Michelle,

We are going to use the same plan for now.

Do you know when the statistics will be available for our program specific questions on the exit and alumni surveys? I believe I had submitted the questions to you awhile ago and wasn't sure when we'd see data on those items. Also, based on our new accreditation guidelines we may reformulate and need to submit new ones to add to the exit and alumni surveys.

Thanks for your help,

Heidi

Hey Heidi -

Is the current plan ok with all of you? (see Michelle's email)

Thanks,

Mary

Mary,

I think you had already sent this to me. This is the report for the program. I also need an updated plan, it was last updated in 2006. If the faculty think the plan is still appropriate and does not need to be changed, I need a memo from you or Heidi indicating the faculty have reviewed the plan and believe it is still appropriate and no changes are needed. Thanks!
