This Facilities Lease may be simultaneously executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of which together shall constitute one and the same Facilities Lease.

Section 28. Law Governing. This Facilities Lease is made in the State under the constitution and laws of the State and is to be governed by the laws of the State.

Section 29. Nonappropriation of Funds. In the event no funds or insufficient funds are lawfully appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental due during the next succeeding Fiscal Year, the Board will immediately notify the Corporation and the Trustee of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, this Facilities Lease shall terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments herein agreed upon for Fiscal Years for which sufficient funds have been lawfully appropriated. In the event of such termination, the Board agrees peaceably to surrender possession of the Facilities to the Corporation on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in this Facilities Lease. The Board acknowledges that the Corporation's rights to take possession and to re-let or sell the Facilities under this Section 29 may be assigned to the Trustee for the benefit of the owners of the Bonds, and the Board agrees that the Trustee shall be entitled to exercise all of the rights of the Corporation under this Section 29. The event of an inability by the Board to cause the appropriation of sufficient funds for the payment of sums due under this Facilities Lease shall not constitute a default hereunder, but shall ipso facto terminate this Facilities Lease. This provision is operative notwithstanding any provisions of this Facilities Lease to the contrary. The Board shall be considered in default hereunder if sufficient funds are lawfully appropriated for the payment of Rental required under this Facilities Lease and the Board fails to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation shall be entitled to the rights and remedies set forth in Sections 21 and 22 hereof.

Section 30. Exculpatory Provision. In the exercise of the powers of the Corporation and its trustees, officers, employees and agents under this Facilities Lease and the Indenture, the Corporation shall not be accountable or liable to the Board (i) for any actions taken or omitted by it or its officers, employees or agents in good faith and believed by it or them to be authorized or within their discretion or rights or powers conferred upon them, or (ii) for any claims based on this Facilities Lease against any officer, employee or agent of the Corporation in his or her personal capacity, all such liability, if any, being expressly waived by the Board by the execution of this Facilities Lease. Nothing in this Facilities Lease or the Indenture is intended to require or obligate, nor shall anything herein or therein be interpreted to require or obligate, the Corporation for any purpose or at any time whatsoever, to provide, apply or expend any funds coming into the hands of the Corporation other than the funds derived from the issuance of the Bonds under the Indenture and moneys derived pursuant to the Indenture and this Facilities Lease.

The Board specifically agrees to look solely to the Corporation's interest in the Facilities for the recovery of any judgments from the Corporation. It is agreed that the Corporation will not be personally liable for any such judgments, or incur any pecuniary liability as a result of this Facilities Lease to the Board, or the breach of its obligations hereunder. The Corporation's liability under this Facilities Lease is "in rem" as to its interest in the Facilities. The provisions contained in the preceding sentences are not intended to and will not limit any right that the Board might otherwise have to obtain injunctive relief against the Corporation or relief in any suit or action in connection with enforcement or collection of amounts that may become owing or payable under or on account of insurance maintained by the Corporation.

Section 31. Amendments. This Facilities Lease may be amended only as permitted in Article VIII of the Agreement.

Section 32. Recording. The Corporation covenants and agrees that it will promptly record and from time to time re-record a memorandum in recordable form of this Facilities Lease and the Indenture and all supplements thereto and hereto in such manner and in such places as may be required by law in order to fully protect and preserve the security of the holders or owners of the Bonds.

Section 33. Construction Against Drafting Party. The Corporation and the Board acknowledge that each of them and their counsel have had an opportunity to review this Facilities Lease and that each Party was responsible for the drafting thereof.

Section 34. Time of the Essence. Time is of the essence of each and every provision of this Facilities Lease.

Section 35. No Waiver. The waiver by the Corporation of any agreement, condition, or provision contained in this Facilities Lease will not be deemed to be a waiver of any subsequent breach of the same or any other agreement, condition, or provision contained in this Facilities Lease, nor will any custom or practice that may grow up between the parties in the administration of the terms of this Facilities Lease be construed to waive or to lessen the right of the Corporation to insist upon the performance by the Board in strict accordance with the terms of this Facilities Lease. The subsequent acceptance of Rental by the Corporation will not be deemed to be a waiver of any preceding breach by the Board of any agreement, condition, or provision of this Facilities Lease, other than the failure of the Board to pay the particular Rental so accepted, regardless of the Corporation's knowledge of such preceding breach at the time of acceptance of such Rental.

Section 36. Survival. To the extent permitted by law and to the extent such will not constitute the incurrence of debt by the Board, all of the Corporation's remedies and rights of recovery under Sections 19 and 20 of this Facilities Lease shall survive the Term and/or the purchase of the Facilities by the Board under the Option.

Section 37. Counterparts. This Facilities Lease may be executed in any number of counterparts, each of which shall be an original, but all of which shall together constitute one and the same instrument.

Section 38. Estoppel Certificates. Any such certificate may be relied upon by any prospective purchaser or existing or prospective mortgagee of the Facilities or any part thereof. The Board's failure to notify the Corporation of any inaccuracies in the proposed certificate within the specified time period shall be conclusive evidence that the matters set forth in the certificate are accurate and correct.

Section 39. Waiver of Jury Trial. The Corporation and the Board waive trial by jury in any action, proceeding, or counterclaim brought by either of the Parties to this Facilities Lease against the other on any matters whatsoever arising out of or in any way connected with this Facilities Lease, the relationship of the Corporation and the Board, the Board's use or occupancy of the Facilities, or any other Claims, and any emergency statutory or any other statutory remedy.

Section 40. Written Amendment Required. No amendment, alteration, modification of, or addition to the Facilities Lease will be valid or binding unless expressed in writing and signed by the Corporation and the Board and consented to the extent required by Article VIII of the Agreement.

Section 41. Entire Agreement. This Facilities Lease, the exhibits and addenda, if any, contain the entire agreement between the Corporation and the Board. No promises or representations, except as contained in this Facilities Lease, have been made to the Board respecting the condition or the manner of operating the Facilities.

Section 42. Signs. The Board may attach any sign on any part of the Facilities, or in the halls, lobbies, windows, or elevator banks of the Facilities, without the Corporation approval. The Board may name the Facilities and change the name, number, or designation of the Facilities, without the Corporation's prior consent.

Section 43. Litigation Expenses. The Board will pay the Corporation as Additional Rental all reasonable Litigation Expenses and all other reasonable expenses which may be incurred by the Corporation in enforcing any of the obligations of the Board under this Facilities Lease, in exercising its rights to recover against the Board for loss or damage sustained in accordance with the provisions of this Facilities Lease, or in any litigation or negotiation in which the Corporation shall, without its fault, become involved through or because of this Facilities Lease.

Section 44. Brokers. The Corporation and the Board respectively represent and warrant to each other that neither of them has consulted or negotiated with any broker or finder with regard to the Facilities.

Section 45. No Easements for Air or Light. Any diminution or shutting off of light, air, or view by any structure that may be erected on any of the lands constituting the Facilities, or on lands adjacent to the Facilities, will in no way affect this Facilities Lease or impose any liability on the Corporation. This Facilities Lease does not grant any rights to light, view and/or air over the Facilities whatsoever.

Section 46. Binding Effect. The covenants, conditions, and agreements contained in this Facilities Lease will bind and inure to the benefit of the Corporation and the Board and their respective permitted successors and assigns.

Environmental Requirements or the generation, presence, management, release, escape, spillage, seepage, leakage, dumping, pouring, emptying, treatment, discharge, emission, handling, storage, transportation, disposal, or the like of Hazardous Substances or storage tanks, or any other matter regulated under Environmental Requirements.

3. The Mortgagor itself agrees to, or agrees to cause the Board, as appropriate, promptly to notify the Mortgagee in writing of: (i) any enforcement, cleanup, removal, or other governmental or regulatory action, investigation, notice of violation, or any other proceeding instituted against the Mortgagor or the Mortgaged Property and (ii) any suit, cause of action, or any other claim made or threatened by any third party against the Mortgagor or the Mortgaged Property relating to damage, contribution, cost recovery, compensation, loss, or injury resulting from any Hazardous Substances. The provisions of the preceding sentence shall be in addition to any and all other obligations and liabilities that the Mortgagor may have to the Mortgagee under applicable law.

4. The Mortgagor itself agrees to, or agrees to cause the Board, as appropriate, to promptly take any and all necessary remedial and response actions in response to the presence, storage, use, disposal, transportation, or discharge of any Hazardous Materials on, under, above, or about the Mortgaged Property, any alleged violation of Environmental Requirements that could lead to liability; provided, however, that the Mortgagor shall not take any such remedial or response action or enter into any settlement agreement, consent decree, or other compromise in respect to any claims, proceedings, lawsuits, or actions completed or threatened as a result of any actual or alleged Hazardous Substances on, under, above, or about the Mortgaged Property, or enter into any settlement agreement, consent decree, or other compromise in respect to any claims, proceedings, lawsuits, or actions completed or threatened pursuant to any Environmental Requirements, without, in each case, obtaining the Mortgagee's prior written consent; provided further, however, that the Mortgagee's prior consent shall not be necessary in the event that the presence of Hazardous Substances on, under, above, or about the Mortgaged Property either: (i) poses an immediate threat to the health, safety, or welfare of any individual or (ii) is of such a nature that an immediate remedial response is necessary and it is not possible to obtain the consent prior to undertaking such action. In the event that the Mortgagor undertakes remedial action with respect to any Hazardous Substances on, under, above, or about the Mortgaged Property as set forth in clauses (i) and (ii) above, the Mortgagor shall immediately notify the Mortgagee of any such remedial/response action, and shall conduct and complete, or cause a sublessee to conduct and complete such remedial/response action in compliance with all applicable Environmental Requirements and in accordance with the orders and directives of all federal, state, and local Governmental Authorities having jurisdiction.

5. The Mortgagor shall or shall cause the Board to indemnify, defend, and hold harmless the Mortgagee and the Bond Insurer from and against any and all claims, demands, costs, losses, liabilities (including those based on strict liability), expenses (including reasonable attorneys' fees, whether suit is instituted or not), judgments, fines, penalties, or amounts paid in settlement (collectively, "Losses") incurred by the Mortgagee and/or the Bond Insurer in connection with or as a result of the presence, storage, use, disposal, transportation, discharge, or release or threatened release on, under, from, above, or about the

Mortgaged Property of any Hazardous Substances or any violations of any Environmental Requirements arising out of acts or omissions of the Mortgagor, or the Board, or their agents, tenants, occupants, employees, or contractors. To the extent of such indemnity, Losses indemnified against specifically shall include costs incurred in connection with (i) any investigation or monitoring of site conditions; (ii) any clean up, containment, remediation, removal, or restoration work required or performed by any federal, state, or local Governmental Authority or performed by the Mortgagor, the Board or any other Person because of the presence, storage, use, disposal, transportation, discharge, or release or threatened release of any Hazardous Substances on, in, from, under, or about the Mortgaged Property, and (iii) any claims by third parties for Losses due to the presence, storage, use, disposal, transportation, discharge, or release or threatened release of such Hazardous Substances or the cleanup, containment, remediation, or removal thereof.

6. The indemnity provisions contained in this Section 5.9 shall survive the payment of the Obligations and the cancellation of this Mortgage.

Section 5.10 Notice of Changes. The Mortgagor will not change its name, identity, federal tax identification number or corporate structure in any manner unless it shall have given the Mortgagee and the Bond Insurer at least thirty (30) days' prior written notice thereof. The Mortgagor will not change the location of (i) its chief executive office or chief place of business, or (ii) the locations where it keeps or holds any Collateral or any records relating thereto, from the applicable location described in Section 7.6 hereof unless it shall have given the Mortgagee and the Bond Insurer at least 30 days' prior written notice thereof.

Section 5.11 Filing. The Mortgagor agrees that a carbon, photographic, facsimile, photostatic or other reproduction of this Mortgage or of a financing statement is sufficient as a financing statement. The Mortgagor shall pay all costs of or incidental to the recording or filing of any financing, amendment, continuation, termination or other statements concerning the Collateral.

Section 5.12 Accounts Collection. The Mortgagor shall use its best efforts to cause to be collected from its account debtors, as and when due, any and all amounts owing under or on account of each Account (including, without limitation, Accounts that are delinquent, such Accounts to be collected in accordance with lawful collection procedures) and shall apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Account. Subject to the rights of the Mortgagee hereunder, if an Event of Default shall have occurred and be continuing, the Mortgagor may allow as adjustments to amounts owing under its Accounts (i) an extension or renewal of the time or times of payment, or settlement for less than the total unpaid balance, and (ii) a refund or credit due as a result of returned or damaged merchandise, all in accordance with the Mortgagor's ordinary course of business consistent with its historical collection practices and with sound business judgment. The costs and expenses (including, without limitation, attorneys' fees) of collection, whether incurred by the Mortgagor or the Mortgagee, shall be borne by the Mortgagor.

Section 5.13 Instruments. While an Event of Default has occurred and is continuing, the Mortgagor will immediately deliver and pledge to the Mortgagee each instrument evidencing, representing or otherwise arising from an Account or General Intangible, appropriately endorsed to the Mortgagee, provided that so long as no Event of Default shall have occurred and be continuing,

the Mortgagor may refrain from such delivery and may retain possession of, for the purpose of collection in the ordinary course, any such instruments received by it in the ordinary course of business.

Section 5.14 Transfer and Other Liens. The Mortgagor will not sell, lease, transfer, exchange or otherwise dispose of the Collateral or the Proceeds, or any part thereof, and except as otherwise permitted under the Indenture and the Agreement without the prior written consent of the Mortgagee, and will not permit any Lien to attach to the Collateral or the Proceeds, or any part thereof, other than Permitted Liens, except that the Mortgagor may, in the ordinary course of its business and in the absence of an Event of Default, collect its Accounts and General Intangibles.

Section 5.15 Use of Mortgaged Property; Leases. The Mortgagor shall, or shall cause the Board to maintain, preserve, and renew all rights of way, servitudes, grants, privileges, licenses, permits, zoning approvals, and franchises necessary for the use of the Mortgaged Property and shall not, unless required by applicable law or unless the Mortgagee has otherwise agreed in writing, allow changes in the use for which the Mortgaged Property was intended under the Facilities Lease and the Ground Lease. To the extent permitted by law, the Mortgagor shall not permit the Board to initiate or acquiesce in a change in the zoning classification of the Mortgaged Property without the Mortgagee's prior written consent. The Mortgagor will observe and perform all the obligations imposed upon it as landlord under the Leases, if any, and not do or permit to be done anything to impair the security thereof; will exercise any option or election contained in or relating to any of the Leases that the Mortgagee shall require; at the Mortgagee's request, will assign and transfer to the Mortgagee by specific assignment of leases any and all subsequent Leases upon all or any part of the Property or the Facilities; and to execute and deliver at the request of the Mortgagee all such further assurances and assignments in the premises covered by the Leases as the Mortgagee shall from time to time require.

Section 5.16 Additional Provisions Regarding the Ground Lease. (a) The Mortgagor shall pay all rent and other charges required under the Ground Lease as and when the same are due and the Mortgagor shall keep, observe, and perform, or cause to be kept, observed, and performed, all of the other terms, covenants, provisions, and agreements of the Ground Lease on the part of the tenant thereunder to be kept, observed, and performed, and shall not in any manner, cancel, terminate, or surrender, or permit any cancellation, termination, or surrender of the Ground Lease, in whole or in part, or, without the written consent of the Mortgagee, either orally or in writing, modify, amend, or permit any modification or amendment of any of the terms thereof in any respect, and any attempt on the part of the Mortgagor to exercise any such right without such written consent of the Mortgagee shall be null and void ab initio and of no force or effect.

- (b) The Mortgagor shall do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of the Mortgagor as tenant under the Ground Lease and to prevent any default under the Ground Lease or any termination, surrender, cancellation, forfeiture, or impairment thereof, and in the event of the failure of the Mortgagor to make any payment required to be made by the Mortgagor pursuant to the provisions of the Ground Lease or to keep, observe, or perform, or cause to be kept, observed, or performed, any of the terms, covenants, provisions, or agreements of the Ground Lease, the Mortgagor agrees that the Mortgagee may (but shall not be

obligated to) take any action on behalf of the Mortgagor, to make or cause to be kept, observed, or performed any such terms, covenants, provisions, or agreements and to enter upon the Mortgaged Property and take all such action thereof as may be necessary therefor to the end that the rights of the Mortgagor in and to the leasehold estate created by the Ground Lease shall be kept unimpaired and free from default, and all money so expended by the Mortgagee, with interest thereon at the Default Rate from the date of each such expenditure, shall be paid by the Mortgagor to the Mortgagee promptly upon demand by the Mortgagee and shall be added to the Obligations, and the Mortgagee shall have, in addition to any other remedy thereof, the same rights and remedies in the event of non-payment of any such sum by the Mortgagor as in the case of a default by the Mortgagor in the payment of any sums due under the Loan Documents.

- (c) The Mortgagor shall enforce the obligations of the Ground Lessor under the Ground Lease to the end that it may enjoy all of the rights granted to it under the Ground Lease; promptly notify the Mortgagee in writing of any default by the Ground Lessor or by the Mortgagor in the performance or observance of any of the terms, covenants, or conditions on the part of the Ground Lessor or the Mortgagor, as the case may be, to be performed or observed under the Ground Lease; promptly advise the Mortgagee in writing of the occurrences of any of the events of default enumerated in the Ground Lease and of the giving of any notice by the Ground Lessor to the Mortgagor of any default by the Mortgagor in performance or observance of any of the terms, covenants, or conditions of the Ground Lease on the part of the Mortgagor to be performed or observed; and promptly deliver to the Mortgagee a true and complete copy of each such notice. If, pursuant to the Ground Lease, the Ground Lessor shall deliver to the Mortgagee a copy of any notice of default given to the Mortgagor, such notice shall constitute full authority and protection to the Mortgagee for any action taken or omitted to be taken by the Mortgagee in good faith in reliance thereon.
- (d) If any action or proceeding shall be instituted to evict the Mortgagor or to recover possession of the Mortgaged Property or for any other purpose affecting the Ground Lease or this Mortgage, the Mortgagor shall, immediately upon service thereof on or to the Mortgagor, deliver to the Mortgagee a true and complete copy of each petition, summons, complaint, notice of motion, order to show cause and of all other provisions, pleadings, and papers, however designated, served in any such action or proceeding.
- (e) The Mortgagor covenants and agrees that unless the Mortgagee shall otherwise expressly consent in writing, the fee title to the Property and the leasehold estate shall not merge, but shall always remain separate and distinct, notwithstanding the union of said estates either in the Ground Lessor, the Mortgagor, or a third party by purchase or otherwise; and in case the Mortgagor acquires the fee title or any other estate, title, or interest in the Mortgaged Property, this Mortgage shall attach to and, cover, and be a lien upon the fee title or such other estate so acquired, and such fee title or other estate shall, without further assignment, mortgage, or conveyance, become and be subject to the lien of and covered by this Mortgage.

- (f) No release or forbearance of any of the Mortgagor's obligations under the Ground Lease, pursuant to the Ground Lease or otherwise, shall release the Mortgagor from any of its obligations under this Mortgage, including its obligation with respect to the payment of rent as provided for in the Ground Lease and the performance of all of the terms, provisions, covenants, conditions, and agreements contained in the Ground Lease to be kept, performed, and complied with by the tenant therein.
- (g) The Mortgagor shall not make any election or give any consent or approval (other than the exercise of a renewal right or extension right or other right conferring a benefit on the Mortgagor, provided that any such action has no adverse effect or consequence to the Mortgagee) for which a right to do so is conferred upon the Mortgagor as tenant under the Ground Lease without the prior written consent of the Mortgagee. In case of any Event of Default under this Mortgage, all such rights, together with the right of termination, cancellation, modification, change, supplement, alteration, or amendment of the Ground Lease, all of which have been assigned for collateral purposes to the Mortgagee, shall vest in and be exercisable solely by the Mortgagee.
- (h) Not more than three hundred sixty (360) and not less than two hundred seventy (270) days before the right of the Mortgagor to exercise any option or right to renew or extend the term of the Ground Lease shall expire, the Mortgagor shall give the Mortgagee written notice specifying the date, term, and manner for which such option or renewal is to be exercised. Within ten (10) days of written demand by the Mortgagee, the Mortgagor shall exercise any such option or renewal which is necessary to extend the term of the Ground Lease beyond the term of this Mortgage or to comply with any law affecting the Mortgagor or the Mortgagee or which is necessary, in the reasonable judgment of the Mortgagee, to preserve the value of the Mortgaged Property intended to be afforded by this Mortgage. The Mortgagor shall promptly provide evidence of such exercise of such option or right to the reasonable satisfaction of the Mortgagee. In the event that the Mortgagor fails to so exercise any such option or right or upon the occurrence of an Event of Default, the Mortgagor hereby agrees and grants to the Mortgagee all right and authority to exercise such option in the name of the Mortgagor or in its own name. Nothing contained herein shall affect or limit any rights of the Mortgagee under the Ground Lease.
- (i) If there shall be filed by or against the Mortgagor a petition under the United States Bankruptcy Code, Title 11 of the United States Code (the "Bankruptcy Code"), then the lien of this Mortgage shall attach to all of the Mortgagor's rights and remedies at any time arising under or pursuant to the Bankruptcy Code, including, but not limited to, §365 thereof. Upon the filing of any petition by or against the Mortgagor under the Bankruptcy Code, the Mortgagor shall immediately provide copies of all pleadings and notices related thereto to the Mortgagee. The Mortgagor unconditionally assigns to the Mortgagee all of the Mortgagor's rights to remain in possession of the Mortgaged Property following the filing of any bankruptcy petition by or against the Mortgagor, and acknowledges that the Mortgagee may file any

pleading in furtherance thereof. This assignment constitutes a present, irrevocable, and unconditional assignment of the foregoing claims, rights, and remedies of the Mortgagor, and shall continue in effect until all of the Obligations shall have been satisfied and discharged in full. Furthermore, the Mortgagor hereby irrevocably constitutes and appoints the Mortgagee as the Mortgagor's attorney-in-fact for the purpose of filing any pleading in the court in which the initial petition was filed or any court to which the action thereon may be removed, transferred, or assigned (the "Bankruptcy Court") that the Mortgagee determines in its sole discretion to protect the Mortgagee's interests in and to the Mortgaged Property, including but not limited to a motion to extend any applicable time period for the filing of any motion related to the assumption of the Ground Lease.

- (i) The Mortgagor shall not, without the prior written consent of the Mortgagee, file any motion or other pleading to reject or otherwise elect to treat the Ground Lease as terminated under §365 of the Bankruptcy Code. Any such motion, pleading, or election made without such prior written consent shall be void ab initio, and this Mortgage may be pled in bar thereof. If the Mortgagor does file such a motion to reject the Ground Lease under §365 of the Bankruptcy Code, the Mortgagor hereby acknowledges and agrees that, unless the Mortgagee consents in writing to such rejection, the Mortgagor may not reject the Ground Lease unless the Mortgagor proves, by a preponderance of the evidence, that the Mortgagor was "insolvent," within the meaning of §101 of the Bankruptcy Code, on the petition filing date. If the Mortgagor, as tenant under the Ground Lease and as debtor under the Bankruptcy Code, shall desire to reject the Ground Lease pursuant to §365 of the Bankruptcy Code, the Mortgagor shall give the Mortgagee not less than thirty (30) days' prior written notice of the date on which the Mortgagor intends to file a motion in or otherwise apply to the Bankruptcy Court for authority to reject the Ground Lease. In such event, the Mortgagee shall have the right, but not the obligation, to serve upon the Mortgagor within such thirty (30) day period a notice stating that the Mortgagee demands that the Mortgagor assume the Ground Lease and assign the Ground Lease to the Mortgagee or the Mortgagee's designee pursuant to §365 of the Bankruptcy Code. If the Mortgagee shall serve upon the Mortgagor the notice described in the preceding sentence, the Mortgagor shall not seek to reject the Ground Lease and shall comply with the demand provided for in the preceding sentence.
- (ii) If the Mortgagor shall desire to assume the Ground Lease, then the Mortgagor shall give the Mortgagee not less than thirty (30) days' prior written notice of the date on which the Mortgagor intends to file a motion in, or otherwise apply to, the Bankruptcy Court for authority to assume the Ground Lease. The Mortgagor shall inform the Mortgagee as a part of such notice whether or not the Mortgagor intends to assign the Ground Lease following assumption thereof. The Mortgagee shall have the right, but not the obligation, to serve upon the Mortgagor within such thirty (30) day period a notice stating that the

Mortgagee demands that the Mortgagor assume the Ground Lease and assign the Ground Lease to the Mortgagee or the Mortgagee's designee pursuant to §365 of the Bankruptcy Code, and such election by the Mortgagee shall be binding upon the Mortgagor. Should the Mortgagor file a motion to assume the Ground Lease, the Mortgagee shall have the sole right to determine what terms and conditions will provide the Mortgagee with "adequate assurance of future performance," within the meaning of §365 of the Bankruptcy Code.

- (j) If there shall be filed by or against the Ground Lessor or any fee owner of the Mortgaged Property a petition under the Bankruptcy Code, the Mortgagor shall, after obtaining knowledge thereof, promptly notify the Mortgagee thereof in writing. The Mortgagor shall promptly deliver to the Mortgagee, following receipt, complete and correct copies of any and all notices, motions, summonses, pleadings, claim forms, applications, and other documents received by the Mortgagor in connection with any such petition and any proceedings relating thereto. In the event of such a bankruptcy filing, the Mortgagee shall have the option, exercisable upon notice from the Mortgagee to the Mortgagor, to conduct and control any such litigation with counsel chosen by the Mortgagee. The Mortgagee may proceed in its own name or in the name of the Mortgagor in connection with any such litigation, and the Mortgagor agrees to execute any and all powers, authorizations, consents, or other documents required by the Mortgagee in connection therewith. The Mortgagor shall, upon demand, pay to the Mortgagee all costs and expenses (including attorneys' and paralegals' fees and expenses) paid or incurred thereby in connection with the prosecution or conduct of any such proceedings. Any such costs or expenses not paid by the Mortgagor as aforesaid shall be secured by the lien of this Mortgage and shall be added to the principal amount of the Obligations. The Mortgagor shall not commence any action, suit, proceeding, or case, or file any application or make any motion, in respect of the Ground Lease in any such case under the Bankruptcy Code without the prior written consent of the Mortgagee. The Mortgagor hereby unconditionally assigns, transfers, and sets over to the Mortgagee all of the Mortgagor's claims and rights to the payment of damages or any claim arising from any rejection of the Ground Lease by the Ground Lessor or any other fee owner of the Mortgaged Property, or the payment of any amount or claim associated with the Ground Lease in any proceeding under the Bankruptcy Code. The Mortgagee shall have the right to proceed in its own name and/or in the name of the Mortgagor in respect of any claim, suit, action, or proceeding relating to the assumption or rejection of the Ground Lease by the Ground Lessor, including, without limitation, the right to file and prosecute, to the exclusion and in the name of the Mortgagor, any proofs of claim, complaints, motions, applications, notices, and other documents, or to defend against any objection thereto, in any case in respect to the Ground Lessor or any fee owner of the Mortgaged Property. This assignment constitutes a present, irrevocable, and unconditional assignment of the foregoing claims, rights, and remedies, and shall continue in effect until all of the Obligations shall have been satisfied and discharged in full. Any amounts received by the Mortgagee as damages arising out of the rejection of the Ground Lease as aforesaid shall be applied first to all costs and expenses of the Mortgagee (including, without limitation, attorneys' and

paralegals' fees and expenses) incurred in connection with the exercise of any of its rights or remedies under this Section. The Mortgagor shall promptly make, execute, acknowledge, and deliver, in form and substance satisfactory to the Mortgagee, a UCC Financing Statement (Form UCC-1), and all such additional instruments, agreements and other documents, as may at any time hereafter be required by the Mortgagee to effectuate and carry out the assignment made pursuant to this Section.

- (k) If the Mortgagor shall seek to offset against the rent reserved in the Ground Lease the amount of any damages caused by the nonperformance by the Ground Lessor or any fee owner of the Mortgaged Property any of its obligations under the Ground Lease after the rejection by the Ground Lessor or any fee owner of the Mortgaged Property under the Bankruptcy Code, the Mortgagor shall, prior to effecting such offset, notify the Mortgagee of its intent to do so, setting forth the amounts proposed to be so offset and the basis therefor. The Mortgagee shall have the right to object to all or any part of such offset that, in the reasonable judgment of the Mortgagee, would constitute a breach of the Ground Lease, and in the event of such objection, the Mortgagor shall not effect any offset of the amounts so objected to by the Mortgagee. Neither the failure of the Mortgagee to object as aforesaid nor any objection relating to such offset shall constitute an approval of any such offset by the Mortgagee. The Mortgagor shall pay and protect the Mortgagee, and indemnify and save the Mortgagee harmless from and against, any and all claims, demands, actions, suits, proceedings, damages, losses, costs, and expenses of every nature whatsoever (including without limitation, attorneys' and paralegals' fees and expenses) arising from or relating to any off-set by the Mortgagor against the rent reserved in the Ground Lease.

Section 5.17 Inspection. The Mortgagee is authorized and empowered to enter, and to authorize its employees, agents, or contractors identified in writing to the Mortgagor and the Board to enter, upon any or all of the Mortgaged Property at any reasonable time and from time to time upon prior notice to the Mortgagor and the Board to inspect the same, to perform or observe any covenants, conditions, or terms that the Mortgagor shall fail to perform, meet, or comply with, to make such repairs, replacements, renewals, or additions as shall be necessary, or for any other purpose in connection with the maintenance, protection, or preservation of the Mortgagee's security, without thereby becoming liable to the Mortgagor, the Board or any Person in possession holding under the Mortgagor. Any inspections performed by or for the Mortgagee shall be performed at times and in a manner so as not to unreasonably interfere with the Mortgagor's business or the operation of the Mortgaged Property. The Mortgagor will keep accurate books and records in which full, true, and correct entries shall be promptly made with respect to the Mortgaged Property and the operation thereof. Any right of access to any portion of the Facilities leased to the students, faculty, staff or Permitted Lessees shall be subject to their rights pursuant to their rental agreements and University policy.

Section 5.18 Negative Covenants. The Mortgagor hereby agrees that, so long as any of the Obligations remains outstanding or unpaid, the Mortgagor shall not, directly or indirectly, without the prior written consent of the Mortgagee:

A. Create, incur, assume, or suffer to exist any indebtedness relating to the Collateral, except the Obligations under this Mortgage and the Permitted Encumbrances, or as otherwise permitted under the Indenture or the Agreement;

B. Create, incur, or place, or permit to be created, incurred, or placed, any Liens on the Collateral, or any part thereof, or any revenues related thereto, except for the Permitted Encumbrances and Liens in favor of the Mortgagee;

C. Convey, sell, lease, assign, transfer, or otherwise dispose of the Collateral, or permit any conveyance, sale, lease, assignment, transfer, or other disposition of the Collateral, except as otherwise permitted under the Indenture and the Agreement.

Section 5.19 Cure of Defects. If the validity or priority of this Mortgage or of any rights or Liens created or evidenced hereby with respect to the Collateral or any part thereof, or the leasehold interest or right of occupancy of the Mortgagor to the Mortgaged Property or any part thereof, shall be endangered or questioned or shall be attacked directly or indirectly, or if any legal proceedings are instituted against the Mortgagor with respect thereto, upon discovery of such actual or alleged defect, the Mortgagor shall give written notice thereof to the Mortgagee promptly, secure the necessary funds and diligently endeavor, with the Board, as necessary, to cure any defect that may be developed or claimed and take all necessary and proper steps for the defense of such legal proceedings, including, but not limited to, the employment of counsel agreeable to the Mortgagee, the prosecution or defense of litigation, and the release or discharge of all adverse claims. The Mortgagee (whether or not named as a party to legal proceedings with respect thereto) is hereby authorized and empowered to take such additional steps as in its judgment and discretion may be necessary or proper for the defense of any such legal proceedings or the protection of the validity or priority of this Mortgage and the Liens created or evidenced hereby, including, but not limited to, the employment of independent counsel, the prosecution or defense of litigation, the compromise or discharge of any adverse claims made with respect to the Collateral, the purchase of any tax title, and the removal of prior Liens or security interests, and all expenses so incurred of every kind and character shall be a demand obligation owing by the Mortgagor to the Mortgagee and shall bear interest from the date of expenditure until paid at a rate equal to the rate provided for in Section 6.12 hereof for Advances to bear, and the same shall be secured by the Lien evidenced by this Mortgage, and the party incurring such expenses shall be subrogated to all rights of the Person receiving such payment.

Section 5.20 Estoppel Certificate. The Mortgagor shall, within ten (10) business days of a written request therefor by the Mortgagee, furnish the Mortgagee with a written statement, duly acknowledged, setting forth the sums secured by this Mortgage and any right of set-off, counterclaim, or other defense that exists against such sums and the obligations under this Mortgage.

Section 5.21 Further Assurances. (a) on the request of Mortgagee, the Mortgagor shall promptly correct (i) any defect, error, or omission that may be discovered in the contents, or in the execution or acknowledgment, of this Mortgage or any Loan Document to which the Mortgagor is a party, and (ii) the Mortgagor itself shall, or shall cause the Board to execute, acknowledge, deliver, record, re-record, file, re-file, register, and re-register any and all such further acts, deeds, conveyances, security agreements, mortgages, assignments, estoppel certificates, financing

statements and continuations thereof, termination statements, notices of assignment, transfers, certificates, assurances, and other instruments as reasonably may be required from time to time in order (A) to carry out more effectively the purposes of this Mortgage and any of the Loan Documents to which the Mortgagor is a party, (B) to more fully identify and subject to the Liens created by this Mortgage any of the properties, rights, or interests required to be encumbered hereby, including, specifically, any additions, substitutions, replacements, or appurtenances to the Collateral, (C) to perfect and maintain the validity, effectiveness, and priority of this Mortgage and the Liens intended to be created hereby and (D) to better assure, convey, grant, assign, transfer, preserve, protect, and confirm to the Mortgagee any of the rights granted or now or hereafter intended by the parties hereto to be granted to the Mortgagee hereunder or under any other instrument or agreement executed in connection herewith. The Mortgagor shall pay, directly or through the Board, all costs connected with any of the foregoing.

(b) Mortgagor hereby authorizes Mortgagee to file one or more financing or continuation statements and other records with respect to all or any part of the Collateral (including any amendments thereto, or continuation or termination statements thereof), without the signature or other authorization of Mortgagor, in such form and in such offices as Mortgagee reasonably determines appropriate, to perfect or maintain the perfection of the security interest of Mortgagee hereunder. Mortgagor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Collateral (including any amendments thereto, or continuation or termination statements thereof) except as permitted hereby, without the prior written approval and authorization by the Mortgagee, consenting to the form and substance of such filing or record. Mortgagor approves and ratifies any filing or recording of records made by or on behalf of Mortgagee in connection with the perfection of the security interest in favor of Mortgagee.

ARTICLE 6

EVENTS OF DEFAULT AND REMEDIES

Section 6.1 Events of Default. The occurrence and continuance of any one of the following shall constitute an event of default under this Mortgage (herein referred to as an "**Event of Default**"):

- (i) the failure to make payment when due of the principal of, premium, if any, and interest on the Bonds and any Additional Bonds hereafter issued under the Indenture;
- (ii) the failure to make payment when due of any amounts owed under this Mortgage or the Agreement;
- (iii) the occurrence of an event of default (other than an event of default described in (i) or (ii) above) under the Indenture, the Agreement or any other Loan Document that is not cured within any applicable grace or cure period contained in such Loan Document;
- (iv) except as provided otherwise in this Mortgage, failure by Mortgagor to observe and perform any of the terms, covenants, or conditions to be observed or performed by Mortgagor contained in this Mortgage (other than those specified in (i) and (ii) above) for

a period of thirty (30) days after written notice, by registered or certified mail, specifying such failure and requesting that it be remedied, given to Mortgagor by Mortgagee, or for such longer period as Mortgagor and Mortgagee may agree to in writing; provided that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, such failure shall not constitute an Event of Default so long as Mortgagor institutes curative action within the applicable period and diligently pursues such action to completion;

(v) any representation or warranty of Mortgagor made herein or any representation or warranty made in any of the other Loan Documents or any representation or warranty made in any certificate, document, or financial or other statement furnished at any time under or in connection with this Mortgage or any of the other Loan Documents shall prove to have been incorrect in any material respect on or as of the date made or deemed made;

(vi) (a) the Mortgagor commences any case, proceeding, or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution, or composition of Mortgagor or Mortgagor's debts under any law relating to bankruptcy, reorganization, or relief of debtors, or seeking appointment of a receiver, trustee, custodian, or other similar official for Mortgagor or for all or any substantial part of Mortgagor's property; or (b) any such case, proceeding, or other action is commenced against Mortgagor and such case, proceedings, or other action either results in an order for relief against Mortgagor which is not fully stayed within ten (10) days after the entry thereof, or remains undismissed for a period of sixty (60) days;

(vii) Mortgagor fails to pay its debts as they become due, admits in writing Mortgagor's inability to pay Mortgagor's debts, or makes a general assignment for the benefit of creditors.

(viii) Mortgagor sells, conveys or otherwise transfers or disposes of all or any portion of the Collateral except as otherwise permitted herein or grants any mortgage or security interest affecting all or any portion of the Collateral, or permits any Lien against all or any portion of the Collateral, except as permitted by the terms of this Mortgage; or

(ix) A writ or warrant of executory process, fieri facias, attachment or any similar process shall be issued by any court against the Collateral, and such writ or warrant is not released or bonded within thirty (30) days after its entry.

Section 6.2 Remedies. Upon the occurrence of an Event of Default under this Mortgage and in addition to any other remedy Mortgagee may have under this Mortgage, or any of the other Loan Documents, Mortgagee may, subject to the provisions of Section 6.18 hereof, declare all sums secured by this Mortgage (including without limitation the Obligations) immediately due and payable without presentment, demand, protest, notice of protest or dishonor, or other notice of default of any kind, all of which are hereby expressly waived by the Mortgagor. In addition to the foregoing, upon the occurrence of any Event of Default, the Mortgagee may, subject to the provisions of Section 6.18 hereof, take such action, without notice or demand or putting in default

(all of which are hereby expressly waived by the Mortgagor), as it deems advisable to protect and enforce its rights against the Mortgagor and in and to the Collateral, including, but not limited to, the following actions, each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee:

(1) institute proceedings for the complete foreclosure of this Mortgage, in which case the Collateral may be sold for cash or upon credit in one or more parcels under ordinary or executory process, at the Mortgagee's sole option, and with or without appraisal, appraisal being expressly waived; or

(2) to the extent permitted and pursuant to the procedures provided by applicable law, institute proceedings for the partial foreclosure of this Mortgage for the portion of the Obligations then due and payable, subject to the continuing lien of this Mortgage for the balance of the Obligations not then due; or

(3) institute an action, suit, or proceeding in equity for the specific performance of any covenant, condition, or agreement contained in this Mortgage or any Loan Document; or

(4) apply for the appointment of a trustee, receiver, liquidator, or conservator of the Collateral, without regard for the adequacy of the security for the Obligations and without regard for the solvency of the Mortgagor or of any Person liable for the payment of the Obligations; or

(5) pursue such other remedies as the Mortgagee may have under applicable law, in equity, by virtue of any other security instrument, or otherwise.

The proceeds or avails of any sale made under or by virtue of this Article 6, together with any other sums that then may be held by the Mortgagee under this Mortgage, whether under the provisions of this Article 6 or otherwise, shall be applied in such manner as the Mortgagee, in its sole discretion, shall determine.

Upon any sale made under or by virtue of this Article 6, the Mortgagee may bid for and acquire the Collateral or any part thereof and in lieu of paying cash therefor may make settlement for the purchase price by crediting upon the Obligations the net sales price after deducting therefrom the expenses of the sale and the costs of the action and any other sums which the Mortgagee is authorized to deduct under this Mortgage.

The Mortgagee may proceed under this Mortgage solely as to the immovable property interests, or solely as to the movable property interests, or as to both the immovable and movable property interests in accordance with its rights and remedies in respect of the immovable property interests.

Notwithstanding anything to the contrary in this Mortgage, any purchaser of the Mortgaged Property pursuant to a foreclosure sale under this Mortgage or a deed in lieu of foreclosure shall purchase said Mortgaged Property subject and subordinate to the ownership rights of the Board and

shall be subject in all respects to the provisions of the Ground Lease. Such purchaser shall have no additional right to grant any mortgage or other lien on the Mortgaged Property or to sell, lease or otherwise alienate the Mortgaged Property without the prior written consent of the Board.

Section 6.3 Leases and Rentals. Upon the occurrence and continuation of any Event of Default, the Mortgagee may additionally take any one or more of the following actions; each of which may be pursued concurrently or otherwise, at such time and in such order as the Mortgagee may determine, in its sole discretion, without impairing or otherwise affecting the other rights and remedies of the Mortgagee:

(i) The Mortgagee may notify any and all Tenants to pay all Rentals due thereafter directly to the Mortgagee at the address set forth in the Mortgagee's notice to such Tenants. The Mortgagor irrevocably agrees that all such Tenants shall be authorized to pay the Rentals directly to the Mortgagee without liability of such Tenants for the determination of the actual existence of any default by the Mortgagor claimed by the Mortgagee. Tenants shall be expressly relieved of any and all duty, liability and obligation to the Mortgagor in connection with any and all Rentals so paid.

(ii) The Mortgagee may enter upon and take possession of the Mortgaged Property, to manage and operate the Mortgaged Property and the Mortgagor's business on the Mortgaged Property, and take possession of and use all books of account and financial records of the Mortgagor and its property managers or representatives, if any, relating to the Mortgaged Property.

(iii) The Mortgagee may alter, modify, amend, terminate or permit the surrender of any or all Leases, except for leases pursuant to Section 13 of the Facilities Lease to students, faculty, staff or Permitted Sublessees (as defined in the Ground Lease) who are not themselves in default under their Leases, and the Mortgagee may execute new Leases of any part of the Mortgaged Property, including Leases that extend beyond the maturity date of the Agreement.

The enforcement of any and all such rights available to the Mortgagee hereunder shall continue for so long as the Mortgagee shall elect, until the collection and application of the Rentals have cured the Event of Default and all sums owed by Mortgagor to any person in connection with the enforcement of its remedies in connection with such Event of Default have been paid, in which event, the Mortgagee shall permit the Mortgagor to re-enter and take possession of the Mortgaged Property or any part thereof and to perform all acts necessary for the operation and maintenance of the Mortgaged Property, including the right to collect the Rentals, but the Mortgagee shall nevertheless have the right, effective upon written notice, to demand, sue for possession of and collect the Rentals under the Leases and otherwise exercise its rights under this Mortgage again if there occurs another Event of Default hereunder.

Section 6.4 General Authority. The Mortgagor hereby irrevocably appoints the Mortgagee its agent and attorney in fact, with full power of substitution, in the name of the Mortgagor or the Mortgagee, for the sole use and benefit of the Mortgagee, but at the Mortgagor's expense, to exercise, at any time and from time to time while an Event of Default has occurred and is continuing, all or any of the following powers with respect to all or any of the Collateral and the Proceeds:

(i) to endorse the name of the Mortgagor upon any check, draft, Agreement or other instrument payable to the Mortgagor evidencing payment upon any Accounts or General Intangible;

(ii) to notify postal service authorities to change the address for delivery of the Mortgagor's mail to a "lockbox" address designated and controlled by the Mortgagee, and to receive, open and dispose of all mail addressed to the Mortgagor;

(iii) to demand, sue for, collect, receive and give acquittance for any and all Accounts and other monies due or to become due for or as Collateral (or Proceeds) or by virtue thereof;

(iv) to settle, compromise, compound, prosecute or defend any action or proceeding with respect to any of the Collateral and the Proceeds; and

(v) to extend the time of payment of any or all of the Collateral and the Proceeds and to make any allowance and other adjustments with reference thereto.

The aforesaid mandate and power of attorney, being coupled with an interest, is irrevocable so long as any of the Obligations remains outstanding.

Section 6.5 Accounts. While an Event of Default has occurred and is continuing, the Mortgagor will make no material change to the terms of any Account without the prior written permission of the Mortgagee. Upon the occurrence of an Event of Default, and at any time thereafter, the Mortgagor upon request of the Mortgagee will promptly notify (and the Mortgagor hereby authorizes the Mortgagee so to notify) each account debtor in respect of any Account or General Intangible that such Collateral has been assigned to the Mortgagee hereunder, and that any payments due or to become due in respect of such Collateral are to be made directly to the Mortgagee or its designee.

Section 6.6 Sale. Upon the occurrence of an Event of Default, the Mortgagee may exercise all rights of a secured party under the Commercial Laws and other applicable law and, in addition, the Mortgagee may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, (i) withdraw all cash in its possession and apply such cash then held by it as Collateral or Proceeds against the Obligations or (ii) sell the Collateral and the Proceeds or any part thereof at public or private sale, for cash, upon credit or for future delivery, and at such price or prices as the Mortgagee may deem satisfactory. The Mortgagee may be the purchaser of any or all of the Collateral and Proceeds so sold at any public sale (or, if the Collateral and Proceeds is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, at any private sale). The Mortgagor will execute and deliver such documents and take such other action as the Mortgagee deems necessary or advisable in order that any such sale may be made in compliance with law. Upon any such sale the Mortgagee shall have the right to deliver, assign and transfer to the purchaser thereof the Collateral and Proceeds so sold. Each purchaser at any such sale shall hold the Collateral and Proceeds so sold to it absolutely and free from any claim or right of whatsoever kind, including any equity or right of redemption of the Mortgagor which may be waived, and the Mortgagor, to the extent permitted by law, hereby specifically waives all rights of redemption, stay of appraisal which it has or may have

under any law now existing or hereafter adopted; provided, however, that such purchaser shall be subject in all respects to the provisions of the Ground Lease. The Mortgagor agrees that twenty (20) days' prior written notice of the time and place of any sale or other intended disposition of any of the Collateral and Proceeds constitutes "reasonable notification" within the meaning of Section 9-611(b) of the UCC, except that shorter or no notice shall be reasonable as to any Collateral and Proceeds that is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market. The notice (if any) of such sale shall (1) in case of a public sale, state the time and place fixed for such sale, and (2) in the case of a private sale, state the day after which such sale may be consummated. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Mortgagee may fix in the notice of such sale. At any such sale the Collateral and Proceeds may be sold in one lot as an entirety or in separate parcels or portions, as the Mortgagee may determine. The Mortgagee shall not be obligated to make any such sale pursuant to any such notice. The Mortgagee may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for the sale, and such sale may be made at any time or place to which the same may be so adjourned. In case of any sale of all or any part of the Collateral and Proceeds on credit or for future delivery, the Collateral or Proceeds so sold may be retained by the Mortgagee until the selling price is paid by the purchaser thereof, but the Mortgagee shall not incur any liability in case of the failure of such purchaser to take up and pay for the Collateral and Proceeds so sold and, in case of any such failure, such Collateral and Proceeds may again be sold upon like notice.

Section 6.7 Assemble Collateral. For the purpose of enforcing any and all rights and remedies under this Agreement the Mortgagee may: (i) require the Mortgagor to, and the Mortgagor agrees that it will, at its expense and upon the request of the Mortgagee, forthwith assemble all or any part of the Collateral (other than the Mortgaged Property) and Proceeds as directed by the Mortgagee and make it available at a place designated by the Mortgagee which is, in its opinion, reasonably convenient to the Mortgagee and the Mortgagor, whether at the Mortgaged Property of the Mortgagor or otherwise, and Mortgagee shall be entitled to specific performance of this obligation; (ii) to the extent permitted by applicable law of this or any other state, enter, with or without process of law and without breach of the peace, any premises where any of the Collateral or Proceeds is or may be located, and, without charge or liability, to it seize and remove such Collateral or Proceeds from such premises; (iii) have access to and use the Mortgagor's books and records relating to the Collateral and Proceeds and (iv) prior to the disposition of the Collateral and Proceeds, store or transfer it without charge in or by means of any storage or transportation facility owned or leased by the Mortgagor, process, repair or recondition it or otherwise prepare it for disposition in any manner and to the extent the Mortgagee deems appropriate and, in connection with such preparation and disposition, use without charge any trademark, trade name, copyright, patent or technical process used by the Mortgagor.

Section 6.8 Limitation on Duty of Mortgagee. Beyond the exercise of reasonable care in the custody thereof, the Mortgagee shall have no duty as to any Collateral or Proceeds in its possession or control or in the possession or control of any agent or bailee or any income thereon. The Mortgagee shall be deemed to have exercised reasonable care in the custody of the Collateral and Proceeds in its possession if the Collateral and Proceeds is accorded treatment substantially equal to that which it accords its own property, and shall not be liable or responsible for any loss or damage to any of the Collateral or Proceeds, or for any diminution in the value thereof, by reason of

the act or omission of any warehouseman, carrier, forwarding agency, consignee or other agent or bailee selected by the Mortgagee in good faith. The Mortgagor agrees that the Mortgagee shall not be obligated to preserve rights against prior parties obligated on any instruments.

Section 6.9 Appointment of Agent. At any time or times, in order to comply with any legal requirement in any jurisdiction, the Mortgagee may appoint a bank or trust company or one or more other Persons with such power and authority as may be necessary for the effectual operation of the provisions hereof and may be specified in the instrument of appointment.

Section 6.10 Set-Off. Upon the occurrence of any Event of Default, the Mortgagee shall have the right to set-off any revenues of the Mortgagor in the possession of the Mortgagee against any amounts then due by the Mortgagor to the Mortgagee pursuant to the Mortgage.

Section 6.11 Release of Property. The Mortgagee may at any time and without notice to the Mortgagor, release any part of the Collateral from the effect of this Mortgage, or grant an extension or deferment of time for the discharge of any obligation hereunder, without affecting the liability of the Mortgagor hereunder.

Section 6.12 Advances by Mortgagee. The Mortgagor authorizes the Mortgagee in the Mortgagee's discretion to advance any sums necessary for the purpose of paying: (i) insurance premiums; (ii) any and all excise, property, sales, use and other taxes, forced contributions, service charges, local assessments and governmental charges on any of the Collateral; (iii) any Liens affecting the Collateral (whether superior or subordinate to the lien of this Mortgage) not permitted by this Mortgage; (iv) necessary repairs and maintenance expenses; or (v) any other amounts which the Mortgagee deems necessary and appropriate to preserve the validity and ranking of this Mortgage, to cure any Defaults or to prevent the occurrence of any Default (collectively, the "Advances") of whatever kind; provided, however, that nothing herein contained shall be construed as making such Advances obligatory upon Mortgagee, or as making Mortgagee liable for any loss, damage, or injury resulting from the nonpayment thereof. The Mortgagor covenants and agrees that within five (5) days after demand therefor by the Mortgagee, the Mortgagor will repay the Advances to Mortgagee, together with interest thereon at the rate of eighteen (18%) percent per annum, and in addition to repay any other reasonable costs, attorneys' fees and expenses, charges and expenses of any and every kind for the full protection and preservation of the Collateral or this Mortgage, including payments required in respect to any Lien affecting the Collateral, together with interest thereon at the rate of eighteen (18%) percent per annum. All such Advances and amounts (including interest) shall be included in the Obligations secured hereby (subject to the maximum amount of the Obligations set forth above in this Mortgage).

Section 6.13 Authentic Evidence. Any and all declarations of facts made by authentic act before a notary public in the presence of two witnesses by a person declaring that such facts lie within his knowledge shall constitute authentic evidence of such facts for the purpose of executory process. The Mortgagor specifically agrees that such an affidavit by a representative of the Mortgagee as to the existence, amount, terms and maturity of the Obligations and of a default thereunder shall constitute authentic evidence of such facts for the purpose of executory process.

Section 6.14 Keeper. In connection with each and all of the foregoing and acting pursuant to the authority granted under Louisiana Revised Statutes 9:5136-5140.2, as the same may hereafter be amended or supplemented, the Mortgagor and the Mortgagee hereby expressly designate the Mortgagee, or any agent, servant, employee, or other Person named by the Mortgagee, as "keeper" of each and all of the Collateral pending the judicial sale thereof, with all the powers set forth in said statutes (as hereafter amended), including the right to employ agents to operate the Collateral. All reasonable costs, expenses, and liabilities of every character incurred by the Mortgagee or any such other Person as keeper in connection with managing, operating, maintaining, and possessing the Collateral shall constitute a demand obligation owing by the Mortgagor to the Mortgagee, and shall draw interest from date of expenditure until paid at the rate provided in Section 6.123 hereof for Advances to bear. All of such costs, expenses, and liabilities shall constitute a portion of the Obligations secured by this Mortgage. The keeper shall be entitled to receive as compensation, in excess of such costs, expenses, and liabilities, a reasonable amount to be fixed by the court based upon the keeper's activities and the amounts expended in connection with the management, operation, and maintenance of the Collateral. The designation of keeper made herein shall not be deemed to require the Mortgagor to provoke the appointment of such a keeper.

Section 6.15 Certain Waivers. The Mortgagor hereby expressly waives any and all homestead exemptions and other exemptions to which the Mortgagor is or may be entitled under the Constitution and the laws and statutes of the State of Louisiana insofar as the Collateral is concerned. The Mortgagor further waives to the extent permitted by law: (i) the benefit of appraisal provided for in Articles 2332, 2336, 2723, and 2724 of the Louisiana Code of Civil Procedure, and all other laws conferring the same; (ii) the demand and three (3) days delay provided for in Articles 2639 and 2721 of the Louisiana Code of Civil Procedure; (iii) the notice of seizure provided for in Articles 2293 and 2721 of the Louisiana Code of Civil Procedure; (iv) the three (3) days delay provided for in Articles 2331 and 2722 of the Louisiana Code of Civil Procedure; and (v) other benefits provided in Articles 2331, 2722, and 2723 of the Louisiana Code of Civil Procedure.

Section 6.16 Waiver of Marshaling. Notwithstanding the existence of any other security interest in the Collateral held by the Mortgagee or by any other party, the Mortgagee shall have the right to determine the order in which any or all of the Collateral shall be subjected to the remedies provided in this Mortgage. The Mortgagor, any party who consents to this Mortgage, and any party who has actual or constructive notice of this Mortgage waive all right to require the marshaling of assets in connection with the exercise of any of the remedies permitted by law or provided in this Mortgage.

Section 6.17 Rights and Remedies Cumulative. All rights and remedies herein given to the Mortgagee shall be cumulative and in addition to every other right and remedy herein specifically given and now or hereafter existing; and each and every right and remedy, whether specifically given or otherwise existing, may be exercised from time to time and so often and in such order as may be deemed expedient by the Mortgagee, and the exercise or the beginning of the exercise of any such right or remedy shall not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right or remedy. No delay or omission by the Mortgagee in the exercise of any right or remedy shall impair any such right or remedy or operate as a waiver of any other right or remedy then or thereafter existing.

Section 6.18 Rights of Bond Insurer. So long as the Bond Insurer insures any of Bonds and is not in default under the terms of the Bond Insurance Policy, the Bond Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted to the Mortgagee pursuant to this Mortgage. Without limiting the immediately preceding sentence, the Mortgagor agrees that any provision herein granting the Mortgagee any rights, including, without limitation, the (i) right to receive or give any notice, (ii) the right to receive any reports, certifications or other information required to be delivered or disseminated hereunder, (iii) the right to give any consent or approval or make any election, (iv) the right to receive any indemnification, insurance coverage or reimbursement, (v) the right to cure any Event of Default or other failure in performance, or (vi) the right to receive any other benefit afforded to the Mortgagee under this Mortgage, shall also hereby grant to the Bond Insurer the same such rights. All notices to the Bond Insurer shall be sent to MBIA Insurance Corporation, The TransAmerica Pyramid, 150 California Street, 20th Floor, San Francisco, CA 94111, and any consent or approval by the Bond Insurer shall be effective only if in writing.

ARTICLE 7 **MISCELLANEOUS**

Section 7.1 Release of Mortgage. The Mortgage will remain in effect until: (a) all of the Obligations are fully paid and satisfied and there is no agreement or commitment to advance any additional indebtedness; and (b) Mortgagor cancels this Mortgage by filing a written cancellation instrument signed by Mortgagee. When all of the Obligations are fully paid and satisfied and there is no agreement or commitment to advance any additional indebtedness, Mortgagor may request Mortgagee to sign such a written cancellation instrument by writing Mortgagee at the above address or at such other address as Mortgagee may advise. Mortgagee may delay providing Mortgagor with such a mortgage cancellation instrument for a period of sixty (60) days following receipt of Mortgagor's written request to verify that all conditions precedent for mortgage cancellation have been satisfied.

Section 7.2 Waivers. Any and all covenants in this Mortgage may from time to time, by instrument in writing signed by the Mortgagee and delivered to the Mortgagor, be waived to such extent and in such manner as the Mortgagee may desire, but no such waiver shall ever affect or impair the Mortgagee's rights or Liens hereunder, except to the extent specifically stated in such written instrument.

Section 7.3 Authentic Evidence. Any and all declarations of fact made by authentic act before a Notary Public in the presence of two witnesses by any Person declaring such facts lie within his knowledge shall constitute authentic evidence of such facts for the purpose of executory process.

Section 7.4 No Waiver. No forbearance on the part of the Mortgagee and no extension of the time for the payment of the Obligations given by the Mortgagee shall operate to release, discharge, modify, change, or affect, in whole or in part, the liability of the Mortgagor hereunder or for the payment of the Obligations or performance of the obligations secured hereby or the liability of any other Person hereunder or for the payment of the Obligations.

Section 7.5 Severability. A determination that any provision of this Mortgage is unenforceable or invalid in any jurisdiction shall not affect the enforceability or validity of such

provision in any other jurisdiction or the enforceability or validity of any other provision hereof in any jurisdiction, and the determination that the application of any provision of this Mortgage to any Person or circumstance is illegal or unenforceable in any jurisdiction should not affect the enforceability or validity of such provision in any other jurisdiction or the enforceability or validity of such provision as it may apply to other Persons or circumstances.

Section 7.6 Notices. Whenever this Mortgage requires or permits any consent, approval, notice, request, or demand from one party to another, the consent, approval, notice, request, or demand must be in writing and shall be deemed sufficiently given or furnished if delivered by personal delivery, by telegraph, teletype, or telex, by expedited delivery service with proof of delivery, or by registered or certified United States mail, postage prepaid, at the following addresses, or to such address as may be hereafter notified in writing by the respective parties hereto:

Section 7.7 Relationship of Parties. No right or benefit conferred on the Mortgagee under this Mortgage shall constitute or be deemed to constitute the Mortgagee a partner or a joint venturer with the Mortgagor. The Mortgagor and the Mortgagee specifically acknowledge that the relationship between the Mortgagor and the Mortgagee is solely that of borrower and a lender's agent and that all payments required to be made by the Mortgagor to the Mortgagee hereunder or under any Loan Document to which the Mortgagor is a party are required solely by reason of that relationship.

Section 7.8 Mortgage Absolute. The obligations of the Mortgagor under this Mortgage are independent of the obligations of the Mortgagor under the other Loan Documents, and a separate action or actions may be brought and prosecuted against the Mortgagor to enforce this Mortgage. All rights of the Mortgagee and the mortgage, assignment, and security interest hereunder, and all obligations of the Mortgagor hereunder, shall be absolute and unconditional irrespective of:

- (1) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto;
- (2) any change in the time, manner, or place of payment of, or in any other term of, all or any of the obligations of the Mortgagor under any of the Loan Documents, or any other amendment or waiver of or any consent to any departure from the Loan Documents;
- (3) any taking, exchange, release, or nonperfection of any of the Collateral, or any taking, release, or amendment or waiver of or consent to departure from any guaranty, for all or any of the obligations of the Mortgagor under the Loan Documents; or

(4) any manner of application of the Collateral, or proceeds thereof, to all or any of the obligations of the Mortgagor under the Loan Documents, or any manner of sale or other disposition of any of the Collateral for all or any of such obligations.

Section 7.9 Interpretation. It is acknowledged and agreed that, in the preparation of this Mortgage, indistinguishable contributions were made by representatives of both the Mortgagor and the Mortgagee and that the Mortgagor and the Mortgagee each waives any and all rights, both in law or in equity, to have the provisions of this Mortgage or any part thereof interpreted in favor of one over the other based upon a claim that representatives of one or the other were the principal draftsman of such document.

Section 7.10 Conflicts between Loan Documents. In the event that any of the Collateral hereunder is also subject to a valid and enforceable Lien under the terms of any Loan Document and the terms of such other Loan Document are inconsistent in any respect with the terms of this Mortgage, then with respect to all Collateral that is also subject to such other Loan Document, the terms that are most restrictive or, in the case of equally restrictive terms, the terms that are most specific shall be controlling; provided, however, that if any provision of either document is unenforceable with respect to any item of Collateral subject thereto, then the provision of the document that is enforceable with respect to such Collateral shall be controlling.

Section 7.11 Multiple Originals. This Mortgage may be executed in multiple originals, all of which such multiple originals together shall constitute one and the same mortgage.

Section 7.12 Binding Effect. This Mortgage is binding upon the Mortgagor and the Mortgagee and their respective successors and assigns, and shall inure to the benefit of the Mortgagee and its successors and assigns. The benefit of this Mortgage shall pass automatically with any assignment of the Obligations (or any portion thereof) to the extent of such assignment.

Section 7.13 Waiver of Certificates. The parties hereto expressly waive the production of conveyance, mortgage, or tax certificates and hereby relieve and release me, Notary, and my official surety and agree to hold me and said surety harmless from and by reason of the failure to procure and attach same to this Mortgage.

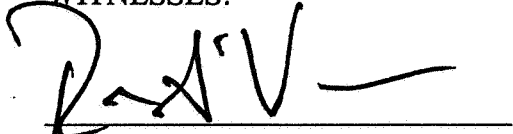

Section 7.14 Governing Law. This Mortgage and all matters relating or pertaining hereto shall be governed by and construed in accordance with the laws of the State of Louisiana.

Section 7.15 No Recourse Against Mortgagor. Mortgagee shall not look to Mortgagor or any principal of Mortgagor with respect to the Obligations. In enforcing its rights and remedies under this Mortgage, Mortgagee shall look solely to the Collateral for the payment of the Obligations secured hereby and for the performance of the provisions hereof. Mortgagee shall not seek a deficiency or other money judgment against Mortgagor or any principal of Mortgagor and shall not institute any separate action against Mortgagor by reason of any default which may occur in the performance of any term or condition of this Mortgage or the Obligations. This agreement by Mortgagee shall not be construed in any way so as to affect or impair the lien of this Mortgage or Mortgagee's right to foreclose hereunder as provided by law, or to limit or restrict any of Mortgagee's

rights or remedies in any foreclosure proceedings or other enforcement of payment of the indebtedness secured hereby out of and from the security given therefor.

THUS DONE AND PASSED in the place and on the day, month, and year first above written in the presence of the undersigned competent witnesses, who hereunto sign their names with the Mortgagor and me, Notary, after due reading of the whole.

See “**SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS**” and “**BONDHOLDERS' RISKS**” herein.

Bondholders' Risks

There are certain considerations relating to an investment in the Series 2004 Bonds that are set forth in the sections of this Official Statement, including the heading “**BONDHOLDERS' RISKS**,” and that should be carefully reviewed by prospective purchasers of the Series 2004 Bonds. These considerations include the facts that (i) the Corporation's ability to generate revenues and make timely payment under the Loan Agreement, failure to do which may result in the Series 2004 Bonds' not being paid or being paid before maturity or applicable redemption dates and which may result in forfeiture of redemption premiums, may be adversely affected by a wide variety of future events and conditions including a decline in the enrollment of the University, increased competition from other schools, loss of accreditation, failure to meet federal guidelines or some other event that results in students being ineligible for federal financial aid, and cost overruns in connection with the Facilities or other capital improvements, (ii) the obligation of the Board on behalf of the University to pay rental to the Corporation under the Facilities Lease is subject to, and dependent upon, appropriation of funds necessary to make payments of rental required under the Facilities Lease, and if such amounts are not appropriated for such purpose, the Corporation may be unable to make timely payment under the Loan Agreement, (iii) the Board is obligated to make payments of Base Rental under the Facilities Lease solely from Lawfully Available Funds which include Rents received from the operation of the Facilities and other auxiliary revenues of the University. The ability of the Board to increase Rents and such other auxiliary fees or assess new fees may require approval by the Louisiana Legislature. The failure of the Board or the University to generate sufficient auxiliary revenues could affect the Board's ability to make payments of Base Rental and result in a default under the terms of the Facilities Lease, (iv) the Series 2004 Bonds constitute limited obligations of the Authority and the only significant sources of payment therefor are the deposits received by the Trustee pursuant to the Loan Agreement and, if such deposits prove insufficient, payments by the Bond Insurer pursuant to the Series 2004 Bond Insurance Policies, (v) the Facilities must meet certain occupancy levels and rental rates if the Corporation is to generate the revenues necessary to meet the obligations of

the Corporation under the Loan Agreement, (vi) the Facilities will be constructed to serve as student housing facilities and the special use nature of the Facilities and the facts that the Facilities are located on the campus of the University and the interest of the Corporation serving as collateral is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail its value as collateral, (vii) there are risks associated with the construction of the Facilities, (viii) future clean-up costs with respect to the Facilities could be imposed under environmental statutes and liens relating thereto may adversely affect the security for the owners of the Series 2004 Bonds, (ix) certain statutory provisions and interests and claims of others may impair the security interest of the Trustee in the revenues derived by the Corporation from its interest in the Facilities, (x) judicial actions may impair the remedies available to the Trustee and the owners of the Series 2004 Bonds under the Indenture and the Mortgage providing security for the Series 2004 Bonds, (xi) interest on the Series 2004A Bonds and the Series 2004B Bonds could, in certain events, become includable in the gross income of the owners thereof and owners of the Series 2004 Bonds would be subject to adverse federal tax consequences, (xii) there can be no assurance that there will be a secondary market for the Series 2004 Bonds, (xiii) Additional Bonds (hereinafter defined) payable from the Trust Estate (hereinafter defined) on a parity with the Series 2004 Bonds may in the future dilute the security for the Series 2004 Bonds, (xiv) a change in the Corporation's or the University's status as a 501(c)(3) organization could cause interest on the Series 2004A Bonds and the Series 2004B Bonds to become includable in the gross income of the owners thereof, (xv) if the Authority should fail to make payment of the principal of or interest on the Series 2004 Bonds when the same shall become due, any owner of Series 2004 Bonds will have recourse against the Bond Insurer for such payments, and if the Bond Insurer is unable to make payments of and interest on the Series 2004 Bonds, such Series 2004 Bonds will be payable solely from moneys received by the Trustee pursuant to the Indenture and the Loan Agreement, (xvi) the Series 2004 Bond Insurance Policies do not insure the principal of or interest on the Series 2004 Bonds coming due by reason of acceleration or redemption (other than mandatory sinking fund redemption), nor do they insure the payment of any redemption premium payable upon the Series 2004 Bonds, and under no circumstances, including the situation in which the interest on the Series 2004 Bonds becomes subject to federal or Louisiana income taxation for any reason, may the maturities of the Series 2004 Bonds be accelerated without the consent of the Bond Insurer, (xvii) so long as the Bond Insurer performs its obligations under the Bond Insurance Policies (hereinafter defined), the Bond Insurer may direct, and its consent must be obtained before the exercise of, any remedies to be undertaken by the Trustee under the Indenture, and (xviii) the obligations of the Bond Insurer under the Series 2004 Bond Insurance Policies are general obligations of the Bond Insurer and rank equally in priority of payment and in all other respects with all other unsecured obligations of the Bond Insurer, and in the event of insolvency of the Bond Insurer, the Owners of the Series 2004 Bonds would have to depend entirely on the ability of the Corporation to pay the principal of and interest on the Series 2004 Bonds. See "BONDHOLDERS' RISKS" herein.

Tax Status of Interest

Upon delivery of the Series 2004 Bonds, Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., Bond Counsel, will render its opinion that, assuming continuing compliance with certain covenants designed to satisfy the applicable requirements of the Code, and subject to the matters

discussed under the caption "TAX EXEMPTION" herein, under the law existing on the date thereof, interest on the Series 2004A Bonds and the Series 2004B Bonds will (i) be excludable from gross income of the beneficial owners thereof for federal income tax purposes and (ii) will not be an item of tax preference for purposes of determining the alternative minimum tax imposed on individuals and corporations under Section 57(a)(5) of the Code, but such interest will be includable in adjusted current earnings in computing the federal alternative minimum tax imposed on certain corporations. In the opinion of Bond Counsel, interest on the Series 2004C Bonds is includable in the gross income of the beneficial owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that, pursuant to the Act, the Series 2004 Bonds together with interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State of Louisiana taxes and local taxes. See "TAX EXEMPTION" herein.

For every exchange or transfer of any Series 2004 Bond, the Authority or the Trustee may charge an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer. The Trustee will not be required to register the transfer or exchange of (a) any Series 2004 Bond during the fifteen (15) day period next preceding the selection of Series 2004 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2004 Bonds selected for redemption, or (b) any Series 2004 Bonds selected, called, or being called for redemption in whole or in part, except in the case of any Series 2004 Bond to be redeemed in part, the portion thereof not so to be redeemed.

If any Series 2004 Bond is mutilated, lost, stolen, or destroyed, the Indenture will provide that the Authority may execute and the Trustee will be required to authenticate a replacement Series 2004 Bond or Series 2004 Bonds of the same tenor and principal amount, as the case may be. In the case of a lost, stolen, or destroyed Series 2004 Bond, the Authority and the Trustee may require satisfactory evidence of the ownership of and the circumstances of the loss, destruction, or theft of such Series 2004 Bond and may require satisfactory indemnification prior to executing and authenticating a new Series 2004 Bond. The Authority and the Trustee may charge the owners of the Series 2004 Bonds for their reasonable fees and expenses in connection with replacing mutilated, lost, stolen, or destroyed Series 2004 Bonds.

Redemption Prior to Maturity

Optional Redemption. The Series 2004A Bonds maturing on and after August 1, 2015, and, after the Fixed Rate Conversion Date, the Series 2004B Bonds will be subject to redemption prior to maturity, at the option of the Authority, upon written direction from the Board, on or after August 1, 2014, as a whole or in part at any time and in any order of maturity directed in writing by the University Representative, and at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

The Auction Rate Bonds will be subject to redemption at the option of the Authority, upon the written direction of the Board as a whole or in part on the first day of any Auction Period if there are sufficient moneys to make such redemption on such date at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

The Series 2004 B Bonds will be subject to redemption in part at the option of the Authority, upon written direction from the Board, on any Interest Payment Date from amounts transferred by the Trustee from the Project Fund to the Principal Account of the Debt Service Fund upon completion of construction of the Facilities in accordance with the Indenture, the Series 2004B Bonds to be redeemed to be selected by the Trustee in such manner as the Trustee may determine, at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

Mandatory Redemption. If the Board shall purchase the Corporation's leasehold interest in the Facilities pursuant to the provisions of the Facilities Lease, the Series 2004 Bonds will be redeemed as a whole. With respect to (i) any Auction Rate Bonds and any Variable Rate Bonds, the same will be redeemed on the first respective Interest Payment Date or Dates after such purchase and (ii) with respect to the Series 2004A Bonds, the Series 2004B Bonds bearing interest at a Fixed Rate, and the Series 2004C Bonds, the same will be redeemed on the later of (a) June 1, 2014, or (b) the earliest practicable date, but not more than sixty (60) days, after such purchase, and in any event, at a price equal to the principal amount of the Series 2004 Bonds so redeemed plus accrued and unpaid interest to the date of redemption, without premium.

The Series 2004 Bonds will be redeemed as a whole or in part (in any Authorized Denomination) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that insurance proceeds, or proceeds derived as a result of Expropriation proceedings with respect to the Facilities will not be applied to restoration, repair, or reconstruction of the Facilities at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds or Expropriation proceeds not used for restoration, repair, or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of

the Series 2004 Bonds is not an Authorized Denomination, the principal amount of Series 2004 Bonds to be so redeemed will be decreased to the next lower Authorized Denomination. The Series 2004 Bonds will be so redeemed in the following order: first, Auction Rate Bonds; second, Variable Rate Bonds, third, Series 2004C Bonds; fourth, Series 2004B Bonds that bear interest at a Fixed Rate; and fifth, Series 2004A Bonds.

The principal amounts required by the tables above will be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

The Series 2004B Bonds will be subject to mandatory redemption and payment on a *pro rata* basis prior to maturity on August 1 in each of the years set forth below at a price equal to the principal amount thereof plus accrued and unpaid interest to the redemption date, without premium:

The principal amounts required by the table above will be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

Partial Redemption of Series 2004 Bonds

Unless otherwise specified above, if fewer than all of the Series 2004 Bonds are redeemed, the maturity of the Series 2004 Bonds to be redeemed will be designated by the Corporation on behalf of the Board and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, that the portion of any Series 2004 Bond to be redeemed will be in the principal amount of an Authorized Denomination. If a portion of a Series 2004 Bond is redeemed, a new Series 2004 Bond in a principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

Notice of Redemption

In the case of a redemption other than by mandatory sinking fund redemption, at least thirty (30) days prior to any date fixed for redemption of Series 2004 Bonds, the Trustee will be required to cause notice of redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid to all Bondholders of record owning Series 2004 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register. Any defect in mailing of any notice will not affect the validity of the proceedings for such redemption. Each notice will be required to set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2004 Bonds then outstanding shall be called for redemption, the numbers of such Series 2004 Bonds to be redeemed and, in the case of Series 2004 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case of partial redemption, the notice will be required to state that on and after the redemption date, upon surrender of such Series 2004 Bond, a new Series 2004 Bond in principal amount equal to the unredeemed portion will be issued.

Any notice of redemption may, at the direction of the Authority upon the written request of the Board, state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of sufficient and legally available funds to pay the redemption price of the Series 2004 Bonds to be redeemed and that if

*Preliminary, Subject to Change

such funds are not so received or are not so legally available such notice shall be of no force or effect and such Series 2004 Bonds will not be required to be redeemed. In the event that such notice contains such a condition and sufficient funds to pay the redemption price of such Series 2004 Bonds shall not be received by the Trustee on or prior to the redemption date, the redemption will not be made and the Trustee will be required, within a reasonable time thereafter, to give notice, in the manner in which the notice of redemption shall have been given, that such funds were not so received.

On the redemption date, notice thereof having been given and money for payment of the redemption price being held in the Debt Service Fund in trust for the owners of the Series 2004 Bonds to be redeemed, the Series 2004 Bonds so called for redemption will become due and payable at the redemption price on such date, interest on the Series 2004 Bonds called for redemption will cease to accrue, such Series 2004 Bonds will cease to be entitled to any benefit or security under the Indenture, and the owners will have no rights in respect thereof except to receive payment of the redemption price, and, in the case of a partial redemption, to receive a new Series 2004 Bond for any unredeemed portion of any Series 2004 Bonds.

Series 2004 Bonds and portions thereof duly called for redemption, or with respect to which irrevocable instructions for redemption shall have been given to the Trustee, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account for the owners of the Series 2004 Bonds to be redeemed, will not thereafter be deemed to be outstanding under the provisions of the Indenture and shall cease to be entitled to any security or benefit under the Indenture, other than to receive payment from such moneys.

Additional Bonds

Additional Bonds may be issued in one or more series by the Authority at the request of the Corporation as advised by the Board under a supplemental indenture to pay all or part of the additional cost of the Facilities, including, but not limited to, the costs of Phase Three of the Facilities, so long as:

(a) No Event of Default under the Indenture has occurred and is then continuing and the Authority shall have approved the issuance of such additional bonds; and

(b) There shall have been filed with the Trustee an opinion of an attorney or firm of attorneys generally recognized as having expertise in matters relating to municipal bonds to the effect that the exclusion from "gross income" for federal income tax purposes of the interest on the Series 2004 Bonds then outstanding under the Indenture shall not be adversely affected.

The written consent of the Bond Insurer will not be required in connection with the issuance of such Additional Bonds, but the Bond Insurer will have the right to review and approve the documentation prepared in connection with the issuance of such Additional Bonds to ensure that such documentation is as contemplated by the Indenture and does not adversely affect the rights of the Bond Insurer under the Indenture in a manner not contemplated thereby.

Additional Bonds may be issued under the Indenture for any other purpose with the prior written consent of the Bond Insurer.

Additional Bonds, if issued on a parity with or subordinate to the Series 2004 Bonds, would be issued to pay all or a part of the additional costs of the Facilities. Such Additional Bonds will be dated, bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall mature at such times and have redemption provisions as may be provided in the supplemental indenture authorizing issuance of such Additional Bonds.

Interest at the Auction Rate

Interest on the Series 2004B Bonds bearing interest at an Auction Rate will accrue during each Interest Period and will be payable in arrears on each Interest Payment Date. The interest rate on the Series 2004B Bonds for the period from and including the date of initial delivery to and including the initial Auction Date (the "*Initial Period*") will

be determined not later than the Business Day immediately preceding the date of delivery of the Series 2004B Bonds. The interest payable on the Series 2004B Bonds for the period from and including the date of initial delivery to and including the initial Interest Payment Date and for any period thereafter from and including an Interest Payment Date for such Series 2004B Bonds to, but excluding, the next succeeding Interest Payment Date for such Series 2004B Bonds will, subject to certain exceptions described below, be equal to the aggregate amount of interest calculated at the applicable Auction Rate for such Interest Accrual Period which the Auction Agent shall advise has resulted on the Auction Dates (as defined herein under "AUCTIONS - Auction Dates" below) from the implementation of the Auction Procedures set forth in the Indenture and as set forth in APPENDIX "C" hereto in which persons determine to hold or offer to sell or, based on interest rates bid by them, offer to purchase or sell such Series 2004B Bonds. Each periodic implementation of the Auction Procedures is hereinafter referred to as an "Auction." The interest rate on the Series 2004B Bonds or any portion thereof may be converted from an Auction Rate to a Fixed Rate upon satisfaction of certain terms set forth in the Indenture described below under the subheading "Conversion to a Fixed Rate."

In the event an Auction Date occurs on a date other than the first day preceding such Interest Period, the Trustee, after confirming the calculation described above, will calculate the portion of the interest payable on such Interest Payment Date and the portion payable on the next succeeding Interest Payment Date. The Auction Agent will make the calculation described above not later than the close of business on each Auction Date and will communicate it to the Trustee not later than 12:00 noon on the next Business Day.

As more fully described in APPENDIX "C" hereto, the Auction Rate for any Auction Period may not exceed the Maximum Auction Rate which will be the lesser of: (i) the Applicable Percentage (which is equal to 175% so long as the Series 2004B Bonds are rated Aaa, Aa, or A; 200% if such Series 2004B Bonds are rated Baa; and 265% if such Series 2004B Bonds are rated below Baa) multiplied by the BMA Municipal Swap Index; (ii) 12% per annum; or (iii) the maximum rate permitted by applicable law.

If, on any scheduled Auction Date, an Auction for any Auction Period shall not be held for any reason (with the determination that an Auction was not held to be made by the Auction Agent and if the Auction Agent is not capable of or does not make such determination, then such determination shall be made by the Market Agent), then the following shall apply:

- (i) With respect to an Auction Period of greater than one hundred eighty (180) days, the Standard Auction Period will automatically convert to an Auction Period of seven (7) days;
- (ii) An Auction will be deemed to have occurred on the scheduled Auction Date;
- (iii) The Auction Rate for such deemed Auction to be in effect for the succeeding Auction Period will be equal to the Auction Rate for the preceding Auction Period; and
- (iv) The succeeding Auction Period will begin on the calendar day following the scheduled Auction Date.

Such procedures set forth above will be applicable for one Auction Period. In the event that the next Auction shall not be held for any reason (with the determination to be made by the Auction Agent that an Auction was not held and if the Auction Agent is not capable of or does not make such determination, then such determination shall be made by the Market Agent), then the Maximum Auction Rate will apply with respect to succeeding Auction Periods until an Auction can be held.

By purchasing Auction Rate Bonds, whether in an Auction or otherwise, each such purchaser or its Broker-Dealer, must agree and will be deemed by such purchase to have agreed (i) to participate in Auctions on the terms described herein, (ii) to have its beneficial ownership of the Auction Rate Bonds maintained at all times in book-entry form for the account of its Participant, which in turn will maintain records of such beneficial ownership and (iii) to authorize such Participant to disclose to the Auction Agent such information with respect to such beneficial ownership as the Auction Agent may request.

So long as the beneficial ownership of Auction Rate Bonds is maintained in a book entry system, an Existing Owner of Auction Rate Bonds may sell, transfer, or otherwise dispose thereof only pursuant to a Bid or Sell Order placed in an Auction or otherwise sell, transfer, or dispose thereof through a Broker-Dealer, provided that, in the case of all transfers other than pursuant to Auctions, such Existing Owner, its Broker-Dealer or its Participant advises the Auction Agent of such transfer.

Notwithstanding the foregoing, if:

(i) the beneficial ownership of the Auction Rate Bonds shall no longer be maintained in a book entry system, the Auction Rate on such Auction Rate Bonds for any Interest Accrual Period commencing after the delivery of certificates representing Auction Rate Bonds pursuant to the Indenture will equal the Maximum Auction Rate;

(ii) a Payment Default shall have occurred, then the rate of interest for each subsequent Auction Period commencing after such occurrence and during the continuance thereof to and including the subsequent Auction Period, if any, during which, or commencing less than two (2) Business Days after, such Payment Default is waived in accordance with the terms of the Indenture, will equal the Nonpayment Rate on the Auction Date for each such subsequent Auction Period; or

(iii) a proposed Fixed Rate Conversion shall have failed, then the rate of interest for the Auction Rate Bonds will be the Maximum Auction Rate as of the failed Conversion Date for the Interest Accrual Period commencing on such date.

Conversion to a Fixed Rate or a Variable Rate

In accordance with the provisions of the Indenture, the Authority may elect to change the interest mode on the Series 2004B Bonds from an Auction Rate to a Fixed Rate or a Variable Rate, provided that upon such election, the Authority, the Rating Agencies, and Trustee shall have received (i) an opinion of Bond Counsel to the effect that the implementation of such Conversion will not affect the exclusion from gross income for federal income tax purposes of interest on the Series 2004B Bonds, as the case may be, as of the date of such opinion and (ii) written confirmation from the Rating Agencies of the ratings on the Series 2004 Bonds after the implementation of such Conversion. Any such Conversion will be made as follows: The Authority will give written notice by first-class mail of any such Conversion and will specify the proposed Conversion Date to the Bondholders, the Trustee, the Bond Insurer, the Broker-Dealer, the Auction Agent, the Remarketing Agent, and DTC not less than thirty-five (35) nor more than forty-five (45) days prior to the proposed Conversion Date. The Conversion Date may only be the last Interest Payment Date for an Auction Period.

Mandatory Tender Upon Conversion; Certain Notices

Mandatory Tender Upon Conversion. Any Series 2004B Bonds to be converted to bear interest at a Fixed Rate or a Variable Rate will be subject to mandatory tender for purchase on the Conversion Date at a price equal to the principal amount thereof plus accrued interest thereon to the Conversion Date.

Notice to Registered Owners. Any notice of a Conversion given to owners will, in addition to the requirements described above, be required to specify that all outstanding Series 2004B Bonds being so converted are subject to mandatory tender pursuant to the provisions thereof and of the Indenture and will be purchased on the Conversion Date by payment of a purchase price equal to the principal amount thereof plus accrued interest to the Conversion Date.

Certain Notices by Trustee, Remarketing Agent, and Tender Agent. The notices to be given in connection with a Conversion will be specified in the supplement to the Indenture.

Registration and Delivery of Tendered or Purchased Bonds. Upon receipt of notice from the Trustee, the Registrar will register and authenticate, and, as promptly thereafter as practicable, the Registrar will be required to

deliver Series 2004B Bonds remarketed by the Remarketing Agent to the Remarketing Agent or to the purchasers thereof in accordance with the instructions of the Remarketing Agent.

Delivery of Series 2004B Bonds; Effect of Failure to Surrender Series 2004B Bonds. All Series 2004B Bonds to be purchased on any Conversion Date will be required to be delivered to the designated office of the Trustee, or its designated agent for such purposes, at or before 12:00 noon on such date. If the owner of any Series 2004B Bonds that are subject to purchase as described herein shall fail to deliver such Series 2004B Bonds to the Trustee, or its designated agent for such purposes, for purchase on the purchase date, and, if the Trustee, or its designated agent for such purposes, shall be in receipt of the purchase price therefor, such Series 2004B Bond shall nevertheless be deemed tendered and purchased on the Conversion Date and shall be Undelivered Bonds as described below under the subheading “**Undelivered Bonds**,” and registration of the ownership of such Series 2004B Bond will be transferred to the purchaser thereof as described under the subheading “**Undelivered Bonds**” below.

No Tender Purchases on Redemption Date

Any Series 2004B Bonds (or portions thereof) called for redemption are not subject to tender or purchase.

Undelivered Bonds

Any Series 2004B Bonds that are not tendered by a Conversion Date will be deemed tendered to the Trustee as of the Conversion Date, subject, however, to remarketing or purchase by the entity selected by the Remarketing Agent for settlement on the Conversion Date and receipt by the Trustee of the price equal to one hundred percent (100%) of the principal amount thereof from the purchasers thereof or the Remarketing Agent. In the event that on a Conversion Date the Remarketing Agent shall have been unable to remarket all Series 2004B Bonds for settlement on the Conversion Date and shall have elected not to purchase for its own account such unremarketed Series 2004B Bonds, or on the Conversion Date the Trustee shall not have received the purchase price therefor, the proposed Conversion will be cancelled, and such Series 2004B Bonds will remain subject to the Auction Procedures and will bear interest at the Maximum Auction Rate as of the failed Conversion Date for the Interest Accrual Period commencing on such date.

Book-Entry Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC, AND NEITHER THE AUTHORITY NOR THE CORPORATION TAKES ANY RESPONSIBILITY FOR THE ACCURACY THEREOF.

The Series 2004 Bonds initially will be delivered in the form of fully registered, book-entry only bonds. Upon initial delivery, the Series 2004 Bonds will be registered in the registry books kept by the Trustee, as bond registrar, in the name of Cede & Co., as nominee for The Depository Trust Company (“*DTC*”), New York, New York, which will act as the initial securities depository for the Series 2004 Bonds (the “*Bond Depository*”) under a book-entry only system. Purchasers of Series 2004 Bonds (the “*Beneficial Owners*”) will not receive certificates representing their interest in the Series 2004 Bonds. Purchases of beneficial interests in the Series 2004 Bonds will be made in book-entry only form in Authorized Denominations by credit to participating broker-dealers and other institutions on the books of DTC as described herein. Payments of principal of and interest on the Series 2004 Bonds will be made by the Trustee directly to DTC as the registered Owner thereof. Disbursement of such payments to the DTC Participants (as hereinafter defined) is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of the DTC Participants and the Indirect Participants (as hereinafter defined), as more fully described herein. Any purchaser of beneficial interests in the Series 2004 Bonds must maintain an account with a broker or dealer who is, or acts through, a DTC Participant to receive payment of the principal of and interest on such Series 2004 Bonds.

DTC is a limited-purpose trust company organized under the laws of the State of New York, a “banking organization” within the meaning of New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of §17A of the Securities Exchange Act of 1934, as amended. DTC holds securities that its

participants (the “*DTC Participants*”) deposit with DTC. DTC also facilitates the settlement among DTC Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in accounts of the DTC Participants, thereby eliminating the need for physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its DTC Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others, such as banks, brokers, dealers, and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (the “*Indirect Participants*”). The rules applicable to DTC and its Direct Participants are on file with the SEC.

Purchases of Series 2004 Bonds under the DTC system must be made by or through DTC Participants which will receive a credit balance for the Series 2004 Bonds in the records of DTC. The ownership interest of each Beneficial Owner is in turn to be recorded in the DTC Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive a written confirmation of their purchase providing details of the transaction, as well as periodic statements of their holdings, from the DTC Participants and Indirect Participants through which the Beneficial Owner entered the transaction. Transfers of ownership interest in the Series 2004 Bonds will be accomplished by entries made on the books of DTC Participants and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Series 2004 Bonds, except in the event the use of the book-entry system for the Series 2004 Bonds is discontinued.

SO LONG AS CEDE & CO., AS THE NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE SERIES 2004 BONDS, THE AUTHORITY AND THE TRUSTEE WILL TREAT CEDE & CO. AS THE ONLY REGISTERED OWNER OF THE SERIES 2004 BONDS FOR ALL PURPOSES UNDER THE INDENTURE, INCLUDING RECEIPT OF ALL PRINCIPAL OF AND INTEREST ON THE SERIES 2004 BONDS, RECEIPT OF NOTICES, AND VOTING.

To facilitate subsequent transfers, all Series 2004 Bonds deposited by DTC Participants and Indirect Participants are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2004 Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2004 Bonds; DTC's records reflect only the identity of the DTC Participants in whose accounts such Series 2004 Bonds are credited, which may or may not be the Beneficial Owners. The DTC Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If less than all of the Series 2004 Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each DTC Participant within a maturity of the Series 2004 Bonds being redeemed.

Beneficial Owners of the Series 2004 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2004 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. Beneficial Owners of Series 2004 Bonds may wish to ascertain that the nominee holding the Series 2004 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co., will consent or vote with respect to the Series 2004 Bonds. Under its usual procedures, DTC mails an omnibus proxy to the Authority as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those DTC Participants to whose accounts the Series 2004 Bonds are credited on the record date (identified in the listing attached to the omnibus proxy).

Principal and interest payments on the Series 2004 Bonds will be made to DTC. DTC's practice is to credit DTC Participants' accounts on the payment dates in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payment date. Payments by DTC Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC Participant or Indirect Participant and not of DTC, the Trustee, as paying agent, or the Authority, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of the principal and interest to DTC is the responsibility of the Trustee, as paying agent, disbursement of such payments to DTC Participants will be the responsibility of DTC, and the disbursement of such payments to the Beneficial Owners will be the responsibility of the DTC Participants and the Indirect Participants.

The Trustee will pay principal of and interest on the Series 2004 Bonds to or upon the order of the respective Owners, as shown on the Bond Register, or upon their respective attorneys duly authorized in writing, as provided in the Indenture, and all such payments will be valid and effective to fully satisfy the Authority's obligations with respect to the payment of principal and interest on the Series 2004 Bonds to the extent of the sum or sums so paid. Upon delivery by the nominee of DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of the existing nominee, and subject to the provisions of the Indenture with respect to record dates, the word "Cede & Co." in the Indenture will refer to such new nominee of DTC.

In the event the Authority or the Trustee receives written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities, and the Authority or the Trustee is unable to find a substitute depository, in the opinion of the Authority and the Trustee, willing and able to undertake the functions of the Bond Depository upon reasonable and customary terms, then the Series 2004 Bonds will no longer be restricted to being registered in the Bond Register in the name of the nominee of DTC or DTC, but may be registered in whatever name or names the Beneficial Owners (as certified by DTC) transferring or exchanging the Series 2004 Bonds will designate, in accordance with the provisions of the Indenture.

In the event the Authority shall determine that it is in the best interests of the Beneficial Owners of the Series 2004 Bonds that they be able to obtain bond certificates, the Authority may notify DTC and the Trustee, whereupon DTC will notify the DTC Participants and Indirect Participants of the availability through the nominee or DTC of bond certificates. In such event, the Trustee will issue, transfer, and exchange Series 2004 Bond certificates as requested by DTC and any other Bondholders in appropriate amounts, and whenever the Bond Depository requests the Authority and the Trustee to do so, the Authority and the Trustee will cooperate with DTC by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2004 Bonds to any nominee or DTC Participant having Series 2004 Bonds credited to its account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2004 Bonds.

Notwithstanding any other provision described herein or contained in the Indenture to the contrary, so long as any Series 2004 Bond is registered in the name of the nominee of DTC, all payments with respect to the principal of and interest on such Series 2004 Bond will be made and given, respectively, to the nominee or DTC in the manner provided in the Blanket Letter of Representation entered into between DTC and the Authority.

In connection with any notice or communication to be provided to Bondholders pursuant to the Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority, or the Trustee, as the case may be, will establish a record date for such consent or other action and give the nominee or DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

NEITHER THE AUTHORITY, THE CORPORATION, THE BOARD, THE UNIVERSITY, NOR THE TRUSTEE HAS ANY RESPONSIBILITY OR OBLIGATIONS TO THE DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (B) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2004 BONDS; (C) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL

OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (D) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2004 BONDS; OR (E) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS REGISTERED BONDHOLDER.

Series 2004 Bonds Are Limited Obligations

THE SERIES 2004 BONDS AND THE INTEREST THEREON ARE SPECIAL, LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY, EXCEPT TO THE EXTENT PAID OUT OF MONEYS ATTRIBUTABLE TO PROCEEDS OF THE SERIES 2004 BONDS AND TEMPORARY INVESTMENTS THEREOF, FROM PAYMENTS DERIVED BY THE AUTHORITY UNDER THE LOAN AGREEMENT, FROM THE ASSETS AND INTERESTS PLEDGED UNDER THE MORTGAGE, AND FROM THE BOND INSURANCE POLICIES. THE SERIES 2004 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF. THE ISSUANCE OF THE SERIES 2004 BONDS SHALL NOT, DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE AUTHORITY HAS NO POWER TO TAX.

Payment Procedure Pursuant to the Series 2004 Bond Insurance Policies

In the event that, on the second (2nd) Business Day, and again on the Business Day, prior to any day on which the principal of or interest on the Series 2004 Bonds shall be payable (each such date, a "*Bond Payment Date*"), the Trustee has not received sufficient moneys to pay all principal of and interest on the Series 2004 Bonds due on the second (2nd) following or following, as the case may be, business day, the Trustee will be required to notify the Bond Insurer or its designee immediately on the same business day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency. If such deficiency is made up in whole or in part prior to or on the Bond Payment Date, the Trustee will be required to so notify the Bond Insurer or its designee.

In addition, if the Trustee has notice that any Bondholder has been required to disgorge payments of principal of or interest on a Series 2004 Bond to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Bondholder, within the meaning of any applicable bankruptcy laws, then the Trustee will be required to notify the Bond Insurer or its designee of such fact immediately by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

The Trustee has been irrevocably designated, appointed, directed, and authorized to act as attorney-in-fact for the Owners of the Series 2004 Bonds as follows:

(i) If and to the extent there is a deficiency in amounts required to pay interest on the Series 2004 Bonds, the Trustee will be required to (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Series 2004 Bond Insurance Policies (the "*Insurance Paying Agent/Trustee*"), in form satisfactory to the Insurance Paying Agent/Trustee, (1) an instrument appointing the Bond Insurer as agent for the Owners of the Series 2004 Bonds in any legal proceeding related to the payment of such interest and (2) an assignment to the Bond Insurer of the claims for interest to which such deficiency relates and that are paid by the Bond Insurer, (B) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Series 2004 Bond Insurance Policies payment from the Insurance Paying Agent/Trustee with respect to the claims for interest so assigned, and (C) disburse the same to such Owners; and

(ii) If and to the extent of a deficiency in amounts required to pay principal of the Series 2004 Bonds, the Trustee will be required to (A) execute and deliver to the Insurance Paying Agent/Trustee, in form satisfactory to the Insurance Paying Agent/Trustee, (1) an instrument appointing the Bond Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and (2) an assignment to the Bond Insurer of any of the Series 2004 Bonds surrendered to the Insurance Paying Agent/Trustee of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such

assignment shall be delivered only if payment from the Insurance Paying Agent/Trustee is received), (B) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Series 2004 Bond Insurance Policies payment therefor from the Insurance Paying Agent/Trustee, and (C) disburse the same to such Owners.

Payments with respect to claims for interest on and principal of Series 2004 Bonds disbursed by the Trustee from proceeds of the Series 2004 Bond Insurance Policies will not be considered to discharge the obligation of the Authority with respect to the Series 2004 Bonds, and the Bond Insurer will become the owner of such unpaid Series 2004 Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions described above or otherwise.

AUCTIONS

The provisions described herein regarding Auction Procedures may be amended from time to time to conform such procedures to industry practices or change in law solely upon notice to the owners of any affected Series 2004B Bonds.

General

Auction Dates. Except as otherwise described herein, an Auction to determine the Auction Rate for each subsequent Auction Period is to be held on the Business Day immediately preceding the first day of such subsequent Auction Period (each an "***Auction Date***"). The first Auction will be held on the Thursday immediately succeeding the Closing Date, and every Thursday thereafter; provided, that if such Thursday is not a Business Day, the Auction will be held on the first Business Day preceding such Thursday. Each subsequent Auction Period is to begin on the Business Day following the Auction Date to which such Auction Period relates. See "***Change of Auction Date***" and "***Change of Auction Period***" below for information concerning the circumstances under which the Auction Date or the first day of a subsequent Auction Period may be moved to a different date.

Change of Auction Date. The Market Agent, with the prior written consent of the Authority, may change, in order to conform with then-current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date, the Auction Date for all future Auction Periods to a different day so long as the first such Auction Date will be a Business Day in the calendar week in which the next succeeding Auction Date is then scheduled to occur.

Change of Auction Period. The Authority may change the length of the Auction Period on any Auction Date by means of a written notice delivered not less than ten (10), nor more than fifteen (15), days prior to the Auction Date for such Auction Period to the Trustee, the Market Agent, the Auction Agent, and the Securities Depository. If such Auction Period shall be less than twenty-one (21) days, such notice will be effective only if it shall be accompanied by a written statement of the Trustee, the Market Agent, the Auction Agent, and the Securities Depository to the effect that they are capable of performing their duties under the General Resolution, the Series Resolution, the Market Agent Agreement, and the Auction Agency Agreement, as applicable, with respect to such Auction Period and by the written consent of the Bond Insurer. The length of an Auction Period may not be changed unless Sufficient Clearing Bids existed at the Auction immediately preceding such changed Auction Period.

Auction Procedures

The following summary of the Auction Procedures to be used with respect to Auctions is qualified by reference to the Auction Procedures appended hereto as APPENDIX "C."

Orders by Existing Holders and Potential Holders. See "**AUCTION PROCEDURES - Orders by Existing and Potential Holders**" in APPENDIX "C" for a description of the procedure for the submission of orders prior to the Submission Deadline.

If an Existing Holder shall fail to submit an Order prior to the Submission Deadline, such Existing Holder will be deemed to have submitted a Hold Order. The communication to a Broker-Dealer of the foregoing information is

herein referred to as an “*Order*” and, collectively, as “*Orders*.” An Existing Holder or a Potential Holder placing an order is herein referred to as a “*Bidder*” and, collectively, as “*Bidders*.”

An Order may be submitted only in the principal amount of Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof.

An Existing Holder may submit different types of Orders in an Auction with respect to Series 2004B Bonds then held by such Existing Holder. An Existing Holder who offers to purchase additional Series 2004B Bonds is, for purposes of such offer, treated as a Potential Holder. For information concerning the priority given to different types of Orders placed by Existing Holders, see “*Submission of Orders by Broker-Dealers to Auction Agent*” below.

The Maximum Auction Rate is the maximum rate per annum that can result from an Auction. Any Bid specifying a rate higher than the Maximum Auction Rate is to (i) be treated as a Sell Order if submitted by an Existing Holder, and (ii) not be accepted if submitted by a Potential Holder. See “*Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate*” and “*Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds*” below.

The principal amount of Series 2004B Bonds purchased or sold may be subject to certain proration procedures. See “*Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds*” below. Each purchase or sale of Series 2004B Bonds is to be made for settlement on the first Business Day following the Auction Date at a price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the date of settlement. See “*Notification of Results; Settlement*” below. The Auction Agent is entitled to rely upon the terms of any Order submitted to it by a Broker-Dealer.

Neither the Authority, the Trustee, nor the Auction Agent will be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent. If an Order or Orders covering the entire outstanding principal amount of Series 2004B Bonds held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline either because a Broker-Dealer failed to contact such Existing Holder, the Existing Holder elected not to submit an Order, or otherwise, the Auction Agent will deem a Hold Order to have been submitted on behalf of such Existing Holder covering the outstanding principal amount of Series 2004B Bonds held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

Submission of Orders by Broker-Dealers to Auction Agent. Investors must submit orders to the Broker-Dealers by 1:00 p.m. (New York City time) on the Auction Date. Prior to 1:00 p.m. (New York City time), on each Auction Date, or such other time on the Auction Date specified by the Auction Agent (the “*Submission Deadline*”), each Broker-Dealer will submit to the Auction Agent in writing all Orders obtained by it for the Auction to be conducted on such Auction Date. See “**AUCTION PROCEDURES - Submission of Orders by Broker-Dealers to Auction Agent**” in APPENDIX “C” hereto.

If more than one Bid is submitted on behalf of any Potential Holder, each Bid submitted will be a separate Bid with the rate and principal amount of Series 2004B Bonds therein specified.

Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Series 2004B Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof will be rejected and will be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Series 2004B Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof will be immediately rejected.

Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate. Not earlier than the Submission Deadline, the Auction Agent will be required to assemble all valid Orders submitted to it or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer hereinafter referred to individually as a “*Submitted Hold Order*,” a “*Submitted Bid*,” or a “*Submitted Sell Order*,” as the case may be, or as a “*Submitted Order*” and collectively as “*Submitted Hold Orders*,” “*Submitted Bids*,” or “*Submitted Sell Orders*,” as the case may be, or as “*Submitted Orders*”) and is to determine the excess of the outstanding principal amount of Series 2004B Bonds over the sum of the outstanding principal amount of Series 2004B

Bonds subject to Submitted Hold Orders (such excess being herein referred to as the “*Available Auction Rate Bonds*”) and whether Sufficient Clearing Bids have been made in the Auction. Sufficient Clearing Bids shall have been made if the principal amount of Series 2004B Bonds, which is the subject of Submitted Bids by Potential Holders specifying rates equal to or lower than the Maximum Auction Rate, equals or exceeds the principal amount of Series 2004B Bonds which is the subject of Submitted Sell Orders (including the principal amount of Series 2004B Bonds subject to Submitted Bids by Existing Holders specifying rates higher than the Maximum Auction Rate).

If Sufficient Clearing Bids have been made, the Auction Agent is to determine the lowest rate specified in the Submitted Bids (the “*Winning Bid Rate*”) which, taking into account the rates in all Submitted Bids of Existing Holders, would result in Existing Holders continuing to hold an aggregate principal amount of Series 2004B Bonds which, when added to the principal amount of Series 2004B Bonds to be purchased by Potential Holders based on the rates in their Submitted Bids, would equal not less than the Available Auction Rate Bonds. In such event, the Winning Bid Rate is to be the Auction Rate for the next Auction Period.

If Sufficient Clearing Bids have not been made (other than because all Series 2004B Bonds are subject to Submitted Hold Orders), the Auction Rate for the next Auction Period is to be the Maximum Auction Rate. If Sufficient Clearing Bids have not been made, Existing Holders who have submitted Sell Orders may not be able to sell in the Auction all Series 2004B Bonds subject to such Submitted Sell Orders. See “*Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds*” below.

If all of the Series 2004B Bonds are subject to Submitted Hold Orders, the Auction Rate for the next Auction Period is to be equal to the All-Hold Rate.

As used herein, All-Hold Rate, on any date of determination, means eighty-five percent (85%) of the lesser of (a) the After-Tax Equivalent Rate, or (b) the BMA Municipal Swap Index; provided, however, that in no event will such All-Hold Rate exceed the lower of (i) twelve percent (12%) per annum or (ii) the maximum rate permitted on the Series 2004B Bonds by applicable laws of the State of Louisiana; and provided, further, the All-Hold Rate may not exceed the Maximum Auction Rate.

Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds. Based on the determinations made under “*Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate*” above and, subject to the discretion of the Auction Agent to round off fractional amounts as described below, Submitted Bids and Submitted Sell Orders will be accepted or rejected in the order of priority set forth in the Auction Procedures with the result that Existing Holders and Potential Holders of Series 2004B Bonds will sell, continue to hold, and/or purchase Series 2004B Bonds as set forth below. Existing Holders who submitted or were deemed to have submitted Hold Orders will continue to hold Series 2004B Bonds subject to such Hold Orders.

Sufficient Clearing Bids. If Sufficient Clearing Bids shall have been made:

(a) each Existing Holder who shall have placed a Submitted Sell Order or Submitted Bid specifying a rate higher than the Winning Bid Rate will sell the principal amount of Series 2004B Bonds subject to such Submitted Sell Order or Submitted Bid;

(b) each Existing Holder who shall have placed a Submitted Bid specifying a rate lower than the Winning Bid Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(c) each Potential Holder who shall have placed a Submitted Bid specifying a rate lower than the Winning Bid Rate will purchase the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(d) each Existing Holder who shall have placed a Submitted Bid specifying a rate equal to the Winning Bid Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid unless the aggregate principal amount of Series 2004B Bonds subject to all such Submitted Bids shall be greater than the aggregate principal amount of Available Auction Rate Bonds less the Series 2004B Bonds accounted for in clauses (b) and (c) above, in which event each Existing Holder with such a Submitted Bid will continue to hold a principal amount of Outstanding Series 2004B Bonds subject to such Submitted Bid determined on a *pro rata* basis based on the

aggregate principal amount of Outstanding Series 2004B Bonds subject to all such Submitted Bids by Existing Holders; and

(e) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate will be accepted but only in an amount equal to the principal amount of Series 2004B Bonds obtained by multiplying the excess of the aggregate principal amount of Available Auction Rate Bonds over the aggregate principal amount of Series 2004B Bonds subject to Submitted Bids described in clauses (b), (c), and (d) above by a fraction, the numerator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which will be the sum of the principal amounts of Outstanding Series 2004B Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

Insufficient Clearing Bids. If Sufficient Clearing Bids shall not have been made (unless all of the Outstanding Series 2004B Bonds are subject to Submitted Hold Orders):

(a) each Existing Holder who shall have placed a Submitted Bid specifying a rate equal to or lower than the Maximum Auction Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(b) each Potential Holder who shall have placed a Submitted Bid specifying a rate equal to or lower than the Maximum Auction Rate will purchase the principal amount of Series 2004B Bonds subject to such Submitted Bid; and

(c) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder will be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Series 2004B Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Series 2004B Bonds obtained by multiplying the aggregate principal amount of Series 2004B Bonds subject to Submitted Bids described in clause (b) above by a fraction, the numerator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds subject to all such Submitted Bids and Submitted Sell Orders.

Neither the Authority nor the Trustee will be required to provide moneys to pay the purchase price of Series 2004B Bonds if Sufficient Clearing Bids have not been made. If all Outstanding Series 2004B Bonds are subject to Submitted Hold Orders, all Submitted Bids will be rejected.

If, as a result of the Auction Procedures, (i) any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Series 2004B Bonds which is not equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof, the Auction Agent will, in such manner as it, in its sole discretion, shall determine, round up or down the principal amount of Series 2004B Bonds being sold or purchased on such Auction Date so that the principal amount of Series 2004B Bonds sold or purchased by each Existing Holder or Potential Holder will be equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof or (ii) any Potential Holder would be entitled or required to purchase less than Twenty-Five Thousand Dollars (\$25,000) principal amount of Series 2004B Bonds, the Auction Agent will, in such manner as it, in its sole discretion, shall determine, allocate principal amounts of Series 2004B Bonds for purchase among Potential Holders so that only principal amounts of Series 2004B Bonds equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof are purchased by any such Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing Series 2004B Bonds.

Notification of Results: Settlement. The following summary of the Settlement Procedures to be used with respect to Auctions is qualified by reference to the Settlement Procedures attached hereto as **APPENDIX "D."**

The Auction Agent is required to advise each Broker-Dealer who submitted an order of the Auction Rate for the next Auction Period and, if such Order was a Bid or Sell Order, whether such Bid or Sell Order was accepted or rejected, in whole or in part, on each Auction Date. Each Broker-Dealer who submitted an Order on behalf of a Bidder

is required then to advise such Bidder of the Auction Rate for the next Auction Period and, if such Order was a Bid or a Sell Order, whether such Bid or Sell Order was accepted or rejected, in whole or in part, to confirm purchases and sales with each Bidder purchasing or selling Series 2004B Bonds as a result of the Auction to give instructions to its agent member of the Securities Depository to pay the purchase price against delivery of such Series 2004B Bonds or to deliver such Series 2004B Bonds against payment therefor, as appropriate.

In accordance with what are understood to be the Securities Depository's procedures, on the Business Day after the Auction Date, the transactions described above are to be executed through the Securities Depository and the accounts of the respective agent members at the Securities Depository will be debited and credited and Series 2004B Bonds delivered as necessary to effect the purchases and sales as determined in the Auction. Purchasers are required to make payment through their agent member in same-day funds to the Securities Depository against delivery through their agent members. The Securities Depository is to make payment in accordance with its normal procedures, which now provide for payment against delivery by its agent members in same-day funds.

If any Existing Holder selling Series 2004B Bonds in an Auction fails to deliver such Series 2004B Bonds, the Broker-Dealer, or any person who was to have purchased Series 2004B Bonds in such Auction, may deliver to such person a principal amount of Series 2004B Bonds which is less than the principal amount of Series 2004B Bonds that otherwise was to be purchased by such person but in any event equal to \$25,000 or an integral multiple thereof. In such event, the principal amount of Series 2004B Bonds to be delivered will be determined by such Broker-Dealer. Delivery of such lesser principal amount of Series 2004B Bonds will constitute good delivery.

Concerning the Auction Agent. The Trustee is to enter into an agreement (the "**Auction Agency Agreement**") with The Bank of New York, New York, New York (together with any successor bank or trust company or other entity entering into a similar agreement with the Trustee, the "**Auction Agent**") which provides, among other things, that the Auction Agent is to follow the Auction Procedures for the purposes of determining the Auction Rate so long as the Auction Rate is to be based on the results of an Auction.

The Auction Agent is acting as agent for the Trustee in connection with Auctions. The Auction Agent has not assumed any fiduciary relationship, agency or trust with the holders of the Series 2004B Bonds or with any other person. In the absence of bad faith or negligence on its part, the Auction Agent will not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under the Auction Agency Agreement and will not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts.

The Auction Agent may terminate the Auction Agency Agreement upon notice to the Trustee and the Market Agent on a date no earlier than ninety (90) days after such notice. If the Auction Agent should resign or be removed, the Trustee is obligated to use its best efforts to appoint a successor Auction Agent and to enter into an agreement with a successor Auction Agent containing substantially the same terms and conditions as the Auction Agency Agreement. The Trustee will, acting at the direction of (i) the holders of sixty-six and two-thirds percent (66-2/3%) of the aggregate principal amount of the Series 2004B Bonds, or (ii) the Authority, upon ninety (90) days' notice to the Auction Agent, remove the Auction Agent, provided that such resignation or removal will not become effective until a successor Auction Agent has been appointed and qualified.

Broker-Dealers. The Auction Agent is to enter into an agreement with Morgan Keegan & Company, Inc. and may enter into similar agreements (collectively, the "**Broker-Dealer Agreements**") with one or more additional broker-dealers (collectively, the "**Broker-Dealers**") selected by the Trustee at the request of the Authority which provide for the participation of Broker-Dealers in Auctions.

If a Broker-Dealer submits an Order for its own account in any Auction, it may have an advantage over other Bidders due to its knowledge of Orders placed through it in that Auction; such Broker-Dealer, however, would not have knowledge of Orders submitted by other Broker-Dealers in the Auction.

Market Agent Agreement. The Trustee is to enter into a market agent agreement (the "**Market Agent Agreement**") with Morgan Keegan & Company, Inc. (together with any successor as market agent under the Series Resolution, the "**Market Agent**") which sets forth the Market Agent's duties and responsibilities. The Market Agent,

upon notice, may make changes in the Applicable Percentages used to determine the Maximum Auction Rate in the event of a Change of Tax Preference Law (as defined herein under "AUCTION PROCEDURES - Changes in Percentages Used in Determining Maximum Auction Rate" in APPENDIX "C" hereto) and the determination of the Index used to determine the Maximum Auction Rate and the All-Hold Rate. Upon appropriate notice, the Market Agent may alter the denomination size of the Series 2004B Bonds, may change the Auction Date and may shorten or extend the Auction Period, as discussed above under the subheadings "Change of Auction Date" and "Change of Auction Period."

SEC INQUIRY

Morgan Keegan & Company, Inc. has advised the Authority, the Corporation, and the Board that it and certain other participants in the auction rate securities markets, including both taxable and tax-exempt markets, have received letters from the SEC requesting that each of them voluntarily conduct a review regarding their respective practices and procedures in those markets. Morgan Keegan & Company, Inc. is cooperating fully with the SEC in this process. No assurance can be given as to whether the results of this process will affect the market for the Series 2004B Bonds or the auctions therefor.

SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS

Trust Estate and Mortgaged Property

The Series 2004 Bonds are special limited obligations of the Authority payable from the Trust Estate held for the benefit of the Bondholders pursuant to the Indenture and from property pledged under the Mortgage. The Series 2004 Bonds are not payable from any other revenues, funds, or assets of the Authority. The Trust Estate will include: (i) all right, title, and interest of the Authority in, to and under the Loan Agreement and (ii) moneys held in funds and accounts (other than the Rebate Fund) established pursuant to the Indenture. The property pledged under the Mortgage will include all right, title, and interest of the Corporation in, to and under the Facilities Lease, including all rental payments received pursuant to the Facilities Lease. The obligation of the Board to make rental payments under the Facilities Lease is subject to, and dependent upon, the University's budgeting and appropriating funds necessary to make payments required under the Facilities Lease. Any discussion in this Official Statement concerning the Trust Estate or any other source of payment for the Series 2004 Bonds should be construed with respect to any particular Series 2004 Bond to be limited to the extent described in this paragraph. The Trustee has no authority to extend the time for any Payment of principal, premium, or interest without the prior written consent of or authorization of the owners of the Series 2004 Bonds so affected.

Limitation of Authority's Obligations

THE SERIES 2004 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY, AND DO NOT CONSTITUTE OR CREATE AN OBLIGATION, GENERAL OR SPECIAL, DEBT, LIABILITY OR MORAL OBLIGATION OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISIONS WHATSOEVER AND NEITHER THE FAITH OR CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2004 BONDS. THE SERIES 2004 BONDS ARE NOT A GENERAL OBLIGATION OF THE AUTHORITY (WHICH HAS NO TAXING POWER AND RECEIVES NO FUNDS FROM ANY GOVERNMENTAL BODY) BUT ARE A LIMITED AND SPECIAL REVENUE OBLIGATION OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, INCLUDING, WITHOUT LIMITATION, THE INCOME, REVENUES AND RECEIPTS DERIVED OR TO BE DERIVED FROM PAYMENTS MADE PURSUANT TO THE LOAN AGREEMENT AND FROM ANY MONEYS RECEIVED BY THE TRUSTEE UNDER THE MORTGAGE.

Funds and Accounts

The Indenture will create the following funds and accounts which will be held by the Trustee: (i) Bond Proceeds Fund and a Costs of Issuance Account therein; (ii) Debt Service Fund, and the following accounts therein:

(1) Interest Account and (2) Principal Account; (iii) Project Fund; (iv) Debt Service Reserve Fund; (v) Replacement Fund; (vi) Rebate Fund; (vii) Receipts Fund; and (viii) Capitalized Interest Fund.

Bond Proceeds Fund. The Bond Proceeds Fund will be used to receive the proceeds of the Series 2004 Bonds. On the Closing Date, the Trustee will disburse amounts held in the Bond Proceeds Fund as follows:

(a) to the Interest Account in the Debt Service Fund that portion of the proceeds of the Series 2004 Bonds representing accrued interest on the Series 2004 Bonds in an amount specified in the request and authorization delivered pursuant to the Indenture;

(b) to the Debt Service Reserve Fund an amount of proceeds equal to the Debt Service Reserve Fund Requirement;

(c) to the Replacement Fund an amount of proceeds equal to the Replacement Fund Requirement;

(d) to the Capitalized Interest Fund an amount of proceeds equal to the capitalized interest amount;

(e) to retain such sum in the Costs of Issuance Account to pay the Costs of Issuance as shall be specified in the request and authorization delivered pursuant to the Indenture; and

(f) to the Project Fund the balance of the proceeds of the Series 2004 Bonds.

Amounts deposited on the Closing Date into Costs of Issuance Account of the Bond Proceeds Fund will be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. Any amounts remaining in the Costs of Issuance Account one hundred eighty (180) days after delivery of the Series 2004 Bonds (and not specifically committed to pay additional Costs of Issuance) will be transferred to the Project Fund.

Debt Service Fund. The Trustee will deposit into the applicable account of the Debt Service Fund the amounts required by the Indenture.

Moneys on deposit in the Interest Account of the Debt Service Fund will be used solely to pay the interest on the Series 2004 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of interest on the Series 2004 Bonds.

Moneys on deposit in the Principal Account of the Debt Service Fund will be used solely to pay the principal of the Series 2004 Bonds as it becomes due and payable whether at maturity, upon scheduled sinking fund redemption, or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of principal of the Series 2004 Bonds; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2004 Bonds prior to their maturity in accordance with the redemption provisions thereof or, with Bond Insurer consent, the purchase of Series 2004 Bonds prior to their maturity in the open market at a price not in excess of the principal amount thereof, premium, if any, plus accrued interest.

Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds, the Trustee will transfer money from the Surplus Fund, the Replacement Fund, and the Debt Service Reserve Fund, in that order and will give immediate notice to the Bond Insurer.

Project Fund. The Project Fund will be maintained by the Trustee in trust and be used to receive the immediate transfer from the balance of the proceeds of the Series 2004 Bonds as provided in the Indenture. Moneys in the Project Fund will be applied to the payment of the Costs of the Facilities pursuant to the procedure established in the Indenture and, pending such application, will be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as provided in the Indenture.

Debt Service Reserve Fund. Moneys on deposit in the Debt Service Reserve Fund will be maintained in an amount equal to the Debt Service Reserve Fund Requirement. Moneys in the Debt Service Reserve Fund will be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund and the Replacement Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds. Whenever the amount in the Debt Service Reserve Fund, together with the amount in the Debt Service Fund, is sufficient to pay in full all outstanding Series 2004 Bonds in accordance with their terms, the funds on deposit in the Debt Service Reserve Fund will be transferred to the Debt Service Fund and shall be available to pay all outstanding Series 2004 Bonds in accordance with their terms. **Notwithstanding the foregoing, amounts in the Debt Service Reserve Fund will not be available to pay the principal of, or the interest on, the Series 2004C Bonds.**

Replacement Fund. The Replacement Fund will be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, fixtures, or equipment of Lessee placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Rebate Fund. Moneys deposited and held in the Rebate Fund will be used to make all rebate payments owed to the United States under the Code, and will not be subject to the pledge of the Indenture. The Corporation will be required to make the calculation(s) required by the Code and the Tax Regulatory Agreement and to direct the Trustee to make deposits to and make disbursements from the Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Indenture governing deposits to the Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2004A Bonds or the Series 2004B Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Receipts Fund. There will be deposited into the Receipts Fund all funds received by or on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant to the Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. Moneys on deposit in the Receipts Fund will be applied by the Trustee on the dates indicated below in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement, to the Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, commencing on August 25, 2004, into the Operating Fund an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget for such month, as certified by the Management Company;

(c) With respect to the Series 2004A Bonds, the Series 2004B Bonds that bear interest at the Fixed Rate, and the Series 2004C Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2004, into the Interest Account of the Debt Service Fund an amount equal to one-sixth (1/6th) of the interest due and payable on the such Series 2004 Bonds on the next February 1 or August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Series 2004 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing August 18, 2004, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with

amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Auction Rate Bonds on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Variable Rate Bonds on such Interest Payment Date;

(f) With respect to the Series 2004 Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2005,* into the Principal Account of the Debt Service Fund an amount equal to one-twelfth (1/12th) of the principal payable on the Series 2004 Bonds on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund to pay debt service on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement over the amount on deposit in the Debt Service Reserve Fund;

(i) Annually, commencing on August 1, 2007, an amount equal to One Hundred Thousand Dollars (\$100,000) into the Replacement Fund, with such amount increased each year, commencing on August 1, 2008, at a rate of three percent (3%) annually or such lesser amount as shall be permitted by the Louisiana State Board of Regents and approved by the Bond Insurer and, in the event that any funds shall have been withdrawn from the Replacement Fund to pay debt service on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds, an amount equal to one twelfth (1/12th) of the amount so withdrawn;

(j) On the twenty-fifth (25th) day of each month, beginning August 25, 2004, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid; and

(k) Annually on August 1, commencing on August 1, 2005, any amounts remaining in the Receipts Fund shall be transferred to the Surplus Fund.

If the interest rate on Auction Bonds or Variable Rate Bonds is subject to adjustment pursuant to the Indenture after the date of such required payment deposit and prior to such Interest Payment Date, interest accruing on such Bonds from such adjustment date will be assumed to accrue at the rate in effect on such Bonds as of the date of such required deposit plus 100 basis points or at such other rate as the Bond Insurer may from time to time direct in writing to the Trustee, the Corporation, and the Issuer

Capitalized Interest Fund. The Capitalized Interest Fund will be maintained with the Trustee. The Capitalized Interest Fund will be funded on the date of delivery of the Series 2004 Bonds from the proceeds thereof in the amount of capitalized interest required by the Indenture. On each date on which the Trustee is required to transfer moneys in the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in subsections (c), (d), or (e) of "Receipts Fund" above, prior to making any such transfer the Trustee will transfer amounts on deposit in the Capitalized Interest Fund to the Interest Account of the Debt Service Fund in the amounts required by such subsections or such lesser amount as shall then remain in the Capitalized Interest Fund. The Trustee will reduce the amount required to be transferred from the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in such

*Preliminary, Subject to Change

subsections (c), (d), or (e) by any amounts transferred to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in this paragraph. Earnings on amounts in the Capitalized Interest Fund will be retained therein.

Surplus Fund. The Surplus Fund will be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Refunding Fund. The Refunding Fund will be maintained with the Trustee and used to receive a portion of the proceeds of the Series 2004 Bonds. It is expected that the Trustee will disburse substantially all of the moneys therein such to pay all of the outstanding principal and accrued interest on the Prior Debt within sixty (60) days of the date of issuance and delivery of the Series 2004 Bonds. Any balance of moneys deposited to the Refunding Fund after payment of the Prior Debt will be transferred to the Project Fund.

BONDHOLDERS' RISKS

Introduction

AN INVESTMENT IN THE SERIES 2004 BONDS INVOLVES A DEGREE OF RISK BECAUSE OF THE VARIOUS RISKS DESCRIBED IN THIS OFFICIAL STATEMENT. No person should purchase any of the Series 2004 Bonds without carefully reviewing the following information, which summarizes some, but not all, of the factors that should be carefully considered prior to such a purchase. Furthermore, the tax-exempt feature of the Series 2004 Bonds is relatively more valuable to high tax bracket investors than to investors who are in the lower tax brackets, and so the value of the interest compensation to any particular investor will vary with his or her marginal tax rate. Each prospective investor should, therefore, determine his or her present and anticipated marginal tax rate before investing in the Series 2004 Bonds. Each prospective investor should also carefully examine this Official Statement and his or her own financial condition (including the diversification of his or her investment portfolio) in order to make a judgment as to whether the Series 2004 Bonds are an appropriate investment.

Identified and summarized below are a number of "Bondholders' Risks" that could adversely affect the operation of the Facilities and/or the Series 2004 Bonds and that should be considered by prospective investors. The following discussion is not intended to be exhaustive, but includes certain major factors that should be considered along with other factors set forth elsewhere in this Official Statement, including the Appendices hereto.

Revenues from Operation of the Facilities

If the Board is unable to generate sufficient revenues from the operation of the Facilities to make Rental Payments under the Facilities Lease, an Event of Default may occur under the Indenture. Upon an Event of Default, the Series 2004 Bonds may not be paid or may be paid before maturity or applicable redemption dates and a forfeiture of redemption premiums may result. The Board's ability to generate revenues and its overall financial condition may be adversely affected by a wide variety of future events and conditions including (i) a decline in the enrollment of the University, (ii) increased competition from other schools, (iii) loss of accreditation, (iv) failure to meet applicable federal guidelines or some other event that results in students being ineligible for federal financial aid, and (v) cost overruns in connection with the Facilities or other capital improvements.

Non-Appropriation of Rental by the University

The Facilities are being leased by the Corporation to the Board on behalf of the University pursuant to the Facilities Lease. The obligation of the Board on behalf of the University to pay rental to the Corporation under the Facilities Lease is subject to, and dependent upon, appropriation of funds necessary to make payments of rental required under the Facilities Lease. Although each of the Board and University acknowledges its obligation to

budget annually an amount sufficient to make payments of rental under the Facilities Lease, notwithstanding this obligation such amounts may or may not ultimately be appropriated for such purpose. Further, both the Corporation and the Board acknowledge the Board's obligation on behalf of the University to pay rental shall not be construed as a debt of the Board, nor a pledge, lien, or encumbrance upon any specific tax or other revenues of the Board.

Ability to Assess or Impose Fees

The Board is obligated to make payments of Base Rental under the Facilities Lease solely from Lawfully Available Funds which include Rents received from the operation of the Facilities and other auxiliary revenues of the University. The ability of the Board to increase Rents and such other auxiliary fees or assess new fees may require approval by the Louisiana Legislature. The failure of the Board or the University to generate sufficient auxiliary revenues could affect the Board's ability to make payments of Base Rental and result in a default under the terms of the Facilities Lease. See "FACILITIES LEASE - Litigation Concerning Student Fees" herein.

Limited Obligations of the Authority

The Series 2004 Bonds constitute limited obligations of the Authority and have three potential sources of payment. The sources of payment are as follows:

- (1) Loan Payments received by the Trustee from the Corporation pursuant to the terms of the Indenture and the Loan Agreement.

The Authority has no obligation to pay the Series 2004 Bonds except from the related Trust Estate, including the loan payments derived from the Loan Agreement. See APPENDIX "A" for the definition of "*Trust Estate*." The Series 2004 Bonds, together with interest and premium, if any, thereon, will not be or constitute general obligations or indebtedness of the State, the University, the Board, or any other political subdivision of the State, but will be limited obligations of the Authority. Neither the faith and credit nor the taxing power of the State or any other agency or political subdivision thereof is pledged to the payment of the debt service payments on the Series 2004 Bonds, and the owners of the Series 2004 Bonds, will not have the right to compel any exercise of the taxing power of the State or any other political subdivision of the State to pay the Series 2004 Bonds, any premium thereon, or the interest thereon. The Authority has no taxing power. The Corporation will be required to make loan payments (the interest in which the Trustee has received by assignment from the Authority) to the Trustee in amounts sufficient to enable the Trustee to pay the debt service payments on the Series 2004 Bonds. See "SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS - THE INDENTURE – Debt Service Fund" in APPENDIX "B" hereto. The Loan Payments will be derived solely from operation of the Facilities and from Lawfully Available Funds of the University received under the Facilities Lease. Furthermore, the Corporation's ability to meet its obligations under the Loan Agreement will depend upon achieving and maintaining certain occupancy levels at the Facilities throughout the term of the Series 2004 Bonds. However, no assurance can be made that the Corporation will generate sufficient revenues from the Facilities or from Lawfully Available Funds to pay debt service payments on the Series 2004 Bonds after payment of operating expenses of the Facilities.

- (2) Revenues received from operation of the Facilities by a receiver upon a default under the Indenture.

It has been the experience of lenders in recent years that attempts to have a receiver appointed to take charge of properties with respect to which loans have been made are frequently met with defensive measures such as the initiation of protracted litigation and the initiation of bankruptcy proceedings. Such defensive measures can prevent the appointment of a receiver or greatly increase the expense and time involved in having a receiver appointed. See "BONDHOLDERS' RISKS - Enforceability of Remedies" herein. Accordingly, prospects for uninterrupted payment of principal and interest on the Series 2004 Bonds in accordance with their terms are largely dependent upon Loan Payments from the Corporation described in the preceding paragraph, which are wholly dependent upon the success of the Corporation in the operation of the Facilities.

- (3) Proceeds realized from the sale or lease of the Corporation's interest in the Facilities to a third party by the Trustee at or following foreclosure by the Trustee of the Mortgage and proceeds realized from the liquidation of other security for the Series 2004 Bonds.

Debtors frequently employ defensive measures, such as protracted litigation and bankruptcy proceedings, in response to lenders' efforts to foreclose on real property or otherwise to realize upon collateral to satisfy indebtedness that is in default. Such defensive measures can prevent, or greatly increase the expense and time involved in achieving, such foreclosure or other realization. In addition, the Trustee could experience difficulty in selling or leasing the real and personal property portion of the Facilities upon foreclosure due to the special purpose nature of a student housing facility, and the proceeds of such sale may not be sufficient to pay fully the owners of the Series 2004 Bonds. See "BONDHOLDERS' RISKS - Enforceability of Remedies" herein. Accordingly, prospects for uninterrupted payment of principal and interest on the Series 2004 Bonds in accordance with their terms are largely dependent upon the Loan Payments described in paragraph (1) above, which are wholly dependent upon the success of the Facilities. Even if the Facilities is operating in an efficient manner, other factors could affect the ability of the Corporation to make Loan Payments under the Loan Agreement. The Corporation also may become engaged in other ventures in the future.

Required Occupancy Levels and Rents

In order for the Corporation to generate sufficient revenues to enable it to make the payments at the times required under the Loan Agreement, the Facilities must meet certain occupancy levels and achieve certain rents. There can be no assurance, however, that the Facilities will be able to meet and maintain such required occupancy and rent levels.

Special Use Nature of the Facilities

The Facilities will be renovated and/or constructed to serve as student housing facilities and are located on the campus of the University. If it were necessary to sell the Corporation's interest in the Ground Lease pursuant to the Mortgage upon an Event of Default, the special use nature of the Facilities and the fact that the interest to be sold is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail the purchase price that could be obtained, and the net proceeds received may be less than the principal amount of Series 2004 Bonds Outstanding. For all practical purposes, payment of the Series 2004 Bonds will be almost solely dependent upon the continued operation of the Facilities.

Risks of Construction

On the basis the Developer's representation, management of the Corporation believes that the proceeds of the Series 2004 Bonds will be sufficient to complete the Facilities; however, the Development Agreement does not contain either a fixed price or a guaranteed maximum price with respect to all portions of the Facilities and additionally, the cost of construction of the Facilities may be affected by factors beyond the control of the Corporation, including strikes, material shortages, adverse weather conditions, subcontractor defaults, delays, and unknown contingencies.

The General Construction Contract between the Developer and the General Contractor (hereinafter defined) will obligate the General Contractor to complete the Facilities within a specified time, but it too does not contain either a fixed price or a guaranteed maximum price with respect to all portions of the Facilities. The projected cost of the Facilities may be increased, however, if there are change orders. The General Construction Contract requires the General Contractor to furnish performance and payment bonds; however, there can be no assurance that the obligations of the surety under such bonds can be enforced without costly and time-consuming litigation.

If cost overruns resulting from inaccurate estimates, delays, change orders, or other causes are experienced, neither the Developer nor the General Contractor will have any obligation to provide for the completion of the Facilities. In the event the Facilities are not completed, the only meaningful security for the owners of the Series 2004 Bonds would be the right to foreclose under the Mortgage on the Corporation's leasehold interest in the uncompleted Facilities. While the Indenture permits the Authority to issue Additional Bonds to complete the Facilities, the Authority is not obligated to issue such Additional Bonds and there can be no assurance that a purchaser for such Additional Bonds could be obtained.

Clean-up Costs and Liens under Environmental Statutes

In anticipation of the execution and delivery of the Ground Lease, the Developer retained Professional Service Industries, Inc., New Orleans, Louisiana (the "*Environmental Engineer*"), to conduct an environmental site assessment (the "*Site Assessment*") of the Land. The Environmental Engineer identified no concerns. Prospective purchasers of the Series 2004 Bonds may obtain a copy of the Site Assessment from the Underwriter; however, prospective purchasers of the Series 2004 Bonds may not rely upon the findings contained in the Site Assessment or upon any action or undertaking of the Developer in connection therewith.

The Corporation is not aware of any enforcement actions currently in process with respect to any releases of pollutants or contaminants at the Land. However, there can be no assurance that an enforcement action or actions will not be instituted under such statutes at a future date. In the event such enforcement actions were initiated, the Corporation could be liable for the costs of removing or otherwise treating pollutants or contaminants located at the Land. In addition, under applicable environmental statutes, in the event an enforcement action were initiated, a lien superior to the Trustee's lien on behalf of the Bondholders could attach to the Facilities, which would adversely affect the Trustee's ability to realize value from the disposition of the Corporation's interest in the Facilities upon foreclosure of the Mortgage. Furthermore, in determining whether to exercise any foreclosure rights with respect to the Facilities under the Indenture, the Trustee and the Bondholders would need to take into account the potential liability of any tenant of the Facilities, including a tenant by foreclosure, for clean-up costs with respect to such pollutants and contaminants.

Pledge and Assignment of, and Grant of Security Interest in, Future Revenues

Under the Mortgage, the Corporation will grant to the Trustee a first priority security interest in the leases and subleases affecting the Property and/or the Facilities, including, without limitation, the Facilities Lease (collectively, the "*Leases*") and all revenues, rentals, and other sums due or becoming due under the Leases. Nevertheless, certain interests and claims of others may be on a parity with or prior to the grant of security interest made in the Mortgage and in the Indenture and certain statutes and other provisions may limit the Corporation's and the Authority's rights to make such pledges, assignments, and/or grants of security interests. Examples of such claims, interests, and provisions are:

- (1) statutory liens,
- (2) the Louisiana Uniform Commercial Code may not recognize a security interest in future revenues derived from the Facilities,
- (3) constructive trusts, equitable liens, or other rights impressed or conferred by any state or federal court in the exercise of its equitable jurisdiction,
- (4) federal bankruptcy laws as they affect amounts earned with respect to the Facilities after any effectual institution of bankruptcy proceedings by or against the Corporation or the Authority,
- (5) as to those items in which a security interest can be perfected only by possession, including items converted to cash, the rights of third parties in such items not in the possession of the Trustee,
- (6) items not in possession of the Trustee, the records to which are located or moved outside the State of Louisiana, which are thereby not subject to or are removed from the operation of Louisiana law, and
- (7) the requirement that appropriate continuation statements be filed in accordance with the Louisiana Uniform Commercial Code as from time to time in effect.

Enforceability of Remedies

The Series 2004 Bonds are payable from the Trust Estate and from the property pledged under the Mortgage, including payments to be made under the Loan Agreement and the Indenture. The payments to be made by the Corporation under the Loan Agreement are secured by (i) a first mortgage lien on the Corporation's leasehold interest in

the Facilities and the Land and in the furnishings, equipment, and other personal property included in the Facilities and by first priority security interest in the Leases and all revenues, rentals, and other sums due or becoming due thereunder. Pursuant to the Indenture, the Series 2004 Bonds are secured by the Trust Estate, including the pledge to the Trustee of the Authority's interest in the Loan Agreement. The practical realization of value upon any default will depend upon the exercise of various remedies specified by the Indenture and the Mortgage. These and other remedies may, in many respects, require judicial actions, which are often subject to discretion and delay. Under existing law (including, particularly, federal bankruptcy law), the remedies specified by the Indenture and the Mortgage may not be readily available or may be limited. A court may decide not to order the specific performance of the covenants contained in the Indenture and the Mortgage. The various legal opinions to be delivered concurrently with the delivery of the Series 2004 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by state and federal laws, rulings, and decisions affecting remedies, including judicial discretion in the application of the principles of equity, and by bankruptcy, reorganization, or other laws affecting the enforcement of creditors' rights generally.

Effect of Determination of Taxability

The Corporation will covenant not to take any action that would cause the Series 2004A Bonds or the Series 2004B Bonds to be arbitrage bonds or that would otherwise adversely affect the federal income tax status of interest in the Series 2004A Bonds or the Series 2004B Bonds. The Corporation will also make representations with respect to certain matters within their knowledge that have been relied on by Bond Counsel and that Bond Counsel has not independently verified. Failure to comply with such covenants could cause interest on the Series 2004A Bonds or the Series 2004B Bonds to become subject to federal income taxation retroactively from their date of issuance.

It is possible that a period of time may elapse between the occurrence of the event that causes interest to become taxable and the determination that such an event has occurred. In such a case, interest previously paid on the Series 2004A Bonds or the Series 2004B Bonds could become retroactively taxable from the date of their issuance. Additionally, certain owners of Series 2004A Bonds or the Series 2004B Bonds are subject to possible adverse tax consequences. See "TAX EXEMPTION" herein.

Market for the Series 2004 Bonds

There can be no assurance that a secondary market exists, or that the Series 2004 Bonds can be sold for any particular price. Accordingly, a purchaser of the Series 2004 Bonds should recognize that an investment in the Series 2004 Bonds will in all likelihood be illiquid and be prepared to have his or her funds committed until the Series 2004 Bonds mature or are redeemed.

Additional Bonds

The Authority has the right to issue Additional Bonds under the Indenture that will be equally and ratably secured on a parity basis with the Series 2004 Bonds. See "SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS - ADDITIONAL BONDS" herein and "SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS - THE INDENTURE -- Additional Bonds" in APPENDIX "B" hereto. **SUCH ADDITIONAL BONDS COULD DILUTE THE SECURITY FOR THE SERIES 2004 BONDS.**

Consequences of Changes in the Corporation's or the University's Tax Status

The Corporation has obtained a determination letter from the Internal Revenue Service stating that it will be treated as an exempt organization as described in §501(c)(3) of the Code and can reasonably be expected to not be classified as a "private foundation." In order to maintain its exempt status and to not be considered a private foundation, the Corporation will be subject to a number of requirements affecting its operation. The possible modification or repeal of certain existing federal income tax laws, the change of Internal Revenue Service policies or positions, the change of the Corporation's method of operations, purposes or character or other factors could result in loss by the foundation of its tax-exempt status.

The Corporation will covenant to cause to remain eligible for such tax-exempt status and to avoid operating the Facilities as an unrelated trade or business (as determined by applying §512(a) of the Code). Failure of the Facilities to remain so qualified or of the Corporation so to operate the Facilities could affect the funds available to the Corporation for payments under the Loan Agreement by subjecting the Corporation to federal income taxation and could result in the loss of the excludability of interest on the Series 2004A Bonds and the Series 2004B Bonds from gross income for purposes of federal income taxation. Potential investors should note that in such event, the provisions of the Indenture relating to a Determination of Taxability may be applicable. Continuation of the tax-exempt status of the Series 2004A Bonds and the Series 2004B Bonds may also be dependent upon the continuing tax-exempt status of the University. See “**BONDHOLDERS' RISKS - Effect of Determination of Taxability**” above.

Taxation of Series 2004A Bonds and the Series 2004B Bonds

An opinion of Bond Counsel will be obtained as described under “**TAX EXEMPTION**” herein. Such an opinion is not binding on the Internal Revenue Service. Application for a ruling from the Internal Revenue Service regarding the status of the interest on the Series 2004A Bonds and the Series 2004B Bonds has not been made. The opinion of Bond Counsel contains certain exceptions and is based on certain assumptions described herein under the heading “**TAX EXEMPTION.**” Failure by the Authority or the Corporation to comply with certain provisions of the Code and covenants contained in the Indenture, the Loan Agreement, and the Tax agreement could result in interest on the Series 2004A Bonds and the Series 2004B Bonds becoming includable in gross income for federal tax purposes.

An opinion of Bond Counsel will be obtained regarding the exemption of interest on the Series 2004 Bonds from certain taxation by the State of Louisiana, as described under “**TAX EXEMPTION**” herein. Bond Counsel has not opined as to whether interest on the Series 2004 Bonds is subject to state or local income taxation in jurisdictions other than Louisiana. Interest on the Series 2004 Bonds may or may not be subject to state or local income taxation in jurisdictions other than Louisiana under applicable state or local laws. Each purchaser of the Series 2004 Bonds should consult his or her own tax advisor regarding the taxable status of the Series 2004 Bonds in a particular state or local jurisdiction.

Municipal Bond Insurance

If the Authority should fail to make payment of the principal of or interest on the Series 2004 Bonds when the same shall become due, any owner of Series 2004 Bonds will have recourse against the Bond Insurer for such payments; however, the Series 2004 Bond Insurance Policies do not insure the principal of or interest on the Series 2004 Bonds coming due by reason of acceleration or redemption (other than mandatory sinking fund redemption), nor do they insure the payment of any redemption premium payable upon the Series 2004 Bonds, and under no circumstances, including the situation in which the interest on the Series 2004 Bonds becomes subject to federal or Louisiana income taxation for any reason, may the maturities of the Series 2004 Bonds be accelerated without the consent of the Bond Insurer. Furthermore, so long as the Bond Insurer shall perform its obligations under the Bond Insurance Policies, the Bond Insurer may direct, and its consent must be obtained before the exercise of, any remedies to be undertaken by the Trustee under the Indenture. If the Bond Insurer should be unable to make payments of and interest on the Series 2004 Bonds, such Series 2004 Bonds will be payable solely from moneys received by the Trustee pursuant to the Indenture and the Loan Agreement. See the heading “**MUNICIPAL BOND INSURANCE**” herein and **APPENDIX ‘F’** attached hereto for more information about the Bond Insurer and the Series 2004 Bond Insurance Policies.

Insolvency of the Bond Insurer

The obligations of the Bond Insurer under the Series 2004 Bond Insurance Policies are general obligations of the Bond Insurer and rank equally in priority of payment and in all other respects with all other unsecured obligations of the Bond Insurer. In the event of insolvency of the Bond Insurer, the Owners of the Series 2004 Bonds would have to depend entirely on the ability of the Corporation to pay the principal of and interest on the Series 2004 Bonds.

In connection with the management, operation, and maintenance of the Project, the Management Company will be required to provide, or cause to be provided, and be responsible for, among other things, (a) the preparation of a marketing program for the Project and the supervision of all advertising layouts, brochures, campaigns, and model apartments; (b) the preparation on behalf of, and with the approval of, the Corporation of the Project' operating budget describing in detail all of the revenue and expenses entailed in the operation and maintenance of the Project and the submission of the same to the Lessor and the Corporation for their approval; (c) the preparation on behalf of, and with the approval of, the Corporation of a capital budget describing the source and use of funds necessary or appropriate to repair, replace, refurbish, remodel, or rehabilitate the Project or any of its capital components and the submission of the same to the Corporation and the University for their approval; (d) the implementation of the marketing program, the operating budget, and capital budget (collectively, the "**Management Plans**"); and (e) the collection of all rents and other charges due for services provided in connection with the use or occupancy of the Project.

The Management Company, in fulfilling its duties and obligations under the Management Agreement, will agree to operate, manage, and lease the Project in the same manner as is customary and usual in the operation, management, and leasing of comparable student residential facilities and is obligated to provide such services as are customarily provided by operators of such complexes of comparable class and standing as the Project.

All employees necessary or appropriate to the implementation of the terms of the Management Agreement will be employed by the Management Company, and will be under the control and supervision of the Management Company, except that two employees will be supervised by the Management Company but will remain employees of the University.

Termination

The Management Agreement will take effect on the date of its execution and will have an initial term of five (5) years, unless terminated earlier in accordance with the provisions thereof. At the expiration of the initial term, the Management Agreement will automatically renew for successive two year terms, unless on or before ninety (90) days prior to the expiration of any such period or any extension thereof, the Corporation (independently or at the request of the University) or the Management Company shall notify the other in writing that it elects to terminate the Management Agreement. The Management Agreement may also be terminated (i) by the mutual consent of the Corporation (independently or at the request of the University) and the Management Company as of the end of any calendar month, (ii) in the event a petition in bankruptcy is filed by or against either the Corporation or the Management Company, or in the event either makes an assignment for the benefit of creditors or takes

advantage of any insolvency act, by the other party, (iii) by the Corporation (independently or at the request of the University) or the Management Company by written notice to the other party in the event that the other party shall breach its obligations, duties, or covenants under the Management Agreement and the failure of such other party to effect a cure to the satisfaction of the non-breaching party within ninety (90) days of the date of the notice.

Management Fee

The management fee payable to the Management Company will \$220,000 per year. To the extent that annual expenses exceed revenues, the excess will be deducted from the annual management fee payable in respect of such year and the amount of the fee deducted will be deferred to the immediately succeeding fiscal year to the extent of the excess of revenues over expenses. No interest will be paid with respect to deferred management fees.

THE UNIVERSITY

The University is located in Hammond, Louisiana, the heart of Louisiana's "Florida Parishes." Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana's largest city, and 40 miles east of Baton Rouge, the state's capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of 1,700.

The University is the outgrowth of Hammond Junior College, which was established in 1925. By Act No. 136 of 1928 of the Louisiana Legislature, the institution was made part of the state educational system under control of the State Board of Education. The same act of the legislature granted the college the right to establish four-year curricula and to grant the baccalaureate degrees when the facilities of the college permitted and the State Board approved.

In 1937, the State Board of Education authorized the President to submit curricula extending through four years and leading to the baccalaureate degrees. Four-year curricula in the liberal arts, teacher education, business administration, music, the social sciences, and health and physical education were submitted to the State Board and were formally approved. The first degrees were conferred in May 1939.

On July 15, 1970, the Hon. John J. McKeithen, Governor of the State of Louisiana, signed the legislative act changing the name of the institution to Southeastern Louisiana University.

The 1974 Constitution of the State of Louisiana created the Louisiana State Board of Regents with certain powers, duties, and responsibilities relative to all public institution of higher education in the State of Louisiana. The 1974 Constitution also established three higher education management boards, placing the University under the Board of Trustees for State Colleges and Universities (Now known as the University of Louisiana System).

The following tables set forth certain demographic information concerning the University;

Office of Student Housing

All unmarried full-time undergraduate students with less than 60 hours, regardless of age or whether or not they have been emancipated, are required to live in on-campus residence halls as long as space is available.

The University provides living quarters for approximately 2,000 students in campus residence halls and apartments. Only regularly enrolled full-time, unmarried students will be eligible to live in the residence halls without special permission from the Office of Student Housing. Continuous efforts are made to provide educational, social, and cultural advantages as part of the experience in group living for the residents of these halls.

Students who live in the Southeastern Louisiana University residence halls are required to purchase a meal plan. If a resident student fails to select a meal plan during the registration process, the default meal plan will automatically be selected for him or her. Meal plans are non-transferable.

War Memorial Student Union

The War Memorial Student Union is the community center of the University. The Student Union provides services and conveniences to the students, faculty, and staff during their daily life on campus. Services available in the Student Union include the Corner Pocket Game Room, ATM-machines, University Post Office, The Document Source, University Bookstore, Lion's Den, and Subway. Meeting rooms are also available and may be reserved by using the on-line reservation form. Various audio visual equipment may be reserved in these rooms as well as catering services.

PLAN OF REFUNDING

The Corporation intends to use a portion of the proceeds of the Series 2004 Bonds to refund the Prior Debt, which was incurred to finance the construction of two student housing facilities included in the Facilities known as Southeastern Oaks and The Village and containing an aggregate of 582 beds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein. The real property comprising Southeastern Oaks and The Village and the revenues derived therefrom are pledged to secure the payment of the Prior Debt and unless and until the Prior Debt is paid, neither the Ground Lease, the Facilities Lease, nor the Mortgage will be effective with respect to such Facilities and revenues. The Corporation expects that the Prior Debt will be paid in full, and the liens securing the same will be satisfied, on or before October 15, 2004, at which time the Ground Lease, the Facilities Lease, and the Mortgage will be effective with respect to these two Facilities.

THE GROUND LEASE

General

The Ground Lease will be entered into between the Board, on behalf of the University, as Lessor, and the Corporation, as Lessee, for lease of the Renovated Facility and four tracts of approximately 34 total acres of land owned by the Board and located on the campus of the University on which the Renovated Facility is located and the New Facilities are to be constructed. As a consideration for the Ground Lease, the Corporation will agree to perform its obligations under the Facilities Lease and all other documents contemplated by and ancillary to the Ground Lease and the Facilities Lease.

The Corporation's obligations under the Ground Lease may be suspended if by reason of *force majeure*, as described in the Ground Lease, the Corporation is unable to carry out such obligations.

Default and Remedies

Each of the following is an Event of Default under the Ground Lease:

(a) failure by the Corporation to make timely payment of any sum required to be paid under the Ground Lease that remains uncured after thirty (30) days following receipt of written notice of such failure;

(b) the taking by execution of the Corporation's leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person;

(c) failure by the Corporation to perform any other covenant, condition or agreement on its part under the Ground Lease and such failure remaining uncured for more than ninety (90) days following receipt of written notice of such failure; provided that if during such ninety (90) day period, the Corporation shall take action to cure such failure but shall be unable, by reason of the nature of the work involved, to cure such failure within such period and shall continue such work thereafter diligently and without unnecessary delays, such failure will not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure;

(d) certain events of dissolution, liquidation, insolvency, or bankruptcy of the Corporation; and

(e) the Corporation, after commencement of construction but prior to substantially completing construction of the Facilities, abandons (with no intent to continue) demolition, renovation, or construction for a period of forty-five (45) consecutive days.

Whenever an Event of Default shall have occurred and be continuing, the Lessor will be permitted to seek any and all damages or other remedies available at law or in equity, including specific performance. The Lessor will not have the right to terminate the Ground Lease prior to its Expiration Date, but upon ninety (90) days' written notice and opportunity to cure provided to the Bond Insurer and the Trustee, will be permitted to terminate the Corporation's right to occupancy of the Land and to take possession of the Land and the Facilities and to re-let the

same or take possession in its own right for the remainder of the Term. Upon such re-letting, the Corporation will agree to release its leasehold interest and all of its rights under the Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, if applicable) agreeing to assume all of the Corporation's obligations under the Ground Lease, the Facilities Lease, and under any debt incurred by or for the Corporation in connection with the Facilities.

The Bond Insurer will be required to be notified by the University in the Event of Default and will have an opportunity to cure said default.

THE FACILITIES LEASE

General

Under the Facilities Lease, the Corporation will lease the Facilities to the Board. The Corporation, as approved by the Board, will contract with the Management Company to operate and maintain the Facilities for housing of University students, faculty, staff, and other persons who are participants in any other activities related to the mission of the University.

Rate Covenant

The Board will covenant that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from Lawfully Available Funds, if the Debt Service Coverage Ratio for the Facilities shall fall below 1.10:1.00 or if the Debt Service Coverage Ratio for the University shall fall below 1.25:1.0, the Board will use its best efforts to raise its fees, rentals, rates, and charges relating to the Facilities so that within two (2) full semesters after either of the Debt Service Coverage Ratios shall become deficient, the Debt Service Coverage Ratio for the Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Facilities shall remain below 1.10:1.00 or the Debt Service Coverage Ratio for the University shall remain below 1.25:1.0, the Board will be required to hire an outside consultant, approved by the Bond Insurer, and the Board will be required to follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Facilities, including raising fees and rents, reducing expenses, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus, and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board shall be working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio, there will not be an Event of Default under the Facilities Lease unless (i) the Debt Service Coverage Ratio for the Facilities shall be less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio for the Facilities shall be less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates, and charges and calculating each Debt Service Coverage Ratio, the Board will be required to take into account payments required to be made into the Debt Service Reserve Fund pursuant to the provisions of the Indenture described in subsection (h) under the subheading "**SERIES 2004 BONDS - Funds and Accounts -- Receipts Fund**" above. The Board will further covenant that it will seek any required approval necessary in order to comply with the covenant described under this subheading.

Additional Facilities

Without the prior written consent of the Bond Insurer, the University will agree not to build, acquire, or renovate any similar student housing facilities, whether such facilities are owned by the University or a private entity, unless (i) the Debt Service Coverage Ratio for the Facilities shall have been met for the prior Fiscal Year, (ii) it is projected that the Debt Service Coverage Ratio for the Facilities will be met for the two Fiscal Years following the projected completion of the proposed facility, and (iii) based on a market analysis prepared by a market research company with experience in student or multi-family housing that is independent from the University, the University's proposed project shall not be expected to have a material adverse affect on the Facilities. Notwithstanding the foregoing, it is understood that with respect to Phase Three of the Facilities, the foregoing tests do not have to be met, provided that the availability of Phase Three of the Facilities is accompanied by a removal

from service of at least the same number of beds included in Phase Three. Such additional student housing facilities owned or leased by the Board or the Corporation will be required to be incorporated with the Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom will secure the Bonds, and the Facilities and the revenues derived therefrom, including all revenues derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities.

Rental

The Board will agree to pay Base Rental and Additional Rental as set forth in the Facilities Lease. The Base Rental amount will be an amount equal to the principal of, premium, if any, and interest due on the Series 2004 Bonds and any Additional Bonds, payable prior to the dates that such debt shall become due and payable. The Base Rental will also include any amounts required to be paid into any funds established in the Indenture, including the Debt Service Reserve Fund or to make up any deficiency or to restore any loss resulting from investment and any other payment required to be made to such fund by the Indenture.

In addition, the Board will agree in the Facilities Lease, to pay as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Facilities, owed to the Authority or the Trustee.

Insurance

(a) The University, at the direction of the Board, will be required to secure and maintain or cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance will be required to be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities shall not be repaired or replaced, insurance proceeds will be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy will be required to be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other Lessee facilities. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such worker's compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one year's rental in the event of loss of or damage to the Facilities.

(b) The Corporation will be required to secure and maintain a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Series 2004 Bonds.

All insurance required in the Facilities Lease and all renewals of such insurance (excepting self insurance or commercial insurance through ORM) will be required to be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation will be required to expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and will, to the extent obtainable, be required to provide that no act or omission of the Corporation or other provider of insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University will be obligated to maintain according to the Facilities Lease (other than any policy of worker's compensation insurance) will be required to name the Corporation, the Trustee, and such other Persons or firms as the Board specifies from time to time as additional insureds and will be required to expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee and will, to the extent obtainable, be required to provide that no act or omission of the University that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University will be required to be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured through ORM with respect to destruction of or damage to any portion of the Facilities by fire, earthquake, or other casualty or event will be required to be paid to the Trustee for application in accordance with the provisions of the Facilities Lease and the Indenture.

Condemnation, Casualty, and Other Damage

The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any Casualty or in consequence of any Expropriation will be expressly assumed by the Board. The Corporation and the Trustee will in no event be answerable, accountable, or liable therefor, nor will any of the foregoing events entitle the Board to any abatements, set-offs, or counter claims with respect to its Base Rental, Additional Rental, or any other obligation under the Facilities Lease.

Application of Insurance Proceeds: Condemnation Award

If, during construction, all or any portion of the Facilities shall be damaged or destroyed by a Casualty, or shall be taken by Expropriation proceedings, the Board will be required to instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation will in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board will be required, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Facilities will be required to be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust (or in the case of self insurance

through ORM, as set forth in the third succeeding paragraph below), and will be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee will be required to be disbursed to pay the costs of restoration, replacement, and repair of the Facilities with respect to which they shall be held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing, repairing, or restoring the Facilities and that no amount previously shall have been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee will be permitted to rely conclusively upon such written requests and will have no liability or responsibility to investigate any matter stated therein or for any inaccuracy or misstatement therein. In no event will the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities or for the improper use of moneys properly disbursed pursuant to request made under the Facilities Lease. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Facilities will be required to be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore, or replace the Facilities, the proceeds shall be paid to the Trustee and used to redeem the outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings will be dependent on the Board's entering into a lease with a different portion of the campus of the University as provided in the Ground Lease. In the event it shall be necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board will agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with the Ground Lease. In the event the Board, pursuant to the Ground Lease, shall decide not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) will be required to be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and the Facilities Lease and the Ground Lease will terminate.

In the event that ORM shall insure the Facilities, the Board will be required to use the insurance proceeds received from ORM in accordance with the policies and procedures of ORM (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration, or replacement of the Facilities

Default by the Board

If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to the Facilities Lease by the close of business on the day such deposit is required pursuant to the Facilities Lease, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Series 2004 Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under the Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants, or conditions therein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board will be deemed to be in default under the Facilities Lease, and the Corporation will have the right, at its option, without any further demand or notice to terminate the Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board in which case the Board's right to possession of the Facilities will cease, and the Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (and which have been appropriated for payment to the Corporation under the Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board that survive termination of the Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the

rights of students, faculty, staff, and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry will be required to be allowed by the Board without hindrance, and the Corporation will not be liable in damages for any such re-entry or be guilty of trespass. The Corporation will agree that upon its termination of the Board's right to possession of the Facilities or termination of the Facilities Lease, the Corporation upon its re-entry of the Facilities will only be allowed to use the Facilities for the Permitted Use and will be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of the Facilities Lease, (i) in no event will the Corporation have the right to accelerate the payment of any Base Rental payment under the Facilities Lease, and (ii) the Bond Insurer will have ninety (90) days to cure an Event of Default thereunder.

Notwithstanding anything contained in the Facilities Lease to the contrary, a failure by the Board to pay when due any payment required to be made under the Facilities Lease or a failure by the Board to observe and perform any covenant, condition, or agreement on its part to be observed or performed under the Facilities Lease, resulting from a failure by the Board to appropriate moneys will not constitute an Event of Default thereunder, and the Corporation will not have any of the remedial rights set forth in the Facilities Lease. Notwithstanding the foregoing, in such event, the Facilities Lease will terminate and the University will be required to vacate the Facilities immediately and deliver the Facilities to the Corporation.

Cumulative Remedies

Each right and remedy provided for in the Facilities Lease shall be cumulative and shall be in addition to every other right or remedy provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of the Facilities Lease or to enforce any provision of the Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant, or condition of the Facilities Lease will not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

Nonappropriation of Funds

In the event no funds or insufficient funds shall lawfully be appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental payments due during the next succeeding Fiscal Year, the Board will be required to notify the Corporation immediately of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, the Facilities Lease will terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments therein agreed upon for Fiscal Years for which sufficient funds shall have been lawfully appropriated. In the event of such termination, the Board will agree to surrender possession of the Facilities to the Corporation peaceably on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in the Facilities Lease. The Board will acknowledge that the Corporation's rights to take possession and to re-let or sell the Facilities under the Facilities Lease may be assigned to the Trustee for the benefit of the owners of the Series 2004 Bonds, and the Board will agree that the Trustee will be entitled to exercise all of the rights of the Corporation under the Facilities Lease. The event of an inability by the University to cause the appropriation of sufficient funds for the payment of sums due under the Facilities Lease will not constitute a default thereunder, but will, *ipso facto*, terminate the Facilities Lease. This provision will be operative notwithstanding any provisions of the Facilities

Lease to the contrary. The Board will be considered in default thereunder if sufficient funds shall have been lawfully appropriated for the payment of Rental required under the Facilities Lease and the Board shall fail to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation will be entitled to the rights and remedies set forth in the Facilities Lease.

Litigation Concerning Student Fees

The Board will make payments of Base Rental solely from Lawfully Available Funds which includes Rents derived from the operation of the Facilities and other auxiliary revenues of the University.

Recent litigation may affect the ability of the University to increase such fees. A Louisiana State University ("*LSU*") student filed suit against the LSU Board of Supervisors (the "*LSU Board*") (civil action filed on October 16, 2003, captioned "Donald C. Hodge, Jr. vs. Board of Supervisors of Louisiana State University and Agricultural and Mechanical College," Number 512.930, Sect. "D,") which seeks to enjoin the LSU Board from implementing a football ticket pricing policy as violative of Article VII, § 2.1 of the Constitution of Louisiana. The 19th Judicial District Court (the "*Trial Court*") ruled that the LSU Board's adoption of a new general pricing policy for home football games did not constitute implementation or assessment of a fee under said Article VII, Section 2.1 which would otherwise require approval by a vote of two-thirds of each house of the Legislature. The Trial Court decision was appealed by Hodge to the Louisiana First Circuit Court of Appeal (the "*Appeal Court*"). In affirming the Trial Court's decision, the Appeal Court, as did the Trial Court, agreed with the reasoning of the Louisiana Attorney General that the Legislature has evidenced no intent to have oversight over "nonmandatory fees" with respect to LSU, other than those fees directly connected with LSU's principal governmental function of providing higher education to the citizens of the State.

The Trial Court ruled on the Hodge action on November 18, 2003, and the Appeal Court rendered its affirming decision on December 23, 2003. On January 22, 2004, Hodge requested that the Louisiana Supreme Court grant writs and review the ruling of the Appeal Court. On March 11, 2004, the Louisiana Supreme Court denied writs on the Hodge action. While the Hodge action did not directly address the Rents and other student fees making up Lawfully Available Funds, the above described reasoning of the Attorney General was followed by the Trial Court and the Appeal Court in this first judicial interpretation of Article VII, Section 2.1 of the Constitution.

There can be no assurance absent favorable judicial interpretation specifically as to charges imposed on students to generate Rents and other auxiliary revenues that this Constitutional provision does not apply to such charges making up a portion of Lawfully Available Funds. In the event this provision does apply, neither the Board nor the University could increase Rents or other auxiliary revenue charges or impose a new auxiliary revenue charge without a two-thirds favorable vote of the Louisiana Legislature. See "**BONDHOLDER'S RISKS**" herein.

LITIGATION

To the Authority's knowledge, neither the creation, organization, or existence of the Authority, nor the title of the present members or other officers of the Authority to their respective offices, is being contested or questioned. There is no litigation now pending or threatened against the Authority, of which the Authority has knowledge, that in any manner questions the right of the Authority to enter into the Indenture or the Loan Agreement to secure the Series 2004 Bonds in the manner provided in the Indenture.

The Corporation

There is no litigation now pending or threatened against the Corporation, of which the Corporation has knowledge, that in any manner questions the right of the Corporation to enter into or perform its obligations under the

Loan Agreement, the Mortgage, or the Assignment or that individually or in the aggregate would adversely affect the operations of the Corporation, financial or otherwise.

CONFLICTS OF INTEREST; RELATIONSHIPS

Management of the Corporation has been delegated to Brad O'Hara, Ph.D. Dr. O'Hara is employed on a full-time basis as the Vice President for Student Affairs of the University. Stephen M. Smith is the President and the Chairperson of the Board of Directors of the Corporation and is also Vice President for Administration and Finance of the University. TAX EXEMPTION

General

In the opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., Baton Rouge, Louisiana, Bond Counsel, subject to the discussion below, interest on the Series 2004A Bonds and the Series 2004B Bonds (and original issue discount treated as interest (see discussion below)) is excludable from gross income for federal income tax purposes under existing statutes, regulations, published rulings, and judicial decisions. Except as hereinafter described under the subheading "**Alternative Minimum Tax Considerations**," interest on the Series 2004A Bonds and the Series 2004B Bonds (and original issue discount treated as interest) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations.

Interest on the Series 2004C Bonds (and original issue discount treated as interest) is **not** excludable from federal income tax. Interest on the Series 2004C Bonds (and original issue discount treated as interest) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations.

The Internal Revenue Code of 1986, as amended (the "*Code*") imposes a number of requirements that must be satisfied for interest on state and local obligations to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States government, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service.

In rendering the foregoing opinions, Bond Counsel will assume continuing compliance by the Corporation with the provisions of the Indenture and the Loan Agreement by the Authority and the Corporation subsequent to the issuance of the Series 2004A Bonds and the Series 2004B Bonds which affect the exclusion from gross income of all amounts treated as interest on the Series 2004A Bonds and the Series 2004B Bonds. In addition, Bond Counsel will rely upon certain representations and certifications of the Corporation made in certificates dated the date of initial delivery of the Series 2004 Bonds pertaining to the use, expenditure and investment of the proceeds of the Series 2004A Bonds and the Series 2004B Bonds. These representations relate to matters that are solely within the knowledge of the Corporation, which Bond Counsel has not verified. The Indenture and the Loan Agreement contain certain covenants by the Authority and the Corporation with respect to, among other matters, the above requirements. Failure of the Corporation to comply with any of the covenants may result in interest on the Series 2004A Bonds and the Series 2004B Bonds being included in the gross income of the owners thereof from the date of issue of the Series 2004 Bonds.

Prospective purchasers of the Series 2004A Bonds and the Series 2004B Bonds should be aware that ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred to continued indebtedness to purchase or carry tax-exempt obligations. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively connected earnings and profits including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences.

Alternative Minimum Tax Considerations

As stated above, interest on the Series 2004 Bonds will not be an item of tax preference for purposes of computing the federal alternative minimum tax on individuals and corporations. The Code, however, imposes a 20% alternative minimum tax on the "alternative minimum taxable income" of a corporation, if the amount of such alternative minimum tax is greater than the amount of the corporation's regular income tax. Generally, a corporation's alternative minimum taxable income will include 75% of the amount by which a corporation's "adjusted current earnings" exceeds a corporation's alternative minimum taxable income. Because interest on tax-exempt obligations is included in a corporation's "adjusted current earnings," ownership of the Series 2004 Bonds could subject a corporation to alternative minimum tax consequences.

Original Issue Premium and Discount

Certain maturities of the Series 2004A Bonds (the "*Premium Bonds*") may be offered and sold to the public at a price in excess of their stated principal amounts. Such excess is characterized as a "bond premium." For federal income tax purposes, bond premium on the Premium Bonds must be amortized by an investor purchasing a Premium Bond on a constant yield basis over the remaining term of the Premium Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes..

Certain maturities of the Series 2004A Bonds may be offered and sold at an original issue discount (the "*OID Bonds*"). The difference between the initial public offering price of the OID Bonds (as set forth on the front cover hereon) and their stated principal amount payable at maturity constitutes original issue discount treated as interest. OID on the OID Bonds is treated as interest that is excluded from gross income for federal income tax purposes and which is exempt from all taxation in the State subject to the caveats and provisions described above.

In the case of an owner of an OID Bond, the amount of original issue discount which is treated as having accrued with respect to such OID Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such OID Bond (including its sale, redemption or payment at maturity). Amounts received upon disposition of such an OID Bond which are attributable to accrued original issue discount will be treated as interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual OID Bond, on days which are determined by reference to the maturity date of such OID Bond. The amount treated as original discount on such OID Bond for a particular semiannual period is equal to (i) the product of (a) the yield to maturity for such OID Bond and (b) the amount which would have been the tax basis of such OID Bond at the beginning of the particular semiannual period if held by the original purchaser, (ii) less the amount of any payments on such OID Bond during the semiannual period. The tax basis is determined by adding to the initial public offering price on such OID Bond the sum of the amounts which would have been treated as original issue discount for such purposes during all prior periods. If such an OID Bond is sold between compounding dates, original issue discount which would have accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Investors who purchase an OID Bond should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such OID Bonds as of any date, with respect to the accrual of original issue discount for such OID Bonds purchased on the secondary markets and with respect to the state and local tax consequences of owning such OID Bonds.

Non-Qualified Tax-Exempt Obligations for Financial Institutions

Section 265 of the Code provides, in pertinent part, that interest paid or incurred by a taxpayer, including a "financial institution," on indebtedness incurred or continued to purchase or carry tax-exempt obligations is not deductible by such taxpayer in determining taxable income. Section 265(b) of the Code provides an exception to the disallowance of such deduction for any interest expense paid or incurred on indebtedness of a taxpayer which is a "financial institution" allocable to tax-exempt obligations, other than "private activity bonds," which are designated by

an issuer as “qualified tax-exempt obligations.” Section 265(b) of the Code defines the term “financial institution” as referring to any corporation described in Section 585(a)(2) of the Code, or any person accepting deposits from the public in the ordinary course of such person's trade or business which is subject to federal or state supervision as a financial institution.

The principal amount of the Series 2004A Bonds and the Series 2004B Bonds exceeds \$10,000,000 in aggregate principal amount and thus the Authority cannot designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b) of the Code.

Louisiana Taxes

In the opinion of Bond Counsel and in accordance with the Act, the Series 2004 Bonds together with interest thereof, income therefrom, and gain from the sale thereof are exempt from all State taxes and local taxes.

No Other Opinions

Except as stated above, Bond Counsel expresses no other opinions with respect to any tax consequences resulting from the ownership of, receipt of interest on, or disposition of the Series 2004 Bonds.

UNDERWRITING

The Authority is offering the Series 2004 Bonds through Morgan Keegan & Company, Inc., Nashville, Tennessee (the “*Underwriter*”), pursuant to a Bond Purchase Agreement. The obligation of the Underwriter to sell the Series 2004 Bonds will be subject to various conditions contained in the Bond Purchase Agreement.

The Underwriter is purchasing the Series 2004 Bonds and intends to offer the Series 2004 Bonds to the original purchasers thereof at the offering prices set forth on the cover page of this Official Statement, which offering price may subsequently be changed without any requirement of prior notice. The Underwriter will purchase the Series 2004 Bonds at a price equal to _____% of the par amount thereof. The Underwriter has reserved the right to permit other securities dealers who are members of the National Association of Securities Dealers, Inc. to assist in selling the Series 2004 Bonds. The Underwriter may offer and sell Series 2004 Bonds to certain dealers at prices lower than the public offering price or otherwise allow concessions to such dealers who may re-allow concessions to other dealers. Any discounts and/or commissions that may be received by such dealers in connection with the sale of the Series 2004 Bonds will be deducted from the Underwriter's discount.

The Corporation will agree to indemnify the Underwriter against certain civil liabilities, including certain liabilities under federal securities laws. Under existing statutes, regulations, and court decisions, the enforceability of such an agreement to indemnify is uncertain.

RATING OF THE SERIES 2004 BONDS

Moody's Investors Service, Inc. (“*Moody's*”) is expected to assign the Series 2004 Bonds the long-term rating of “Aaa”, with the understanding that upon delivery of the Series 2004 Bonds, policies insuring the payment when due of the principal of and interest on the Series 2004 Bonds will be issued by the Bond Insurer. An explanation of the significance of such rating may be obtained from Moody's. Such rating reflects only the view of Moody's, and neither the Authority, the University, the Bond Insurer, nor the Underwriter makes any representation as to the appropriateness thereof.

There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely, if in the judgment of Moody's, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse affect on the market price of the Series 2004 Bonds.

LEGAL MATTERS

All legal matters incidental to the authorization and issuance of the Series 2004 Bonds will be subject to the approving opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P, Baton Rouge, Louisiana, Bond Counsel, the form of which is included as **APPENDIX "E"** hereto. Certain legal matters will be passed on for the Authority by its counsel, Casten & Pearce, A.P.L.C., Shreveport, Louisiana, for the Corporation by its counsel, Seale & Ross, P.L.C., Hammond, Louisiana, and for the Underwriter by its counsel, Haynsworth Sinkler Boyd, P.A., Charleston, South Carolina.

Bond Counsel has been employed primarily for the purpose of preparing certain legal documents and supporting certificates, reviewing the transcript of proceedings by which the Series 2004 Bonds have been authorized to be issued, and rendering opinions in conventional form as to the validity and legality of the Series 2004 Bonds and to the exemption or lack thereof of interest thereon from income taxation by the United States of America and the State of Louisiana. While Bond Counsel has assisted in the preparation of this Official Statement and is of the opinion that the statements made herein under the headings "**SUMMARY STATEMENT, - The Series 2004 Bonds,**" "**THE SERIES 2004 BONDS,**" "**TAX EXEMPTION,**" "**LEGAL MATTERS**" and "**SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS**" in **APPENDIX "B"** hereto fairly summarize the matters there referred to, such counsel has not been requested to check or verify, has not checked or verified, and will express no opinion with respect to the accuracy, completeness, or fairness of any other information contained in this Official Statement (other than the form of legal opinion set forth in **APPENDIX "E"**).

None of the legal counsel referenced in this Official Statement has (a) participated in the underwriting of the Series 2004 Bonds, (b) provided any advice regarding the creditworthiness of the Series 2004 Bonds or (c) assisted in determining the value of the collateral for the Series 2004 Bonds upon the occurrence of an event of default. Legal counsel have solely and exclusively opined to those matters which are expressly set forth in their opinions which are attached hereto or which have been delivered in connection herewith and no holder of a Series 2004 Bond shall be authorized or entitled to infer that such legal counsel have rendered opinions beyond those stated in their written opinions or to rely on the participation of counsel in this transaction. Except for negligent errors in their express written opinions, legal counsel shall have no obligations to holders of the Series 2004 Bonds and holders of the Series 2004 Bonds must not rely either expressly or implicitly upon such counsel in determining whether the Series 2004 Bonds represent suitable investments or otherwise meet their creditworthiness and risk tolerance standards.

CONTINUING DISCLOSURE

The Board will agree to provide such information as may be required by the provisions of the Rule, and neither the Corporation, the Trustee, the University, nor the Authority will undertake any responsibility with respect to continuing disclosure under the Rule.

Annual Financial Information Disclosure

SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS

The following summaries of the Indenture and the Loan Agreement do not purport to be comprehensive or definitive statements of the provisions of such documents and prospective purchasers of the Series 2004 Bonds are referred to the complete texts of such documents, copies of which are available upon request from the Underwriter prior to the issuance and delivery of the Series 2004 Bonds and from the Trustee after the issuance and delivery of the Series 2004 Bonds.

THE INDENTURE

General

The Indenture will contain an assignment by the Authority to the Trustee, in trust, to secure payment of the Series 2004 Bonds, of all of the Authority's right, title, and interest in, to and under the Loan Agreement (except for rights relating to exculpation, indemnification, and payment of expenses thereunder), and in, to, and under the Facilities Lease assigned by the Corporation to the Authority pursuant to the Loan Agreement, including the right to receive all payments of Rental thereunder.

Investments

All moneys in any Fund will, at the written direction of the Corporation as advised by the Board, be invested and reinvested in Permitted Investments. All income derived from any profit or loss on any such investment of moneys on deposit in any such fund or account will be credited, or debited, as the case may be, to the respective fund or account in which earned, except that if the balance of the Debt Service Reserve Fund is equal to or greater than the Debt Service Reserve Fund Requirement, earnings in the Debt Service Reserve Fund will be transferred to the Interest Account.

All cash investments in the Debt Service Reserve Fund will be required to be valued at fair market value and marked to market twice per year.

The Authority will agree in the Indenture that it will not direct the investment of moneys in the various funds and accounts created thereunder in a manner that would result in the loss of exclusion from gross income of interest on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds for federal income tax purposes or in such manner that would result in the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds becoming "arbitrage bonds" within the meaning of Section 148 of the Code.

Requisitions from the Project Fund

Payments from the Project Fund will be required to be made, as follows:

In connection with a payment from the Project Fund, there will be required to be filed with the Trustee a requisition, substantially in the form attached to the Indenture and made a part thereof, signed by an Authorized Corporation Representative, stating:

- (a) the item number of each such payment;
- (b) the name of the person, firm, or corporation to whom each such payment is due, or, if such payment has been made by the Corporation, that the Trustee is to reimburse the Corporation directly for such payment;
- (c) the respective amounts to be paid;
- (d) the purpose by general classification for which each obligation to be paid was incurred;

(e) that obligations in the stated amounts have been incurred by the Corporation and are either (i) presently due and payable or (ii) have been paid by the Corporation and that each item thereof is a proper charge against the Project Fund and has not been the subject of any prior requisition;

(f) that such requisition contains no item representing payment on account of any retainage to which the Corporation is entitled at the date of such requisition; and

(g) a certification that all work, materials, supplies and equipment which are the subject of such requisition have been performed or delivered and are in accordance with the description of the Facilities.

Upon receipt of each requisition and accompanying certificate and information, the Trustee will pay the obligations set forth in such requisition out of the money in the Project Fund, and each such obligation will be paid by check signed by one or more officers or employees of the Trustee designated for such purpose by the Trustee or by wire transfer or credit to an account of the Corporation held by the Trustee or in such other manner as may be agreed on by the Corporation and the Trustee. In making such payments the Trustee may rely upon such requisitions. If for any reason the Corporation should decide prior to the payment of any item in a requisition not to pay such item, it shall give written notice of such decision to the Trustee and thereupon the Trustee shall not make such payment.

Application of Money in the Debt Service Reserve Fund

(a) The Debt Service Reserve Fund will be funded on the date of delivery of the Series 2004 Bonds in an amount equal to the Debt Service Reserve Fund Requirement. If any Additional Bonds that are Tax-Exempt Bonds shall be issued, the Authority will be required to cause to be deposited in the Debt Service Reserve Fund, an amount necessary to make the amount on deposit in the Debt Service Reserve Fund equal to the Debt Service Reserve Fund Requirement.

(b) The Trustee will be required to transfer money from the Debt Service Reserve Fund to the Interest Account and the Principal Account of the Debt Service Fund to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004A Bonds, the Series 2004B Bonds, and any Additional Bonds that are Tax-Exempt Bonds, whenever and to the extent that the money on deposit in said accounts (together with any amounts available therefor in the Surplus Fund and the Replacement Fund), is insufficient for such purposes. **Amounts in the Debt Service Reserve Fund will not be available to pay the principal of, or the interest on, the Series 2004C Bonds or any Additional Bonds that are not Tax-Exempt Bonds.** If the Trustee shall apply any moneys in the Debt Service Reserve Fund to the payment of principal of or interest on the Bonds, the Trustee will be required to give immediate notice to the Bond Insurer.

(c) If the money held in the Debt Service Reserve Fund, including interest earnings, exceeds the Debt Service Reserve Fund Requirement, an amount equal to such excess will be transferred by the Trustee to the Interest Account of the Debt Service Fund unless Additional Bonds have been issued, in which case, at the direction of the Authority, the excess moneys in the Debt Service Reserve Fund will, at any time prior to completion of construction of the Facilities, be transferred to the Project Fund. The Trustee will not be required to liquidate any investment before its maturity to make such transfer. Whenever the amount on deposit in the Debt Service Reserve Fund is less than the Debt Service Reserve Fund Requirement, the Trustee will be required to notify the Authority, the Bond Insurer, and the Corporation of the amount of such deficiency and such deficiency will be remedied, as provided in the Indenture. Upon notification the Corporation will be required to deliver to the Trustee an amount sufficient to cure the deficiency in accordance with the Indenture and the Loan Agreement.

(d) The Authority may, at the direction of the Corporation and as advised by the Board and with the prior written consent of the Bond Insurer, at any time, deposit with the Trustee, to replace cash in the Debt Service Reserve Fund (in which case the replaced cash shall be paid to the University) or to meet the requirements in the Indenture that it deposit additional amounts in the Debt Service Reserve Fund, a Debt Service Reserve Fund Investment. Any bank issuing a letter of credit must have a rating on its unsecured debt, or on debt secured by its

letters of credit and which ratings are based solely on the bank's letter of credit, of "AA-" or better by S&P and "Aa3" or better by Moody's. Any insurance company issuing a surety bond must have a claims-paying ability rating of "AAA" by S&P and "Aaa" by Moody's. If such Debt Service Reserve Fund Investment expires prior to fifteen (15) days after the final maturity of the Series 2004 Bonds, it must provide, that if not renewed within fifteen (15) days prior to its expiration date in an amount equal to the undrawn amount thereof (other than because of a reduction in the Debt Service Reserve Fund Requirement or the deposit of cash in the Debt Service Reserve Fund to replace it), the Trustee will be permitted to draw the full amount of such Debt Service Reserve Fund Investment. The Trustee will draw down the full amount of such Debt Service Reserve Fund Investment and deposit such amount in the Debt Service Reserve Fund fifteen (15) days prior to expiration of such Debt Service Reserve Fund Investment if it is not renewed as provided for in the preceding sentence. The Debt Service Reserve Fund Investment must be able to be drawn upon at any time that cash could be withdrawn from the Debt Service Reserve Fund. Prior to accepting any such Debt Service Reserve Fund Investment, the Trustee, the Corporation, the Board, the Authority, and the Bond Insurer must receive a Bond Counsel opinion that such acceptance and any payment of funds in the Debt Service Reserve Fund to the Corporation is authorized by the Indenture and will not adversely affect the exclusion of interest on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds from gross income for purposes of federal income taxation. If a Debt Service Reserve Fund Investment shall be deposited in the Debt Service Reserve Fund in lieu of cash, the cash amount contained in the Debt Service Reserve Fund will be required to be transferred to the Replacement Fund.

If a disbursement shall be made under a surety bond deposited in the Debt Service Reserve Fund, the Corporation will be obligated to either reinstate the maximum limits of such surety bond immediately following such disbursement in twelve (12) equal monthly installments or as required by the Authority of the Debt Service Reserve Fund Investment in an amount equal to the Debt Service Reserve Fund Requirement or deposit into the Debt Service Reserve Fund funds in the amount of the disbursement made under the Debt Service Reserve Fund Investment, or a combination of such alternatives as shall equal the Debt Service Reserve Fund Requirement.

If all or any portion of the Facilities shall be damaged or destroyed by a Casualty or shall be taken by Expropriation proceedings, the Corporation will be required, upon receipt of notice from the University and/or the Board instructing the Corporation to do so, as expeditiously as possible, to prosecute or cause to be prosecuted continuously and diligently the repair, restoration, or replacement thereof; provided however, that the Corporation will in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. In making such payments, the Trustee will be permitted to rely conclusively upon such written requests and will have no liability or responsibility to investigate any matter stated therein, or for any inaccuracy or misstatement therein. In no event will the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities, or for the improper use of moneys properly disbursed pursuant to request made under the Indenture. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Facilities will be paid by Trustee to the Board.

In the event the University shall decide not to repair, restore, or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation and including any portion of such payments attributable to the Board's interest) will be paid to the Trustee and applied to the

prepayment of the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds in accordance with the terms of the Indenture.

In the event ORM shall insure the Facilities, the Board will be required to cause the Corporation to use the insurance proceeds received from ORM in accordance with policies and procedures of ORM (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration, or replacement of the Facilities

Withdrawals from the Replacement Fund for the purposes set forth above will be made by the Trustee upon its receipt of a requisition from the Board or the Corporation complying with the requirements of the Indenture. Moneys in the Replacement Fund will also be permitted to be drawn by the Trustee and transferred to the Debt Service Fund if amounts on deposit therein, together with amounts available therefor in the Surplus Fund, are insufficient to pay debt service on the Bonds on any Interest Payment Date or Principal Payment Date.

No waiver of any Event of Default will be effective without the written consent of the Bond Insurer.

Insufficiency in the Debt Service Fund and the Debt Service Reserve Fund; Application of Moneys

Anything in the Indenture to the contrary notwithstanding, if at any time the moneys in the Debt Service Fund and the Debt Service Reserve Fund shall not be sufficient to pay the interest on, premium, if any, or the principal of the Bonds as the same shall become due and payable (either by their terms or by acceleration of maturities), such moneys, together with any other moneys then available or thereafter becoming available for such

purpose, whether through the exercise of the remedies provided for in the Indenture or otherwise, including, without limitation, moneys paid by the Corporation to the Trustee pursuant to the Mortgage, shall be applied as follows:

(a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys will be applied:

FIRST, to the payment to the persons entitled thereto of all installments of interest then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay any particular installment, then to the payment thereof, ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds; then

SECOND, to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds that shall have become due and payable (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of the Indenture) in the order of their due dates, with interest on the principal amount of such Bonds due and payable, and, if the amount available shall not be sufficient to pay in full the principal of the Bonds and the interest thereon, then to the payment thereof ratably, according to the amount of the interest due on such date, and next, to the payment of the principal, ratably, according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference; and then

THIRD, to the payment of the interest on and the principal of the Bonds, to the purchase and retirement of Bonds, and to the redemption of Bonds, all in accordance with the provisions of the Indenture.

(b) If the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys will be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference.

(c) If the principal of all the Bonds shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled, then, subject to the provisions of the Indenture described in (b) above, in the event that the principal of all the Bonds shall later become or be declared due and payable, then all such moneys will be applied in accordance with the provisions of (a) above.

Whenever money is to be applied by the Trustee pursuant to the provisions of the Indenture, such money will be required to be applied by the Trustee at such times and from time to time as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for application in the future; the deposit of such money or otherwise setting aside such money in trust for the proper purpose will constitute proper application by the Trustee; and the Trustee will incur no liability whatsoever to the Authority, to any Bondholder, or to any other person for any delay in applying any such money, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions of the Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it will be required to fix the date (which will be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date, interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee will give such notice as it may deem appropriate of the fixing of any such date and will not be required to make payment to the owner of any Bond until such Bond shall be surrendered to the Trustee for appropriate endorsement or for cancellation if fully paid.

Discontinuance of Proceedings

In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then and in every such case the Authority, the Trustee, and the Bondholders will be restored to their former positions and rights under the Indenture, respectively, and all rights, remedies, powers, and duties of the Trustee will continue as though no proceeding had been taken.

Appointment of Receiver

Upon the occurrence of an Event of Default, and upon filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders under the Indenture, the Trustee will be entitled, as a matter of right, to the appointment of a receiver or keeper pending such proceedings, with such powers as the court making such appointment shall confer.

Remedies Not Exclusive

No remedy by the terms of the Indenture conferred upon or reserved to the Trustee or the Bondholders will be intended to be exclusive of any other remedy, but each and every remedy will be cumulative and will be in addition to every other remedy given under the Indenture or existing at law or in equity on or after the date of execution and delivery of the Indenture.

Remedies Vested In Trustee

All rights of action under the Indenture, the Loan Agreement, the Mortgage, the Assignment of Agreements and Documents, or under any of the Bonds will be permitted to be enforced by the Trustee without possession of the Bonds and without their production in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee will be permitted to be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any owners of the Bonds.

Majority of Bondholders Control Proceedings

If an Event of Default shall have occurred and be continuing, subject to all rights granted to the Bond Insurer in the Indenture, the owners of at least a majority of the aggregate outstanding principal amount of Bonds then outstanding will have the right, after written notice delivered to the Trustee, at any time by an instrument or instruments in writing executed and delivered to the Trustee, together with security or indemnity satisfactory to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of the Indenture, provided the direction shall be in accordance with law and the provisions of the Indenture and, in the sole judgment of the Trustee, shall not be unduly prejudicial to the interest of Bondholders not joining in such direction, and provided further, that nothing in the Indenture described under this subheading shall impair the right of the Trustee in its discretion to take any other action under the Indenture that it may deem proper and that shall not be inconsistent with the direction by the Bondholders.

Individual Bondholder Action Restricted

No owner of any Bond will have any right to institute any suit, action, or proceeding for the enforcement of the Indenture or for the execution of any trust thereunder or for any remedy thereunder unless an Event of Default shall have occurred (other than a payment default) as to which the Trustee shall have actual notice or as to which the Trustee shall have been notified in writing, and the owners of at least a majority of the aggregate outstanding principal amount of Bonds shall have made written request to the Trustee to proceed to exercise the powers granted to it under the Indenture or to institute an action, suit, or proceeding in its own name; and these Bondholders shall have offered the Trustee such indemnity as may be satisfactory to the Trustee, and the Trustee shall have failed or refused to exercise the powers granted in the Indenture or to institute an action, suit, or proceeding in its own name for a period of sixty (60) days after receipt of the request and offer of indemnity.

No one or more owners of Bonds will have any right in any manner whatsoever to disturb or prejudice the security of the Indenture or to enforce any right thereunder except in the manner therein provided and then only for the equal benefit of the owners of all outstanding Bonds.

Waiver and Non-Waiver of Event of Default

No delay or omission of the Trustee or of any owner of Bonds to exercise any right or power accruing upon any Event of Default will impair the right or power or shall be construed to be a waiver of an Event of Default or an acquiescence therein. Every power and remedy given by the Indenture to the Trustee and to the owners of the Bonds, respectively, will be permitted to be exercised from time to time and as often as may be deemed expedient.

The Trustee, with Bond Insurer consent, will be permitted to waive any Event of Default that in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action, or proceeding instituted by it under the provisions of the Indenture or before the completion of the enforcement of any other remedy under the Indenture.

Notwithstanding anything contained in the Indenture to the contrary, the Trustee, upon written request of the Bond Insurer or the Bond Insurer and the owners of at least a majority of the aggregate principal amount of the Bonds then outstanding, will be required to waive any Event of Default and its consequences; provided, however, that a default in the payment of the principal of, premium, if any, or interest on any Bond, when due and payable or upon call for redemption, will not be permitted to be waived after the date the same shall become due and payable without the written consent of the owners of all the Bonds at the time outstanding.

In case of a waiver by the Trustee of any Event of Default, the Authority, the Trustee, and the Bondholders will be restored to their former positions and rights under the Indenture, but no waiver will extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee will not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with the terms of the Indenture.

Notice of Defaults

Within thirty (30) days after the receipt of notice of an Event of Default or the occurrence of an Event of Default of which the Trustee shall be deemed to have notice, the Trustee will be required (unless the Event of Default shall already have been cured) to give written notice of the Event of Default to the owners of all Bonds then outstanding in the manner provided in the Indenture, provided that, except in the case of a default in the payment of principal, redemption price, or interest on any of the Bonds, the Trustee will be permitted to withhold the notice to the Bondholders if, in its sole judgment, it shall determine that the withholding of notice is not detrimental to the best interest of the Bondholders.

The Trustee will be required to notify, in writing, the Authority, the Board, the Bond Insurer, and the Corporation immediately of any Event of Default known to the Trustee.

The Trustee will be required to provide the Bond Insurer immediate notice of any default in the payment of principal of, premium, if any, or interest on the Bonds.

Opportunity of Corporation to Cure Certain Defaults

The Authority and the Trustee by the Indenture will grant the Corporation full authority on the account of the Board and/or the Authority to perform any covenant or obligation and to otherwise fulfill any condition the failure or non-performance of which shall be or shall be alleged to be an Event of Default under the provisions of the Indenture described in subsection (f) under the subheading “**Events of Default and Remedies**” above, and the Trustee will agree that performance by the Corporation will be deemed to be performance by the Board or the Authority.

Trustee

The obligations and duties of the Trustee will be described in the Indenture, the Loan Agreement, the Facilities Lease, the Mortgage, and the Assignment of Agreements and Documents, and the Trustee will undertake only those obligations and duties that are expressly set out and only upon such terms and conditions as set forth in the Indenture, the Loan Agreement, the Facilities Lease, the Mortgage, and the Assignment of Agreements and Documents. The Trustee will not independently pass upon the validity of the Bonds, the security thereof, the adequacy of the provisions for payment thereof, or the tax-exempt status of the interest on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds. The Trustee will be permitted to rely upon the opinion of bond counsel for the validity of the Series 2004 Bonds and the tax-exempt status of the interest on the Series 2004A Bonds, the Series 2004B Bonds, and any Additional Bonds that are Tax-Exempt Bonds. The Indenture will expressly provide that the Trustee will not be responsible for any loss or damage resulting from any action or inaction taken in good faith in reliance upon an opinion of counsel.

Under the terms of the Indenture, the Trustee will be liable only for those damages caused by its negligence or willful misconduct. Under the Indenture, the Trustee will not be deemed to have notice of an Event of Default described in items (b) through (e) under the heading "**THE INDENTURE - Events of Default and Remedies**" unless the Trustee shall have actual knowledge of such Event of Default or shall have been given written notice of such Event of Default by the Bond Insurer or any Bondholder. All notices or other instruments required by the Indenture to be delivered to the Trustee will be required to be delivered to the principal corporate trust office of the Trustee. The summary of the Trustee's rights, duties, obligations, and immunities contained herein is not intended to be a complete summary, and references must be made to the Indenture for a complete statement of the Trustee's rights, duties, obligations, and immunities.

Qualification of the Trustee

There will at all times be a Trustee under the Indenture. Any successor Trustee thereunder will be required to be a trust company or commercial bank (having trust powers) organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise corporate trust powers, having unimpaired capital and surplus of at least \$100,000,000, and subject to supervision or examination by federal or state authority. If such trust company or bank shall publish reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of the Indenture described under this subheading, the unimpaired capital and surplus of such association or corporation will be deemed to be its unimpaired capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of the Indenture, it will be required to resign immediately in the manner and with the effect specified below.

Resignation and Removal of Trustee

No resignation or removal of the Trustee and no appointment of a successor Trustee will become effective until the acceptance of appointment by the successor Trustee under the Indenture and until notice of resignation or removal and appointment, as the case may be, shall have been provided to the Bond Insurer.

The Trustee will be permitted to resign at any time by giving written notice thereof to the Authority, the Bond Insurer, the Board, the Corporation, and the Bondholders. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the retiring Trustee will be permitted to petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Trustee will be permitted to be removed with or without cause at any time by an instrument or instruments in writing to the Trustee, with copies to the Authority, the Bond Insurer, the Board, and the Corporation, signed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding or by their attorneys, legal representatives, or agents and delivered to the Trustee, the Authority, the Bond Insurer, the Board, and the Corporation (such instruments to be effective only when received by the Trustee).

If at any time

(i) the Trustee shall cease to be eligible under the Indenture and shall fail to resign after written request therefor by the Corporation for the Board or by any Bondholder, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation, or liquidation,

then, in any such case, (1) the Authority, in its discretion and without obligation, will be permitted or the Corporation, on behalf of the Board, will be permitted to remove the Trustee, or (2) any Bondholder will be permitted, on behalf of himself and all others similarly situated, to petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor but only, in each case, with the prior written approval of the Bond Insurer.

If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause other than resignation (it being understood that no vacancy may occur as a result of resignation since the Trustee will not be permitted to resign unless a successor shall have been appointed) or if the Trustee shall tender its resignation, the Authority with the approval of the Bond Insurer (so long as the Bond Insurer is not in default under the Bond Insurance Policies) will promptly appoint a successor provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses shall accrue. If, within one year after such resignation, removal, or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by an instrument or concurrent instruments in writing executed by the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding and delivered to the Corporation for the Board and the retiring Trustee, the successor Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Authority. If no successor Trustee shall have been so appointed by the Authority or the Bondholders and accepted appointment in the manner hereinafter described, any Bondholder who shall have been a *bona fide* owner of a Bond for at least six (6) months will be permitted, on behalf of himself and all others similarly situated, to petition any court of competent jurisdiction for the appointment of a successor Trustee.

The Authority will be required to give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to all Bondholders upon the written request of the Trustee and provided the Authority shall have been furnished with sufficient funds to pay all costs and expenses (including attorney's fees) reasonably incurred by the Authority in connection therewith as such costs and expenses shall accrue. Each notice will be required to include the name and address of the principal corporate trust office of the successor Trustee.

Successor Trustee

Every successor Trustee appointed under the Indenture will be required to execute, acknowledge, and deliver to its predecessor, and also to the Authority, the Bond Insurer, and the Corporation, for the Board, an instrument in writing accepting such appointment, and thereupon such successor Trustee, without any further act, will become fully vested with all the rights, immunities, powers, and trusts, and subject to all the duties and obligations, of its predecessors; but such predecessor will, nevertheless, on the written request of its successor or of the Authority and upon payment of the expenses, charges, and other disbursements of such predecessor that are payable pursuant to the provisions of the Indenture, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities, powers, and trusts of such predecessor under the Indenture; and every predecessor Trustee will be required to deliver all property and moneys held by it under the Indenture to its successor, subject, nevertheless, to its preference, if any, provided for in the Indenture. Should any instrument in writing from the Authority be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers, and trusts by the Indenture vested or intended to be vested in the predecessor Trustee, any such instrument in writing will be executed, acknowledged, and delivered by the Authority upon the written request of

the Trustee and provided the Authority shall be furnished with sufficient funds to pay all costs and expenses (including attorneys' fees) reasonably incurred by the Authority in connection therewith as such costs and expenses accrue.

Notwithstanding any of the foregoing provisions of the Indenture, any bank or trust company having power to perform the duties and execute the trusts of the Indenture and otherwise qualified to act as Trustee under the Indenture with or into which the bank or trust company acting as Trustee may be merged or consolidated, or to which the corporate trust assets and corporate trust business of such bank or trust company may be sold, will be deemed the successor of the Trustee.

Supplemental Indentures

Subject to the conditions and restrictions in the Indenture, the Indenture may be amended or supplemented from time to time, without the consent of the registered owners of the Bonds, but with consent of the Bond Insurer, for one or more of the following purposes: (a) to cure any ambiguity or formal defect or omission in the Indenture; (b) to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers, or authority that may be lawfully granted to or conferred upon the Bondholders or the Trustee or either of them; (c) to subject to the lien and pledge of the Indenture additional revenues, properties or collateral; (d) to provide for the issuance of Additional Bonds in conformity with the Indenture and to fix all details with respect thereto or to provide further conditions, limitations, or restrictions on the issuance of Additional Bonds; (e) to add to the provisions thereof in connection with a Variable Rate Conversion, (f) to modify, amend, or supplement the Indenture or any supplemental indenture in such manner as to permit the qualification thereof under any federal statute hereafter in effect or under any state Blue Sky Law, and, in connection therewith, if they so determine, to add to the Indenture or any indenture supplemental thereto such other terms, conditions, and provisions as may be permitted or required by any said federal statute or Blue Sky Law; provided that any such supplemental indenture shall not, in the judgment of the Trustee, which may rely on an opinion of counsel, be to the prejudice of the owners of the Bonds; or (g) to provide any other modifications that, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders.

The Indenture also may be amended from time to time with the consent of the registered owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, and with the consent of the Bond Insurer, for the purpose of modifying, altering, amending, adding to, or rescinding, in any particular, any of the terms or provisions contained in the Indenture or in any supplemental indenture; provided, however, that no amendment will be permitted to be made, without the consent of the Bond Insurer and the owners of all the Bonds then outstanding, permitting: (a) an extension of the stated maturity or scheduled sinking fund redemption or reduction in the principal amount or premium of, or reduction in the rate or extension of the time of payment of interest on, any Bonds; or (b) the creation of any lien on the Trust Estate or any part thereof pledged under the Indenture prior to or on a parity with the lien of the Indenture; or (c) a reduction in the aforesaid aggregate outstanding principal amount of Bonds the owners of which shall be required to consent to any such supplemental indenture. No such amendment will modify the rights, duties, or immunities of the Trustee without the written consent of the Trustee.

Defeasance

When all of the Bonds shall have been paid and discharged and there shall have been paid all the fees and charges of the Trustee due or to become due through the date on which the last of the Bonds shall have been retired, then the Indenture will cease, terminate, and become null and void, and thereupon the Trustee will be required to release the Indenture including the cancellation and discharge of the lien thereof, and execute and deliver to the Authority such instruments in writing as shall be requisite to satisfy the lien thereof and, if necessary, to enter on the records such satisfaction and discharge and to re-convey to the Authority any property or interest therein or other rights thereby conveyed and such other instruments to evidence such release and discharge as may be reasonably required by the Authority, and the Trustee will be required to assign and deliver to the Authority any property at the time subject to the lien of the Indenture which may then be in its possession, except amounts in any Fund otherwise required to be paid by the Indenture and except such cash and investments as shall be held by the Trustee for the payment of interest and premium, if any, on and retirement of the Bonds.

Notwithstanding the foregoing, the obligation of the Board to pay the fees and expenses of the Trustee in accordance with the terms of the Indenture, will survive defeasance of the Bonds, the discharge of the Indenture, and the termination of the Loan Agreement.

Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policies, the Bonds will remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Authority, and the assignment and pledge of the Trust Estate and all covenants, agreements, and other obligations of the Authority to the registered owners will continue to exist and will run to the benefit of the Bond Insurer, and the Bond Insurer will be subrogated to the rights of such registered owners.

Provision for the payment of any Bond will be deemed to have been made and the Bonds deemed discharged if the Trustee, or an escrow trustee, shall hold, in trust for and irrevocably committed thereto, moneys or Defeasance Obligations of such maturities and interest payment dates and bearing such interest as will, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (likewise to be held in trust and committed, except as hereinafter provided), be sufficient for the payment of such Bonds, at their maturity or redemption date of the principal thereof, together with the redemption premium, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date then to the date of the tender of such payment; provided, that if any Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given or provisions satisfactory to the Trustee shall have been duly made for the giving of such notice.

THE LOAN AGREEMENT

Nature and Benefits

The Loan Agreement will be executed and delivered in part to induce concurrently therewith the purchase by others of the Series 2004 Bonds, and, accordingly, all covenants and agreements on the part of the Corporation and the Authority, as set forth therein and in the Loan Agreement, will thereby be declared to be for the benefit of the Trustee for the owners from time to time of the Series 2004 Bonds. The Corporation will consent and agree to the assignment by the Authority to the Trustee under the Indenture of all of the Authority's right, title, and interest (except for certain rights relating to exculpation, indemnification, and payment of expenses) in, to, and under the Loan Agreement, including the interest of the Authority in and to the Facilities Lease assigned by the Corporation to the Authority thereunder, and will agree that the provisions of the Loan Agreement may be enforced by the Trustee under the provisions of the Indenture. The Corporation will agree to do all things within its power in order to comply with, and to enable the Authority to comply with, all requirements and to fulfill, and to enable the Authority to fulfill, all covenants of the Indenture and the Series 2004 Bonds.

The Loan Agreement will be a limited obligation of the Corporation, payable solely from the Base Rental, and the Loan Agreement will remain in full force and effect until the Series 2004 Bonds and the interest therein have been fully paid or otherwise provided for or discharged.

Construction, Improvement and Equipping of the Facilities

The Corporation will lease the Land and will agree to demolish certain facilities, construct the New Facilities, and renovate the Renovated Facility with all reasonable dispatch and in accordance with the Facilities Documents to take all action necessary to enforce the provisions of the Facilities Documents. The New Facilities as constructed will be owned by the Board and subject to the Ground Lease.

Disbursements from Project Fund

The money in the Project Fund will be required to be applied by the Trustee, and in connection therewith requisitions will be required to be presented by the Corporation signed by an Authorized Corporation

Representative, for payment of the Costs of the Facilities in accordance with the Indenture and the Loan Agreement, and pending such application, such money will be invested and reinvested in accordance with the Indenture.

Use of Bond Proceeds

Under the Loan Agreement, proceeds of the sale of the Series 2004 Bonds, after the required transfers to the Bond Insurer, and to the Debt Service Reserve Fund, the Replacement Fund, the Capitalized Interest Fund, and the Bond Fund, will be deposited in the Project Fund and applied to the payment of the Costs of the Facilities. Costs of issuance will be retained in a special Costs of Issuance Account of the Bond Proceeds Fund for payment as specified in a request and authorization delivered pursuant to the Loan Agreement. Moneys in the Project Fund will be applied by the Trustee, upon presentation of requisitions by the Corporation by an Authorized Corporation Representative, for payment of the Costs of the Facilities, in accordance with the Loan Agreement. Pending such application, moneys in the Project Fund will be invested and reinvested in accordance with the Indenture.

Completion of Payment of Construction of the Facilities

At such time as the Corporation shall have notice that the funds initially deposited in the Project Fund on the Closing Date to finance the Facilities, together with the investment earnings thereon, are insufficient to pay the completion Costs of the Facilities, the Corporation will be required to deliver to the Trustee and the Authority written estimates by an architect and an Authorized Corporation Representative of the additional funds required to pay the completion Costs of the Facilities, and such additional information and data as may be reasonably requested by the Authority and the Trustee. The Corporation will be required to complete the demolition of certain existing facilities and the renovation, development, and construction of the Facilities and pay that portion of the completion Costs of the Facilities as may be in excess of the money available therefor in the Project Fund. The obligation of the Corporation to pay in full the completion Costs of the Facilities will be a limited obligation of the Corporation payable solely from the Base Rental.

Upon request of the Corporation, the Authority will use its best efforts to issue and sell, upon terms and at prices acceptable to the Authority and the Corporation, one or more series of Additional Bonds for the purpose of financing the completion Costs of the Facilities; provided, however, that failure of the Authority to issue such Additional Bonds will not relieve the Corporation of its obligation to provide the additional money required to pay the completion Costs of the Facilities. If, after exhaustion of the money in the Project Fund, the Corporation should pay any portion of the Costs of the Facilities, it will not be entitled to any reimbursement therefor from the Authority or from the Trustee and will not be entitled to any abatement, diminution, or postponement of payments required to be made by it under the Loan Agreement.

When the Facilities shall be substantially complete, the Corporation will detail all Costs of the Facilities, and other facilities necessary in connection with the Facilities, to the Authority and the Trustee, and will certify such Costs of the Facilities have been paid. The certification will provide that the Facilities are substantially complete in accordance with the Plans and Specifications.

Disbursement of Bond Proceeds

In order to provide funds for paying the Costs of the Facilities, the Authority, as soon as practicable after the execution of the Loan Agreement will proceed to issue, sell, and deliver the Series 2004 Bonds to the purchasers thereof and will deposit the proceeds thereof as provided by the Indenture with the Trustee for disbursement in accordance with the provisions of the Indenture.

Upon the terms and conditions of the Loan Agreement, the Authority will lend to the Corporation the proceeds of the sale of the Series 2004 Bonds. The proceeds of the Loan will be deposited with the Trustee and applied in accordance with the Indenture.

Loan Payments

The Corporation, for and in consideration of the issuance of the Series 2004 Bonds under the Indenture by the Authority and the application of the proceeds thereof by the Authority as provided in the Indenture for the benefit of the Corporation, will promise to repay the Loan, but solely from the Base Rental, by making the following payments to or for the account of the Authority in an amount sufficient for the payment in full of all Series 2004 Bonds from time to time issued under the Indenture and then outstanding, including (i) the total interest becoming due and payable on the Bonds to the date of payment thereof, and (ii) the total principal amount of and premium, if any, on the Bonds. The Payments with respect to the Bonds will be payable directly to the Trustee for the account of the Authority in installments as follows:

(i) With respect to the Series 2004A Bonds, the Series 2004B Bonds that are not Auction Rate Bonds, and the Series 2004C Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2004, in an amount equal to one-sixth (1/6th) of the interest due and payable thereon on the next February 1 or August 1, or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Series 2004 Bonds on such Interest Payment Date; and

(ii) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on August 18, 2004, in an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date; and

(iii) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, an amount equal to the interest due and payable on the Variable Rate Bonds on such Interest Payment Date; and

(iv) On the twenty-fifth (25th) day of each month, commencing August 25, 2005,* in an amount equal to one-twelfth (1/12th) of the principal of the Series 2004 Bonds payable on the next Principal Payment Date; and

(v) On the dates required in the Indenture, into any of the funds established in the Indenture, including, without limitation, the Debt Service Reserve Fund and the Replacement Fund, an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by the Indenture.

If the interest rate on Auction Bonds or Variable Rate Bonds is subject to adjustment pursuant to the Indenture after the date of such required payment deposit and prior to such Interest Payment Date, interest accruing on such Bonds from such adjustment date will be assumed to accrue at the rate in effect on such Bonds as of the date of such required deposit plus 100 basis points or at such other rate as the Bond Insurer may from time to time direct in writing to the Trustee, the Corporation, and the Issuer

Each installment of the Payments payable by the Corporation under the Loan Agreement will be required to be in an amount that, without regard to the payments required above, but including moneys in the Debt Service Fund then available, will be designed to provide for the timely payment in full of the principal of, premium, if any, and interest on the Bonds.

Notwithstanding anything to the contrary contained in the Loan Agreement, the Corporation will promise that it will pay the Payments from the Base Rentals at such times and in such amounts as to assure that no default in the payment of the principal of, premium, if any, or interest on the shall at any time occur.

*Preliminary, Subject to Change

Whenever the Corporation shall fail to pay the full amount of any installment of the Payments payable under the Loan Agreement by the day of the month in which such installment is due, the Trustee will be required to give immediate telephonic notice thereof, promptly confirmed in writing, to an Authorized Corporation Representative.

The Corporation will also be required to cause the Board to pay promptly when due under the Facilities Lease all amounts of Additional Rental owed by the Board thereunder, including, but not limited to, all Default or Delay Rentals and Administrative Expenses owed to the Corporation, the Authority, and/or the Trustee thereunder.

The Corporation will be entitled to a credit against and reduction of the Payments from accrued interest, if any, derived from the sale of the Bonds, any capitalized interest from the proceeds of the Bonds, rents and any other moneys deposited with the Trustee in the Receipts Fund in accordance with the Indenture and the Management Agreement, surplus moneys (including investment earnings) contained in the Funds and Accounts held by the Trustee under the Indenture, including the Debt Service Fund, the Debt Service Reserve Fund, and the Replacement Fund.

Obligation to Make Payments

The obligation of the Corporation to repay the Loan by making the Payments from the Base Rental will be absolute and unconditional and will not be subject to, nor will the Corporation be entitled to assert, any rights of abatement, deduction, reduction, deferment, recoupment, setoff, offset, or counterclaim by the Corporation or any other person, nor will the same be abated, abrogated, waived, diminished, postponed, delayed, or otherwise modified under or by reason of any circumstance or occurrence that may arise or take place, irrespective of what statutory rights the Corporation may have to the contrary, including, but without limiting the generality of the foregoing:

- (i) Any damage to or destruction of part or all of the Facilities;
- (ii) The taking or damaging of part or all of the Facilities or any temporary or partial use thereof by any public authority or agency in the exercise of the power of eminent domain, sequestration, or otherwise;
- (iii) Any assignment, novation, merger, consolidation, transfer of assets, leasing, or other similar transaction of, by, or affecting the Corporation, except as otherwise provided in the Loan Agreement;
- (iv) Any change in the tax or other laws of the United States, the State, or any governmental authority;
- (v) The termination of the Ground Lease or the Facilities Lease, any failure of title or any lawful or unlawful prohibition of the Corporation's use of the Facilities or any portion thereof or the interference with such use by any person or any commercial frustration of purpose or loss or revocation of any permits, licenses, or other authorizations required for the operation of the Facilities; and
- (vi) Any failure of the Authority or the Trustee to perform and observe any agreement or covenant, expressed or implied, or any duty, liability, or obligation arising out of or in connection with the Loan Agreement, the invalidity, unenforceability, or disaffirmance of any of the Loan Agreement, the Indenture, or the Bonds or for any other cause similar or dissimilar to the foregoing.

Furthermore, the Corporation will covenant and agree that it will remain obligated under the Loan Agreement in accordance with its terms, and that it will not take or participate or acquiesce in any action to terminate, rescind, or avoid the Loan Agreement.

Tax Covenants of the Corporation

The Corporation will covenant to make such use of the proceeds of the Bonds, regulate investment of proceeds thereof, and take such other and further actions as may be required by the Code and applicable temporary, proposed, and final regulations and procedures, necessary to assure that interest on the Series 2004A Bonds, the Series 2004B Bonds, and any Additional Bonds that are Tax-Exempt Bonds is excludable from gross income for federal income tax purposes.

The Corporation will covenant to restrict the use of the proceeds of the Series 2004 Bonds and take other actions as may be required by the Code and will reasonably expect that the proceeds will not be used to cause the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds to constitute “arbitrage bonds” under Section 148 of the Code.

The Corporation will also covenant to maintain its status as an exempt organization under Section 501(c)(3) of the Code organized and operated exclusively for religious, charitable, scientific, and educational purposes and not to perform any act or enter into any agreement that will adversely affect its ability to maintain such status.

Corporate Existence

Under the Loan Agreement, the Corporation will covenant not to merge into, or consolidate with, one or more corporations, or allow one or more of such corporation to merge into it, or sell or convey all or substantially all of its assets to any person or entity or acquire all or substantially all of the assets of any person or entity, unless: (a) any successor corporation shall be a 501(c)(3) corporation organized and existing under the laws of the United States of America or a state thereof and shall execute and deliver to the Trustee an appropriate instrument, satisfactory to the Bond Insurer, the Authority, and the Trustee, containing the agreement of such successor corporation to assume, jointly and severally and *in solido*, the due and punctual payment of the principal of, premium, if any, and interest on all obligations of the Corporation (including, without limitation, the Bonds) according to their tenor and the due and punctual performance and observance of all the covenants and conditions of the Indenture, the Loan Agreement, and the Mortgage to be kept and performed by the Corporation, accompanied by an opinion of counsel as to the validity and enforceability of such assumption (which counsel and opinion, including without limitation the scope, form, substance, and other aspects thereof, are acceptable to the Bond Insurer, the Authority, and the Trustee); (b) immediately after such merger there would not be a default in the performance or observance of any covenant or condition of the Indenture, the Loan Agreement, the Ground Lease, the Facilities Lease, or the Mortgage; and (c) there shall be delivered to the Bond Insurer, the Authority, and the Trustee an opinion of Bond Counsel to the effect that to the effect that under existing laws, the consummation of such merger, whether or not contemplated on the original date of delivery of the Series 2004 Bonds, would not adversely affect the validity of the Bonds or the exclusion otherwise available from gross income of interest on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds for federal or state income tax purposes.

Defaults and Remedies

Each of the following will be an “Event of Default” under the Loan Agreement:

- (i) failure by the Corporation to make timely payment of any Payment under the Loan Agreement;
- (ii) the occurrence of an Event of Default under the Indenture, the Mortgage, the Facilities Lease, or the Tax Regulatory Agreement;
- (iii) the termination of the Facilities Lease;
- (iv) failure by the Corporation to perform, observe, or comply with any other covenant, condition, or agreement on its part under the Loan Agreement (other than a failure to make any payment required

under the Loan Agreement), and such failure shall continue for a period of thirty (30) days after the date on which written notice of such failure, requiring the same to be remedied, shall have been given to the Corporation by the Trustee; provided, however, that if such performance, observance, or compliance shall require work to be done, action to be taken, or conditions to be remedied, that by their nature cannot reasonably be done, taken, or remedied, as the case may be, within such thirty (30) day period, no Event of Default will be deemed to have occurred or to exist if, and so long as the Corporation shall commence such performance, observance, or compliance within such period and shall diligently and continuously prosecute the same to completion; or

(v) certain events of dissolution, liquidation, insolvency, or bankruptcy of the Corporation.

Whenever any Event of Default shall have occurred and be continuing, any one or more of the following remedial steps may be taken with the consent of the Bond Insurer and shall be taken at the direction of the Bond Insurer:

(i) the Authority or the Trustee may declare all installments of Payments to be immediately due and payable, whereupon the same will become immediately due and payable;

(ii) the Authority or the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect the Payments then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Corporation under the Loan Agreement;

(iii) the Authority or the Trustee may have access to and inspect, examine, and make copies of any and all books, accounts, and records of the Corporation;

(iv) the Authority or the Trustee (or the owners of the Bonds in the circumstances permitted by the Indenture) may exercise any option and pursue any remedy provided by the Indenture; and/or

(v) the Trustee may foreclose the lien of the Mortgage.

No Remedy Exclusive; Selective Enforcement

No remedy conferred upon or reserved to the Authority or the Trustee by the Loan Agreement will be intended to be exclusive of any other available remedy or remedies, but each and every such remedy will be cumulative and will be in addition to every other remedy given under the Loan Agreement and as existing at law or in equity. No delay or omission to exercise any right or power accruing upon any event of nonperformance will impair any such right or power or be construed to be a waiver thereof, but any such right and power will be permitted to be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Trustee to exercise any remedy reserved to it in the Loan Agreement, it will not be necessary under the Loan Agreement to give any notice, other than such notice as may be expressly required therein. In the event the Authority or the Trustee shall elect to selectively and successively enforce its rights under the Loan Agreement, such action will not be deemed a waiver or discharge of any other lien, encumbrance, or security interest securing payment of the indebtedness secured by the Loan Agreement until such time that it shall have been paid in full all sums secured under the Loan Agreement. The foreclosure of any lien provided pursuant to the Loan Agreement without the simultaneous foreclosure of all such liens will not merge the liens granted that are not foreclosed with any interest that the Authority or the Trustee might obtain as a result of such selective and successive foreclosure.

Indenture Overriding

All of the provisions of the Loan Agreement will be subject to and subordinate to the rights and remedies of the Bond Insurer, the Bondholders, and the Trustee pursuant to the Indenture. The Authority will have no power to waive any Event of default under the Loan Agreement, except with respect to indemnification and its administrative payments, without the consent of the Trustee and the Bond Insurer to such waiver.

Amendment of Agreement; Amendment of Facilities Lease or Ground Lease

The Authority and the Corporation, with the consent of the Bond Insurer but without the consent of the owners of any of the Bonds outstanding under the Indenture, will be permitted to enter into supplements to the Loan Agreement which shall not be inconsistent with the terms and provisions thereof for any of the following purposes: (a) to cure any ambiguity or formal defect, inconsistency, or omission in the Loan Agreement or to clarify matters or questions arising thereunder; (b) to add covenants and agreements for the purpose of further securing the obligations of the Corporation thereunder; (c) to confirm as further assurance any mortgage or pledge of additional property, revenues, securities, or funds; (d) to conform the provisions of the Loan Agreement in connection with the provisions of any supplements or amendments to the Indenture; (e) to provide any other modifications that, in the sole judgment of the Trustee, are not prejudicial to the interests of the Bondholders; or (f) to conform the covenants and provisions of the Corporation contained in the Loan Agreement to any different financial statement presentation required by the Financial Accounting Standard Board that is different than the presentation required as of the Closing Date so long as the effect of such conformed covenants and provisions shall be substantially identical to the effect of the covenants and provisions as in effect on the Closing Date.

The Loan Agreement will be permitted to be amended with the written consent of the Bond Insurer and the owners of not less than a majority of the aggregate principal amount of Bonds then outstanding; provided, however, that no such amendment will be permitted to be adopted that shall decrease the percentage of owners of Bonds required to approve an amendment or that shall permit a change in the date of payment of the principal of or interest on any Bonds or of any redemption price thereof or the rate of interest thereon without the consent of the owners of all of the aggregate principal amount of the Bonds then Outstanding.

Subject to the terms and provisions of the Loan Agreement, with the written consent of the Bond Insurer, the Facilities Lease or the Ground Lease will be permitted to be amended or modified in any manner not inconsistent with the terms and provisions of the Loan Agreement, for any one or more of the following purposes: (a) to cure any ambiguity or formal defect or omission in the Facilities Lease or the Ground Lease that does not have an adverse effect upon the interest of the Bondholders; (b) to grant to or confer upon the Authority or the Trustee, for the benefit of the Bondholders, any additional rights, remedies, powers, or authorities that lawfully may be granted to or conferred upon the Authority or the Trustee; (c) to more clearly identify the Facilities or to add to or subtract from the Facilities any property; (d) to amend or modify the Facilities Lease or the Ground Lease in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income of interest on the Series 2004A Bonds, the Series 2004B Bonds, and any Additional Bonds that are Tax-Exempt Bonds for federal income tax purposes; (e) to make any amendment or modification required as a condition to obtaining any rating by Moody's or S&P with respect to the Bonds; (f) to make any amendment or modification required as a condition to the issuance of the Bond Insurance Policies; and (g) to amend or modify the Facilities or the Ground Lease in any other manner that, in the judgment of the Trustee, shall not be materially adverse to the interests of the owners of the Bonds, the Bond Insurer, or the Trustee and that does not involve a change described in the second succeeding paragraph.

In addition to amendments and modifications covered by the above paragraph, the Bond Insurer, the Authority, and the owners of not less than a majority in aggregate principal amount of the Bonds then outstanding, will have the right, from time to time, to consent to and approve any other amendment or modification of the Facilities Lease or the Ground Lease. Notice of the proposed modification or amendment will be required to be mailed by the Trustee to the Bond Insurer and to each of the owners of the Bonds at the address indicated on the registration books of the Trustee. If, within sixty (60) days, or such longer period as shall be prescribed by the Authority, as advised by the Corporation, following the mailing of such notice the owners of the requisite percentage in aggregate principal amount of the Bonds outstanding at the time of the execution of any such amendment or modification shall have consented to and approved such amendment or modification, no owner of any Bond will have any right to object to any of the terms and provisions contained therein or the operation thereof, or to enjoin or restrain the parties thereto from executing the same or from taking any action pursuant to the provisions of the Loan Agreement.

Nothing contained in the two preceding paragraphs will permit, or be construed as permitting, without the approval and consent of the Bond Insurer and all of the owners of the Bonds, (i) a reduction in the amount of, or the

extension of the time for, any payment of Base Rental due under the Facilities Lease or any amount due under the Bond Insurance Policies; or (ii) the termination of the Facilities Lease or the Ground Lease prior to the expiration of its stated term.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (A)(1), (A)(2), (A)(3), or (B) of this paragraph (i) is hereinafter referred to as an "**Order**" and collectively as "**Orders**," and each Existing Holder and each Potential Holder placing an Order is hereinafter referred to as a "**Bidder**" and collectively as "**Bidders**;" an Order containing the information referred to in (x) clause (A)(1) of this paragraph (i) is hereinafter referred to as a "**Hold Order**" and collectively as "**Hold Orders**," (y) clause (A)(2) or (B) of this paragraph (i) is hereinafter referred to as a "**Bid**" and collectively as "**Bids**" and (z) clause (A)(3) of this paragraph (i) is hereinafter referred to as a "**Sell Order**" and collectively as "**Sell Orders**."

- (ii) (A) Subject to the provisions of subsection (b) of this Section, a Bid by an Existing Holder shall constitute an irrevocable offer to sell:
- (1) the principal amount of Outstanding Auction Rate Bonds specified in such Bid if the Auction Rate determined as provided in this Section shall be less than the rate specified therein; or
 - (2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds to be determined as set forth in clause (D) of paragraph (i) of subsection (d) of this Section if the Auction Rate determined as provided in this Section shall be equal to the rate specified therein; or

(3) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds to be determined as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section if the rate specified therein shall be higher than the Maximum Auction Rate and Sufficient Clearing Bids do not exist.

(B) Subject to the provisions of subsection (b) of this Section, a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the principal amount of Outstanding Auction Rate Bonds specified in such Sell Order; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds as set forth in clause (C) of paragraph (ii) of subsection (d) of this Section if Sufficient Clearing Bids do not exist.

(C) Subject to the provisions of subsection (b) of this Section, a Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(1) the principal amount of Outstanding Auction Rate Bonds specified in such Bid if the Auction Rate determined as provided in this Section shall be higher than the rate specified therein; or

(2) such principal amount or a lesser principal amount of Outstanding Auction Rate Bonds as set forth in clause (E) of paragraph (i) of subsection (d) of this Section if the Auction Rate determined as provided in this Section shall be equal to the rate specified therein.

Submission of Orders by Broker-Dealers to Auction Agent

(b) (i) Each Broker-Dealer shall submit in writing to the Auction Agent by the Submission Deadline on each Auction Date all Orders obtained by such Broker-Dealer and shall specify with respect to each Order:

(A) the name of the Bidder placing such Order;

(B) the aggregate principal amount of Auction Rate Bonds that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(1) the principal amount of Auction Rate Bonds, if any, subject to any Hold Order placed by such Existing Holder;

(2) the principal amount of Auction Rate Bonds, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(3) the principal amount of Auction Rate Bonds, if any, subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate specified in such Potential Holder's Bid.

(ii) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of one percent (1%).

(iii) If an Order or Orders covering all Outstanding Auction Rate Bonds held by any Existing Holder shall not be submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder and not subject to an Order submitted to the Auction Agent.

(iv) Neither the Authority, the Trustee, nor the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder.

(v) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(A) all Hold Orders shall be considered valid, but only up to and including in the aggregate the principal amount of Auction Rate Bonds held by such Existing Holder, and, if the aggregate principal amount of Auction Rate Bonds subject to such Hold Orders exceeds the aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder, the aggregate principal amount of Auction Rate Bonds subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder;

(B) (1) any Bid shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to any Hold Orders referred to in clause (A) of this paragraph (v);

(2) subject to subclause (1) of this clause (B), if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Outstanding Auction Rate Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the principal amount of Auction Rate Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Auction Rate Bonds equal to such excess;

(3) subject to subclauses (1) and (2) of this clause (B), if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid first in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(4) in any such event, the aggregate principal amount of Outstanding Auction Rate Bonds, if any, subject to Bids not valid under this clause (B) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(C) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder over the aggregate principal amount of Auction Rate Bonds subject to Hold Orders referred to in clause (A) of this paragraph (v) and valid Bids referred to in clause (B) of this paragraph (v).

(vi) If more than one Bid for Auction Rate Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate and principal amount therein specified.

(vii) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Auction Rate Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Auction Rate Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof shall be rejected.

Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate

(c) (i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a “*Submitted Hold Order*,” a “*Submitted Bid*” or a “*Submitted Sell Order*,” as the case may be, or as a “*Submitted Order*” and collectively as “*Submitted Hold Orders*,” “*Submitted Bids*,” or “*Submitted Sell Orders*,” as the case may be, or as “*Submitted Orders*”) and shall determine:

(A) the excess of the total principal amount of Outstanding Auction Rate Bonds over the sum of the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the “*Available Auction Rate Bonds*”); and

(B) from the Submitted Orders whether the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Auction Rate; exceeds or is equal to the sum of:

(1) the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Auction Rate; and

(2) the aggregate principal amount of Outstanding Auction Rate Bonds subject to Submitted Sell Orders.

In the event such excess or such equality exists (other than because the sum of the principal amounts of Auction Rate Bonds in subclauses (A) and (B) above is zero because all of the Outstanding Auction Rate Bonds are the subject of Submitted Hold Orders), such Submitted Bids in this subclause (B) are hereinafter referred to collectively, as “*Sufficient Clearing Bids*,” and

(C) if Sufficient Clearing Bids exist, the lowest rate specified in such Submitted Bids (the “*Winning Bid Rate*”) which if:

(1) (aa) each such Submitted Bid from Existing Holders specifying such lowest rate and (bb) all other Submitted Bids from Existing Holders specifying lower rates were rejected, would entitle such Existing Holders to continue to hold the principal amount of Auction Rate Bonds subject to such Submitted Bids; and

(2) (aa) each such Submitted Bid from Potential Holders specifying such lowest rate and (bb) all other Submitted Bids from Potential Holders specifying lower rates were accepted, would result in such Existing Holders described in subclause (1) above continuing to hold an aggregate principal amount of Outstanding Auction Rate Bonds which, when added to the aggregate principal amount of Outstanding Auction Rate Bonds to be purchased by such Potential Holders described in this subclause (2), would equal not less than the Available Auction Rate Bonds.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph (i) of this subsection (c), the Auction Agent shall, by telecopy confirmed in writing, advise the Authority and the Trustee of the Maximum Auction Rate and the All-Hold Rate and the components thereof on the Auction Date and, based on such determinations, the Auction Rate for the next succeeding Auction Period as follows:

(A) if Sufficient Clearing Bids exist, that the Auction Rate for the next succeeding Auction Period shall be equal to the Winning Bid Rate so determined;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding Auction Rate Bonds are subject to Submitted Hold Orders), that the Auction Rate for the next succeeding Auction Period shall be equal to the Maximum Auction Rate; or

(C) if all Outstanding Auction Rate Bonds are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Auction Period shall be equal to the All-Hold Rate.

Acceptance and Rejection of Submitted Sell Orders and Allocations of Auction Rate Bonds

(d) Existing Holders shall continue to hold the principal amount of Auction Rate Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (i) of subsection (c) above, Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (iv) and (v) of this subsection (d), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(B) Existing Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(C) Potential Holders' Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring such Potential Holder to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid;

(D) Each Existing Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid, unless the aggregate principal amount of Outstanding Auction Rate Bonds subject to all such Submitted Bids shall be greater than the principal amount of Auction Rate Bonds (the "*remaining principal amount*") equal to the excess of the Available Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clauses (B) and (C) of this paragraph (i), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Auction Rate Bonds subject to such Submitted Bid, but only in an amount equal to the aggregate principal amount of Auction Rate Bonds obtained by multiplying the remaining principal amount by a fraction the numerator of which shall be the principal amount of Outstanding Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amount of Outstanding Auction Rate Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(E) Each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Auction Rate Bonds obtained by multiplying the excess of the aggregate principal amount of Available Auction Rate Bonds over the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clauses (B), (C), and (D) of this paragraph (i) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amounts of Outstanding Auction Rate Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding Auction Rate Bonds are subject to Submitted Hold Orders), subject to the provisions of paragraph (iv) of this subsection (d), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) Existing Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be rejected, thus entitling such Existing Holders to continue to hold the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bids;

(B) Potential Holders' Submitted Bids specifying any rate that is equal to or lower than the Maximum Auction Rate shall be accepted, thus requiring such Potential Holders to purchase the aggregate principal amount of Auction Rate Bonds subject to such Submitted Bid; and

(C) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Auction Rate Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Auction Rate Bonds obtained by multiplying the aggregate principal amount of Auction Rate Bonds subject to Submitted Bids described in clause (B) of this paragraph (ii) by a fraction the numerator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate principal amount of Outstanding Auction Rate Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If all Outstanding Auction Rate Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(iv) If, as a result of the procedures described in paragraphs (i) or (ii) of this subsection (d), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Auction Rate Bonds that is not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of Auction Rate Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount of Auction Rate Bonds purchased or sold by each Existing Holder or Potential Holder shall be equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof.

(v) If, as a result of the procedures described in paragraph (ii) of this subsection (d), any Potential Holder would be entitled or required to purchase less than Twenty-Five Thousand Dollars (\$25,000) principal amount of Auction Rate Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Auction Rate Bonds for purchase among Potential Holders so that only Auction Rate Bonds in principal amounts of Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more such Potential Holders not purchasing any Auction Rate Bonds.

(vi) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amount of Auction Rate Bonds to be purchased by Potential Holders and the aggregate principal amount of Auction Rate Bonds to be purchased or sold by Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate principal amount of Auction Rate Bonds to be sold differs from such aggregate principal amount of Auction Rate Bonds to be purchased, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Auction Rate Bonds.

APPENDIX "D"

(ii) whether there were Sufficient Clearing Bids in such Auction;

(iii) if such Broker-Dealer (a "*Seller's Broker-Dealer*") submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected, in whole or in part, and the principal amount of Auction Rate Bonds, if any, to be sold by such Existing Owner;

(iv) if such Broker-Dealer (a "*Buyer's Broker-Dealer*") submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected, in whole or in part, and the principal amount of Auction Rate Bonds, if any, to be purchased by such Potential Owner;

We have acted as bond counsel to the Louisiana Local Government Environmental Facilities and Community Development Authority (the "Issuer"), a political subdivision of the State of Louisiana (the "State"), in connection with the issuance by the Issuer of the captioned bonds (the "Bonds") pursuant to Chapter 10-D of Title 33 of the Louisiana Revised Statutes of 1950, as amended (La. R.S. 33:4548.1 through 33:4548.16, inclusive) (the "Act").

The Bonds have been issued by the Issuer pursuant to the Act and other constitutional and statutory authority and a Trust Indenture dated as of August 1, 2004 (the "Indenture") between the Issuer and The Bank of New York Trust Company, N.A., a national banking association having its principal corporate trust office in Jacksonville, Florida, as trustee (the "Trustee"). Capitalized terms used herein that are not otherwise defined have the meaning given them in the Indenture.

The Bonds are issuable as fully registered bonds, are dated, bear interest until paid at the rate per annum, mature in the principal amounts and on the dates, and are subject to redemption all as set forth in the Indenture and in the Bonds.

The Bonds are issued under and are secured as to principal, redemption premium, if any, and interest by the Indenture, which provides a description of the nature and extent of the security for the Bonds, a statement of the

terms and conditions under which the Bonds are issued and secured, the rights, duties and obligations of the Issuer, the rights, duties and immunities of the Trustee and the rights of the owners of the Bonds.

The Bonds are issued in order to provide funds to enable University Facilities, Inc., a Louisiana nonprofit corporation (the "Corporation") to (i) pay the Prior Debt, (ii) demolish certain existing facilities and renovate, develop and construct the Facilities, (iii) fund the costs of marketing the Facilities; (iv) provide working capital for the Facilities, (v) fund a deposit to the Debt Service Reserve Fund, (vi) pay capitalized interest on the Bonds; (vii) fund a deposit to the Replacement Fund; and (viii) pay costs of issuance of the Bonds, including the premium for any bond insurance policy insuring the Bonds.

The Issuer and the Corporation have entered into a Loan Agreement dated as of August 1, 2004 (the "Agreement"), pursuant to which the Issuer will loan the proceeds from the sale of the Bonds to the Corporation for the foregoing purposes. Pursuant to the Agreement, the Corporation has agreed to make loan payments (the "Payments") solely from the Base Rental (as defined in the Agreement) sufficient to pay the principal of, premium, if any, and interest on the Bonds. The rights of the Issuer under the Agreement (except for the rights of the Issuer relating to exculpation, indemnification and payment of expenses thereunder) have been pledged and assigned by the Issuer to the Trustee as security for the Bonds. The Corporation is leasing the property upon which the Facilities will be located from the Board of Supervisors for the University of Louisiana System pursuant to a Ground and Buildings Lease Agreement dated as of August 1, 2004 (the "Ground Lease").

The Bonds are also entitled to the benefits of the Act of Mortgage, Assignment of Leases and Security Agreement dated August __, 2004 (the "Mortgage") executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has mortgaged its leasehold interest in and to the Land and the improvements located thereon, granted a security interest in certain movable property and assigned its rights to all leases and rents relating to the Facilities; and an Assignment of Agreements and Documents dated as of August 1, 2004 (the "Assignment") executed by the Corporation in favor of the Trustee, pursuant to which the Corporation has assigned to the Trustee its rights, title and interest in and to certain Agreements and Documents (as defined in the Assignment).

We have examined: (i) the constitution and statutes of the State, including the Act; (ii) a certified transcript of the proceedings of the Issuer authorizing the issuance of the Bonds; (iii) the Indenture, the Agreement, the Tax Regulatory Agreement and Arbitrage Certificate dated the date of delivery and payment for the Bonds among the Issuer, the Corporation, the Board of Supervisors for the University of Louisiana System (the "Board") and the Trustee (the "Tax Regulatory Agreement"); and (iv) such other documents, instruments, proofs and matters of law as we have deemed relevant to the issuance of the Bonds and necessary for the purpose of this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the Issuer, the Board and the Corporation contained in the Indenture, the Agreement and the Tax Regulatory Agreement, the certified proceedings and other certifications of public officials and others furnished to us, including certifications furnished to us by or on behalf of the Issuer, the Corporation and the Board, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. The Issuer is a validly existing political subdivision of the State and has the power and authority to enter into the Agreement and the Indenture and to issue and sell the Bonds.

2. The Bonds are valid and binding special and limited obligations of the Issuer secured by and entitled to the benefits of the Indenture and are payable solely from the revenues and other amounts pledged and assigned under the Indenture.

3. The Agreement and the Indenture have been duly authorized, executed and delivered by the Issuer and constitute valid and binding obligations of the Issuer, enforceable upon the Issuer in accordance with their terms, and all rights of the Issuer under the Agreement have been validly assigned to the Trustee under the

Indenture, with the exception of certain rights of the Issuer relating to notice, exculpation, indemnification and payment of expenses.

4. The Bonds and interest thereon do not constitute an indebtedness or pledge of the general credit of the Issuer within the meaning of any State constitutional or statutory provision and will not constitute a general obligation or a charge against any other revenues of the Issuer.

5. Interest on the Series 2004A Bonds and the Series 2004B Bonds (including the amount of original issue discount properly allocable to the owner thereof) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. Interest on the Series 2004C Bonds is included in the gross income of the owners thereof for federal income tax purposes.

7. Under the Act, the Bonds, together with the interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State taxes and local taxes.

In rendering the opinions expressed in paragraph 5 above, we have relied on representations of the Issuer, the Board and the Corporation with respect to matters solely within the knowledge of the Issuer, the Board and the Corporation, which we have not independently verified, and have assumed continuing compliance with the covenants in the Indenture, the Agreement and the Tax Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer, the Board or the Corporation fails to comply with the foregoing covenants, interest on the Series 2004A Bonds and the Series 2004B Bonds could be includable in gross income for federal income tax purposes from the date of their original delivery, regardless of the date on which the event causing such inclusion occurs.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of certain recipients. The extent of these other tax consequences will depend upon the recipient's particular tax status or other items of income or deduction. We express no opinion regarding any such consequences and investors should consult their tax advisors regarding the tax consequences of purchasing or holding the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds, the Indenture, the Agreement and the other documents enumerated above may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforcement may also be subject to the exercise of the sovereign police powers of the State or its governmental bodies and the exercise of judicial discretion in appropriate cases.

In rendering this opinion, we have relied upon the opinion of even date herewith of Seale & Ross, counsel to the Borrower, with respect to: (i) the due organization of the Corporation; (ii) the good standing of the Corporation in the State; (iii) the corporate power of the Corporation to enter into, and the due authorization, execution and delivery by the Corporation of, the Agreement, the Ground Lease and the Mortgage and the valid and binding effect thereof on the Borrower; (iv) the Borrower being exempt from federal income tax under Section 501(c) of the Internal Revenue Code of 1986, as amended (the "Code") as an organization described in Section 501(c)(3) and the use of the Facilities not constituting an "unrelated trade or business" as such term is defined in Section 513(a) of the Code and (v) matters that might be disclosed as a result of an examination of the indentures, mortgages, deeds of trust, certifications of incorporation, by-laws, and other agreements or instruments to which the Corporation is a party or by which it or its properties are bound.

We have also relied on the opinion of McGlinchey Stafford, LLC, counsel to the Trustee, with respect to the corporate power of the Trustee to enter into and the due authorization, execution and delivery by the Trustee of the Indenture and the binding effect thereof on the Trustee. We have also relied upon the opinion of Decuir & Clark, L.L.P., counsel to the Board, with respect to the power of the Board to enter into and the due authorization,

execution and delivery by the Board of the documents to which it is a party and the binding effect thereof on the Board, and upon the opinion of Casten & Pearce, A.P.L.C., counsel to the Issuer, with respect to the power of the Issuer to enter into and the due authorization, execution and delivery by the Issuer of the documents to which it is a party, including the Agreement and Indenture and the binding effect thereof on the Issuer.

For purposes of this opinion, our services as bond counsel have not extended beyond the examinations and expressions of the conclusions referred to above. This opinion is given as of the date hereof and we assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Except as stated above, no opinion is expressed as to any federal or state tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

Respectfully submitted,

(e) **Official Statement.** The Corporation hereby approves the Preliminary Official Statement and the Official Statement and their distribution and use by the Underwriter in determining interest in, selling, and confirming sales of the Series 2004 Bonds. Except for the Preliminary Official Statement and the Official Statement, the Corporation has not prepared and will not prepare any official statement for dissemination to potential customers. The Preliminary Official Statement as of its date did not, and the Official Statement as of its date and the Closing Date will not contain any untrue statement of a material fact relating to the Corporation or omit to state a material fact relating to the Corporation necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Corporation makes no representation or warranty (i) to the Underwriter as to information included in or omitted from the Preliminary Official Statement or the Official Statement in reliance upon written information furnished by or on behalf of the Underwriter in connection with the preparation of the Preliminary Official Statement or the Official Statement or (ii) to the Authority or the Underwriter as to information contained in the Preliminary Official Statement or the Official Statement under the caption "LITIGATION – The Authority." The written information furnished by the Underwriter specifically for use in the Preliminary Official Statement and the Official Statement consists of the information concerning the offering price of the Series 2004 Bonds shown on the cover page and the information under the caption "UNDERWRITING."

(f) **No Adverse Actions.** Except as disclosed in the Preliminary Official Statement, there is no action, suit, proceeding, inquiry, or investigation at law or in equity by or before any court or public board or body pending to which it is a party or, to the best knowledge of the Corporation, threatened against or affecting the Corporation (or, to the best knowledge of the Corporation, any basis therefor) that in any way questions the powers of the Corporation referred to in subsection (b) above, or the validity of any proceedings taken by the Corporation in connection with the issuance of the Series 2004 Bonds, or that might result in a material adverse change in the condition (financial or otherwise), business or affairs of the Corporation, or wherein an unfavorable decision, ruling, or finding would adversely affect (i) the transactions described in the Preliminary Official Statement or the Corporation Documents, (ii) the validity or enforceability of any of the Corporation Documents or any other agreement or instrument to which the Corporation is a party and which is used or contemplated for use in the consummation of the transactions described in the Preliminary Official Statement or the Corporation Documents, (iii) the exclusion from gross income of the interest on the Series 2004A Bonds or the Series 2004B Bonds for federal income tax purposes, or (iv) the exemption of the Corporation from taxation under §501(a) of the Internal Revenue Code of 1986, as amended (the "*Code*").

(g) **No Material Defaults.** Upon the execution and delivery of the Corporation Documents, the Corporation will not be in breach of or in default under any of the Corporation Documents or any existing law, court or administrative regulation, decree, order, agreement, indenture, mortgage, lease, sublease, or other instrument to which it is a party or by which it is bound, and no event has occurred or is continuing which, with passage of time or the giving of notice or both, would constitute a default or an event of default thereunder, except (in each case) for such minor breaches, defaults, or potential defaults or events of default, if any, that individually and in the aggregate would have no material adverse effect on the Corporation's financial condition, operations, or properties.

(h) **Permits, etc.** All permits, consents, certificates, approvals, or licenses necessary for the execution and delivery by the Corporation of the Corporation Documents and its performance of its obligations thereunder and all other obligations of the Corporation described in the Preliminary Official Statement have been obtained.

(i) **No Material Changes.** Except as set forth in the Preliminary Official Statement, subsequent to the date as of which information is given in the Preliminary Official Statement, the Corporation has not incurred any liabilities, direct or contingent, or entered into any transactions not in the ordinary course of business, that are material to the business and affairs of the Corporation, and there has not been any material change in the financial structure of the Corporation or any material change in the condition, results of operation, or general affairs of the Corporation (financial or otherwise).

(j) **Tax Exemption.** The Corporation has been determined to be and is exempt from federal income taxes under §501(a) of the Code by virtue of being an organization described in §501(c)(3) of the Code, and is not a "private Corporation," as defined in §509(a) of the Code, and the Corporation has not done anything to impair its status as a tax-exempt organization. Between the date hereof and the Closing Date, the Corporation will not take any action or permit any action within its control to be taken on its behalf, or cause or permit any circumstances within its control to arise or continue, if such action or circumstances would result in the loss of the exclusion of interest on the Series 2004A Bonds or the Series 2004B Bonds from the gross income of the recipients thereof for federal income tax purposes, the loss by the Corporation of its tax-exempt status under the Code, or the Internal Revenue Service's (the "*IRS*") taking formal action inconsistent with the continued validity and effectiveness of the determination letter previously received by the Corporation from the IRS.

(k) **No SEC Action.** To the best knowledge of the Corporation, no action, ruling, regulation, or official statement by or on behalf of the Securities and Exchange Commission (the "*SEC*") has been taken, issued, or made to the effect that the issue, offering, or sale of obligations of the general character of the Series 2004 Bonds, or the execution, delivery, and performance of the Corporation Documents or the Authority Documents in the manner contemplated, is in violation or would be in violation, unless registered or otherwise qualified, of any provision of the Securities Act of 1933, as amended (the "*Securities Act*") or the Trust Indenture Act of 1939, as amended (the "*Trust Indenture Act*").

(l) **Officer's Certificates.** Any certificate signed by an authorized officer of the Corporation delivered to the Authority or the Underwriter shall be deemed a representation and warranty by the Corporation as to the statements made therein.

(m) **Blue Sky Qualification.** The Corporation will cooperate with the Underwriter and its counsel in any endeavor to qualify the Series 2004 Bonds for offering and sale under the securities or "Blue Sky" laws of such jurisdictions of the United States as the Underwriter or its counsel may request; provided, however, that the Corporation shall not be required to file a general written consent to suit or general consent to service of process in any jurisdiction. If general consent to service of process or general consent to suit by the Corporation is required in order to qualify the Series 2004 Bonds successfully and, in the reasonable judgment of the Underwriter, lack of such qualification would adversely affect the ability of the Underwriter to market the Series 2004 Bonds successfully, the Underwriter may, at its option, be relieved of its obligation to purchase the Series 2004 Bonds under this Bond Purchase Agreement unless the Corporation agrees to file general written consent to suit or service of process.

(n) **Representations and Warranties.** Between the date hereof and the Closing Date, the Corporation will not take any action that would cause the representations and warranties contained in subsections (a) through (m) to be untrue in any material respect on the Closing Date. On the Closing Date, the Corporation shall deliver or cause to be delivered all opinions, certificates, and other documents to be delivered by it or on its behalf as provided for in this Bond Purchase Agreement, and shall deliver such additional certificates and other documents as the Underwriter may reasonably request to evidence performance of or compliance with the provisions of this Bond Purchase Agreement and the transactions contemplated by the Preliminary Official Statement, the Authority Documents, and the Corporation Documents, all such opinions, certificates, and other documents to be satisfactory in form and substance to the Underwriter.

(o) **Subsequent Events.** During such period as the Underwriter shall believe delivery of the Official Statement is necessary or desirable in connection with the initial distribution of the Series 2004 Bonds, if any event shall occur within its knowledge as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is

delivered to a prospective purchaser, not misleading, the Corporation will cooperate (at its expense) in the preparation of a revised Official Statement or amendments or supplements to the Official Statement so that the statements in the Official Statement, as revised, or the Official Statement, as so amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Section 7. Conditions of the Underwriter's Obligations.

(a) **Resolutions, Execution, and Use of Proceeds.** At the time of Closing, (i) the Official Statement, the Authority Documents, and the Corporation Documents shall have been executed and delivered in form approved by the Underwriter and shall be in full force and effect and shall not have been amended, modified, or supplemented except as may have been agreed to in writing by the Underwriter, (ii) the proceeds of the sale of the Series 2004 Bonds shall be applied as described in the Indenture, and (iii) the Authority, the Corporation, and the Board shall have duly adopted and there shall be in full force and effect such resolutions as, in the opinion of Bond Counsel, shall be necessary in connection with the transactions described herein.

Section 9. Termination.

(a) The Underwriter shall have the right to cancel its obligation to purchase the Series 2004 Bonds if (i) between the date hereof and the Closing, legislation shall be enacted, introduced or recommended to the Congress for passage by the President of the United States or the majority leader of either House of the Congress, or favorably reported for passage to either House of the Congress by any committee of such House or announced by the Chairman of any such committee to which such legislation has been referred for consideration, a joint announcement of the Chairman of the Ways and Means Committee and the Finance Committee and the Secretary of the Treasury shall have been made, a decision by a court of the United States or the United States Tax Court shall be rendered, or a ruling, regulation, or statement by or on behalf of the Treasury Department of the United States, the IRS, or other governmental agency shall be made or proposed to be made with respect to the federal taxation upon revenues or other income of the general character to be derived by the Authority under the Corporation Documents or by any similar body, or upon interest on obligations of the general character of the Series 2004A Bonds or the Series 2004B Bonds, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions described in connection herewith, including the tax-exempt status of the Corporation under §§501(a) and 501(c)(3) of the Code and, in the reasonable opinion of the Underwriter, materially adversely affects the market price of the Series 2004 Bonds, or the market price generally of obligations of the general character of the Series 2004 Bonds, or (ii) any legislation, ordinance, rule, or regulation shall be introduced in or be enacted by any governmental body, department, or agency in the State or a decision by a court within the State shall be rendered that, in the Underwriter opinion, materially affects the market price of the Series 2004 Bonds, or (iii) there shall exist any event which in the judgment of the Underwriter either (A) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement, or (B) is not reflected in the Official Statement but should be reflected therein in the light of the circumstances in which it was made not misleading in any material respect, or (iv) there shall have occurred any event in connection with the United States of America's "war on terrorism" that the Underwriter determines, in its reasonable discretion, will have an adverse effect on its ability to market and sell the Series 2004 Bonds, or the occurrence of any other engagement in hostilities by the United States or other national or international emergency or calamity or crisis including financial crisis, or a financial crisis or a default with respect to the debt obligations of, or the institution of proceedings under the federal or the state bankruptcy laws by or against the State or any subdivision, agency, or instrumentality of such State, if the effect of any such event specified in this clause (iv), in the judgment of the Underwriter, would make it impractical or in advisable to proceed with the public offering or the delivery of the Series 2004 Bonds on the terms and in the manner contemplated by the Official Statement, or (v) there shall be in force a general suspension of trading on the New York Stock Exchange, or (vi) a general banking moratorium shall have been declared by federal, Louisiana, Tennessee, or New York authorities, or (vii) there shall have occurred since the date of this Bond Purchase Agreement any material adverse change in the affairs of the Corporation, except for changes which the Official Statement discloses have occurred or may occur, or (viii) legislation shall be enacted or any action shall be taken by the SEC which, in the opinion of counsel for the Underwriter, has the effect of requiring the contemplated distribution of the Series 2004 Bonds to be registered under the Securities Act, or the Indenture to be qualified under the Trust Indenture Act, or (ix) a stop order, ruling, regulation or official statement by or on behalf of the SEC shall be issued or made to the effect that the issuance, offering or sale of the Series 2004 Bonds, or of obligations of the general character of the Series 2004 Bonds, as described herein is in violation of any provision of the Securities Act, the Securities Exchange Act of 1934, as amended (the "*Securities Exchange Act*"), or the Trust Indenture Act, or (x) additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange, or (xi) the New York Stock Exchange or other national securities exchange, or any governmental authority shall impose, as to the Series 2004 Bonds or obligations of the general character of the Series 2004 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, Underwriter, or (xii) any state "Blue Sky" or securities commission shall have withheld registration, exemption, or clearance of the offering, and in the reasonable judgment of the Underwriter the market for the Series 2004 Bonds is materially affected thereby, or (xiii) if the Closing cannot reasonably be expected to take place on the date specified in Section 6 hereof.

(b) If the Authority and the Corporation shall be unable to satisfy any of the conditions to the obligations of the Underwriter contained in this Bond Purchase Agreement and such condition shall not be waived by the Underwriter, or if the obligations of the Underwriter to purchase and accept delivery of the Series 2004 Bonds shall be terminated or cancelled for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate

and neither the Underwriter nor the Authority shall be under further obligation hereunder, except that the respective obligations to pay expenses, as provided in Section 12 hereof, shall continue in full force and effect.

(c) If the Underwriter shall fail (other than for a reason permitted hereunder) to accept and pay for the Series 2004 Bonds upon the proper tender thereof by the Authority at the Closing as herein provided, the maximum liability of the Underwriter to the Authority shall be the actual amount of its out-of-pocket expenses and to the Corporation will be limited to one percent of the principal amount of the Series 2004 Bonds (the "*Maximum Amount*"). When paid to the Corporation, the Maximum Amount shall serve as full liquidated damages for such failure and for any and all defaults hereunder on the part of the Underwriter, and such Maximum Amount shall constitute a full release and discharge of all claims and damages for such failure and for any and all such defaults, and neither the Corporation, nor any other person, shall have any further action for damages, specific performance or any other legal or equitable relief against the Underwriter.

Section 10. Particular Covenants.

(a) The Authority shall cooperate with the Underwriter and its counsel in any endeavor to qualify the Series 2004 Bonds for offering and sale under the securities or "Blue Sky" laws of such jurisdictions of the United States as the Underwriter may request at the cost and expense of the Corporation; provided, however, that the Authority shall not be required with respect to the offer or sale of the Series 2004 Bonds to file a general written consent to suit or to file a general written consent to service of process in any jurisdiction. The Authority consents to the use of the Official Statement by the Underwriter in obtaining such qualifications. If a general consent to service of process or a general written consent to suit by the Authority is required in order to qualify the Series 2004 Bonds and, in the reasonable judgment of the Underwriter, lack of qualification would adversely affect the ability to the Underwriter to successfully market the Series 2004 Bonds, the Underwriter may, at its option, be relieved of its obligation to purchase the Series 2004 Bonds under this Bond Purchase Agreement unless the Authority agrees to file a general written consent to suit or service of process.

(b) The Authority shall not take knowingly any action or knowingly permit any action to be taken on its behalf, or knowingly cause or permit any circumstances within its control to arise or continue, if such action or circumstance would result in the loss of the exclusion of the interest on the Series 2004A Bonds or the Series 2004B Bonds from gross income of the owners thereof for federal income tax purposes.

Section 11. Representations, Warranties, Covenants, and Agreements to Survive Delivery.

All representations, warranties, covenants, and agreements of the Authority and the Corporation shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Underwriter, and shall survive delivery of the Series 2004 Bonds.

Section 12. Payment of Fees and Expenses.

The Corporation shall, out of the proceeds of the Series 2004 Bonds, pay all fees, costs, and expenses incident to the performance of its obligations under this Bond Purchase Agreement and to the sale and delivery of the Series 2004 Bonds to the Underwriter, including, but not limited to, legal, accounting, or financing advisory fees and expenses, fees and expenses of Bond Counsel and counsel for the Authority, counsel for the Board, counsel for the Corporation, counsel to the Underwriter, counsel for the Bond Insurer, counsel to the Developer and the Manager, and counsel for the Trustee, any fees and expenses of the Authority and the Trustee, filing fees, and printing and engraving costs. The Authority shall not be responsible for the payment of any fees, costs, and expenses relating to the sale, issuance, or delivery of the Series 2004 Bonds.

Section 13. Parties in Interest.

This Bond Purchase Agreement has been and is made solely for the benefit of the Underwriter, the Authority, and the Corporation, and no other person, partnership, association, or corporation shall acquire or have any right under or by virtue of this Bond Purchase Agreement. This Bond Purchase Agreement may not be assigned by the Underwriter, the Authority, or the Corporation.

Section 14. Applicable Law.

This Bond Purchase Agreement shall be governed by the laws of the State.

Section 15. Notices.

Any notice or other communication to be given under this Bond Purchase Agreement may be given to the Authority by delivering the same in writing to the Louisiana Local Government Environmental Facilities and Community Development Authority, 8712 Jefferson Highway, Suite A, Baton Rouge, Louisiana 70809 (Attention: Chairman); to the Corporation by delivering the same in writing to University Facilities, Inc., SLU Box 10709, Hammond, Louisiana 70402 (Attention: Executive Director); and to the Underwriter by delivering the same in writing to Morgan Keegan & Company, Inc., 150 4th Avenue North, Nashville, Tennessee 37219-2434 (Attention: Hugh C. Tanner).

Section 16. Execution of Counterparts.

This Bond Purchase Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 17. Effectiveness.

This Bond Purchase Agreement shall become effective upon the execution of the acceptance hereof on behalf of the Authority by its Chairman and on behalf of the Corporation by the Vice Chairperson of its Board of Directors, and shall be valid and enforceable at the time of such acceptance. All of the representations, warranties, covenants, and agreements of the Authority and the Corporation contained in this Bond Purchase Agreement shall remain operative and in full force and effect, regardless of: (a) any investigations made by or on behalf of the Underwriter; (b) delivery of and payment for the Series 2004 Bonds pursuant to this Bond Purchase Agreement; or (c) any termination of this Bond Purchase Agreement, but only to the extent provided herein.

Section 18. Amendments.

Neither this Bond Purchase Agreement nor any term hereof may be changed, waived, discharged, or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge, or termination is sought.

Section 19. Entire Agreement.

This Bond Purchase Agreement, when accepted by the Authority and the Corporation in writing as heretofore specified, shall constitute the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, if any, oral or otherwise, relating to the subject matter hereof.

Section 20. Severability.

In the event any covenant, agreement, term, or provision of this Bond Purchase Agreement shall be held invalid, illegal, or unenforceable in any respect by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and the validity of the remaining covenants, agreements, terms, or provisions contained herein and therein shall be in no way affected, prejudiced, or disturbed thereby.

Section 21. Headings.

The headings of the sections of this Bond Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

Section 22. No Personal Liability.

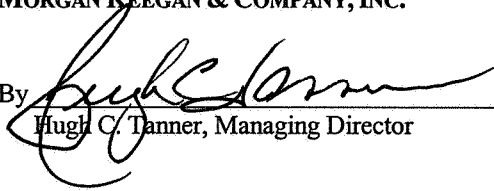

No covenant or agreement of the Authority or the Corporation contained in this Bond Purchase Agreement shall be deemed to be the covenant or agreement of any member, director, commissioner, officer, agent, director, or employee thereof in his or her individual capacity, and no official or officer of the Authority or the Corporation executing this Bond Purchase Agreement shall be personally liable or accountable by reason of the execution or delivery hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.

(a) **Due Organization; Existence.** The Corporation is a nonprofit corporation duly incorporated, organized, and existing under the laws of the State with full power and authority to own its properties, to operate its facilities, and to conduct its business and affairs as described in the Official Statement.

(b) **Legal Authority.** The Corporation has full right, power, and authority to (i) execute and deliver the Ground Lease, the Facilities Lease, the Loan Agreement, the Mortgage, the Assignment of Agreements and Documents, the Development Agreement, the Management Agreement, the Tax Agreement, this Bond Purchase Agreement, and the Corporation Indemnity Letter (collectively, the "*Corporation Documents*") and (ii) perform its obligations under, and carry out and consummate all other transactions described in, such documents. The Corporation has complied with or will comply with on or prior to the Closing Date all provisions of applicable law (specifically including, without limiting the generality of the foregoing, the Constitution and other laws of the State) in all matters relating to such transactions.

(c) **Due Authorization, Execution, and Delivery.** The Corporation has duly authorized all necessary action to be taken by it for (i) the issuance and delivery of the Series 2004 Bonds by the Authority upon the terms set forth in this Bond Purchase Agreement and in the Official Statement, (ii) the approval of the Preliminary Official Statement, the Official Statement, and the Authority Documents, and (iii) the execution, delivery, and performance by the Corporation of the Corporation Documents and any and all such other agreements and documents as may be required to be executed, delivered, and performed by the Corporation in order to carry out the transactions contemplated by such instruments and by the Official Statement. On the Closing Date, the Corporation Documents will have been duly executed and delivered by the Corporation, and the Corporation Documents will constitute legal, valid, and binding obligations of the Corporation enforceable against the Corporation in accordance with their respective terms, except that the enforceability thereof may be limited by laws relating to bankruptcy, insolvency, reorganization, or other similar laws of general application affecting the rights of creditors and general principles of equity.

(d) **No Conflicts.** The execution and delivery by the Corporation of the Corporation Documents and the consummation of the transactions described therein will not, on the part of the Corporation, conflict with or constitute a breach or violation of any of the terms and provisions of, or constitute a default under, (i) any existing constitution, law, court or administrative rule or regulation, decree, order, or judgment, (ii) any agreement, indenture, mortgage, lease, deed of trust, note, or other instrument to which the Corporation is subject or by which the Corporation or its properties are or may be bound, or (iii) the Articles of Incorporation or the bylaws of the Corporation.

(e) **Official Statement.** The Corporation hereby approves the Preliminary Official Statement and the Official Statement and their distribution and use by the Underwriter in determining interest in, selling, and confirming sales of the Series 2004 Bonds. Except for the Preliminary Official Statement and the Official Statement, the Corporation has not prepared and will not prepare any official statement for dissemination to potential customers. The Preliminary Official Statement as of its date did not, and the Official Statement as of its date and the Closing Date will not contain any untrue statement of a material fact relating to the Corporation or omit to state a material fact relating to the Corporation necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, that the Corporation makes no representation or warranty (i) to the Underwriter as to information included in or omitted from the Preliminary Official Statement or the Official Statement in reliance upon written information furnished by or on behalf of the Underwriter in connection with the preparation of the Preliminary Official Statement or the Official Statement or (ii) to the Authority or the Underwriter as to information contained in the Preliminary Official Statement or the Official Statement under the caption "LITIGATION – The Authority." The written information furnished by the Underwriter specifically for use in the Preliminary Official Statement and the Official Statement consists of the information concerning the offering price of the Series 2004 Bonds shown on the cover page and the information under the caption "UNDERWRITING."

(f) **No Adverse Actions.** Except as disclosed in the Preliminary Official Statement, there is no action, suit, proceeding, inquiry, or investigation at law or in equity by or before any court or public board or body pending to which it is a party or, to the best knowledge of the Corporation, threatened against or affecting the Corporation (or, to the best knowledge of the Corporation, any basis therefor) that in any way questions the powers of the Corporation referred to in subsection (b) above, or the validity of any proceedings taken by the Corporation in connection with the issuance of the Series 2004 Bonds, or that might result in a material adverse change in the condition (financial or otherwise), business or affairs of the Corporation, or wherein an unfavorable decision, ruling, or finding would adversely affect (i) the transactions described in the Preliminary Official Statement or the Corporation Documents, (ii) the validity or enforceability of any of the Corporation Documents or any other agreement or instrument to which the Corporation is a party and which is used or contemplated for use in the consummation of the transactions described in the Preliminary Official Statement or the Corporation Documents, (iii) the exclusion from gross income of the interest on the Series 2004A Bonds or the Series 2004B Bonds for federal income tax purposes, or (iv) the exemption of the Corporation from taxation under §501(a) of the Internal Revenue Code of 1986, as amended (the "Code").

(g) **No Material Defaults.** Upon the execution and delivery of the Corporation Documents, the Corporation will not be in breach of or in default under any of the Corporation Documents or any existing law, court or administrative regulation, decree, order, agreement, indenture, mortgage, lease, sublease, or other instrument to which it is a party or by which it is bound, and no event has occurred or is continuing which, with passage of time or the giving of notice or both, would constitute a default or an event of default thereunder, except (in each case) for such minor breaches, defaults, or potential defaults or events of default, if any, that individually and in the aggregate would have no material adverse effect on the Corporation's financial condition, operations, or properties.

(h) **Permits, etc.** All permits, consents, certificates, approvals, or licenses necessary for the execution and delivery by the Corporation of the Corporation Documents and its performance of its obligations thereunder and all other obligations of the Corporation described in the Preliminary Official Statement have been obtained.

(i) **No Material Changes.** Except as set forth in the Preliminary Official Statement, subsequent to the date as of which information is given in the Preliminary Official Statement, the Corporation has not incurred any liabilities, direct or contingent, or entered into any transactions not in the ordinary course of business, that are material to the business and affairs of the Corporation, and there has not been any material change in the financial structure of the Corporation or any material change in the condition, results of operation, or general affairs of the Corporation (financial or otherwise).

(j) **Tax Exemption.** The Corporation has been determined to be and is exempt from federal income taxes under §501(a) of the Code by virtue of being an organization described in §501(c)(3) of the Code, and is

not a "private Corporation," as defined in §509(a) of the Code, and the Corporation has not done anything to impair its status as a tax-exempt organization. Between the date hereof and the Closing Date, the Corporation will not take any action or permit any action within its control to be taken on its behalf, or cause or permit any circumstances within its control to arise or continue, if such action or circumstances would result in the loss of the exclusion of interest on the Series 2004A Bonds or the Series 2004B Bonds from the gross income of the recipients thereof for federal income tax purposes, the loss by the Corporation of its tax-exempt status under the Code, or the Internal Revenue Service's (the "*IRS*") taking formal action inconsistent with the continued validity and effectiveness of the determination letter previously received by the Corporation from the IRS.

(k) **No SEC Action.** To the best knowledge of the Corporation, no action, ruling, regulation, or official statement by or on behalf of the Securities and Exchange Commission (the "*SEC*") has been taken, issued, or made to the effect that the issue, offering, or sale of obligations of the general character of the Series 2004 Bonds, or the execution, delivery, and performance of the Corporation Documents or the Authority Documents in the manner contemplated, is in violation or would be in violation, unless registered or otherwise qualified, of any provision of the Securities Act of 1933, as amended (the "*Securities Act*") or the Trust Indenture Act of 1939, as amended (the "*Trust Indenture Act*").

(l) **Officer's Certificates.** Any certificate signed by an authorized officer of the Corporation delivered to the Authority or the Underwriter shall be deemed a representation and warranty by the Corporation as to the statements made therein.

(m) **Blue Sky Qualification.** The Corporation will cooperate with the Underwriter and its counsel in any endeavor to qualify the Series 2004 Bonds for offering and sale under the securities or "Blue Sky" laws of such jurisdictions of the United States as the Underwriter or its counsel may request; provided, however, that the Corporation shall not be required to file a general written consent to suit or general consent to service of process in any jurisdiction. If general consent to service of process or general consent to suit by the Corporation is required in order to qualify the Series 2004 Bonds successfully and, in the reasonable judgment of the Underwriter, lack of such qualification would adversely affect the ability of the Underwriter to market the Series 2004 Bonds successfully, the Underwriter may, at its option, be relieved of its obligation to purchase the Series 2004 Bonds under this Bond Purchase Agreement unless the Corporation agrees to file general written consent to suit or service of process.

(n) **Representations and Warranties.** Between the date hereof and the Closing Date, the Corporation will not take any action that would cause the representations and warranties contained in subsections (a) through (m) to be untrue in any material respect on the Closing Date. On the Closing Date, the Corporation shall deliver or cause to be delivered all opinions, certificates, and other documents to be delivered by it or on its behalf as provided for in this Bond Purchase Agreement, and shall deliver such additional certificates and other documents as the Underwriter may reasonably request to evidence performance of or compliance with the provisions of this Bond Purchase Agreement and the transactions contemplated by the Preliminary Official Statement, the Authority Documents, and the Corporation Documents, all such opinions, certificates, and other documents to be satisfactory in form and substance to the Underwriter.

(o) **Subsequent Events.** During such period as the Underwriter shall believe delivery of the Official Statement is necessary or desirable in connection with the initial distribution of the Series 2004 Bonds, if any event shall occur within its knowledge as a result of which it is necessary to amend or supplement the Official Statement in order to make the statements therein, in light of the circumstances when the Official Statement is delivered to a prospective purchaser, not misleading, the Corporation will cooperate (at its expense) in the preparation of a revised Official Statement or amendments or supplements to the Official Statement so that the statements in the Official Statement, as revised, or the Official Statement, as so amended or supplemented, will not, in light of the circumstances when such Official Statement is delivered to a prospective purchaser, be misleading.

Section 7. Conditions of the Underwriter's Obligations.

Section 9. Termination.

(a) The Underwriter shall have the right to cancel its obligation to purchase the Series 2004 Bonds if (i) between the date hereof and the Closing, legislation shall be enacted, introduced or recommended to the Congress for

passage by the President of the United States or the majority leader of either House of the Congress, or favorably reported for passage to either House of the Congress by any committee of such House or announced by the Chairman of any such committee to which such legislation has been referred for consideration, a joint announcement of the Chairman of the Ways and Means Committee and the Finance Committee and the Secretary of the Treasury shall have been made, a decision by a court of the United States or the United States Tax Court shall be rendered, or a ruling, regulation, or statement by or on behalf of the Treasury Department of the United States, the IRS, or other governmental agency shall be made or proposed to be made with respect to the federal taxation upon revenues or other income of the general character to be derived by the Authority under the Corporation Documents or by any similar body, or upon interest on obligations of the general character of the Series 2004A Bonds or the Series 2004B Bonds, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions described in connection herewith, including the tax-exempt status of the Corporation under §§501(a) and 501(c)(3) of the Code and, in the reasonable opinion of the Underwriter, materially adversely affects the market price of the Series 2004 Bonds, or the market price generally of obligations of the general character of the Series 2004 Bonds, or (ii) any legislation, ordinance, rule, or regulation shall be introduced in or be enacted by any governmental body, department, or agency in the State or a decision by a court within the State shall be rendered that, in the Underwriter opinion, materially affects the market price of the Series 2004 Bonds, or (iii) there shall exist any event which in the judgment of the Underwriter either (A) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement, or (B) is not reflected in the Official Statement but should be reflected therein in the light of the circumstances in which it was made not misleading in any material respect, or (iv) there shall have occurred any event in connection with the United States of America's "war on terrorism" that the Underwriter determines, in its reasonable discretion, will have an adverse effect on its ability to market and sell the Series 2004 Bonds, or the occurrence of any other engagement in hostilities by the United States or other national or international emergency or calamity or crisis including financial crisis, or a financial crisis or a default with respect to the debt obligations of, or the institution of proceedings under the federal or the state bankruptcy laws by or against the State or any subdivision, agency, or instrumentality of such State, if the effect of any such event specified in this clause (iv), in the judgment of the Underwriter, would make it impractical or in advisable to proceed with the public offering or the delivery of the Series 2004 Bonds on the terms and in the manner contemplated by the Official Statement, or (v) there shall be in force a general suspension of trading on the New York Stock Exchange, or (vi) a general banking moratorium shall have been declared by federal, Louisiana, Tennessee, or New York authorities, or (vii) there shall have occurred since the date of this Bond Purchase Agreement any material adverse change in the affairs of the Corporation, except for changes which the Official Statement discloses have occurred or may occur, or (viii) legislation shall be enacted or any action shall be taken by the SEC which, in the opinion of counsel for the Underwriter, has the effect of requiring the contemplated distribution of the Series 2004 Bonds to be registered under the Securities Act, or the Indenture to be qualified under the Trust Indenture Act, or (ix) a stop order, ruling, regulation or official statement by or on behalf of the SEC shall be issued or made to the effect that the issuance, offering or sale of the Series 2004 Bonds, or of obligations of the general character of the Series 2004 Bonds, as described herein is in violation of any provision of the Securities Act, the Securities Exchange Act of 1934, as amended (the "*Securities Exchange Act*"), or the Trust Indenture Act, or (x) additional material restrictions not in force as of the date hereof shall have been imposed upon trading in securities generally by any governmental authority or by any national securities exchange, or (xi) the New York Stock Exchange or other national securities exchange, or any governmental authority shall impose, as to the Series 2004 Bonds or obligations of the general character of the Series 2004 Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, Underwriter, or (xii) any state "Blue Sky" or securities commission shall have withheld registration, exemption, or clearance of the offering, and in the reasonable judgment of the Underwriter the market for the Series 2004 Bonds is materially affected thereby, or (xiii) if the Closing cannot reasonably be expected to take place on the date specified in Section 6 hereof.

(b) If the Authority and the Corporation shall be unable to satisfy any of the conditions to the obligations of the Underwriter contained in this Bond Purchase Agreement and such condition shall not be waived by the Underwriter, or if the obligations of the Underwriter to purchase and accept delivery of the Series 2004 Bonds shall be terminated or cancelled for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate and neither the Underwriter nor the Authority shall be under further obligation hereunder, except that the respective obligations to pay expenses, as provided in Section 12 hereof, shall continue in full force and effect.

(c) If the Underwriter shall fail (other than for a reason permitted hereunder) to accept and pay for the Series 2004 Bonds upon the proper tender thereof by the Authority at the Closing as herein provided, the maximum liability of

the Underwriter to the Authority shall be the actual amount of its out-of-pocket expenses and to the Corporation will be limited to one percent of the principal amount of the Series 2004 Bonds (the "*Maximum Amount*"). When paid to the Corporation, the Maximum Amount shall serve as full liquidated damages for such failure and for any and all defaults hereunder on the part of the Underwriter, and such Maximum Amount shall constitute a full release and discharge of all claims and damages for such failure and for any and all such defaults, and neither the Corporation, nor any other person, shall have any further action for damages, specific performance or any other legal or equitable relief against the Underwriter.

Section 10. Particular Covenants.

(a) The Authority shall cooperate with the Underwriter and its counsel in any endeavor to qualify the Series 2004 Bonds for offering and sale under the securities or "Blue Sky" laws of such jurisdictions of the United States as the Underwriter may request at the cost and expense of the Corporation; provided, however, that the Authority shall not be required with respect to the offer or sale of the Series 2004 Bonds to file a general written consent to suit or to file a general written consent to service of process in any jurisdiction. The Authority consents to the use of the Official Statement by the Underwriter in obtaining such qualifications. If a general consent to service of process or a general written consent to suit by the Authority is required in order to qualify the Series 2004 Bonds and, in the reasonable judgment of the Underwriter, lack of qualification would adversely affect the ability to the Underwriter to successfully market the Series 2004 Bonds, the Underwriter may, at its option, be relieved of its obligation to purchase the Series 2004 Bonds under this Bond Purchase Agreement unless the Authority agrees to file a general written consent to suit or service of process.

(b) The Authority shall not take knowingly any action or knowingly permit any action to be taken on its behalf, or knowingly cause or permit any circumstances within its control to arise or continue, if such action or circumstance would result in the loss of the exclusion of the interest on the Series 2004A Bonds or the Series 2004B Bonds from gross income of the owners thereof for federal income tax purposes.

Section 11. Representations, Warranties, Covenants, and Agreements to Survive Delivery.

All representations, warranties, covenants, and agreements of the Authority and the Corporation shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Underwriter, and shall survive delivery of the Series 2004 Bonds.

Section 12. Payment of Fees and Expenses.

The Corporation shall, out of the proceeds of the Series 2004 Bonds, pay all fees, costs, and expenses incident to the performance of its obligations under this Bond Purchase Agreement and to the sale and delivery of the Series 2004 Bonds to the Underwriter, including, but not limited to, legal, accounting, or financing advisory fees and expenses, fees and expenses of Bond Counsel and counsel for the Authority, counsel for the Board, counsel for the Corporation, counsel to the Underwriter, counsel for the Bond Insurer, counsel to the Developer and the Manager, and counsel for the Trustee, any fees and expenses of the Authority and the Trustee, filing fees, and printing and engraving costs. The Authority shall not be responsible for the payment of any fees, costs, and expenses relating to the sale, issuance, or delivery of the Series 2004 Bonds.

Section 13. Parties in Interest.

This Bond Purchase Agreement has been and is made solely for the benefit of the Underwriter, the Authority, and the Corporation, and no other person, partnership, association, or corporation shall acquire or have any right under or by virtue of this Bond Purchase Agreement. This Bond Purchase Agreement may not be assigned by the Underwriter, the Authority, or the Corporation.

Section 14. Applicable Law.

This Bond Purchase Agreement shall be governed by the laws of the State.

Section 15. Notices.

Tanner).

Section 16. Execution of Counterparts.

This Bond Purchase Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 17. Effectiveness.

This Bond Purchase Agreement shall become effective upon the execution of the acceptance hereof on behalf of the Authority by its Chairman and on behalf of the Corporation by the Vice Chairperson of its Board of Directors, and shall be valid and enforceable at the time of such acceptance. All of the representations, warranties, covenants, and agreements of the Authority and the Corporation contained in this Bond Purchase Agreement shall remain operative and in full force and effect, regardless of: (a) any investigations made by or on behalf of the Underwriter; (b) delivery of and payment for the Series 2004 Bonds pursuant to this Bond Purchase Agreement; or (c) any termination of this Bond Purchase Agreement, but only to the extent provided herein.

Section 18. Amendments.

Neither this Bond Purchase Agreement nor any term hereof may be changed, waived, discharged, or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge, or termination is sought.

Section 19. Entire Agreement.

This Bond Purchase Agreement, when accepted by the Authority and the Corporation in writing as heretofore specified, shall constitute the entire agreement and understanding between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, if any, oral or otherwise, relating to the subject matter hereof.

Section 20. Severability.

In the event any covenant, agreement, term, or provision of this Bond Purchase Agreement shall be held invalid, illegal, or unenforceable in any respect by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and the validity of the remaining covenants, agreements, terms, or provisions contained herein and therein shall be in no way affected, prejudiced, or disturbed thereby.

Section 21. Headings.

The headings of the sections of this Bond Purchase Agreement are inserted for convenience only and shall not be deemed to be a part hereof.

Section 22. No Personal Liability.

No covenant or agreement of the Authority or the Corporation contained in this Bond Purchase Agreement shall be deemed to be the covenant or agreement of any member, director, commissioner, officer, agent, director, or employee thereof in his or her individual capacity, and no official or officer of the Authority or the Corporation

executing this Bond Purchase Agreement shall be personally liable or accountable by reason of the execution or delivery hereof.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the parties hereto have caused this Bond Purchase Agreement to be executed in their respective names by their respective duly authorized officers, all as of the day and year first above written.

Security for the Bondholders

To secure the Corporation's obligations to the Authority to repay the moneys loaned to the Corporation pursuant to the Loan Agreement, the Corporation will execute and deliver to the Trustee (a) a Mortgage, Assignment of Leases and Security Agreement (the "*Mortgage*") dated as of August 13, 2004, pursuant to which the Corporation will grant to the Trustee (i) a first mortgage lien on its leasehold interest in (A) the Property and (B) the equipment, furnishings, and other tangible personal property included in the Facilities and (ii) a first priority security interest in the leases and subleases affecting the Property and/or the Facilities, including, without limitation, the Facilities Lease (collectively, the "*Leases*") and all revenues, rentals, and other sums due or becoming due under the Leases, and (b) an Assignment of Agreements and Documents (the "*Assignment of Agreements and Documents*") dated as of August 1, 2004, pursuant to which the Corporation will grant to the Trustee a first priority interest in the Development Agreement (the "*Development Agreement*") between the Corporation and

the Developer pursuant to which the Developer will agree to develop the Facilities and all other contracts relating to the design, construction, or renovation of the Facilities. As security for its obligations under the Series 2004 Bonds, the Authority will enter into the Indenture with the Trustee. Pursuant to the Indenture, the Authority will pledge to the Trustee its interest in the Loan Agreement. The sum of \$5,265,837, equal to the Debt Service Reserve Fund Requirement (hereinafter defined), will be deposited in the Debt Service Reserve Fund created under the Indenture (the "*Debt Service Reserve Fund*") and will be used to pay the debt service payments on the Series 2004A Bonds and the Series 2004B Bonds if insufficient funds are on deposit with the Trustee on the date such payments are due. The sum of \$4,064,825, equal to the Replacement Fund Requirement as of the date of issuance of the Series 2004 Bonds, will be deposited in the Replacement Fund created under the Indenture (the "*Replacement Fund*") and will be available to be used to pay the cost of replacing property, placed upon or used in connection with the Facilities. See "SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS" and "BONDHOLDERS' RISKS" herein.

Bondholders' Risks

There are certain considerations relating to an investment in the Series 2004 Bonds that are set forth in the sections of this Official Statement, including the heading "**BONDHOLDERS' RISKS**," and that should be carefully reviewed by prospective purchasers of the Series 2004 Bonds. These considerations include the facts that (i) the Corporation's ability to generate revenues and make timely payment under the Loan Agreement, failure to do which may result in the Series 2004 Bonds' not being paid or being paid before maturity or applicable redemption dates and which may result in forfeiture of future events and conditions including a decline in the enrollment of the University, increased competition from other schools, loss of accreditation, failure to meet federal guidelines or some other event that results in students being ineligible for federal financial aid, and cost overruns in connection with the Facilities or other capital improvements, (ii) the obligation of the Board on behalf of the University to pay rental to the Corporation under the Facilities Lease is subject to, and dependent upon, appropriation of funds necessary to make payments of rental required under the Facilities Lease, and if such amounts are not appropriated for such purpose, the Corporation may be unable to make timely payment under the Loan Agreement, (iii) the Board is obligated to make payments of Base Rental under the Facilities Lease solely from Lawfully Available Funds which include Rents received from the operation of the Facilities and other auxiliary revenues of the University. The ability of the Board to increase Rents and such other auxiliary fees or assess new fees may require approval by the Louisiana Legislature. The failure of the Board or the University to generate sufficient auxiliary revenues could affect the Board's ability to make payments of Base Rental and result in a default under the terms of the Facilities Lease, (iv) the Series 2004 Bonds constitute limited obligations of the Authority and the only significant sources of payment therefor are the deposits received by the Trustee pursuant to the Loan Agreement and, if such deposits prove insufficient, payments by the Bond Insurer pursuant to the Series 2004 Bond Insurance Policies, (v) the Facilities must meet certain occupancy levels and rental rates if the Corporation is to generate the revenues necessary to meet the obligations of the Corporation under the Loan Agreement, (vi) the Facilities will be constructed to serve as student housing facilities and the special use nature of the Facilities and the facts that the Facilities are located on the campus of the

University and the interest of the Corporation serving as collateral is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail its value as collateral, (vii) there are risks associated with the construction of the Facilities, (viii) future clean-up costs with respect to the Facilities could be imposed under environmental statutes and liens relating thereto may adversely affect the security for the owners of the Series 2004 Bonds, (ix) certain statutory provisions and interests and claims of others may impair the security interest of the Trustee in the revenues derived by the Corporation from its interest in the Facilities, (x) judicial actions may impair the remedies available to the Trustee and the owners of the Series 2004 Bonds under the Indenture and the Mortgage providing security for the Series 2004 Bonds, (xi) interest on the Series 2004A Bonds and the Series 2004B Bonds could, in certain events, become includable in the gross income of the owners thereof and owners of the Series 2004 Bonds would be subject to adverse federal tax consequences, (xii) there can be no assurance that there will be a secondary market for the Series 2004 Bonds, (xiii) Additional Bonds (hereinafter defined) payable from the Trust Estate (hereinafter defined) on a parity with the Series 2004 Bonds may in the future dilute the security for the Series 2004 Bonds, (xiv) a change in the Corporation's or the University's status as a 501(c)(3) organization could cause interest on the Series 2004A Bonds and the Series 2004B Bonds to become includable in the gross income of the owners thereof, (xv) if the Authority should fail to make payment of the principal of or interest on the Series 2004 Bonds when the same shall become due, any owner of Series 2004 Bonds will have recourse against the Bond Insurer for such payments, and if the Bond Insurer is unable to make payments of and interest on the Series 2004 Bonds, such Series 2004 Bonds will be payable solely from moneys received by the Trustee pursuant to the Indenture and the Loan Agreement, (xvi) the Series 2004 Bond Insurance Policies do not insure the principal of or interest on the Series 2004 Bonds coming due by reason of acceleration or redemption (other than mandatory sinking fund redemption), nor do they insure the payment of any redemption premium payable upon the Series 2004 Bonds, and under no circumstances, including the situation in which the interest on the Series 2004 Bonds becomes subject to federal or Louisiana income taxation for any reason, may the maturities of the Series 2004 Bonds be accelerated without the consent of the Bond Insurer, (xvii) so long as the Bond Insurer performs its obligations under the Bond Insurance Policies (hereinafter defined), the Bond Insurer may direct, and its consent must be obtained before the exercise of, any remedies to be undertaken by the Trustee under the Indenture, and (xviii) the obligations of the Bond Insurer under the Series 2004 Bond Insurance Policies are general obligations of the Bond Insurer and rank equally in priority of payment and in all other respects with all other unsecured obligations of the Bond Insurer, and in the event of insolvency of the Bond Insurer, the Owners of the Series 2004 Bonds would have to depend entirely on the ability of the Corporation to pay the principal of and interest on the Series 2004 Bonds. See "BONDHOLDERS' RISKS" herein.

Tax Status of Interest

Upon delivery of the Series 2004 Bonds, Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., Bond Counsel, will render its opinion that, assuming continuing compliance with certain covenants designed to satisfy the applicable requirements of the Code, and subject to the matters discussed under the caption "TAX EXEMPTION" herein, under the law existing on the date thereof, interest on the Series 2004A Bonds and the Series 2004B Bonds will (i) be excludable from gross income of the

beneficial owners thereof for federal income tax purposes and (ii) will not be an item of tax preference for purposes of determining the alternative minimum tax imposed on individuals and corporations under Section 57(a)(5) of the Code, but such interest will be includable in adjusted current earnings in computing the federal alternative minimum tax imposed on certain corporations. In the opinion of Bond Counsel, interest on the Series 2004C Bonds is includable in the gross income of the beneficial owners thereof for federal income tax purposes. Bond Counsel is also of the opinion that, pursuant to the Act, the Series 2004 Bonds together with interest thereof, income therefrom, and gain upon the sale thereof are exempt from all State of Louisiana taxes and local taxes. See "TAX EXEMPTION" herein.

Continuing Disclosure

The Board will agree to provide such information as may be required by the provisions of Rule 15c2-12 ("*Rule 15c2-12*") promulgated by the Securities and Exchange Commission, and neither the Corporation, the Trustee, nor the Authority will undertake any responsibility with respect to continuing disclosure under Rule 15c2-12.

Owners of \$1,000,000 or more in aggregate principal amount of Bonds may request payment by wire transfer if such owners have requested payment in writing to the Trustee no later than a Record Date. Such request shall be irrevocable until a new request is delivered not later than a Record Date. Payment of interest shall be made in such coin or currency of the United States as is legal tender for payment of public and private debts at the time payment is made.

Any installment of interest or principal payable on any Series 2004 Bonds that is punctually paid or duly provided for by the Authority on the applicable payment date or redemption date will be paid to the person in whose name such Series 2004 Bond (or predecessor bond) is registered on the Record Date for such payment date by check or draft mailed to such person's address as it appears in the Bond Register on such Record Date, except that the final installment of principal payable with respect to such Series 2004 Bond (or the redemption price for any Series 2004 Bond called for redemption in full) will be payable upon presentation and surrender of the Series 2004 Bond on or after the payment date or redemption date thereof at the corporate trust office of the Trustee.

For every exchange or transfer of any Series 2004 Bond, the Authority or the Trustee may charge an amount sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer. The Trustee will not be required to register the transfer or exchange of (a) any Series 2004 Bond during the fifteen (15) day period next preceding the selection of Series 2004 Bonds to be redeemed and thereafter until the date of the mailing of a notice of redemption of Series 2004 Bonds selected for redemption, or (b) any Series 2004 Bonds selected, called, or being called for redemption

in whole or in part, except in the case of any Series 2004 Bond to be redeemed in part, the portion thereof not so to be redeemed.

If any Series 2004 Bond is mutilated, lost, stolen, or destroyed, the Indenture will provide that the Authority may execute and the Trustee will be required to authenticate a replacement Series 2004 Bond or Series 2004 Bonds of the same tenor and principal amount, as the case may be. In the case of a lost, stolen, or destroyed Series 2004 Bond, the Authority and the Trustee may require satisfactory evidence of the ownership of and the circumstances of the loss, destruction, or theft of such Series 2004 Bond and may require satisfactory indemnification prior to executing and authenticating a new Series 2004 Bond. The Series 2004 Bonds will be redeemed as a whole or in part (in any Authorized Denomination) on the first Interest Payment Date at least thirty (30) days after the Trustee receives notice that insurance proceeds, or proceeds derived as a result of Expropriation proceedings with respect to the Facilities will not be applied to restoration, repair, or reconstruction of the Facilities at a price equal to the principal amount thereof so redeemed plus accrued and unpaid interest to the date of redemption, without premium, in an aggregate principal amount equal to the amount of such insurance proceeds or Expropriation proceeds not used for restoration, repair, or reconstruction. If the amount of any insurance proceeds or Expropriation proceeds to be applied in redemption of the Series 2004 Bonds is not an Authorized Denomination, the principal amount of Series 2004 Bonds to be so redeemed will be decreased to the next lower Authorized Denomination. *Final Maturity

If on any occasion less than all of the Series 2004A Bonds then outstanding shall be redeemed pursuant to the optional or mandatory redemption provisions described above under the subheadings “**Optional Redemption**” or “**Mandatory Redemption**,” then the principal amount of the Series 2004A Bonds so redeemed will be considered to have satisfied a portion of the mandatory sinking fund redemptions required by the above tables. The principal amounts required by the tables above will be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional redemption.

The Series 2004B Bonds will be subject to mandatory redemption and payment on a *pro rata* basis prior to maturity on August 1 in each of the years set forth below at a price equal to the principal amount thereof plus accrued and unpaid interest to the redemption date, without premium:

The principal amounts required by the table above will be adjusted downward in the amount of principal redeemed in chronological order beginning on the mandatory sinking fund redemption date immediately succeeding the date of such optional or mandatory redemption.

Partial Redemption of Series 2004 Bonds

Unless otherwise specified above, if fewer than all of the Series 2004 Bonds are redeemed, the maturity of the Series 2004 Bonds to be redeemed will be designated by the Corporation on behalf of the Board and selected by the Trustee within a maturity in such manner as the Trustee may determine; provided, that the portion of any Series 2004 Bond to be redeemed will be in the principal amount of an Authorized Denomination. If a portion of a Series 2004 Bond is redeemed, a new Series 2004 Bond in a principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

Notice of Redemption

In the case of a redemption other than by mandatory sinking fund redemption, at least thirty (30) days prior to any date fixed for redemption of Series 2004 Bonds, the Trustee will be required to cause notice of redemption, signed by an authorized officer of the Trustee, to be mailed, postage prepaid to all Bondholders of record owning Series 2004 Bonds to be redeemed in whole or in part, at their addresses as they appear on the Bond Register. Any defect in mailing of any notice will not affect the validity of the proceedings for such redemption. Each notice will be required to set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Series 2004 Bonds then outstanding shall be called for redemption, the numbers of such Series 2004 Bonds to be redeemed and, in the case of Series 2004 Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. In case of partial redemption, the notice will be required to state that on and after the redemption date, upon surrender of such Series 2004 Bond, a new Series 2004 Bond in principal amount equal to the unredeemed portion will be issued.

Any notice of redemption may, at the direction of the Authority upon the written request of the Board, state that the redemption to be effected is conditioned upon the receipt by the Trustee on or prior to the redemption date of sufficient and legally available funds to pay the redemption price of the Series 2004 Bonds to be redeemed and that if such funds are not so received or are not so legally available such notice shall be of no force or effect and such Series 2004 Bonds will not be required to be redeemed. In the event that such notice contains such a condition and sufficient funds to pay the redemption price of such Series 2004 Bonds shall not be received by the Trustee on or prior to the redemption date, the redemption will not be made and the Trustee will be required, within a reasonable time thereafter, to give notice, in the manner in which the notice of redemption shall have been given, that such funds were not so received.

On the redemption date, notice thereof having been given and money for payment of the redemption price being held in the Debt Service Fund in trust for the owners of the Series 2004 Bonds to be redeemed, the Series

2004 Bonds so called for redemption will become due and payable at the redemption price on such date, interest on the Series 2004 Bonds called for redemption will cease to accrue, such Series 2004 Bonds will cease to be entitled to any benefit or security under the Indenture, and the owners will have no rights in respect thereof except to receive payment of the redemption price, and, in the case of a partial redemption, to receive a new Series 2004 Bond for any unredeemed portion of any Series 2004 Bonds.

Series 2004 Bonds and portions thereof duly called for redemption, or with respect to which irrevocable instructions for redemption shall have been given to the Trustee, and for the payment of the redemption price for which moneys, or Defeasance Obligations, shall be held by the Trustee in a segregated account for the owners of the Series 2004 Bonds to be redeemed, will not thereafter be deemed to be outstanding under the provisions of the Indenture and shall cease to be entitled to any security or benefit under the Indenture, other than to receive payment from such moneys.

Additional Bonds

Additional Bonds may be issued in one or more series by the Authority at the request of the Corporation as advised by the Board under a supplemental indenture to pay all or part of the additional cost of the Facilities, including, but not limited to, the costs of Phase Three of the Facilities, so long as:

(a) No Event of Default under the Indenture has occurred and is then continuing and the Authority shall have approved the issuance of such additional bonds; and

(b) There shall have been filed with the Trustee an opinion of an attorney or firm of attorneys generally recognized as having expertise in matters relating to municipal bonds to the effect that the exclusion from "gross income" for federal income tax purposes of the interest on the Series 2004 Bonds then outstanding under the Indenture shall not be adversely affected.

The written consent of the Bond Insurer will not be required in connection with the issuance of such Additional Bonds, but the Bond Insurer will have the right to review and approve the documentation prepared in connection with the issuance of such Additional Bonds to ensure that such documentation is as contemplated by the Indenture and does not adversely affect the rights of the Bond Insurer under the Indenture in a manner not contemplated thereby.

Additional Bonds may be issued under the Indenture for any other purpose with the prior written consent of the Bond Insurer.

Additional Bonds, if issued on a parity with or subordinate to the Series 2004 Bonds, would be issued to pay all or a part of the additional costs of the Facilities. Such Additional Bonds will be dated, bear interest at a rate or rates not exceeding the maximum rate then permitted by law, shall mature at such times and have redemption provisions as may be provided in the supplemental indenture authorizing issuance of such Additional Bonds.

Interest at the Auction Rate

Interest on the Series 2004B Bonds bearing interest at an Auction Rate will accrue during each Interest Period and will be payable in arrears on each Interest Payment Date. The interest rate on the Series 2004B Bonds for the period from and including the date of initial delivery to and including the initial Auction Date (the "*Initial Period*") will be determined not later than the Business Day immediately preceding the date of delivery of the Series 2004B Bonds. The interest payable on the Series 2004B Bonds for the period from and including the date of initial delivery to and including the initial Interest Payment Date and for any period thereafter from and including an Interest Payment Date for such Series 2004B Bonds to, but excluding, the next succeeding Interest Payment Date for such Series 2004B Bonds will, subject to certain exceptions described below, be equal to the aggregate amount of interest calculated at the applicable Auction Rate for such Interest Accrual Period which the Auction Agent shall advise has resulted on the Auction Dates (as defined herein under "AUCTIONS - Auction Dates" below) from the implementation of the Auction Procedures set forth in the Indenture and as set forth in APPENDIX "C" hereto in which persons determine to hold or offer to sell or, based on interest rates bid by them, offer to purchase or sell such Series 2004B Bonds. Each periodic

implementation of the Auction Procedures is hereinafter referred to as an "Auction." The interest rate on the Series 2004B Bonds or any portion thereof may be converted from an Auction Rate to a Fixed Rate upon satisfaction of certain terms set forth in the Indenture described below under the subheading "Conversion to a Fixed Rate."

In the event an Auction Date occurs on a date other than the first day preceding such Interest Period, the Trustee, after confirming the calculation described above, will calculate the portion of the interest payable on such Interest Payment Date and the portion payable on the next succeeding Interest Payment Date. The Auction Agent will make the calculation described above not later than the close of business on each Auction Date and will communicate it to the Trustee not later than 12:00 noon on the next Business Day.

As more fully described in APPENDIX "C" hereto, the Auction Rate for any Auction Period may not exceed the Maximum Auction Rate which will be the lesser of: (i) the Applicable Percentage (which is equal to 175% so long as the Series 2004B Bonds are rated Aaa, Aa, or A; 200% if such Series 2004B Bonds are rated Baa; and 265% if such Series 2004B Bonds are rated below Baa) multiplied by the BMA Municipal Swap Index; (ii) 12% per annum; or (iii) the maximum rate permitted by applicable law.

If, on any scheduled Auction Date, an Auction for any Auction Period shall not be held for any reason (with the determination that an Auction was not held to be made by the Auction Agent and if the Auction Agent is not capable of or does not make such determination, then such determination shall be made by the Market Agent), then the following shall apply:

- (i) With respect to an Auction Period of greater than one hundred eighty (180) days, the Standard Auction Period will automatically convert to an Auction Period of seven (7) days;
- (ii) An Auction will be deemed to have occurred on the scheduled Auction Date;
- (iii) The Auction Rate for such deemed Auction to be in effect for the succeeding Auction Period will be equal to the Auction Rate for the preceding Auction Period; and
- (iv) The succeeding Auction Period will begin on the calendar day following the scheduled Auction Date.

Such procedures set forth above will be applicable for one Auction Period. In the event that the next Auction shall not be held for any reason (with the determination to be made by the Auction Agent that an Auction was not held and if the Auction Agent is not capable of or does not make such determination, then such determination shall be made by the Market Agent), then the Maximum Auction Rate will apply with respect to succeeding Auction Periods until an Auction can be held.

By purchasing Auction Rate Bonds, whether in an Auction or otherwise, each such purchaser or its Broker-Dealer, must agree and will be deemed by such purchase to have agreed (i) to participate in Auctions on the terms described herein, (ii) to have its beneficial ownership of the Auction Rate Bonds maintained at all times in book-entry form for the account of its Participant, which in turn will maintain records of such beneficial ownership and (iii) to authorize such Participant to disclose to the Auction Agent such information with respect to such beneficial ownership as the Auction Agent may request.

So long as the beneficial ownership of Auction Rate Bonds is maintained in a book entry system, an Existing Owner of Auction Rate Bonds may sell, transfer, or otherwise dispose thereof only pursuant to a Bid or Sell Order placed in an Auction or otherwise sell, transfer, or dispose thereof through a Broker-Dealer, provided that, in the case of all transfers other than pursuant to Auctions, such Existing Owner, its Broker-Dealer or its Participant advises the Auction Agent of such transfer.

Notwithstanding the foregoing, if:

- (i) the beneficial ownership of the Auction Rate Bonds shall no longer be maintained in a book entry system, the Auction Rate on such Auction Rate Bonds for any Interest Accrual Period commencing

after the delivery of certificates representing Auction Rate Bonds pursuant to the Indenture will equal the Maximum Auction Rate;

(ii) a Payment Default shall have occurred, then the rate of interest for each subsequent Auction Period commencing after such occurrence and during the continuance thereof to and including the subsequent Auction Period, if any, during which, or commencing less than two (2) Business Days after, such Payment Default is waived in accordance with the terms of the Indenture, will equal the Nonpayment Rate on the Auction Date for each such subsequent Auction Period; or

(iii) a proposed Fixed Rate Conversion shall have failed, then the rate of interest for the Auction Rate Bonds will be the Maximum Auction Rate as of the failed Conversion Date for the Interest Accrual Period commencing on such date.

Conversion to a Fixed Rate or a Variable Rate

In accordance with the provisions of the Indenture, the Authority may elect to change the interest mode on the Series 2004B Bonds from an Auction Rate to a Fixed Rate or a Variable Rate, provided that upon such election, the Authority, the Rating Agencies, and Trustee shall have received (i) an opinion of Bond Counsel to the effect that the implementation of such Conversion will not affect the exclusion from gross income for federal income tax purposes of interest on the Series 2004B Bonds, as the case may be, as of the date of such opinion and (ii) written confirmation from the Rating Agencies of the ratings on the Series 2004 Bonds after the implementation of such Conversion. Any such Conversion will be made as follows: The Authority will give written notice by first-class mail of any such Conversion and will specify the proposed Conversion Date to the Bondholders, the Trustee, the Bond Insurer, the Broker-Dealer, the Auction Agent, the Remarketing Agent, and DTC not less than thirty-five (35) nor more than forty-five (45) days prior to the proposed Conversion Date. The Conversion Date may only be the last Interest Payment Date for an Auction Period.

Mandatory Tender Upon Conversion; Certain Notices

Mandatory Tender Upon Conversion. Any Series 2004B Bonds to be converted to bear interest at a Fixed Rate or a Variable Rate will be subject to mandatory tender for purchase on the Conversion Date at a price equal to the principal amount thereof plus accrued interest thereon to the Conversion Date.

Notice to Registered Owners. Any notice of a Conversion given to owners will, in addition to the requirements described above, be required to specify that all outstanding Series 2004B Bonds being so converted are subject to mandatory tender pursuant to the provisions thereof and of the Indenture and will be purchased on the Conversion Date by payment of a purchase price equal to the principal amount thereof plus accrued interest to the Conversion Date.

Certain Notices by Trustee, Remarketing Agent, and Tender Agent. The notices to be given in connection with a Conversion will be specified in the supplement to the Indenture.

Registration and Delivery of Tendered or Purchased Bonds. Upon receipt of notice from the Trustee, the Registrar will register and authenticate, and, as promptly thereafter as practicable, the Registrar will be required to deliver Series 2004B Bonds remarketed by the Remarketing Agent to the Remarketing Agent or to the purchasers thereof in accordance with the instructions of the Remarketing Agent.

Delivery of Series 2004B Bonds; Effect of Failure to Surrender Series 2004B Bonds. All Series 2004B Bonds to be purchased on any Conversion Date will be required to be delivered to the designated office of the Trustee, or its designated agent for such purposes, at or before 12:00 noon on such date. If the owner of any Series 2004B Bonds that are subject to purchase as described herein shall fail to deliver such Series 2004B Bonds to the Trustee, or its designated agent for such purposes, for purchase on the purchase date, and, if the Trustee, or its designated agent for such purposes, shall be in receipt of the purchase price therefor, such Series 2004B Bond shall nevertheless be deemed tendered and purchased on the Conversion Date and shall be Undelivered Bonds as described below under the

subheading “**Undelivered Bonds**,” and registration of the ownership of such Series 2004B Bond will be transferred to the purchaser thereof as described under the subheading “**Undelivered Bonds**” below.

No Tender Purchases on Redemption Date

Any Series 2004B Bonds (or portions thereof) called for redemption are not subject to tender or purchase.

Undelivered Bonds

Any Series 2004B Bonds that are not tendered by a Conversion Date will be deemed tendered to the Trustee as of the Conversion Date, subject, however, to remarketing or purchase by the entity selected by the Remarketing Agent for settlement on the Conversion Date and receipt by the Trustee of the price equal to one hundred percent (100%) of the principal amount thereof from the purchasers thereof or the Remarketing Agent. In the event that on a Conversion Date the Remarketing Agent shall have been unable to remarket all Series 2004B Bonds for settlement on the Conversion Date and shall have elected not to purchase for its own account such unremarketed Series 2004B Bonds, or on the Conversion Date the Trustee shall not have received the purchase price therefor, the proposed Conversion will be cancelled, and such Series 2004B Bonds will remain subject to the Auction Procedures and will bear interest at the Maximum Auction Rate as of the failed Conversion Date for the Interest Accrual Period commencing on such date.

Book-Entry Only System

THE INFORMATION IN THIS SECTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC, AND NEITHER THE AUTHORITY NOR THE CORPORATION TAKES ANY RESPONSIBILITY FOR THE ACCURACY THEREOF.

The Series 2004 Bonds initially will be delivered in the form of fully registered, book-entry only bonds. Upon initial delivery, the Series 2004 Bonds will be registered in the registry books kept by the Trustee, as bond registrar, in the name of Cede & Co., as nominee for The Depository Trust Company (“*DTC*”), New York, New York, which will act as the initial securities depository for the Series 2004 Bonds (the “*Bond Depository*”) under a book-entry only system. Purchasers of Series 2004 Bonds (the “*Beneficial Owners*”) will not receive certificates representing their interest in the Series 2004 Bonds. Purchases of beneficial interests in the Series 2004 Bonds will be made in book-entry only form in Authorized Denominations by credit to participating broker-dealers and other institutions on the books of DTC as described herein. Payments of principal of and interest on the Series 2004 Bonds will be made by the Trustee directly to DTC as the registered Owner thereof. Disbursement of such payments to the DTC Participants (as hereinafter defined) is the responsibility of DTC and disbursements of such payments to the Beneficial Owners is the responsibility of the DTC Participants and the Indirect Participants (as hereinafter defined), as more fully described herein. Any purchaser of beneficial interests in the Series 2004 Bonds must maintain an account with a broker or dealer who is, or acts through, a DTC Participant to receive payment of the principal of and interest on such Series 2004 Bonds.

DTC is a limited-purpose trust company organized under the laws of the State of New York, a “banking organization” within the meaning of New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of §17A of the Securities Exchange Act of 1934, as amended. DTC holds securities that its participants (the “*DTC Participants*”) deposit with DTC. DTC also facilitates the settlement among DTC Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in accounts of the DTC Participants, thereby eliminating the need for physical movement of securities certificates. DTC Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its DTC Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others, such as banks, brokers, dealers, and trust companies that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (the “*Indirect Participants*”). The rules applicable to DTC and its Direct Participants are on file with the Securities Exchange Commission the “*SEC*”).

Purchases of Series 2004 Bonds under the DTC system must be made by or through DTC Participants which will receive a credit balance for the Series 2004 Bonds in the records of DTC. The ownership interest of each Beneficial Owner is in turn to be recorded in the DTC Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive a written confirmation of their purchase providing details of the transaction, as well as periodic statements of their holdings, from the DTC Participants and Indirect Participants through which the Beneficial Owner entered the transaction. Transfers of ownership interest in the Series 2004 Bonds will be accomplished by entries made on the books of DTC Participants and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in the Series 2004 Bonds, except in the event the use of the book-entry system for the Series 2004 Bonds is discontinued.

SO LONG AS CEDE & CO., AS THE NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE SERIES 2004 BONDS, THE AUTHORITY AND THE TRUSTEE WILL TREAT CEDE & CO. AS THE ONLY REGISTERED OWNER OF THE SERIES 2004 BONDS FOR ALL PURPOSES UNDER THE INDENTURE, INCLUDING RECEIPT OF ALL PRINCIPAL OF AND INTEREST ON THE SERIES 2004 BONDS, RECEIPT OF NOTICES, AND VOTING.

To facilitate subsequent transfers, all Series 2004 Bonds deposited by DTC Participants and Indirect Participants are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2004 Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2004 Bonds; DTC's records reflect only the identity of the DTC Participants in whose accounts such Series 2004 Bonds are credited, which may or may not be the Beneficial Owners. The DTC Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to DTC Participants, by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If less than all of the Series 2004 Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each DTC Participant within a maturity of the Series 2004 Bonds being redeemed.

Beneficial Owners of the Series 2004 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2004 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the bond documents. Beneficial Owners of Series 2004 Bonds may wish to ascertain that the nominee holding the Series 2004 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners, or in the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co., will consent or vote with respect to the Series 2004 Bonds. Under its usual procedures, DTC mails an omnibus proxy to the Authority as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those DTC Participants to whose accounts the Series 2004 Bonds are credited on the record date (identified in the listing attached to the omnibus proxy).

Principal and interest payments on the Series 2004 Bonds will be made to DTC. DTC's practice is to credit DTC Participants' accounts on the payment dates in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the payment date. Payments by DTC Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC Participant or Indirect Participant and not of DTC, the Trustee, as paying agent, or the Authority, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of the principal and interest to DTC is the responsibility of the Trustee, as paying agent, disbursement of such payments to DTC Participants will be the responsibility of DTC, and the disbursement of such payments to the Beneficial Owners will be the responsibility of the DTC Participants and the Indirect Participants.

The Trustee will pay principal of and interest on the Series 2004 Bonds to or upon the order of the respective Owners, as shown on the Bond Register, or upon their respective attorneys duly authorized in writing, as provided in the Indenture, and all such payments will be valid and effective to fully satisfy the Authority's obligations with respect to the payment of principal and interest on the Series 2004 Bonds to the extent of the sum or sums so paid. Upon delivery by the nominee of DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of the existing nominee, and subject to the provisions of the Indenture with respect to record dates, the word "Cede & Co." in the Indenture will refer to such new nominee of DTC.

In the event the Authority or the Trustee receives written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities, and the Authority or the Trustee is unable to find a substitute depository, in the opinion of the Authority and the Trustee, willing and able to undertake the functions of the Bond Depository upon reasonable and customary terms, then the Series 2004 Bonds will no longer be restricted to being registered in the Bond Register in the name of the nominee of DTC or DTC, but may be registered in whatever name or names the Beneficial Owners (as certified by DTC) transferring or exchanging the Series 2004 Bonds will designate, in accordance with the provisions of the Indenture.

In the event the Authority shall determine that it is in the best interests of the Beneficial Owners of the Series 2004 Bonds that they be able to obtain bond certificates, the Authority may notify DTC and the Trustee, whereupon DTC will notify the DTC Participants and Indirect Participants of the availability through the nominee or DTC of bond certificates. In such event, the Trustee will issue, transfer, and exchange Series 2004 Bond certificates as requested by DTC and any other Bondholders in appropriate amounts, and whenever the Bond Depository requests the Authority and the Trustee to do so, the Authority and the Trustee will cooperate with DTC by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Series 2004 Bonds to any nominee or DTC Participant having Series 2004 Bonds credited to its account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Series 2004 Bonds.

Notwithstanding any other provision described herein or contained in the Indenture to the contrary, so long as any Series 2004 Bond is registered in the name of the nominee of DTC, all payments with respect to the principal of and interest on such Series 2004 Bond will be made and given, respectively, to the nominee or DTC in the manner provided in the Blanket Letter of Representation entered into between DTC and the Authority.

In connection with any notice or communication to be provided to Bondholders pursuant to the Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority, or the Trustee, as the case may be, will establish a record date for such consent or other action and give the nominee or DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

NEITHER THE AUTHORITY, THE CORPORATION, THE BOARD, THE UNIVERSITY, NOR THE TRUSTEE HAS ANY RESPONSIBILITY OR OBLIGATIONS TO THE DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (A) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (B) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2004 BONDS; (C) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE INDENTURE TO BE GIVEN TO BONDHOLDERS; (D) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2004 BONDS; OR (E) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS REGISTERED BONDHOLDER.

Series 2004 Bonds Are Limited Obligations

THE SERIES 2004 BONDS AND THE INTEREST THEREON ARE SPECIAL, LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY, EXCEPT TO THE EXTENT PAID OUT OF MONEYS ATTRIBUTABLE TO PROCEEDS OF THE

SERIES 2004 BONDS AND TEMPORARY INVESTMENTS THEREOF, FROM PAYMENTS DERIVED BY THE AUTHORITY UNDER THE LOAN AGREEMENT, FROM THE ASSETS AND INTERESTS PLEDGED UNDER THE MORTGAGE, AND FROM THE BOND INSURANCE POLICIES. THE SERIES 2004 BONDS SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR LIABILITY OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NOT CONSTITUTE A PLEDGE OF THE FAITH AND CREDIT OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF. THE ISSUANCE OF THE SERIES 2004 BONDS SHALL NOT, DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATE THE STATE OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY ANY TAXES OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE AUTHORITY HAS NO POWER TO TAX.

Payment Procedure Pursuant to the Series 2004 Bond Insurance Policies

In the event that, on the second (2nd) Business Day, and again on the Business Day, prior to any day on which the principal of or interest on the Series 2004 Bonds shall be payable (each such date, a "*Bond Payment Date*"), the Trustee has not received sufficient moneys to pay all principal of and interest on the Series 2004 Bonds due on the second (2nd) following or following, as the case may be, business day, the Trustee will be required to notify the Bond Insurer or its designee immediately on the same business day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency. If such deficiency is made up in whole or in part prior to or on the Bond Payment Date, the Trustee will be required to so notify the Bond Insurer or its designee.

In addition, if the Trustee has notice that any Bondholder has been required to disgorge payments of principal of or interest on a Series 2004 Bond to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Bondholder, within the meaning of any applicable bankruptcy laws, then the Trustee will be required to notify the Bond Insurer or its designee of such fact immediately by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

The Trustee has been irrevocably designated, appointed, directed, and authorized to act as attorney-in-fact for the Owners of the Series 2004 Bonds as follows:

(i) If and to the extent there is a deficiency in amounts required to pay interest on the Series 2004 Bonds, the Trustee will be required to (a) execute and deliver to U.S. Bank Trust National Association, or its successors under the Series 2004 Bond Insurance Policies (the "*Insurance Paying Agent/Trustee*"), in form satisfactory to the Insurance Paying Agent/Trustee, (1) an instrument appointing the Bond Insurer as agent for the Owners of the Series 2004 Bonds in any legal proceeding related to the payment of such interest and (2) an assignment to the Bond Insurer of the claims for interest to which such deficiency relates and that are paid by the Bond Insurer, (B) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Series 2004 Bond Insurance Policies payment from the Insurance Paying Agent/Trustee with respect to the claims for interest so assigned, and (C) disburse the same to such Owners; and

(ii) If and to the extent of a deficiency in amounts required to pay principal of the Series 2004 Bonds, the Trustee will be required to (A) execute and deliver to the Insurance Paying Agent/Trustee, in form satisfactory to the Insurance Paying Agent/Trustee, (1) an instrument appointing the Bond Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and (2) an assignment to the Bond Insurer of any of the Series 2004 Bonds surrendered to the Insurance Paying Agent/Trustee of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent/Trustee is received), (B) receive as designee of the respective Owners (and not as Trustee) in accordance with the tenor of the Series 2004 Bond Insurance Policies payment therefor from the Insurance Paying Agent/Trustee, and (C) disburse the same to such Owners.

Payments with respect to claims for interest on and principal of Series 2004 Bonds disbursed by the Trustee from proceeds of the Series 2004 Bond Insurance Policies will not be considered to discharge the obligation of the Authority with respect to the Series 2004 Bonds, and the Bond Insurer will become the owner of such unpaid Series 2004 Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions described above or otherwise.

AUCTIONS

The provisions described herein regarding Auction Procedures may be amended from time to time to conform such procedures to industry practices or change in law solely upon notice to the owners of any affected Series 2004B Bonds.

General

Auction Dates. Except as otherwise described herein, an Auction to determine the Auction Rate for each subsequent Auction Period is to be held on the Business Day immediately preceding the first day of such subsequent Auction Period (each an "***Auction Date***"). The first Auction will be held on the Thursday immediately succeeding the Closing Date, and every Thursday thereafter; provided, that if such Thursday is not a Business Day, the Auction will be held on the first Business Day preceding such Thursday. Each subsequent Auction Period is to begin on the Business Day following the Auction Date to which such Auction Period relates. See "***Change of Auction Date***" and "***Change of Auction Period***" below for information concerning the circumstances under which the Auction Date or the first day of a subsequent Auction Period may be moved to a different date.

Change of Auction Date. The Market Agent, with the prior written consent of the Authority, may change, in order to conform with then-current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date, the Auction Date for all future Auction Periods to a different day so long as the first such Auction Date will be a Business Day in the calendar week in which the next succeeding Auction Date is then scheduled to occur.

Change of Auction Period. The Authority may change the length of the Auction Period on any Auction Date by means of a written notice delivered not less than ten (10), nor more than fifteen (15), days prior to the Auction Date for such Auction Period to the Trustee, the Market Agent, the Auction Agent, and the Securities Depository. If such Auction Period shall be less than twenty-one (21) days, such notice will be effective only if it shall be accompanied by a written statement of the Trustee, the Market Agent, the Auction Agent, and the Securities Depository to the effect that they are capable of performing their duties under the General Resolution, the Series Resolution, the Market Agent Agreement, and the Auction Agency Agreement, as applicable, with respect to such Auction Period and by the written consent of the Bond Insurer. The length of an Auction Period may not be changed unless Sufficient Clearing Bids existed at the Auction immediately preceding such changed Auction Period.

Auction Procedures

The following summary of the Auction Procedures to be used with respect to Auctions is qualified by reference to the Auction Procedures appended hereto as **APPENDIX "C."**

Orders by Existing Holders and Potential Holders. See "**AUCTION PROCEDURES - Orders by Existing and Potential Holders**" in **APPENDIX "C"** for a description of the procedure for the submission of orders prior to the Submission Deadline.

If an Existing Holder shall fail to submit an Order prior to the Submission Deadline, such Existing Holder will be deemed to have submitted a Hold Order. The communication to a Broker-Dealer of the foregoing information is herein referred to as an "***Order***" and, collectively, as "***Orders***." An Existing Holder or a Potential Holder placing an order is herein referred to as a "***Bidder***" and, collectively, as "***Bidders***."

An Order may be submitted only in the principal amount of Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof.

An Existing Holder may submit different types of Orders in an Auction with respect to Series 2004B Bonds then held by such Existing Holder. An Existing Holder who offers to purchase additional Series 2004B Bonds is, for purposes of such offer, treated as a Potential Holder. For information concerning the priority given to different types of Orders placed by Existing Holders, see "**Submission of Orders by Broker-Dealers to Auction Agent**" below.

The Maximum Auction Rate is the maximum rate per annum that can result from an Auction. Any Bid specifying a rate higher than the Maximum Auction Rate is to (i) be treated as a Sell Order if submitted by an Existing Holder, and (ii) not be accepted if submitted by a Potential Holder. See “Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate” and “Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds” below.

The principal amount of Series 2004B Bonds purchased or sold may be subject to certain proration procedures. See “Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds” below. Each purchase or sale of Series 2004B Bonds is to be made for settlement on the first Business Day following the Auction Date at a price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the date of settlement. See “Notification of Results; Settlement” below. The Auction Agent is entitled to rely upon the terms of any Order submitted to it by a Broker-Dealer.

Neither the Authority, the Trustee, nor the Auction Agent will be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent. If an Order or Orders covering the entire outstanding principal amount of Series 2004B Bonds held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline either because a Broker-Dealer failed to contact such Existing Holder, the Existing Holder elected not to submit an Order, or otherwise, the Auction Agent will deem a Hold Order to have been submitted on behalf of such Existing Holder covering the outstanding principal amount of Series 2004B Bonds held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

Submission of Orders by Broker-Dealers to Auction Agent. Investors must submit orders to the Broker-Dealers by 1:00 p.m. (New York City time) on the Auction Date. Prior to 1:00 p.m. (New York City time), on each Auction Date, or such other time on the Auction Date specified by the Auction Agent (the “Submission Deadline”), each Broker-Dealer will submit to the Auction Agent in writing all Orders obtained by it for the Auction to be conducted on such Auction Date. See “AUCTION PROCEDURES - Submission of Orders by Broker-Dealers to Auction Agent” in APPENDIX “C” hereto.

If more than one Bid is submitted on behalf of any Potential Holder, each Bid submitted will be a separate Bid with the rate and principal amount of Series 2004B Bonds therein specified.

Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Series 2004B Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof will be rejected and will be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Series 2004B Bonds not equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof will be immediately rejected.

Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate. Not earlier than the Submission Deadline, the Auction Agent will be required to assemble all valid Orders submitted to it or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer hereinafter referred to individually as a “Submitted Hold Order,” a “Submitted Bid,” or a “Submitted Sell Order,” as the case may be, or as a “Submitted Order” and collectively as “Submitted Hold Orders,” “Submitted Bids,” or “Submitted Sell Orders,” as the case may be, or as “Submitted Orders”) and is to determine the excess of the outstanding principal amount of Series 2004B Bonds over the sum of the outstanding principal amount of Series 2004B Bonds subject to Submitted Hold Orders (such excess being herein referred to as the “Available Auction Rate Bonds”) and whether Sufficient Clearing Bids have been made in the Auction. Sufficient Clearing Bids shall have been made if the principal amount of Series 2004B Bonds, which is the subject of Submitted Bids by Potential Holders specifying rates equal to or lower than the Maximum Auction Rate, equals or exceeds the principal amount of Series 2004B Bonds which is the subject of Submitted Sell Orders (including the principal amount of Series 2004B Bonds subject to Submitted Bids by Existing Holders specifying rates higher than the Maximum Auction Rate).

If Sufficient Clearing Bids have been made, the Auction Agent is to determine the lowest rate specified in the Submitted Bids (the “Winning Bid Rate”) which, taking into account the rates in all Submitted Bids of Existing Holders, would result in Existing Holders continuing to hold an aggregate principal amount of Series 2004B Bonds which, when added to the principal amount of Series 2004B Bonds to be purchased by Potential Holders based on the

rates in their Submitted Bids, would equal not less than the Available Auction Rate Bonds. In such event, the Winning Bid Rate is to be the Auction Rate for the next Auction Period.

If Sufficient Clearing Bids have not been made (other than because all Series 2004B Bonds are subject to Submitted Hold Orders), the Auction Rate for the next Auction Period is to be the Maximum Auction Rate. If Sufficient Clearing Bids have not been made, Existing Holders who have submitted Sell Orders may not be able to sell in the Auction all Series 2004B Bonds subject to such Submitted Sell Orders. See "Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds" below.

If all of the Series 2004B Bonds are subject to Submitted Hold Orders, the Auction Rate for the next Auction Period is to be equal to the All-Hold Rate.

As used herein, All-Hold Rate, on any date of determination, means eighty-five percent (85%) of the lesser of (a) the After-Tax Equivalent Rate, or (b) the BMA Municipal Swap Index; provided, however, that in no event will such All-Hold Rate exceed the lower of (i) twelve percent (12%) per annum or (ii) the maximum rate permitted on the Series 2004B Bonds by applicable laws of the State of Louisiana; and provided, further, the All-Hold Rate may not exceed the Maximum Auction Rate.

Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocations of Series 2004B Bonds. Based on the determinations made under "Determination of Sufficient Clearing Bids, Winning Bid Rate, and Auction Rate" above and, subject to the discretion of the Auction Agent to round off fractional amounts as described below, Submitted Bids and Submitted Sell Orders will be accepted or rejected in the order of priority set forth in the Auction Procedures with the result that Existing Holders and Potential Holders of Series 2004B Bonds will sell, continue to hold, and/or purchase Series 2004B Bonds as set forth below. Existing Holders who submitted or were deemed to have submitted Hold Orders will continue to hold Series 2004B Bonds subject to such Hold Orders.

Sufficient Clearing Bids. If Sufficient Clearing Bids shall have been made:

(a) each Existing Holder who shall have placed a Submitted Sell Order or Submitted Bid specifying a rate higher than the Winning Bid Rate will sell the principal amount of Series 2004B Bonds subject to such Submitted Sell Order or Submitted Bid;

(b) each Existing Holder who shall have placed a Submitted Bid specifying a rate lower than the Winning Bid Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(c) each Potential Holder who shall have placed a Submitted Bid specifying a rate lower than the Winning Bid Rate will purchase the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(d) each Existing Holder who shall have placed a Submitted Bid specifying a rate equal to the Winning Bid Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid unless the aggregate principal amount of Series 2004B Bonds subject to all such Submitted Bids shall be greater than the aggregate principal amount of Available Auction Rate Bonds less the Series 2004B Bonds accounted for in clauses (b) and (c) above, in which event each Existing Holder with such a Submitted Bid will continue to hold a principal amount of Outstanding Series 2004B Bonds subject to such Submitted Bid determined on a *pro rata* basis based on the aggregate principal amount of Outstanding Series 2004B Bonds subject to all such Submitted Bids by Existing Holders; and

(e) each Potential Holder's Submitted Bid specifying a rate that is equal to the Winning Bid Rate will be accepted but only in an amount equal to the principal amount of Series 2004B Bonds obtained by multiplying the excess of the aggregate principal amount of Available Auction Rate Bonds over the aggregate principal amount of Series 2004B Bonds subject to Submitted Bids described in clauses (b), (c), and (d) above by a fraction, the numerator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which will be the sum of the principal amounts of Outstanding Series 2004B Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

Insufficient Clearing Bids. If Sufficient Clearing Bids shall not have been made (unless all of the Outstanding Series 2004B Bonds are subject to Submitted Hold Orders):

(a) each Existing Holder who shall have placed a Submitted Bid specifying a rate equal to or lower than the Maximum Auction Rate will continue to hold the principal amount of Series 2004B Bonds subject to such Submitted Bid;

(b) each Potential Holder who shall have placed a Submitted Bid specifying a rate equal to or lower than the Maximum Auction Rate will purchase the principal amount of Series 2004B Bonds subject to such Submitted Bid; and

(c) each Existing Holder's Submitted Bid specifying any rate that is higher than the Maximum Auction Rate and the Submitted Sell Order of each Existing Holder will be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Series 2004B Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Series 2004B Bonds obtained by multiplying the aggregate principal amount of Series 2004B Bonds subject to Submitted Bids described in clause (b) above by a fraction, the numerator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which will be the aggregate principal amount of Outstanding Series 2004B Bonds subject to all such Submitted Bids and Submitted Sell Orders.

Neither the Authority nor the Trustee will be required to provide moneys to pay the purchase price of Series 2004B Bonds if Sufficient Clearing Bids have not been made. If all Outstanding Series 2004B Bonds are subject to Submitted Hold Orders, all Submitted Bids will be rejected.

If, as a result of the Auction Procedures, (i) any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a principal amount of Series 2004B Bonds which is not equal to Twenty-Five Thousand Dollars (\$25,000) or any integral multiple thereof, the Auction Agent will, in such manner as it, in its sole discretion, shall determine, round up or down the principal amount of Series 2004B Bonds being sold or purchased on such Auction Date so that the principal amount of Series 2004B Bonds sold or purchased by each Existing Holder or Potential Holder will be equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof or (ii) any Potential Holder would be entitled or required to purchase less than Twenty-Five Thousand Dollars (\$25,000) principal amount of Series 2004B Bonds, the Auction Agent will, in such manner as it, in its sole discretion, shall determine, allocate principal amounts of Series 2004B Bonds for purchase among Potential Holders so that only principal amounts of Series 2004B Bonds equal to Twenty-Five Thousand Dollars (\$25,000) or an integral multiple thereof are purchased by any such Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing Series 2004B Bonds.

Notification of Results; Settlement. The following summary of the Settlement Procedures to be used with respect to Auctions is qualified by reference to the Settlement Procedures attached hereto as **APPENDIX "D."**

The Auction Agent is required to advise each Broker-Dealer who submitted an order of the Auction Rate for the next Auction Period and, if such Order was a Bid or Sell Order, whether such Bid or Sell Order was accepted or rejected, in whole or in part, on each Auction Date. Each Broker-Dealer who submitted an Order on behalf of a Bidder is required then to advise such Bidder of the Auction Rate for the next Auction Period and, if such Order was a Bid or a Sell Order, whether such Bid or Sell Order was accepted or rejected, in whole or in part, to confirm purchases and sales with each Bidder purchasing or selling Series 2004B Bonds as a result of the Auction to give instructions to its agent member of the Securities Depository to pay the purchase price against delivery of such Series 2004B Bonds or to deliver such Series 2004B Bonds against payment therefor, as appropriate.

In accordance with what are understood to be the Securities Depository's procedures, on the Business Day after the Auction Date, the transactions described above are to be executed through the Securities Depository and the accounts of the respective agent members at the Securities Depository will be debited and credited and Series 2004B Bonds delivered as necessary to effect the purchases and sales as determined in the Auction. Purchasers are required to make payment through their agent member in same-day funds to the Securities Depository against delivery through

their agent members. The Securities Depository is to make payment in accordance with its normal procedures, which now provide for payment against delivery by its agent members in same-day funds.

If any Existing Holder selling Series 2004B Bonds in an Auction fails to deliver such Series 2004B Bonds, the Broker-Dealer, or any person who was to have purchased Series 2004B Bonds in such Auction, may deliver to such person a principal amount of Series 2004B Bonds which is less than the principal amount of Series 2004B Bonds that otherwise was to be purchased by such person but in any event equal to \$25,000 or an integral multiple thereof. In such event, the principal amount of Series 2004B Bonds to be delivered will be determined by such Broker-Dealer. Delivery of such lesser principal amount of Series 2004B Bonds will constitute good delivery.

Concerning the Auction Agent. The Trustee is to enter into an agreement (the "**Auction Agency Agreement**") with The Bank of New York, New York, New York (together with any successor bank or trust company or other entity entering into a similar agreement with the Trustee, the "**Auction Agent**") which provides, among other things, that the Auction Agent is to follow the Auction Procedures for the purposes of determining the Auction Rate so long as the Auction Rate is to be based on the results of an Auction.

The Auction Agent is acting as agent for the Trustee in connection with Auctions. The Auction Agent has not assumed any fiduciary relationship, agency or trust with the holders of the Series 2004B Bonds or with any other person. In the absence of bad faith or negligence on its part, the Auction Agent will not be liable for any action taken, suffered or omitted or for any error of judgment made by it in the performance of its duties under the Auction Agency Agreement and will not be liable for any error of judgment made in good faith unless the Auction Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts.

The Auction Agent may terminate the Auction Agency Agreement upon notice to the Trustee and the Market Agent on a date no earlier than ninety (90) days after such notice. If the Auction Agent should resign or be removed, the Trustee is obligated to use its best efforts to appoint a successor Auction Agent and to enter into an agreement with a successor Auction Agent containing substantially the same terms and conditions as the Auction Agency Agreement. The Trustee will, acting at the direction of (i) the holders of sixty-six and two-thirds percent (66-2/3%) of the aggregate principal amount of the Series 2004B Bonds, or (ii) the Authority, upon ninety (90) days' notice to the Auction Agent, remove the Auction Agent, provided that such resignation or removal will not become effective until a successor Auction Agent has been appointed and qualified.

Broker-Dealers. The Auction Agent is to enter into an agreement with Morgan Keegan & Company, Inc. and may enter into similar agreements (collectively, the "**Broker-Dealer Agreements**") with one or more additional broker-dealers (collectively, the "**Broker-Dealers**") selected by the Trustee at the request of the Authority which provide for the participation of Broker-Dealers in Auctions.

If a Broker-Dealer submits an Order for its own account in any Auction, it may have an advantage over other Bidders due to its knowledge of Orders placed through it in that Auction; such Broker-Dealer, however, would not have knowledge of Orders submitted by other Broker-Dealers in the Auction.

Market Agent Agreement. The Trustee is to enter into a market agent agreement (the "**Market Agent Agreement**") with Morgan Keegan & Company, Inc. (together with any successor as market agent under the Series Resolution, the "**Market Agent**") which sets forth the Market Agent's duties and responsibilities. The Market Agent, upon notice, may make changes in the Applicable Percentages used to determine the Maximum Auction Rate in the event of a Change of Tax Preference Law (as defined herein under "**AUCTION PROCEDURES - Changes in Percentages Used in Determining Maximum Auction Rate**" in APPENDIX "C" hereto) and the determination of the Index used to determine the Maximum Auction Rate and the All-Hold Rate. Upon appropriate notice, the Market Agent may alter the denomination size of the Series 2004B Bonds, may change the Auction Date and may shorten or extend the Auction Period, as discussed above under the subheadings "Change of Auction Date" and "Change of Auction Period."

SEC INQUIRY

Morgan Keegan & Company, Inc. has advised the Authority, the Corporation, and the Board that it and certain other participants in the auction rate securities markets, including both taxable and tax-exempt markets, have received letters from the SEC requesting that each of them voluntarily conduct a review regarding their respective practices and procedures in those markets. Morgan Keegan & Company, Inc. is cooperating fully with the SEC in this process. No assurance can be given as to whether the results of this process will affect the market for the Series 2004B Bonds or the auctions therefor.

SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS

Trust Estate and Mortgaged Property

The Series 2004 Bonds are special limited obligations of the Authority payable from the Trust Estate held for the benefit of the Bondholders pursuant to the Indenture and from property pledged under the Mortgage. The Series 2004 Bonds are not payable from any other revenues, funds, or assets of the Authority. The Trust Estate will include: (i) all right, title, and interest of the Authority in, to and under the Loan Agreement and (ii) moneys held in funds and accounts (other than the Rebate Fund) established pursuant to the Indenture. The property pledged under the Mortgage will include all right, title, and interest of the Corporation in, to and under the Facilities Lease, including all rental payments received pursuant to the Facilities Lease. The obligation of the Board to make rental payments under the Facilities Lease is subject to, and dependent upon, the University's budgeting and appropriating funds necessary to make payments required under the Facilities Lease. Any discussion in this Official Statement concerning the Trust Estate or any other source of payment for the Series 2004 Bonds should be construed with respect to any particular Series 2004 Bond to be limited to the extent described in this paragraph. The Trustee has no authority to extend the time for any Payment of principal, premium, or interest without the prior written consent of or authorization of the owners of the Series 2004 Bonds so affected.

Limitation of Authority's Obligations

THE SERIES 2004 BONDS ARE LIMITED AND SPECIAL REVENUE OBLIGATIONS OF THE AUTHORITY, AND DO NOT CONSTITUTE OR CREATE AN OBLIGATION, GENERAL OR SPECIAL, DEBT, LIABILITY OR MORAL OBLIGATION OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISIONS WHATSOEVER AND NEITHER THE FAITH OR CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE SERIES 2004 BONDS. THE SERIES 2004 BONDS ARE NOT A GENERAL OBLIGATION OF THE AUTHORITY (WHICH HAS NO TAXING POWER AND RECEIVES NO FUNDS FROM ANY GOVERNMENTAL BODY) BUT ARE A LIMITED AND SPECIAL REVENUE OBLIGATION OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, INCLUDING, WITHOUT LIMITATION, THE INCOME, REVENUES AND RECEIPTS DERIVED OR TO BE DERIVED FROM PAYMENTS MADE PURSUANT TO THE LOAN AGREEMENT AND FROM ANY MONEYS RECEIVED BY THE TRUSTEE UNDER THE MORTGAGE.

Funds and Accounts

The Indenture will create the following funds and accounts which will be held by the Trustee: (i) Bond Proceeds Fund and a Costs of Issuance Account therein; (ii) Debt Service Fund, and the following accounts therein: (1) Interest Account and (2) Principal Account; (iii) Project Fund; (iv) Debt Service Reserve Fund; (v) Replacement Fund; (vi) Rebate Fund; (vii) Receipts Fund; and (viii) Capitalized Interest Fund.

Bond Proceeds Fund. The Bond Proceeds Fund will be used to receive the proceeds of the Series 2004 Bonds. On the Closing Date, the Trustee will disburse amounts held in the Bond Proceeds Fund as follows:

(a) to the Interest Account in the Debt Service Fund that portion of the proceeds of the Series 2004 Bonds representing accrued interest on the Series 2004 Bonds in an amount specified in the request and authorization delivered pursuant to the Indenture;

(b) to the Debt Service Reserve Fund an amount of proceeds equal to the Debt Service Reserve Fund Requirement;

(c) to the Replacement Fund an amount of proceeds equal to the Replacement Fund Requirement;

(d) to the Capitalized Interest Fund an amount of proceeds equal to the capitalized interest amount;

(e) to retain such sum in the Costs of Issuance Account to pay the Costs of Issuance as shall be specified in the request and authorization delivered pursuant to the Indenture; and

(f) to the Project Fund the balance of the proceeds of the Series 2004 Bonds.

Amounts deposited on the Closing Date into Costs of Issuance Account of the Bond Proceeds Fund will be disbursed, pursuant to the written instructions of the Authority, to pay Costs of Issuance. Any amounts remaining in the Costs of Issuance Account one hundred eighty (180) days after delivery of the Series 2004 Bonds (and not specifically committed to pay additional Costs of Issuance) will be transferred to the Project Fund.

Debt Service Fund. The Trustee will deposit into the applicable account of the Debt Service Fund the amounts required by the Indenture.

Moneys on deposit in the Interest Account of the Debt Service Fund will be used solely to pay the interest on the Series 2004 Bonds as it becomes due and payable, whether on an Interest Payment Date, at maturity or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of interest on the Series 2004 Bonds.

Moneys on deposit in the Principal Account of the Debt Service Fund will be used solely to pay the principal of the Series 2004 Bonds as it becomes due and payable whether at maturity, upon scheduled sinking fund redemption, or upon acceleration and to reimburse the Bond Insurer for amounts due under the Reimbursement Agreement in respect of principal of the Series 2004 Bonds; and, if funds are available for such purpose and at the written direction of the Authority, to effect the redemption of the Series 2004 Bonds prior to their maturity in accordance with the redemption provisions thereof or, with Bond Insurer consent, the purchase of Series 2004 Bonds prior to their maturity in the open market at a price not in excess of the principal amount thereof, premium, if any, plus accrued interest.

Whenever and to the extent that money on deposit in the Interest Account or the Principal Account is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds, the Trustee will transfer money from the Surplus Fund, the Replacement Fund, and the Debt Service Reserve Fund, in that order and will give immediate notice to the Bond Insurer.

Project Fund. The Project Fund will be maintained by the Trustee in trust and be used to receive the immediate transfer from the balance of the proceeds of the Series 2004 Bonds as provided in the Indenture. Moneys in the Project Fund will be applied to the payment of the Costs of the Facilities pursuant to the procedure established in the Indenture and, pending such application, will be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as provided in the Indenture.

Debt Service Reserve Fund. Moneys on deposit in the Debt Service Reserve Fund will be maintained in an amount equal to the Debt Service Reserve Fund Requirement. Moneys in the Debt Service Reserve Fund will be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund and the Replacement Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in

satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds. Whenever the amount in the Debt Service Reserve Fund, together with the amount in the Debt Service Fund, is sufficient to pay in full all outstanding Series 2004 Bonds in accordance with their terms, the funds on deposit in the Debt Service Reserve Fund will be transferred to the Debt Service Fund and shall be available to pay all outstanding Series 2004 Bonds in accordance with their terms. **Notwithstanding the foregoing, amounts in the Debt Service Reserve Fund will not be available to pay the principal of, or the interest on, the Series 2004C Bonds.**

Replacement Fund. The Replacement Fund will be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable, or undesirable property, furniture, fixtures, or equipment of Lessee placed upon or used in connection with the Facilities. Moneys in the Replacement Fund will also be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the extent that money on deposit in such Accounts, together with money available therefor in the Surplus Fund, is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Rebate Fund. Moneys deposited and held in the Rebate Fund will be used to make all rebate payments owed to the United States under the Code, and will not be subject to the pledge of the Indenture. The Corporation will be required to make the calculation(s) required by the Code and the Tax Regulatory Agreement and to direct the Trustee to make deposits to and make disbursements from the Rebate Fund that the Corporation determines are in accordance therewith. The Tax Regulatory Agreement and any provisions of this Indenture governing deposits to the Rebate Fund may be superseded or amended by the Corporation (except the requirement of annual calculations and deposits to the Rebate Fund, if required) if accompanied by an opinion of Bond Counsel addressed to the Corporation and the Trustee to the effect that the use of the new Tax Regulatory Agreement will not cause the interest on the Series 2004A Bonds or the Series 2004B Bonds to become includable in gross income of the recipient thereof for federal tax purposes.

Receipts Fund. There will be deposited into the Receipts Fund all funds received by or on behalf of the Board under the Facilities Lease, including: (i) daily, all rents, charges and other amounts, held in the deposit account maintained by the Management Company pursuant to the Management Agreement; and (ii) all Lawfully Available Funds from the Board used to make Base Rental Payments pursuant to the Facilities Lease. Moneys on deposit in the Receipts Fund will be applied by the Trustee on the dates indicated below in the following priority:

(a) At such time as may be required by the Tax Regulatory Agreement, to the Rebate Fund the amount required to be deposited thereunder;

(b) On the twenty-fifth (25th) day of each month, commencing on August 25, 2004, into the Operating Fund an amount necessary to make the amount in the Operating Fund equal to the Operating Expenses for the next month as shown on the Operating Budget for such month, as certified by the Management Company;

(c) With respect to the Series 2004A Bonds, the Series 2004B Bonds that bear interest at the Fixed Rate, and the Series 2004C Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2004, into the Interest Account of the Debt Service Fund an amount equal to one-sixth (1/6th) of the interest due and payable on the such Series 2004 Bonds on the next February 1 or August 1 or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Series 2004 Bonds on such Interest Payment Date;

(d) With respect to the Auction Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing August 18, 2004, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Auction Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Auction Rate Bonds on such Interest Payment Date;

(e) With respect to the Variable Rate Bonds, two (2) Business Days prior to each Interest Payment Date, commencing on the Interest Payment Date immediately succeeding the applicable Variable Rate Conversion Date, into the Interest Account of the Debt Service Fund an amount equal to the interest due and payable on the Variable

Rate Bonds on such Interest Payment Date or such lesser amount that, together with amounts already on deposit in the Interest Account of the Debt Service Fund will be sufficient to pay interest on such Variable Rate Bonds on such Interest Payment Date;

(f) With respect to the Series 2004 Bonds, on the twenty-fifth (25th) day of each month, commencing August 25, 2005, into the Principal Account of the Debt Service Fund an amount equal to one-twelfth (1/12th) of the principal payable on the Series 2004 Bonds on the next Principal Payment Date;

(g) On the twenty-fifth (25th) day of the month, any amounts due to the Bond Insurer under the Reimbursement Agreement;

(h) On the twenty-fifth (25th) day of each month following any drawing on the Debt Service Reserve Fund to pay debt service on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds, an amount equal to the lesser of (i) one twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement within twelve (12) months or (ii) the excess of the Debt Service Reserve Fund Requirement over the amount on deposit in the Debt Service Reserve Fund;

(i) Annually, commencing on August 1, 2007, an amount equal to One Hundred Thousand Dollars (\$100,000) into the Replacement Fund, with such amount increased each year, commencing on August 1, 2008, at a rate of three percent (3%) annually or such lesser amount as shall be permitted by the Louisiana State Board of Regents and approved by the Bond Insurer and, in the event that any funds shall have been withdrawn from the Replacement Fund to pay debt service on the Series 2004A Bonds, the Series 2004B Bonds, or any Additional Bonds that are Tax-Exempt Bonds, an amount equal to one twelfth (1/12th) of the amount so withdrawn;

(j) On the twenty-fifth (25th) day of each month, beginning August 25, 2004, an amount equal to the monthly Management Fee for the current Fiscal Year plus any Management Fee for any prior month that remains unpaid; and

(k) Annually on August 1, commencing on August 1, 2005, any amounts remaining in the Receipts Fund shall be transferred to the Surplus Fund.

If the interest rate on Auction Bonds or Variable Rate Bonds is subject to adjustment pursuant to the Indenture after the date of such required payment deposit and prior to such Interest Payment Date, interest accruing on such Bonds from such adjustment date will be assumed to accrue at the rate in effect on such Bonds as of the date of such required deposit plus 100 basis points or at such other rate as the Bond Insurer may from time to time direct in writing to the Trustee, the Corporation, and the Issuer

Capitalized Interest Fund. The Capitalized Interest Fund will be maintained with the Trustee. The Capitalized Interest Fund will be funded on the date of delivery of the Series 2004 Bonds from the proceeds thereof in the amount of capitalized interest required by the Indenture. On each date on which the Trustee is required to transfer moneys in the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in subsections (c), (d), or (e) of "Receipts Fund" above, prior to making any such transfer the Trustee will transfer amounts on deposit in the Capitalized Interest Fund to the Interest Account of the Debt Service Fund in the amounts required by such subsections or such lesser amount as shall then remain in the Capitalized Interest Fund. The Trustee will reduce the amount required to be transferred from the Receipts Fund to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in such subsections (c), (d), or (e) by any amounts transferred to the Interest Account of the Debt Service Fund pursuant to the provisions of the Indenture described in this paragraph. Earnings on amounts in the Capitalized Interest Fund will be retained therein.

Surplus Fund. The Surplus Fund will be maintained with the Trustee. Upon satisfaction of certain performance covenants contained in the Indenture, funds on deposit in the Surplus Fund at the end of any Fiscal Year will be transferred to the University. Until such transfer, moneys in the Surplus Fund will be available to be transferred to the Interest Account and/or the Principal Account of the Debt Service Fund whenever and to the

extent that money on deposit in such Accounts is insufficient to pay interest on and principal of (whether at maturity, by acceleration or in satisfaction of the mandatory sinking fund redemption requirements therefor) the Series 2004 Bonds.

Refunding Fund. The Refunding Fund will be maintained with the Trustee and used to receive a portion of the proceeds of the Series 2004 Bonds. It is expected that the Trustee will disburse substantially all of the moneys therein such to pay all of the outstanding principal and accrued interest on the Prior Debt within sixty (60) days of the date of issuance and delivery of the Series 2004 Bonds. Any balance of moneys deposited to the Refunding Fund after payment of the Prior Debt will be transferred to the Project Fund.

BONDHOLDERS' RISKS

Introduction

AN INVESTMENT IN THE SERIES 2004 BONDS INVOLVES A DEGREE OF RISK BECAUSE OF THE VARIOUS RISKS DESCRIBED IN THIS OFFICIAL STATEMENT. No person should purchase any of the Series 2004 Bonds without carefully reviewing the following information, which summarizes some, but not all, of the factors that should be carefully considered prior to such a purchase. Furthermore, the tax-exempt feature of the Series 2004 Bonds is relatively more valuable to high tax bracket investors than to investors who are in the lower tax brackets, and so the value of the interest compensation to any particular investor will vary with his or her marginal tax rate. Each prospective investor should, therefore, determine his or her present and anticipated marginal tax rate before investing in the Series 2004 Bonds. Each prospective investor should also carefully examine this Official Statement and his or her own financial condition (including the diversification of his or her investment portfolio) in order to make a judgment as to whether the Series 2004 Bonds are an appropriate investment.

Identified and summarized below are a number of "Bondholders' Risks" that could adversely affect the operation of the Facilities and/or the Series 2004 Bonds and that should be considered by prospective investors. The following discussion is not intended to be exhaustive, but includes certain major factors that should be considered along with other factors set forth elsewhere in this Official Statement, including the Appendices hereto.

Revenues from Operation of the Facilities

If the Board is unable to generate sufficient revenues from the operation of the Facilities to make Rental Payments under the Facilities Lease, an Event of Default may occur under the Indenture. Upon an Event of Default, the Series 2004 Bonds may not be paid or may be paid before maturity or applicable redemption dates and a forfeiture of redemption premiums may result. The Board's ability to generate revenues and its overall financial condition may be adversely affected by a wide variety of future events and conditions including (i) a decline in the enrollment of the University, (ii) increased competition from other schools, (iii) loss of accreditation, (iv) failure to meet applicable federal guidelines or some other event that results in students being ineligible for federal financial aid, and (v) cost overruns in connection with the Facilities or other capital improvements.

Non-Appropriation of Rental by the University

The Facilities are being leased by the Corporation to the Board on behalf of the University pursuant to the Facilities Lease. The obligation of the Board on behalf of the University to pay rental to the Corporation under the Facilities Lease is subject to, and dependent upon, appropriation of funds necessary to make payments of rental required under the Facilities Lease. Although each of the Board and University acknowledges its obligation to budget annually an amount sufficient to make payments of rental under the Facilities Lease, notwithstanding this obligation such amounts may or may not ultimately be appropriated for such purpose. Further, both the Corporation and the Board acknowledge the Board's obligation on behalf of the University to pay rental shall not be construed as a debt of the Board, nor a pledge, lien, or encumbrance upon any specific tax or other revenues of the Board.

Ability to Assess or Impose Fees

The Board is obligated to make payments of Base Rental under the Facilities Lease solely from Lawfully Available Funds which include Rents received from the operation of the Facilities and other auxiliary revenues of the University. The ability of the Board to increase Rents and such other auxiliary fees or assess new fees may require approval by the Louisiana Legislature. The failure of the Board or the University to generate sufficient auxiliary revenues could affect the Board's ability to make payments of Base Rental and result in a default under the terms of the Facilities Lease. See "FACILITIES LEASE - **Litigation Concerning Student Fees**" herein.

Limited Obligations of the Authority

The Series 2004 Bonds constitute limited obligations of the Authority and have three potential sources of payment. The sources of payment are as follows:

- (1) Loan Payments received by the Trustee from the Corporation pursuant to the terms of the Indenture and the Loan Agreement.

The Authority has no obligation to pay the Series 2004 Bonds except from the related Trust Estate, including the loan payments derived from the Loan Agreement. See APPENDIX "A" for the definition of "Trust Estate." The Series 2004 Bonds, together with interest and premium, if any, thereon, will not be or constitute general obligations or indebtedness of the State, the University, the Board, or any other political subdivision of the State, but will be limited obligations of the Authority. Neither the faith and credit nor the taxing power of the State or any other agency or political subdivision thereof is pledged to the payment of the debt service payments on the Series 2004 Bonds, and the owners of the Series 2004 Bonds, will not have the right to compel any exercise of the taxing power of the State or any other political subdivision of the State to pay the Series 2004 Bonds, any premium thereon, or the interest thereon. The Authority has no taxing power. The Corporation will be required to make loan payments (the interest in which the Trustee has received by assignment from the Authority) to the Trustee in amounts sufficient to enable the Trustee to pay the debt service payments on the Series 2004 Bonds. See "SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS - THE INDENTURE – Debt Service Fund" in APPENDIX "B" hereto. The Loan Payments will be derived solely from operation of the Facilities and from Lawfully Available Funds of the University received under the Facilities Lease. Furthermore, the Corporation's ability to meet its obligations under the Loan Agreement will depend upon achieving and maintaining certain occupancy levels at the Facilities throughout the term of the Series 2004 Bonds. However, no assurance can be made that the Corporation will generate sufficient revenues from the Facilities or from Lawfully Available Funds to pay debt service payments on the Series 2004 Bonds after payment of operating expenses of the Facilities.

- (2) Revenues received from operation of the Facilities by a receiver upon a default under the Indenture.

It has been the experience of lenders in recent years that attempts to have a receiver appointed to take charge of properties with respect to which loans have been made are frequently met with defensive measures such as the initiation of protracted litigation and the initiation of bankruptcy proceedings. Such defensive measures can prevent the appointment of a receiver or greatly increase the expense and time involved in having a receiver appointed. See "BONDHOLDERS' RISKS - Enforceability of Remedies" herein. Accordingly, prospects for uninterrupted payment of principal and interest on the Series 2004 Bonds in accordance with their terms are largely dependent upon Loan Payments from the Corporation described in the preceding paragraph, which are wholly dependent upon the success of the Corporation in the operation of the Facilities.

- (3) Proceeds realized from the sale or lease of the Corporation's interest in the Facilities to a third party by the Trustee at or following foreclosure by the Trustee of the Mortgage and proceeds realized from the liquidation of other security for the Series 2004 Bonds.

Debtors frequently employ defensive measures, such as protracted litigation and bankruptcy proceedings, in response to lenders' efforts to foreclose on real property or otherwise to realize upon collateral to satisfy indebtedness that is in default. Such defensive measures can prevent, or greatly increase the expense and time involved in achieving, such foreclosure or other realization. In addition, the Trustee could experience difficulty in selling or leasing the real

and personal property portion of the Facilities upon foreclosure due to the special purpose nature of a student housing facility, and the proceeds of such sale may not be sufficient to pay fully the owners of the Series 2004 Bonds. See “**BONDHOLDERS’ RISKS - Enforceability of Remedies**” herein. Accordingly, prospects for uninterrupted payment of principal and interest on the Series 2004 Bonds in accordance with their terms are largely dependent upon the Loan Payments described in paragraph (1) above, which are wholly dependent upon the success of the Facilities. Even if the Facilities is operating in an efficient manner, other factors could affect the ability of the Corporation to make Loan Payments under the Loan Agreement. The Corporation also may become engaged in other ventures in the future.

Required Occupancy Levels and Rents

In order for the Corporation to generate sufficient revenues to enable it to make the payments at the times required under the Loan Agreement, the Facilities must meet certain occupancy levels and achieve certain rents. There can be no assurance, however, that the Facilities will be able to meet and maintain such required occupancy and rent levels.

Special Use Nature of the Facilities

The Facilities will be renovated and/or constructed to serve as student housing facilities and are located on the campus of the University. If it were necessary to sell the Corporation's interest in the Ground Lease pursuant to the Mortgage upon an Event of Default, the special use nature of the Facilities and the fact that the interest to be sold is in the nature of a leasehold interest and subject to the terms of the Ground Lease may curtail the purchase price that could be obtained, and the net proceeds received may be less than the principal amount of Series 2004 Bonds Outstanding. For all practical purposes, payment of the Series 2004 Bonds will be almost solely dependent upon the continued operation of the Facilities.

Risks of Construction

On the basis the Developer's representation, management of the Corporation believes that the proceeds of the Series 2004 Bonds will be sufficient to complete the Facilities; however, the Development Agreement does not contain either a fixed price or a guaranteed maximum price with respect to all portions of the Facilities and additionally, the cost of construction of the Facilities may be affected by factors beyond the control of the Corporation, including strikes, material shortages, adverse weather conditions, subcontractor defaults, delays, and unknown contingencies.

The General Construction Contract between the Developer and the General Contractor (hereinafter defined) will obligate the General Contractor to complete the Facilities within a specified time, but it too does not contain either a fixed price or a guaranteed maximum price with respect to all portions of the Facilities. The projected cost of the Facilities may be increased, however, if there are change orders. The General Construction Contract requires the General Contractor to furnish performance and payment bonds; however, there can be no assurance that the obligations of the surety under such bonds can be enforced without costly and time-consuming litigation.

If cost overruns resulting from inaccurate estimates, delays, change orders, or other causes are experienced, neither the Developer nor the General Contractor will have any obligation to provide for the completion of the Facilities. In the event the Facilities are not completed, the only meaningful security for the owners of the Series 2004 Bonds would be the right to foreclose under the Mortgage on the Corporation's leasehold interest in the uncompleted Facilities. While the Indenture permits the Authority to issue Additional Bonds to complete the Facilities, the Authority is not obligated to issue such Additional Bonds and there can be no assurance that a purchaser for such Additional Bonds could be obtained.

Clean-up Costs and Liens under Environmental Statutes

In anticipation of the execution and delivery of the Ground Lease, the Developer retained Professional Service Industries, Inc., New Orleans, Louisiana (the “*Environmental Engineer*”), to conduct an environmental site assessment (the “*Site Assessment*”) of the Land. The Environmental Engineer identified no concerns. Prospective purchasers of the Series 2004 Bonds may obtain a copy of the Site Assessment from the Underwriter; however, prospective pur-

chasers of the Series 2004 Bonds may not rely upon the findings contained in the Site Assessment or upon any action or undertaking of the Developer in connection therewith.

The Corporation is not aware of any enforcement actions currently in process with respect to any releases of pollutants or contaminants at the Land. However, there can be no assurance that an enforcement action or actions will not be instituted under such statutes at a future date. In the event such enforcement actions were initiated, the Corporation could be liable for the costs of removing or otherwise treating pollutants or contaminants located at the Land. In addition, under applicable environmental statutes, in the event an enforcement action were initiated, a lien superior to the Trustee's lien on behalf of the Bondholders could attach to the Facilities, which would adversely affect the Trustee's ability to realize value from the disposition of the Corporation's interest in the Facilities upon foreclosure of the Mortgage. Furthermore, in determining whether to exercise any foreclosure rights with respect to the Facilities under the Indenture, the Trustee and the Bondholders would need to take into account the potential liability of any tenant of the Facilities, including a tenant by foreclosure, for clean-up costs with respect to such pollutants and contaminants.

Pledge and Assignment of, and Grant of Security Interest in, Future Revenues

Under the Mortgage, the Corporation will grant to the Trustee a first priority security interest in the leases and subleases affecting the Property and/or the Facilities, including, without limitation, the Facilities Lease (collectively, the "*Leases*") and all revenues, rentals, and other sums due or becoming due under the Leases. Nevertheless, certain interests and claims of others may be on a parity with or prior to the grant of security interest made in the Mortgage and in the Indenture and certain statutes and other provisions may limit the Corporation's and the Authority's rights to make such pledges, assignments, and/or grants of security interests. Examples of such claims, interests, and provisions are:

- (1) statutory liens,
- (2) the Louisiana Uniform Commercial Code may not recognize a security interest in future revenues derived from the Facilities,
- (3) constructive trusts, equitable liens, or other rights impressed or conferred by any state or federal court in the exercise of its equitable jurisdiction,
- (4) federal bankruptcy laws as they affect amounts earned with respect to the Facilities after any effectual institution of bankruptcy proceedings by or against the Corporation or the Authority,
- (5) as to those items in which a security interest can be perfected only by possession, including items converted to cash, the rights of third parties in such items not in the possession of the Trustee,
- (6) items not in possession of the Trustee, the records to which are located or moved outside the State of Louisiana, which are thereby not subject to or are removed from the operation of Louisiana law, and
- (7) the requirement that appropriate continuation statements be filed in accordance with the Louisiana Uniform Commercial Code as from time to time in effect.

Enforceability of Remedies

The Series 2004 Bonds are payable from the Trust Estate and from the property pledged under the Mortgage, including payments to be made under the Loan Agreement and the Indenture. The payments to be made by the Corporation under the Loan Agreement are secured by (i) a first mortgage lien on the Corporation's leasehold interest in the Facilities and the Land and in the furnishings, equipment, and other personal property included in the Facilities and by first priority security interest in the Leases and all revenues, rentals, and other sums due or becoming due thereunder. Pursuant to the Indenture, the Series 2004 Bonds are secured by the Trust Estate, including the pledge to the Trustee of the Authority's interest in the Loan Agreement. The practical realization of value upon any default will depend upon the exercise of various remedies specified by the Indenture and the Mortgage. These and other remedies may, in many respects, require judicial actions, which are often subject to discretion and delay. Under existing law

(including, particularly, federal bankruptcy law), the remedies specified by the Indenture and the Mortgage may not be readily available or may be limited. A court may decide not to order the specific performance of the covenants contained in the Indenture and the Mortgage. The various legal opinions to be delivered concurrently with the delivery of the Series 2004 Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by state and federal laws, rulings, and decisions affecting remedies, including judicial discretion in the application of the principles of equity, and by bankruptcy, reorganization, or other laws affecting the enforcement of creditors' rights generally.

Effect of Determination of Taxability

The Corporation will covenant not to take any action that would cause the Series 2004A Bonds or the Series 2004B Bonds to be arbitrage bonds or that would otherwise adversely affect the federal income tax status of interest in the Series 2004A Bonds or the Series 2004B Bonds. The Corporation will also make representations with respect to certain matters within their knowledge that have been relied on by Bond Counsel and that Bond Counsel has not independently verified. Failure to comply with such covenants could cause interest on the Series 2004A Bonds or the Series 2004B Bonds to become subject to federal income taxation retroactively from their date of issuance.

It is possible that a period of time may elapse between the occurrence of the event that causes interest to become taxable and the determination that such an event has occurred. In such a case, interest previously paid on the Series 2004A Bonds or the Series 2004B Bonds could become retroactively taxable from the date of their issuance. Additionally, certain owners of Series 2004A Bonds or the Series 2004B Bonds are subject to possible adverse tax consequences. See "TAX EXEMPTION" herein.

Market for the Series 2004 Bonds

There can be no assurance that a secondary market exists, or that the Series 2004 Bonds can be sold for any particular price. Accordingly, a purchaser of the Series 2004 Bonds should recognize that an investment in the Series 2004 Bonds will in all likelihood be illiquid and be prepared to have his or her funds committed until the Series 2004 Bonds mature or are redeemed.

Additional Bonds

The Authority has the right to issue Additional Bonds under the Indenture that will be equally and ratably secured on a parity basis with the Series 2004 Bonds. See "SOURCES OF PAYMENT FOR THE SERIES 2004 BONDS - ADDITIONAL BONDS" herein and "SUMMARIES OF PRINCIPAL FINANCING DOCUMENTS - THE INDENTURE -- Additional Bonds" in APPENDIX "B" hereto. **SUCH ADDITIONAL BONDS COULD DILUTE THE SECURITY FOR THE SERIES 2004 BONDS.**

Consequences of Changes in the Corporation's or the University's Tax Status

The Corporation has obtained a determination letter from the Internal Revenue Service stating that it will be treated as an exempt organization as described in §501(c)(3) of the Code and can reasonably be expected to not be classified as a "private foundation." In order to maintain its exempt status and to not be considered a private foundation, the Corporation will be subject to a number of requirements affecting its operation. The possible modification or repeal of certain existing federal income tax laws, the change of Internal Revenue Service policies or positions, the change of the Corporation's method of operations, purposes or character or other factors could result in loss by the foundation of its tax-exempt status.

The Corporation will covenant to cause to remain eligible for such tax-exempt status and to avoid operating the Facilities as an unrelated trade or business (as determined by applying §512(a) of the Code). Failure of the Facilities to remain so qualified or of the Corporation so to operate the Facilities could affect the funds available to the Corporation for payments under the Loan Agreement by subjecting the Corporation to federal income taxation and could result in the loss of the excludability of interest on the Series 2004A Bonds and the Series 2004B Bonds from gross income for purposes of federal income taxation. Potential investors should note that in such event, the provisions of the Indenture relating to a Determination of Taxability may be applicable. Continuation of the tax-exempt status of

the Series 2004A Bonds and the Series 2004B Bonds may also be dependent upon the continuing tax-exempt status of the University. See “**BONDHOLDERS’ RISKS - Effect of Determination of Taxability**” above.

Taxation of Series 2004A Bonds and the Series 2004B Bonds

An opinion of Bond Counsel will be obtained as described under “**TAX EXEMPTION**” herein. Such an opinion is not binding on the Internal Revenue Service. Application for a ruling from the Internal Revenue Service regarding the status of the interest on the Series 2004A Bonds and the Series 2004B Bonds has not been made. The opinion of Bond Counsel contains certain exceptions and is based on certain assumptions described herein under the heading “**TAX EXEMPTION.**” Failure by the Authority or the Corporation to comply with certain provisions of the Code and covenants contained in the Indenture, the Loan Agreement, and the Tax agreement could result in interest on the Series 2004A Bonds and the Series 2004B Bonds becoming includable in gross income for federal tax purposes.

An opinion of Bond Counsel will be obtained regarding the exemption of interest on the Series 2004 Bonds from certain taxation by the State of Louisiana, as described under “**TAX EXEMPTION**” herein. Bond Counsel has not opined as to whether interest on the Series 2004 Bonds is subject to state or local income taxation in jurisdictions other than Louisiana. Interest on the Series 2004 Bonds may or may not be subject to state or local income taxation in jurisdictions other than Louisiana under applicable state or local laws. Each purchaser of the Series 2004 Bonds should consult his or her own tax advisor regarding the taxable status of the Series 2004 Bonds in a particular state or local jurisdiction.

Municipal Bond Insurance

If the Authority should fail to make payment of the principal of or interest on the Series 2004 Bonds when the same shall become due, any owner of Series 2004 Bonds will have recourse against the Bond Insurer for such payments; however, the Series 2004 Bond Insurance Policies do not insure the principal of or interest on the Series 2004 Bonds coming due by reason of acceleration or redemption (other than mandatory sinking fund redemption), nor do they insure the payment of any redemption premium payable upon the Series 2004 Bonds, and under no circumstances, including the situation in which the interest on the Series 2004 Bonds becomes subject to federal or Louisiana income taxation for any reason, may the maturities of the Series 2004 Bonds be accelerated without the consent of the Bond Insurer. Furthermore, so long as the Bond Insurer shall perform its obligations under the Bond Insurance Policies, the Bond Insurer may direct, and its consent must be obtained before the exercise of, any remedies to be undertaken by the Trustee under the Indenture. If the Bond Insurer should be unable to make payments of and interest on the Series 2004 Bonds, such Series 2004 Bonds will be payable solely from moneys received by the Trustee pursuant to the Indenture and the Loan Agreement. See the heading “**MUNICIPAL BOND INSURANCE**” herein and **APPENDIX “F”** attached hereto for more information about the Bond Insurer and the Series 2004 Bond Insurance Policies.

Insolvency of the Bond Insurer

The obligations of the Bond Insurer under the Series 2004 Bond Insurance Policies are general obligations of the Bond Insurer and rank equally in priority of payment and in all other respects with all other unsecured obligations of the Bond Insurer. In the event of insolvency of the Bond Insurer, the Owners of the Series 2004 Bonds would have to depend entirely on the ability of the Corporation to pay the principal of and interest on the Series 2004 Bonds.

MUNICIPAL BOND INSURANCE

The following information has been furnished by the Bond Insurer for use in this Official Statement. Reference is made to **APPENDIX “F”** for a specimen of the Bond Insurance Policies.

The Bond Insurance Policies

The Bond Insurance Policies unconditionally and irrevocably guarantee the full and complete payment required to be made by or on behalf of the Authority to the Trustee or its successor of an amount equal to (i) the principal of (either at the stated maturity or by an advancement of maturity pursuant to a mandatory sinking fund

payment) and interest on, the Series 2004 Bonds as such payments shall become due but shall not be so paid (except that in the event of any acceleration of the due date of such principal by reason of mandatory or optional redemption or acceleration resulting from default or otherwise, other than any advancement of maturity pursuant to a mandatory sinking fund payment, the payments guaranteed by the Bond Insurance Policies shall be made in such amounts and at such times as such payments of principal would have been due had there not been any such acceleration); and (ii) the reimbursement of any such payment which is subsequently recovered from any owner of the Series 2004 Bonds pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference to such owner within the meaning of any applicable bankruptcy law (a "**Preference**").

The Bond Insurance Policies do not insure against loss of any prepayment premium which may at any time be payable with respect to any Series 2004 Bonds. The Bond Insurance Policies do not, under any circumstance, insure against loss relating to: (i) optional or mandatory redemptions (other than mandatory sinking fund redemptions); (ii) any payments to be made on an accelerated basis; (iii) payments of the purchase price of Series 2004 Bonds upon tender by an owner thereof; or (iv) any Preference relating to (i) through (iii) above. The Bond Insurance Policies also do not insure against nonpayment of principal of or interest on the Series 2004 Bonds resulting from the insolvency, negligence, or any other act or omission of the Trustee or any other paying agent for the Series 2004 Bonds.

Upon receipt of telephonic or telegraphic notice, such notice subsequently confirmed in writing by registered or certified mail, or upon receipt of written notice by registered or certified mail, by the Bond Insurer from the Trustee or any owner of a Series 2004 Bond the payment of an insured amount for which is then due, that such required payment has not been made, the Bond Insurer on the due date of such payment or within one business day after receipt of notice of such nonpayment, whichever is later, will make a deposit of funds, in an account with U.S. Bank Trust National Association, in New York, New York, or its successor, sufficient for the payment of any such insured amounts which are then due. Upon presentment and surrender of such Series 2004 Bonds or presentment of such other proof of ownership of the Series 2004 Bonds, together with any appropriate instruments of assignment to evidence the assignment of the insured amounts due on the Series 2004 Bonds as are paid by the Bond Insurer, and appropriate instruments to effect the appointment of the Bond Insurer as agent for such owners of the Series 2004 Bonds in any legal proceeding related to payment of insured amounts on the Series 2004 Bonds, such instruments being in a form satisfactory to U.S. Bank Trust National Association, U.S. Bank Trust National Association shall disburse to such owners or the Trustee payment of the insured amounts due on such Series 2004 Bonds, less any amount held by the Trustee for the payment of such insured amounts and legally available therefor.]

THE DEVELOPER AND THE DEVELOPMENT AGREEMENT

General

The Developer is an Alabama subchapter S corporation formed in 1990 for the express purpose of developing student housing communities. As of the present date, the Developer has developed (or has been selected to develop) 36,334 student beds, on 63 separate collegiate campuses (including the Facilities). The Developer's corporate headquarters are located in Birmingham, Alabama. The Developer was selected to develop the Facilities as a result of a request for proposals made by the University. The original founding members of the Developer had completed six previous projects, beginning in 1985. These members were employed with an Alabama based development/construction company, and left that firm in 1989 to form the Developer. Since the formation of the Developer, staff has been added to specialize in marketing, design and engineering, finance, and construction management in order to assure that all necessary disciplines are captive to the Developer. The Developer has a staff of seventy-two (72) full-time employees, including a legal consultant, three architects, three CPA's, and an MAI. A summary of student apartment communities developed by the Developer is included below.

Key Personnel

A brief description of the education and professional background of the officers of the Developer having primary responsibility for the development of the Facilities follows:

Michael A. Mouron, President

Mr. Mouron participated in the formation of the Developer in 1990 and has been the President of the Developer since its inception. He was graduated from the University of Alabama in 1972, and is a Certified Public Accountant. He supervises the operations of the Developer's development and management companies, and works with lenders and owners on all financial aspects of each of the Developer's projects.

L. Jeff Jones, Executive Vice President

Mr. Jones joined the Developer in January of 1991. Mr. Jones is a graduate of the University of Alabama and its School of Law (1982). He is or has been involved in all aspects of the Developer's off-campus development program, including investigation and selection of markets and sites, securing debt and equity capital, structuring partnerships, and regulatory, zoning, legal, and financing work related to the Developer's projects.

James M. Goodson, III, Executive Vice President - On-Campus Development

Mr. Goodson is one of the four officers who formed the Developer in 1990. He was graduated from Auburn University in Architecture in 1979 and is a registered architect. He returned to graduate school at State University of New York - Buffalo and received his Master of Architecture in Real Estate in 1989. Mr. Goodson coordinates the development of on-campus housing, working directly with the educational institutions and the Developer's consultants to insure that the Developer's housing solutions are appropriate, interface well with existing infrastructure, and are within projected development budgets.

William E. Davenport, II, Senior Vice President

Mr. Davenport joined the Developer in January of 1997. He was graduated from Birmingham Southern College in 1989 with degrees in accounting and finance and received a Master's in Business Administration from the University of Alabama at Birmingham in 1995. He manages the Developer's on-campus finance department as well as oversees finance for new development opportunities. His background of seven years in middle-market and capital market finance with banking institutions complements the Developer through maximizing the options and structure of financing proposals.

Joe Harrison, Executive Vice President - Construction

Mr. Harrison joined the Developer in September of 1998 with over twenty years of experience in development and general contracting. Mr. Harrison is a graduate of Virginia Polytechnic Institute and State University (Virginia Tech) with a degree in Building Construction and a Master's in Business Administration. He manages the construction management functions of the Developer's college housing developments to include budgeting, contract administration, scheduling, and quality control. He works closely with the Developer's construction managers and development team.

THE UNIVERSITY

The University is located in Hammond, Louisiana, the heart of Louisiana's "Florida Parishes." Hammond is located at the intersection of Interstate Highways 55 and 12, approximately 60 miles north of New Orleans, Louisiana's largest city, and 40 miles east of Baton Rouge, the state's capital. The University has a current enrollment of approximately 15,000 students with a faculty and staff population of 1,700.

The University is the outgrowth of Hammond Junior College, which was established in 1925. By Act No. 136 of 1928 of the Louisiana Legislature, the institution was made part of the state educational system under control of the State Board of Education. The same act of the legislature granted the college the right to establish four-year curricula and to grant the baccalaureate degrees when the facilities of the college permitted and the State Board approved.

In 1937, the State Board of Education authorized the President to submit curricula extending through four years and leading to the baccalaureate degrees. Four-year curricula in the liberal arts, teacher education, business administration, music, the social sciences, and health and physical education were submitted to the State Board and were formally approved. The first degrees were conferred in May 1939.

On July 15, 1970, the Hon. John J. McKeithen, Governor of the State of Louisiana, signed the legislative act changing the name of the institution to Southeastern Louisiana University.

The 1974 Constitution of the State of Louisiana created the Louisiana State Board of Regents with certain powers, duties, and responsibilities relative to all public institution of higher education in the State of Louisiana. The 1974 Constitution also established three higher education management boards, placing the University under the Board of Trustees for State Colleges and Universities (Now known as the University of Louisiana System).

PLAN OF REFUNDING

The Corporation intends to use a portion of the proceeds of the Series 2004 Bonds to refund the Prior Debt, which was incurred to finance the construction of two student housing facilities included in the Facilities known as Southeastern Oaks and The Village and containing an aggregate of 582 beds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein. The real property comprising Southeastern Oaks and The Village and the revenues derived therefrom are pledged to secure the payment of the Prior Debt and unless and until the Prior Debt is paid, neither the Ground Lease, the Facilities Lease, nor the Mortgage will be effective with respect to such Facilities and revenues. The Corporation expects that the Prior Debt will be paid in full, and the liens securing the same will be satisfied, on or before October 15, 2004, at which time the Ground Lease, the Facilities Lease, and the Mortgage will be effective with respect to these two Facilities.

THE GROUND LEASE

General

The Ground Lease will be entered into between the Board, on behalf of the University, as Lessor, and the Corporation, as Lessee, for lease of the Renovated Facility and four tracts of approximately 34 total acres of land owned by the Board and located on the campus of the University on which the Renovated Facility is located and the New Facilities are to be constructed. As a consideration for the Ground Lease, the Corporation will agree to perform its obligations under the Facilities Lease and all other documents contemplated by and ancillary to the Ground Lease and the Facilities Lease.

The Corporation's obligations under the Ground Lease may be suspended if by reason of *force majeure*, as described in the Ground Lease, the Corporation is unable to carry out such obligations.

Default and Remedies

Each of the following is an Event of Default under the Ground Lease:

(a) failure by the Corporation to make timely payment of any sum required to be paid under the Ground Lease that remains uncured after thirty (30) days following receipt of written notice of such failure;

(b) the taking by execution of the Corporation's leasehold estate (other than a foreclosure of the Mortgage) for the benefit of any Person;

(c) failure by the Corporation to perform any other covenant, condition or agreement on its part under the Ground Lease and such failure remaining uncured for more than ninety (90) days following receipt of written notice of such failure; provided that if during such ninety (90) day period, the Corporation shall take action to cure such failure but shall be unable, by reason of the nature of the work involved, to cure such failure within such period and shall continue such work thereafter diligently and without unnecessary delays, such failure will not constitute an Event of Default hereunder until the expiration of a period of time after such ninety (90) day period as may be reasonably necessary to cure such failure;

(d) certain events of dissolution, liquidation, insolvency, or bankruptcy of the Corporation; and

(e) the Corporation, after commencement of construction but prior to substantially completing construction of the Facilities, abandons (with no intent to continue) demolition, renovation, or construction for a period of forty-five (45) consecutive days.

Whenever an Event of Default shall have occurred and be continuing, the Lessor will be permitted to seek any and all damages or other remedies available at law or in equity, including specific performance. The Lessor will not have the right to terminate the Ground Lease prior to its Expiration Date, but upon ninety (90) days' written notice and opportunity to cure provided to the Bond Insurer and the Trustee, will be permitted to terminate the Corporation's right to occupancy of the Land and to take possession of the Land and the Facilities and to re-let the

same or take possession in its own right for the remainder of the Term. Upon such re-letting, the Corporation will agree to release its leasehold interest and all of its rights under the Ground Lease and the Facilities Lease to the new lessee of the Land (or to the Board, if the Board wishes to remain in possession on its own behalf) in consideration for the new lessee (or the Board, if applicable) agreeing to assume all of the Corporation's obligations under the Ground Lease, the Facilities Lease, and under any debt incurred by or for the Corporation in connection with the Facilities.

The Bond Insurer will be required to be notified by the University in the Event of Default and will have an opportunity to cure said default.

THE FACILITIES LEASE

General

Under the Facilities Lease, the Corporation will lease the Facilities to the Board. The Corporation, as approved by the Board, will contract with the Management Company to operate and maintain the Facilities for housing of University students, faculty, staff, and other persons who are participants in any other activities related to the mission of the University.

Rate Covenant

The Board will covenant that, as long as any bonds, notes, or lease obligations remain outstanding that are payable from Lawfully Available Funds, if the Debt Service Coverage Ratio for the Facilities shall fall below 1.10:1.00 or if the Debt Service Coverage Ratio for the University shall fall below 1.25:1.0, the Board will use its best efforts to raise its fees, rentals, rates, and charges relating to the Facilities so that within two (2) full semesters after either of the Debt Service Coverage Ratios shall become deficient, the Debt Service Coverage Ratio for the Facilities equals 1.10:1.00 and the Debt Service Coverage Ratio for the University equals 1.25:1.0. At the end of two (2) full semesters, if the Debt Service Coverage Ratio for the Facilities shall remain below 1.10:1.00 or the Debt Service Coverage Ratio for the University shall remain below 1.25:1.0, the Board will be required to hire an outside consultant, approved by the Bond Insurer, and the Board will be required to follow any reasonably feasible recommendations of such consultant regarding the operation and management of the Facilities, including raising fees and rents, reducing expenses, if necessary, increasing the average occupancy rate through strict enforcement of parietal rules requiring students to reside on campus, and, to the extent legally possible, revising parietal rules to increase the number of students required to reside on campus. So long as the Board shall be working in good faith with such consultant to increase any deficient Debt Service Coverage Ratio, there will not be an Event of Default under the Facilities Lease unless (i) the Debt Service Coverage Ratio for the Facilities shall be less than 1.00:1.00 at the end of any Fiscal Year or (ii) the Debt Service Coverage Ratio for the Facilities shall be less than 1.10 to 1.00 for two (2) full consecutive semesters after retention of an outside consultant by the Board. For purposes of the foregoing, when establishing such fees, rentals, rates, and charges and calculating each Debt Service Coverage Ratio, the Board will be required to take into account payments required to be made into the Debt Service Reserve Fund pursuant to the provisions of the Indenture described in subsection (h) under the subheading "**SERIES 2004 BONDS - Funds and Accounts -- Receipts Fund**" above. The Board will further covenant that it will seek any required approval necessary in order to comply with the covenant described under this subheading.

Additional Facilities

Without the prior written consent of the Bond Insurer, the University will agree not to build, acquire, or renovate any similar student housing facilities, whether such facilities are owned by the University or a private entity, unless (i) the Debt Service Coverage Ratio for the Facilities shall have been met for the prior Fiscal Year, (ii) it is projected that the Debt Service Coverage Ratio for the Facilities will be met for the two Fiscal Years following the projected completion of the proposed facility, and (iii) based on a market analysis prepared by a market research company with experience in student or multi-family housing that is independent from the University, the University's proposed project shall not be expected to have a material adverse affect on the Facilities. Notwithstanding the foregoing, it is understood that with respect to Phase Three of the Facilities, the foregoing tests do not have to be met, provided that the availability of Phase Three of the Facilities is accompanied by a removal

from service of at least the same number of beds included in Phase Three. Such additional student housing facilities owned or leased by the Board or the Corporation will be required to be incorporated with the Facilities into a single housing system so that such additional student housing facilities and all revenues derived therefrom will secure the Bonds, and the Facilities and the revenues derived therefrom, including all revenues derived from the Facilities Lease, will secure any debt incurred to finance such additional student housing facilities.

Rental

The Board will agree to pay Base Rental and Additional Rental as set forth in the Facilities Lease. The Base Rental amount will be an amount equal to the principal of, premium, if any, and interest due on the Series 2004 Bonds and any Additional Bonds, payable prior to the dates that such debt shall become due and payable. The Base Rental will also include any amounts required to be paid into any funds established in the Indenture, including the Debt Service Reserve Fund or to make up any deficiency or to restore any loss resulting from investment and any other payment required to be made to such fund by the Indenture.

In addition, the Board will agree in the Facilities Lease, to pay as Additional Rental any and all expenses incurred by or on behalf of the Corporation on behalf of the Board and/or by the Board in the management, operation, ownership, and/or maintenance of the Facilities, owed to the Authority or the Trustee.

Insurance

(a) The University, at the direction of the Board, will be required to secure and maintain or cause to be secured and maintained at the University's cost and expense:

(i) A policy or policies covering the Facilities against loss or damage by fire, lightning, earthquake, collapse, vandalism and malicious mischief, flood and storm surge, and against such other perils as are included in so-called "extended coverage" and against such other insurable perils as, under good insurance practice, from time to time are insured for properties of similar character and location, which insurance will be required to be not less than the full replacement cost of the Facilities, without deduction for depreciation. In the event that the Facilities shall not be repaired or replaced, insurance proceeds will be no greater than the actual cash value (replacement cost less depreciation) of the Facilities at the time of the loss. The policy will be required to be adjusted to comply with any applicable co-insurance provisions of such insurance policy. Full payment of insurance proceeds shall not be contingent on the degree of damage sustained at other Lessee facilities. The policy or policies covering such loss must explicitly waive any co-insurance penalty.

(ii) A policy of comprehensive public liability insurance with respect to the Facilities and the operations related thereto, whether conducted on or off the Facilities, against liability for personal injury (including bodily injury and death) and property damage, of not less than \$2,000,000 in combined single limit liability coverage. Such comprehensive public liability insurance shall specifically include, but shall not be limited to, sprinkler leakage legal liability, water damage legal liability, motor vehicle liability for all owned and non-owned vehicles, including rented or leased vehicles.

(iii) Boiler and machinery insurance coverage against loss or damage by explosion of steam boilers, pressure vessels and similar apparatus, but only if steam boilers, pressure vessels or similar apparatus are installed on the Facilities, in an amount not less than \$5,000,000 with deductible provisions not exceeding \$100,000 per accident.

(iv) Workers' compensation insurance issued by a responsible carrier authorized under the laws of the State to insure employers against liability for compensation under the Labor Code of the State, or any act hereafter enacted as an amendment thereto or in lieu thereof, such worker's compensation insurance to cover all persons employed by the Corporation in connection with the Facilities and to cover full liability for compensation under any such act aforesaid.

(v) A policy of rental interruption insurance in the amount of at least one year's rental in the event of loss of or damage to the Facilities.

(b) The Corporation will be required to secure and maintain a policy of title insurance insuring the Corporation's leasehold interest under the Ground Lease in an amount equal to the par amount of the Series 2004 Bonds.

All insurance required in the Facilities Lease and all renewals of such insurance (excepting self insurance or commercial insurance through ORM) will be required to be issued by commercial insurers authorized to transact business in the State, and rated at least A- by Best's Insurance Reports (property liability) or in the two highest rating categories of S&P and Moody's. All insurance policies provided or caused to be provided by the Corporation will be required to expressly provide that the policies shall not be canceled or altered without thirty (30) days' prior written notice to the University and the Trustee; and will, to the extent obtainable, be required to provide that no act or omission of the Corporation or other provider of insurance that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained.

All policies of liability insurance that the University will be obligated to maintain according to the Facilities Lease (other than any policy of worker's compensation insurance) will be required to name the Corporation, the Trustee, and such other Persons or firms as the Board specifies from time to time as additional insureds and will be required to expressly provide that the policies shall not be cancelled or altered without thirty (30) days' prior written notice to the Corporation and the Trustee and will, to the extent obtainable, be required to provide that no act or omission of the University that would otherwise result in forfeiture or reduction of the insurance will affect or limit the obligation of the insurance company to pay the amount of any loss sustained. All public liability, property damage liability, and casualty policies maintained by the University will be required to be written as primary policies.

Proceeds of insurance received and/or the amount of any loss that is self-insured through ORM with respect to destruction of or damage to any portion of the Facilities by fire, earthquake, or other casualty or event will be required to be paid to the Trustee for application in accordance with the provisions of the Facilities Lease and the Indenture.

Condemnation, Casualty, and Other Damage

The risk of loss or decrease in the enjoyment and beneficial use of the Facilities due to any Casualty or in consequence of any Expropriation will be expressly assumed by the Board. The Corporation and the Trustee will in no event be answerable, accountable, or liable therefor, nor will any of the foregoing events entitle the Board to any abatements, set-offs, or counter claims with respect to its Base Rental, Additional Rental, or any other obligation under the Facilities Lease.

Application of Insurance Proceeds: Condemnation Award

If, during construction, all or any portion of the Facilities shall be damaged or destroyed by a Casualty, or shall be taken by Expropriation proceedings, the Board will be required to instruct the Corporation, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted the repair, restoration, or replacement thereof; provided however, that the Corporation will in no way be liable for any costs of the repair, restoration, or replacement of the Facilities in excess of the proceeds of any insurance or of any Expropriation award received because of such Casualty or Expropriation. Following the completion of construction and acceptance of the Facilities by the Board on behalf of the Corporation, the Board will be required, as expeditiously as possible, to continuously and diligently prosecute or cause to be prosecuted, the repair, restoration, or replacement thereof. The proceeds of any insurance, including the proceeds of any self-insurance through ORM, or of any Expropriation award or payment in lieu of Expropriation, received on account of any damage, destruction, or taking of all or any portion of the Facilities will be required to be delivered to the Trustee and held by the Trustee in a special account to be established upon receipt of any such funds and held by the Trustee in trust (or in the case of self insurance

through ORM, as set forth in the third succeeding paragraph below), and will be made available for, and to the extent necessary be applied to, such restoration, repair, and replacement. Any amounts so held by the Trustee will be required to be disbursed to pay the costs of restoration, replacement, and repair of the Facilities with respect to which they shall be held, in each case promptly after receipt of a written request of the Corporation stating that the amount to be disbursed pursuant to such request will be used to pay costs of replacing, repairing, or restoring the Facilities and that no amount previously shall have been disbursed by the Trustee for payment of the costs to be so paid. In making such payments, the Trustee will be permitted to rely conclusively upon such written requests and will have no liability or responsibility to investigate any matter stated therein or for any inaccuracy or misstatement therein. In no event will the Trustee be responsible for the adequacy of the plans and specifications or construction contract relating to the replacement, restoration, or repair of the Facilities or for the improper use of moneys properly disbursed pursuant to request made under the Facilities Lease. Any proceeds remaining on deposit with Trustee following completion of the repairs, restoration, or replacement of the Facilities will be required to be paid by Trustee in accordance with the terms of the Indenture.

In the event the proceeds of any insurance, and any additional funds deposited with the Trustee, are insufficient to fully repair, restore, or replace the Facilities, the proceeds shall be paid to the Trustee and used to redeem the outstanding Bonds.

Notwithstanding the foregoing, the Corporation's obligation to replace the Facilities in the event of Expropriation Proceedings will be dependent on the Board's entering into a lease with a different portion of the campus of the University as provided in the Ground Lease. In the event it shall be necessary to restore or replace the Facilities in a different location because of the Expropriation of all or a portion of the Facilities, the Corporation and the Board will agree to amend or enter into a new Facilities Lease and Ground Lease in accordance with the Ground Lease. In the event the Board, pursuant to the Ground Lease, shall decide not to repair, restore or replace the Facilities for any reason, all insurance proceeds received or payable as a result of such Casualty, or all proceeds received or payable as a result of Expropriation proceedings (including payments received or payable in lieu of Expropriation) will be required to be paid to the Board for immediate delivery to the Trustee and applied to the prepayment of the Bonds in accordance with the terms of the Indenture, and the Facilities Lease and the Ground Lease will terminate.

In the event that ORM shall insure the Facilities, the Board will be required to use the insurance proceeds received from ORM in accordance with the policies and procedures of ORM (requiring invoices to be submitted to ORM for payment to vendors, or alternatively, production of invoices paid by the Board to ORM for reimbursement of vendor payments) to effect the repair, restoration, or replacement of the Facilities

Default by the Board

If (i) the Board shall fail to deposit with the Trustee any Base Rental payment required to be so deposited pursuant to the Facilities Lease by the close of business on the day such deposit is required pursuant to the Facilities Lease, and shall fail to remedy such breach within five (5) days thereof, but in no event later than the date on which such payment is required to enable the Corporation to make payment on the Series 2004 Bonds (without use of moneys held in the Debt Service Reserve Fund), or (ii) the Board shall fail to pay or discharge any monetary obligation under the Lease (other than the payment of Base Rental) as and when due, or within thirty (30) days after receipt of Notice from the Corporation that such sums are due and owing; or (iii) the Board shall breach any non-monetary terms, covenants, or conditions therein, and shall fail to remedy any such breach with all reasonable dispatch within a reasonable period of time (or such longer period as the Trustee may approve) after written notice thereof from the Corporation to the Board, then and in any such event the Board will be deemed to be in default under the Facilities Lease, and the Corporation will have the right, at its option, without any further demand or notice to terminate the Facilities Lease on the earliest date permitted by law or on any later date specified in any Notice given to the Board in which case the Board's right to possession of the Facilities will cease, and the Facilities Lease will be terminated, without, however, waiving the Corporation's right to collect all Rental and other payments due or owing for the period up to the time the Corporation regains possession (and which have been appropriated for payment to the Corporation under the Facilities Lease, but not paid by the Board), and to enforce other obligations of the Board that survive termination of the Facilities Lease, and in such event the Corporation may without any further demand or notice re-enter the Facilities and eject all parties in possession thereof, subject to the

rights of students, faculty, staff, and Permitted Sublessees. The foregoing remedies of the Corporation are in addition to and not exclusive of any other remedy of the Corporation. Any such re-entry will be required to be allowed by the Board without hindrance, and the Corporation will not be liable in damages for any such re-entry or be guilty of trespass. The Corporation will agree that upon its termination of the Board's right to possession of the Facilities or termination of the Facilities Lease, the Corporation upon its re-entry of the Facilities will only be allowed to use the Facilities for the Permitted Use and will be subject to all applicable Governmental Regulations heretofore or hereafter enacted by any Governmental Authority relating to the use and operation of the Facilities.

Notwithstanding any other provision of the Facilities Lease, (i) in no event will the Corporation have the right to accelerate the payment of any Base Rental payment under the Facilities Lease, and (ii) the Bond Insurer will have ninety (90) days to cure an Event of Default thereunder.

Notwithstanding anything contained in the Facilities Lease to the contrary, a failure by the Board to pay when due any payment required to be made under the Facilities Lease or a failure by the Board to observe and perform any covenant, condition, or agreement on its part to be observed or performed under the Facilities Lease, resulting from a failure by the Board to appropriate moneys will not constitute an Event of Default thereunder, and the Corporation will not have any of the remedial rights set forth in the Facilities Lease. Notwithstanding the foregoing, in such event, the Facilities Lease will terminate and the University will be required to vacate the Facilities immediately and deliver the Facilities to the Corporation.

Cumulative Remedies

Each right and remedy provided for in the Facilities Lease shall be cumulative and shall be in addition to every other right or remedy provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by the Corporation of any one or more of the rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the Corporation of any or all other rights or remedies provided for in the Facilities Lease or now or after the Commencement Date existing at law or in equity or by statute or otherwise. All costs incurred by the Corporation in collecting any amounts and damages owing by the Board pursuant to the provisions of the Facilities Lease or to enforce any provision of the Facilities Lease, including reasonable Litigation Expenses from the date any such matter is turned over to an attorney, whether or not one or more actions are commenced by the Corporation, will also be recoverable by the Corporation from the Board. The waiver by the Corporation of any breach by the Board and the waiver by the Board of any breach by the Corporation of any term, covenant, or condition of the Facilities Lease will not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

Nonappropriation of Funds

In the event no funds or insufficient funds shall lawfully be appropriated in any Fiscal Year enabling the payment of Base Rental and Additional Rental payments due during the next succeeding Fiscal Year, the Board will be required to notify the Corporation immediately of such occurrence. On the first day of the month following the Base Rental payment date on which the last payment of Base Rental can be made in full from Lawfully Available Funds, the Facilities Lease will terminate without penalty or expense to the Board of any kind whatsoever, except as to the portions of Base Rental and Additional Rental payments therein agreed upon for Fiscal Years for which sufficient funds shall have been lawfully appropriated. In the event of such termination, the Board will agree to surrender possession of the Facilities to the Corporation peaceably on the date of such termination in its original condition (normal wear and tear excepted). The Corporation will have all legal and equitable rights and remedies to take possession of the Facilities and re-let or sell the Facilities as the Corporation determines and as granted in the Facilities Lease. The Board will acknowledge that the Corporation's rights to take possession and to re-let or sell the Facilities under the Facilities Lease may be assigned to the Trustee for the benefit of the owners of the Series 2004 Bonds, and the Board will agree that the Trustee will be entitled to exercise all of the rights of the Corporation under the Facilities Lease. The event of an inability by the University to cause the appropriation of sufficient funds for the payment of sums due under the Facilities Lease will not constitute a default thereunder, but will, *ipso facto*, terminate the Facilities Lease. This provision will be operative notwithstanding any provisions of the Facilities

Lease to the contrary. The Board will be considered in default thereunder if sufficient funds shall have been lawfully appropriated for the payment of Rental required under the Facilities Lease and the Board shall fail to use lawfully appropriated funds for the payment of Rental. In such event, the Corporation will be entitled to the rights and remedies set forth in the Facilities Lease.

Litigation Concerning Student Fees

The Board will make payments of Base Rental solely from Lawfully Available Funds which includes Rents derived from the operation of the Facilities and other auxiliary revenues of the University.

Recent litigation may affect the ability of the University to increase such fees. A Louisiana State University ("*LSU*") student filed suit against the LSU Board of Supervisors (the "*LSU Board*") (civil action filed on October 16, 2003, captioned "Donald C. Hodge, Jr. vs. Board of Supervisors of Louisiana State University and Agricultural and Mechanical College," Number 512.930, Sect. "D,") which seeks to enjoin the LSU Board from implementing a football ticket pricing policy as violative of Article VII, § 2.1 of the Constitution of Louisiana. The 19th Judicial District Court (the "*Trial Court*") ruled that the LSU Board's adoption of a new general pricing policy for home football games did not constitute implementation or assessment of a fee under said Article VII, Section 2.1 which would otherwise require approval by a vote of two-thirds of each house of the Legislature. The Trial Court decision was appealed by Hodge to the Louisiana First Circuit Court of Appeal (the "*Appeal Court*"). In affirming the Trial Court's decision, the Appeal Court, as did the Trial Court, agreed with the reasoning of the Louisiana Attorney General that the Legislature has evidenced no intent to have oversight over "nonmandatory fees" with respect to LSU, other than those fees directly connected with LSU's principal governmental function of providing higher education to the citizens of the State.

The Trial Court ruled on the Hodge action on November 18, 2003, and the Appeal Court rendered its affirming decision on December 23, 2003. On January 22, 2004, Hodge requested that the Louisiana Supreme Court grant writs and review the ruling of the Appeal Court. On March 11, 2004, the Louisiana Supreme Court denied writs on the Hodge action. While the Hodge action did not directly address the Rents and other student fees making up Lawfully Available Funds, the above described reasoning of the Attorney General was followed by the Trial Court and the Appeal Court in this first judicial interpretation of Article VII, Section 2.1 of the Constitution.

There can be no assurance absent favorable judicial interpretation specifically as to charges imposed on students to generate Rents and other auxiliary revenues that this Constitutional provision does not apply to such charges making up a portion of Lawfully Available Funds. In the event this provision does apply, neither the Board nor the University could increase Rents or other auxiliary revenue charges or impose a new auxiliary revenue charge without a two-thirds favorable vote of the Louisiana Legislature. See "**BONDHOLDER'S RISKS**" herein.

LITIGATION

The Authority

There is no litigation now pending or threatened against the Authority, of which the Authority has knowledge, that restrains or enjoins the issuance or delivery of the Series 2004 Bonds or questions or affects the validity of the Series 2004 Bonds or the proceedings and authority under which they are to be issued. To the Authority's knowledge, neither the creation, organization, or existence of the Authority, nor the title of the present members or other officers of the Authority to their respective offices, is being contested or questioned. There is no litigation now pending or threatened against the Authority, of which the Authority has knowledge, that in any manner questions the right of the Authority to enter into the Indenture or the Loan Agreement to secure the Series 2004 Bonds in the manner provided in the Indenture.

The Corporation

There is no litigation now pending or threatened against the Corporation, of which the Corporation has knowledge, that in any manner questions the right of the Corporation to enter into or perform its obligations under the

Loan Agreement, the Mortgage, or the Assignment or that individually or in the aggregate would adversely affect the operations of the Corporation, financial or otherwise.

CONFLICTS OF INTEREST; RELATIONSHIPS

Management of the Corporation has been delegated to Brad O'Hara, Ph.D. Dr. O'Hara is employed on a full-time basis as the Vice President for Student Affairs of the University. Stephen M. TAX EXEMPTION

General

In the opinion of Jones, Walker, Waechter, Poitevent, Carrère & Denègre, L.L.P., Baton Rouge, Louisiana, Bond Counsel, subject to the discussion below, interest on the Series 2004A Bonds and the Series 2004B Bonds (and original issue discount treated as interest (see discussion below)) is excludable from gross income for federal income tax purposes under existing statutes, regulations, published rulings, and judicial decisions. Except as hereinafter described under the subheading "**Alternative Minimum Tax Considerations**," interest on the Series 2004A Bonds and the Series 2004B Bonds (and original issue discount treated as interest) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations.

Interest on the Series 2004C Bonds (and original issue discount treated as interest) is **not** excludable from federal income tax. Interest on the Series 2004C Bonds (and original issue discount treated as interest) will not be an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations.

The Internal Revenue Code of 1986, as amended (the "*Code*") imposes a number of requirements that must be satisfied for interest on state and local obligations to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States government, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service.

In rendering the foregoing opinions, Bond Counsel will assume continuing compliance by the Corporation with the provisions of the Indenture and the Loan Agreement by the Authority and the Corporation subsequent to the issuance of the Series 2004A Bonds and the Series 2004B Bonds which affect the exclusion from gross income of all amounts treated as interest on the Series 2004A Bonds and the Series 2004B Bonds. In addition, Bond Counsel will rely upon certain representations and certifications of the Corporation made in certificates dated the date of initial delivery of the Series 2004 Bonds pertaining to the use, expenditure and investment of the proceeds of the Series 2004A Bonds and the Series 2004B Bonds. These representations relate to matters that are solely within the knowledge of the Corporation, which Bond Counsel has not verified. The Indenture and the Loan Agreement contain certain covenants by the Authority and the Corporation with respect to, among other matters, the above requirements. Failure of the Corporation to comply with any of the covenants may result in interest on the Series 2004A Bonds and the Series 2004B Bonds being included in the gross income of the owners thereof from the date of issue of the Series 2004 Bonds.

Prospective purchasers of the Series 2004A Bonds and the Series 2004B Bonds should be aware that ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits and taxpayers who may be deemed to have incurred to continued indebtedness to purchase or carry tax-exempt obligations. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits tax" on their effectively connected earnings and profits including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences.

Alternative Minimum Tax Considerations
