

# NORTH CAMPUS

Welcome To

## Campus Map

### Campus Map Tips

- Keep in mind the distance between Underclassmen Parking Lots and Main Campus.
- The Lion Traxx bus system is available to all currently enrolled students with a valid Southeastern ID.
- These busses can bring you to and from certain spots on campus, to keep you from having to walk everywhere, so be on the lookout for bus stops.
- Also, keep in mind that you will need to allow yourself time between classes to get from one building to the next. Some buildings may be right next to each other while others may be a long walk away. Remember this when you are scheduling.
